Interest income is accounted on an accrual basis taking into account the amount outstanding and the rate applicable except where there is uncertainty of ultimate collection.

g) Investment

All long-term investments are valued at cost. Provision for diminution, if any in the value of each long term investments is made to recognize a decline, other than of a temporary nature.

Current investments are carried individually at lower of cost and fair value and the resultant decline, if any, is charged to revenue.

h) Employee Retirement Benefits

(i) Defined contribution Plans

Company's contributions paid/payable during the year to Provident Fund, Superannuation Fund are recognised in the Profit and Loss Account.

(ii) Defined Benefit Plan

Company's liabilities towards gratuity and leave encashment are determined on actuarial basis using the projected unit credit method, which consider each period of service as giving rise to an additional unit of benefit and measure each unit separately to build up the final obligation. Past services are recognised on straight-line basis over the average period until the amended benefits become vested. Actuarial gain and losses are recognised immediately in the Statement of Profit and Loss Account as income or expense. Obligation is measured at the present value of estimated future cash flow using a discount rate that is determined by reference to market yields at the Balance Sheet date on government bonds where the currency and terms of the government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

i) Foreign currency transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transaction. Monetary foreign currency assets and liabilities are translated into Indian Rupees at the exchange rate prevailing at the balance sheet date. All exchange differences are dealt with in the profit and loss account.

Exchange differences on forward exchange contracts, entered into for hedging foreign exchange fluctuation risk in respect of an underlying asset/liability, are recognised in the Statement of Profit and Loss in the reporting period in which the exchange rate changes. Premium/Discount on forward exchange contracts are recognised as an expense/income over the life of the contract.

j) Income Tax

Tax expense comprises both current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates and tax laws.

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax is reviewed at each balance sheet date.

k) Earnings per Share

The company reports basic and diluted Earnings Per Share (EPS) in accordance with Accounting Standard 20 on Earnings Per Share.

Basic EPS is computed by dividing net profit or loss for the year by the weighted average number of Equity shares outstanding during the year.

l) Borrowing costs

Borrowing costs, if any, directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of qualifying assets. Other borrowing costs are expensed as incurred.

m) Operating Lease

Operating Lease payments are recognized as an expense in the Profit & Loss Account on a straight-line basis, which is representative of the time pattern of the user's benefit.

n) Cash Flow statement

The Cash Flow Statement is prepared by the indirect method set out in Accounting Standard 3 on Cash Flow Statements and presents the cash flows by operating, investing and financing activities of the company.

o) Provisions and Contingent Liabilities

Provisions are recognized in the accounts in respect of present probable obligations, the amount of which can be reliably estimated.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

INDEPENDENT AUDITORS' REPORT

To
**The Members of
Mahindra Internet Commerce Private Limited**

Report on the Financial Statements

1. We have audited the accompanying financial statements of **MAHINDRA INTERNET COMMERCE PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, and the Statements of Profit and Loss and Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2015, and its profit/loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2015, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
 - e. On the basis of written representations received from the directors as on March 31, 2015 taken on record

- by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. In our opinion and based on the information and explanations given to us, there are no pending litigations against the company.
- ii. The Company did not have any long-term contracts including derivate contracts for which there were any material foreseeable losses.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2015

1. CORPORATE INFORMATION

Mahindra Internet Commerce Private Limited (the company) is a private limited company domiciled in India and was incorporated on 3rd November 2008 as Mahindra United Football Club Private Limited (MUFC). On 17th December, 2014, MUFC had discontinued its earlier business of operating professional football club in June 2010. The Company has changed its name and Object clause and started business operations in the area trading on E-Commerce platform from 20th December 2014. Pursuant to issue of shares to Mahindra Retail during the year, the Company has become subsidiary of Mahindra Retail Private Limited and is engaged in business of retailing baby and mother care product on E-Commerce platform (www.babyoye.com).

The company had acquired the assets of Moms Supplies Private Limited and Nest Childcare Private Limited on 20th December 2014 vide Asset Transfer Agreements of even date.

2. BASIS OF PREPARATION

The financial statements of the company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

2.1 SIGNIFICANT ACCOUNTING POLICIES

a) Use of estimates

The preparation of financial statements in conformity with Generally Indian Accepted Accounting Principles requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities as of the date of financial statements and reported amounts of income and expenses during the period. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from those estimates. Difference between the actual results and estimates are recognized in the year in which the results are known/materialized.

b) Fixed Assets and Depreciation

(i) Tangible Assets.

Fixed assets are stated at their original cost of acquisition less accumulated depreciation and impairment losses. Cost includes all incidental expenses related to acquisition and installation and other pre-operative expenses.

Depreciation is provided, pro rata for the period of use, by the straight line method (SLM), based on management's estimate of useful lives of the fixed assets at the following annual rates which are higher than the SLM rates prescribed in Schedule II to the Companies Act 2013.

Assets	(%)	Useful lives (years)
Furniture & Fixtures	09.50	10 Years
Office equipment's	19.00	5 Years
Computers & Peripherals	31.67	3 Years

(ii) Intangible Assets

Intangible assets are stated at their cost of acquisition, less accumulated amortisation and impairment losses thereon. An intangible asset is recognized, where it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured.

The depreciable amount of intangible assets other than software is allocated over the best estimate of its useful life on a straight-line basis.

The company capitalizes software and related implementation costs where it is reasonably estimated that the software has an enduring useful life. Software is depreciated over management estimate of its useful life of 3 years.

d) Impairment of assets

The carrying amount of cash generating units/assets is reviewed at the balance sheet date to determine whether there is any indication of impairment. If such indication exists, the recoverable amount is estimated as the net selling price or value in use, whichever is higher. Impairment loss, if any, is recognised whenever carrying amount exceeds the recoverable amount.

e) Inventories

Inventories are valued at the lower of cost and net realisable value. Cost of inventories comprises of all costs of purchase and other costs incurred in bringing the inventories to their present condition and location. Packing Material and Consumables are valued at cost. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale.

f) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sales of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually when invoice is generated in the system. The company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

Income from Services

Revenues from services rendered are recognised as and when the services are rendered.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

g) Foreign currency transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transaction. Monetary foreign currency assets and liabilities are translated into Indian Rupees at the exchange rate prevailing at the balance sheet date. All exchange differences are dealt with in the profit and loss account.

(h) Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund.

MAHINDRA INTERNET COMMERCE PRIVATE LIMITED
(FORMERLY KNOWN AS MAHINDRA UNITED FOOTBALL CLUB PRIVATE LIMITED)

i) Income Tax

Tax expense comprises both current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates and tax laws.

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets in respect of accumulated losses/unabsorbed depreciation are not recognised unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax is reviewed at each balance sheet date.

j) Earnings per Share

The company reports basic and diluted Earnings Per Share (EPS) in accordance with Accounting Standard 20 on Earnings Per Share.

Basic EPS is computed by dividing net profit or loss for the year by the weighted average number of Equity shares outstanding during the year.

h) Borrowing costs

Borrowing costs, if any, directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of qualifying assets. Other borrowing costs are expensed as incurred.

i) Operating Lease

Operating Lease payments are recognized as an expense in the Profit & Loss Account on a straight-line basis, which is representative of the time pattern of the user's benefit.

j) Cash Flow statement

The Cash Flow Statement is prepared by the indirect method set out in Accounting Standard 3 on Cash Flow Statements and presents the cash flows by operating, investing and financing activities of the company.

k) Provisions and Contingent Liabilities

Provisions are recognized in the accounts in respect of present probable obligations, the amount of which can be reliably estimated.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

ANNEXURE I TO THE DIRECTORS' REPORT

POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra First Choice Wheels Ltd.

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

(i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)

(ii) Chief Financial Officer (CFO); and

(iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
 1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
 2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.

3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors.

- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman or the Managing Director or any other Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act, 2013 and Rules made thereunder.

REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become directors and who may be appointed in senior management team in accordance with the criteria as enumerated above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman or Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

II. SUCCESSION PLANNING

Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

Board:

The successors for the Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later

than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

Senior Management Personnel:

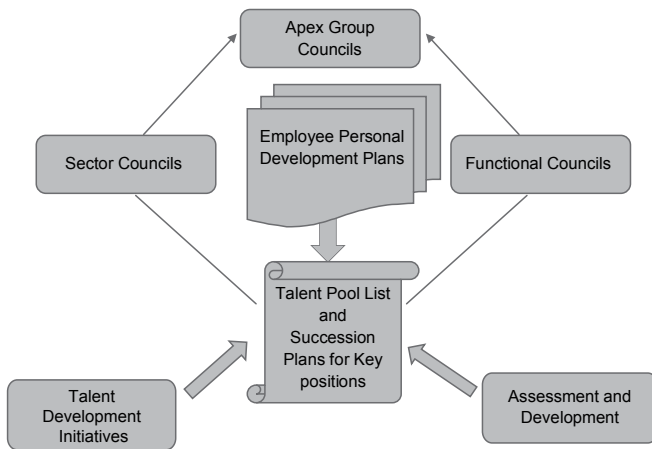

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a laddered approach.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

Purpose

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra First Choice Wheels Ltd.

Policy Statement

We have a well-defined Compensation policy which is in line with our parent company Mahindra & Mahindra Ltd. for Managing Director, Manager, Key Managerial Personnel and all employees, of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director’s participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act, 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Executive Directors

The remuneration to Managing Director and Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

Key Managerial Personnel (KMPs)

The terms of remuneration of Chief Executive Officer (CEO), Chief Financial Officer (CFO) , Company Secretary (CS) & other Key Management personnel, if any, shall be determined by the Board and shall be revised either by any Director or such other person as may be authorized by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act, 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Employees

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.
- b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component

(Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company and subject to the compliance of the applicable statutes and regulations.

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF
MAHINDRA FIRST CHOICE WHEELS LIMITED**

Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA FIRST CHOICE WHEELS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its profits and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 25 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) Having regard to the nature of the Company's business/ activities/results during the year, clauses (ii), (v), (vi), (ix), and (xi) of paragraph 3 of the Order are not applicable to the Company.
- (ii) In respect of its fixed assets:
- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
- (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the Register maintained under section 189 of Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business for the purchases of fixed assets and for the sale of services. During the course of our audit, we have not observed any major weakness in such internal control system.
- (v) According to the information and explanations given to us in respect of statutory dues:
- a. The Company has been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Wealth Tax, Sales Tax, Vat, Custom Duty, Service Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Wealth Tax, Sales Tax, Vat, Custom Duty, Service Tax, Cess and other material statutory dues applicable to the Company, in arrears as at 31st March, 2015, for a period of more than six months from the date they became payable.

As informed to us the nature of business activities of the Company is such that it does not involve any manufacturing activities and hence Excise Duty is not applicable for the year.

- b. There are no dues of Income-tax, Sales Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax and Cess which have not been deposited as on March 31, 2015 on account of disputes except the following

Sr. No.	Name of the statute	Period	Amount	Forum where dispute is pending

Notes forming part of the financial statements

1. Background of the company:

The Company, Mahindra First Choice Wheels Limited, incorporated in 1994, is a subsidiary of Mahindra & Mahindra Limited. It is currently engaged in the business of facilitating trading in used vehicles through its franchise network and electronic platform and providing allied products and services, including online pricing guidance and used vehicle inspection and valuation services.

2. Significant Accounting Policies:

a. Basis of accounting and preparation of financial statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the 2013 Act. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those followed in the previous year.

b. Use of estimates:

The preparation of the financial statements, in conformity with the generally accepted accounting principles, requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

c. Revenue Recognition:

Revenue from sales is recognised, net of returns, when the significant risks and rewards of ownership of goods are transferred to the customers. Revenue from services is recognised as per contractual agreement.

d. Other Income:

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

e. Fixed Assets:

(i) Tangible Assets:

Tangible Assets are stated at cost less accumulated depreciation and impairment, if any. Costs comprise of purchase price and any directly attributable costs incurred for making the asset ready for its intended use.

(ii) Intangible Assets:

Intangible Assets are recognized as per criteria specified in Accounting Standard 26 – Intangible Assets.

(iii) Capital work-in-progress:

Capital work-in-progress, including projects under commissioning, are carried at cost comprising direct cost, related incidental expenses and attributable interest.

f. Operating Lease:

Assets taken on lease under which, all the risks and rewards of ownership are effectively retained by the lessor are classified as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis.

g. Impairment of Assets:

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. Impairment loss is provided to the extent the carrying amount of assets exceeds their recoverable amount. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

h. Depreciation/Amortisation:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes etc.

- (a) Vehicles which are depreciated over a period of three years.
- (b) Telephone and mobile instruments are depreciated over a period of two years based on the estimated useful life.
- (c) Depreciation on leasehold improvements made in respect of premises taken on lease is provided over the period of the lease.
- (d) Cost of Website is amortised over a period of 3 - 5 years.
- (e) Cost of Software is amortised over a period of 5 years from the year of implementation.

i. Investments:

Current investments are carried individually at lower of cost and fair value. Long Term investments (excluding investment property) are carried individually at cost less provision to recognise a decline, other than temporary, in the carrying amount of Long Term investments. Cost of investments includes acquisition charges such as brokerage, fees and duties.

j. Inventories:

Trading goods are valued at lower of cost and net realisable value. The cost is determined on a specific identification basis and includes purchase price and incidental expenses i.e. commission/brokerage, refurbishment cost etc.

k. Foreign Currency Transactions:

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction. Monetary items are translated at the year-end rates. The exchange difference between the rate prevailing on the date of transaction and on the date of settlement as also on translation of Monetary items at the end of the year, is recognised as income or expense, as the case may be.

l. Employee Benefits:

A) Short term employee benefits are recognised as an expense at the undiscounted amount in the Statement of profit and loss of the year in which the related service is rendered.

B) Post employment benefits:

- i) Defined Contribution Plan: Provident and Family Pension Fund

The eligible employees of the Company are entitled to receive post employment benefits in respect of provident and family pension fund, in which both employees and the Company make monthly contributions at a specified percentage of the employees' eligible salary (currently 12% of employees' eligible salary). The contributions are made to Regional Provident Fund Commissioner. Provident Fund and Family Pension Fund are classified as Defined Contribution Plans as the Company has no further obligations beyond making the contribution. The Company's contributions to Defined Contribution Plan are charged to the statement of profit and loss as incurred.

- ii) Defined Benefit Plan: Gratuity (unfunded)

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of six months. Vesting occurs upon completion of five years of service. The Company accounts the gratuity benefits payable in future based on an independent external actuarial valuation carried out at the end of the year which is determined using the Projected Unit Credit method. Actuarial gains

and losses are recognised in the statement of profit and loss. Past service cost is recognised immediately to the extent that the benefits are already vested.

C) Other long-term employment benefits – Compensated Absences

The Company provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The Company makes provision for compensated absences based on an independent external actuarial valuation carried out at the end of the year. Actuarial gains and losses are recognised in the statement of profit and loss.

m. Employee share based payments:

The Company has constituted an Employee Stock Option Plan. Employee Stock Options granted on or after 1 April, 2005 are accounted under the 'Intrinsic Value Method' stated in the Guidance Note on Employee Share Based Payments issued by the Institute of Chartered Accountants of India.

n. Earnings per share:

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date.

o. Income taxes:

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to/recovered from the tax authorities, using the applicable tax rates, the provisions of income tax Act, 1961 and other applicable tax laws. Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

p. Provisions and contingencies:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

26. The Company has framed an Equity settled "Employee Stock Option Scheme" (ESOS) for its employees and directors. It has a trust viz. Mahindra First Choice Wheels Limited Employees' Stock Option Trust" (ESOS trust), which would hold the shares for the benefit of the eligible employees, including directors of the Company and its subsidiaries.

The Company had issued and allotted 3,261,937 Equity Shares of Rs. 10/- each to the ESOS trust in earlier years.

In terms of the said Plan, the Trust had granted options to the employees, which vest in three equal installments - i.e. one third each at the expiry of 36 months, 48 months and 60 months respectively from the date of the grant. The options can be exercised over a period of 5 years from the date of vesting. The exercise price for all options granted is Rs. 10/- per option. As at 31st March 2014, the total number of options subsisting (net of lapsed and cancelled options) was 31,67,397. During the year ended 31st March 2015, 683,916 options have lapsed/been surrendered or cancelled and 233,870 options have been exercised.

The details of the options are as under:

	(In Rupees)	
	Year Ended March 31, 2015	Year Ended March 31, 2014
Options outstanding at the beginning of the year	3,167,397	2,219,815
Options granted during the year	-	10,19,689
Options lapsed during the year	203,649	72,107
Options surrendered and cancelled during the year	480,267	-
Options exercised during the year	233,870	-
Options vested but not exercised at the end of the year	685,430	4,97,374

The Company follows the intrinsic value method for computing the compensation cost of stock options granted to employees. The intrinsic value being lower than the exercise price at the time of grants, the employee compensation cost of the options granted in previous years is NIL. No stock options were granted during the year ended 31st March 2015.

The Guidance Note on Accounting for Employee Share based Payments issued by the Institute of Chartered Accountants of India requires that shares allotted to a Trust for the purpose of subsequent transfer to the employees, as per the terms of the scheme, be disclosed as a reduction from Share Capital and Reserves. Accordingly the Company has disclosed the reduction from Share Capital by Rs. 30,280,670/- (30,28,067 Equity shares of Rs. 10/- each), (Previous Year - Rs. 32,619,370/- (32,61,937 Equity shares of Rs. 10/- each)) and reduced from Securities Premium by Rs. 15,87,115/- (Previous Year - Rs. 15,87,115/-) in respect of 317,423 Equity Shares having face value of Rs. 10 each issued at a premium in earlier years, held by ESOS Trust as per ESOS.

The Air Export business grew significantly by 72% over last year due to focus on this product leading to many major customer wins and corresponding business. The Ocean Export business was another major contributor to growth, growing 43% over previous year. Further, brisk account penetration in across all the major products has improved significantly, as efforts centered on a focused marketing strategy. This involved targeting customers for specific trade lanes, sales channels and geographies which lead to increase in both the Mahindra and Non-Mahindra business segments, and also nomination business from Global Network Partners. The Air Import business however, declined by 13% and the Ocean Import business grew by only 1%. These two product lines will be developed for the year F16 to ensure growth and profitability through a strategy focused on specific industry verticals, trade-lanes and sales channels. Lords has become subsidiary of the Company with effect from 7th August, 2014.

2) 2X2 Logistics Private Limited (2X2)

During the year 2x2 has purchased two car carriers and also engaged market vehicles to increase the business

ANNEXURE I TO THE DIRECTORS' REPORT

A. POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT

DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“Board” means Board of Directors of the Company.

“Company” means Mahindra Logistics Limited.

“Employee” means employee of the Company including employees in the Senior Management Team of the Company.

“Key Managerial Personnel” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Chief Executive Officer (CEO);
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“Nomination and Remuneration Committee” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“Senior Management” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management including the functional heads.

I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
 1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
 2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.
 3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors.
- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent,

the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

Senior Management Personnel are appointed or promoted and removed/relieved with the authority of CEO based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

II. SUCCESSION PLANNING:

Board:

The successors for the Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

We have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Ready now
2. Ready in 1 to 2 years

3. Ready in 2 to 5 years
4. Ready in more than 5 years

in order to ensure talent readiness as per a ladder approach.

B. Remuneration Policy for Directors, Key Managerial Personnel and Employees.

Overall Intent of Compensation Policy

At Mahindra Logistics Ltd. (MLL) we want our employees to understand and appreciate their role in providing value to the business. On its part, the organization recognizes that its success depends upon the skills, competencies and performance of its employees. We also believe that the way in which we compensate, reward and recognize as well as promote our employees is a crucial factor in achieving our business and financial objectives. Towards achievement of these objectives, we promote an entrepreneurial, team-based performance and result oriented culture.

Objectives of the Compensation Policy-

- To attract, motivate and retain employees by compensating them competitively, based on periodic comparison with other companies in relevant industries.
- To provide an overall package of remuneration and benefits which addresses the normal requirements of employees and their families.
- To align levels of compensation with the expected output of employees in terms of role responsibility, skills and experience.
- To link elements of compensation with performance of each individual as well as the business.

Compensation Strategy

- We will regularly track market trends in terms of compensation levels and practices in relevant industries through participation in structured surveys and informal consultation with a select group of comparable organizations. This information will be used to internally review our compensation policies and levels.

A. Total Cost to Company

The first category consists of elements of compensation that are applicable to every individual and are calculated on a 'Total Cost to Company' basis.

A.1 Fixed Pay

This consists of basic salary, allowances and retiral benefits

Table A

Grade	01	02	03	04	05	06	07	08/MT	09	10/GT
Basic Salary (% of CTC)	30%	30%	30%	30%	30%	30%	30%	25%	25%	25%
HRA (% of Basic)	50%	50%	50%	50%	50%	50%	50%	50%	50%	50%
Conveyance Allow. Per month	800	800	800	800	800	800	800	800	800	800
Education Allow. Per month	200	200	200	200	200	200	200	200	200	200

- Our package of remuneration and benefits will be designed to provide a degree of flexibility to individual officers to structure key benefits in a way that best suits individual personal and family requirements.
- Recognizing the need for long-term security, the compensation will include all statutory and other retirement benefits.
- Broad bands of compensation levels will be equitably defined for each grade to reflect levels of responsibility and provide a template when recruiting new employees.
- A pre-determined portion of remuneration will be linked directly to the annual performance of each individual and the business. This proportion will vary for each grade in keeping with the levels of responsibility.

Compensation Structure

The compensation structure consists of two categories of elements, summarized below. The details of each are given in subsequent parts.

- A. Total Cost to Company
- B. Reimbursements & Benefits

Employees in Sales/Business Development Department, who are in Grade 07 and above are eligible for Sales Incentive Plan (SIP), which is paid on the basis of achievement of sales targets on quarterly basis.

B. Reimbursements & Benefits

In addition to the above, the company provides certain other reimbursements and benefits. These are applicable

to all or certain grades based on business requirements and articulated in the HR policy manual. These are, therefore, kept outside the calculation of Cost to Company. These consist of the following:

1. Medical Reimbursements
2. Group Medclaim (Hospitalization) insurance policy
3. Group Personal Accident insurance policy
4. Group Term Life policy
5. Workmen Compensation policy
6. Mobile Reimbursement policy
7. Cellular phone handset policy
8. Laptops and data card policy
9. Transfer Relocation allowance policy

Hiring Process:

For hiring talent from the market, MLL has an Employee Requisition process which has the Job description, candidate profile, grade and the Budgeted CTC. The candidate is given an offer as per the Table A with a maximum increase of 20% on present CTC of the candidate. Any increase proposed above 20% of CTC approval is taken from CEO.

Payment of Salary:

Salaries are credited to (company nominated) employee's salary bank account. A salary slip detailing the total of pay and the various deductions made is also provided. Salary gets credited to the bank on or before 7th day of the subsequent month.

Annual Increments/Promotions

Based on annual performance appraisals, competency evaluation and Bell curve guidelines, the permanent employees are given ratings on a 5 point scale and applicable increment percentage on CTC is applicable to derive the revised compensation. Promotion criteria is based movement to a higher responsibility and consistently rated Expectations Surpassed/Superior. For promotions an additional increment is also added.

Appraisal year is April to March. Employees joined till 1st February are eligible for Annual increments effective 1st August and new joiners from 2nd February will be eligible for increments prorated in the next appraisal cycle.

Fixed Term Contract (FTC) Employees

Based on Customer requirement, Fixed Term Contract (FTC) employees are recruited mainly for Operations. The

Employment Term of these employees is for one year and it is renewed based on the Customer Agreement for further period. In case of closure of the Customer Agreement, we try to accommodate these employees in other projects based on the requirement else their services are terminated as per the clause mentioned in their appointment letter.

Compensation structure and components of compensation for FTC employees depends on the Location and Customer requirement.

Basic Salary, Provident Fund and Bonus are the mandatory components of the compensation structure, whereas House Rent Allowance, Conveyance Allowance, Child Education Allowance, Supplementary Allowance, Canteen Allowance, Skill Allowance, Attendance Bonus, Production Incentive are paid on the basis of available budgets for the respective customer.

FTC employees are covered under:

1. Employee State Insurance (ESI) or Workmen Compensation (WC) based on the location.
2. Group Mediclaim (Hospitalization) insurance policy.
3. Group Personal Accident insurance policy.
4. Group Term Life policy.

For annual increments for FTC's we have 2 cycles of annual increment – 1st October and 1st April depending on the customer agreement contracts.

Policy for Non-Executive Directors including Independent Directors:

The Nomination and Remuneration Committee shall decide the basis for determining the compensation, both fixed and variable, to the Non-Executive Directors including Independent Directors whether as commission or otherwise. The Committee shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Companies Act, 2013 and such other factors as the committee may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the shareholders resolution.

INDEPENDENT AUDITOR'S REPORT

To the Members of **MAHINDRA LOGISTICS LIMITED**

Report on the Financial Statements

1. We have audited the accompanying standalone financial statements of **MAHINDRA LOGISTICS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, and the Statements of Profit and Loss and Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2015, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
 - e. On the basis of written representations received from the directors as on March 31, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

(Referred to in para 9 in our report of even date)

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
- (b) The fixed assets of the Company have been physically verified by the Management during the year. The discrepancies noticed, if any on such verification were not material and have been properly dealt with in the books of account. In our opinion, the frequency of verification is reasonable.
- ii. (a) The management has conducted physical verification of inventory at reasonable intervals. In our opinion, the frequency of verification is reasonable.
- (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventory followed by the management were found reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) On the basis of our examination of the inventory records, in our opinion, the Company is maintaining proper records of inventory. The discrepancies noticed on physical verification of inventory as compared to book records were not material.
- iii. There are no companies, firms or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii) of the said order are not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, the Company is having an adequate internal control system commensurate with the size and the nature of its business, for the purchase of fixed assets and sale of services. The activities of the Company do not involve purchase of inventory and sale of goods. On the basis of our examination of the books and records of the Company and according to the information and explanations given to us, we have neither come across, nor have we been informed of, any continuing failure to correct any major weaknesses in the aforesaid internal control system.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and rules framed there under to the extent notified. Consequently, no order has been passed by the Company Law Board or National Company Law Commission or Reserve Bank of India or any court or any other tribunal on the Company.
- vi. The Central Government of India has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
- vii. (a) According to the records of the Company and information and explanations given to us, the Company is generally regular in depositing undisputed statutory dues including Provident fund, Employees' state insurance, Income tax, Sales tax, Service tax, duty of customs, Value added tax, cess and other applicable statutory dues with the appropriate authorities.
- (b) According to the information and explanations given to us and records of the Company examined by us, there are no dues of income tax, sales tax, wealth tax, service-tax, duty of excise, duty of customs, value added tax, and cess which have not been deposited on account of any dispute except for the following:

E) Shares reserved for issue under Stock Options (For details of shares issued under Key Executive Stock Option Scheme 2012, Refer Note B (12)).

F) Terms / rights attached to equity shares

The Company has only one class of equity shares having a par value of Rs.10/- per share. Each holder of equity shares is entitled to one vote per share. The dividend proposed by the board of directors and approved by the shareholders in the annual general meeting is paid in Indian rupees. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

G) Terms / rights attached to 0.001% Non Cumulative fully paid Compulsorily Convertible Preference Shares ("CCPS")

- Each CCPS is issued at subscription price of Rs. 122.29 having a par value of Rs. 50 each.
- Each CCPS shall convert into one equity share of Rs. 10/- each subject to the terms provided under the agreement with the holder of CCPS.
- CCPS shall be convertible into equity share (a) at any time at the option of the holders, or (b) at the option of the Company on and after completion of 5 (five) years from the date of investment by holder of CCPS i.e. 19th March, 2014.
- Each CCPS shall be entitled to a preferred dividend of 0.001% (zero point zero zero one percent) per annum, in priority to the holders of the equity shares. In any given financial year the Company may not declare any dividend or other distribution to its holders of equity shares unless it has first declared the preferential dividend of such financial year to the holders of the CCPS. If the Company declares any dividend or other distribution to its holders of equity shares, in cash or otherwise, each holder of the CCPS shall have right, in priority to the holders of the equity shares, to receive the aggregate amount of dividend or other distribution which such holder of CCPS would have received if, on the record date for each distribution made during the financial year during which the dividend or other distribution is made (including the record date for the dividend or distribution at stake), it were the holder of the maximum number of equity shares representing deemed shareholding into which its CCPS can be converted on the record date for such distribution.

Note A & B – Summary of Significant accounting policies and Notes to Financial Statements for the year ended 31st March, 2015.

Note A – Summary of Significant Accounting Policies

Corporate Information:

Mahindra Logistics Limited is a public limited company incorporated on 24th August, 2007 under the Companies Act, 1956. The Company's main activities are transportation, 3PL services such as warehousing, cargo logistics, supply chain solution, people logistics and trading of goods.

1. Basis for Preparation of Financial Statements:

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 (the Act) and the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).

Assets and Liabilities are classified as Current or Non Current as per the provisions of Schedule III to the Companies Act, 2013 and Company's Normal Operating Cycle. Based on the nature of business, the Company has ascertained its operating cycle as 12 months for the classification of assets and liabilities.

The financial statements are presented in Indian Rupees denominated in Lakhs.

2. Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (Including Contingent Liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Any revision to accounting estimates is recognized prospectively in current and future periods.

3. Fixed Assets:

- i. All Fixed Assets are carried at their cost of acquisition less accumulated depreciation and impairment losses, if any. Cost of acquisition is inclusive of purchase price, levies and any directly attributable cost of bringing the assets to its working condition for the intended use.
- ii. When an asset is scrapped or otherwise disposed off, cost and related depreciation are removed from books of accounts and resultant profit/loss, if any, is reflected in the Statement of Profit and Loss.
- iii. Intangible assets are stated at cost less accumulated amortization and impairment loss, if any.

4. Depreciation:

Depreciation on tangible asset is charged by the Straight Line Method (SLM) in accordance with the useful lives specified in Part – C of Schedule II of the Companies Act, 2013 on a pro-rata basis except in the case of:

- i. Certain items of Plant & Machinery individually costing more than Rs. 5,000 – over their useful lives ranging from 5 years to 10 years as determined by the Company and also based on the contractual arrangements wherever applicable.

5. Intangible Assets:

All Intangible Assets are initially measured at cost/fair value and amortised so as to reflect the pattern in which the asset's economic benefits are consumed.

i. Software Expenditure:

The expenditure incurred is amortised over three financial years equally commencing from the year in which the expenditure is incurred.

ii. Congeries of Rights:

The expenditure incurred is amortised over the estimated period of benefit, not exceeding four financial years equally commencing from the year in which the expenditure is incurred.

iii. Goodwill:

The expenditure incurred is amortised over the estimated period of benefit, not exceeding four financial years equally commencing from the year in which, the expenditure is incurred.

6. Inventories:

Inventories are valued at the lower of cost and net realisable value. Cost of inventories comprises of all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined by the First in First Out (F.I.F.O) method.

7. Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Incomes from logistics services rendered are recognised on the completion of the services as per the terms of contract.

Sale of products are recognised when the products are despatched which coincides with the transfer of risk and rewards to the buyer of products. Sales are exclusive of sales tax & sales returns.

Interest income is accounted on accrual basis at the contracted rate. Dividend income is recognised when right to receive is established.

8. Investments:

All long-term investments are valued at cost. However provision for diminution in value is made to recognise a decline other than temporary in the value of investments. Current investments are valued at the lower of cost and fair value, determined by category of investment.

9. Foreign exchange transactions and translations:

i. Initial recognition:

Transactions in foreign currencies are recognised at the exchange rate between the reporting currency and the foreign currency prevailing on the transaction dates.

ii. Conversion:

- a. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.
- b. Non-monetary items, if any are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

iii. Exchange differences:

The Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

- a. Realized gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.
- b. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

10. Employee Benefits:

i. Defined Contribution Plan:

Company's contributions paid/payable during the year to the Superannuation Fund, ESIC, Provident Fund and Labour Welfare Fund are recognised in the Statement of Profit and Loss.

ii. Defined Benefits:

Company's liability towards gratuity and long term compensated absences are determined by independent actuaries, using the projected unit credit method. Past services are recognised on a straight line basis over the average period until the benefits become vested. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to the market yields at the Balance Sheet date on Government Bonds where the currency and terms of the Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation.

11. Borrowing Cost:

Borrowing Cost that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to revenue in the year of incurrence.

12. Segment Reporting:

Accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenues and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated Corporate Expenses".

13. Operating Leases:

The Company's significant operating leasing arrangements are in respect of office premises, warehouse, warehouse equipments and IT related equipments. Lease rentals are recognised as per the terms of lease.

14. Earnings Per Share:

Basic and diluted earnings per share is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of Equity Shares outstanding during the year.

15. Income Tax:

Income taxes are accounted for in accordance with the Accounting Standard 22 on "Accounting for Taxes on Income". Taxes comprises of Current tax and Deferred tax.

Current tax is determined as the amount of tax payable in respect of taxable income for the year using the applicable tax rates and tax laws.

Deferred tax assets and liabilities are recognized for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using the tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred tax assets are not recognised unless in the management judgment, there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized except in case of deferred tax assets arising from brought forward tax losses wherein deferred tax asset is only recognized when there is virtual certainty. Deferred tax assets are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

16. Impairment of Assets:

The Management of the Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

17. Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognised nor disclosed in the financial statements.

18. Employee Stock Options:

The Company follows Intrinsic Value Method of accounting for accruing compensation cost arising from issue of Employee Stock Options. Compensation cost is amortised over the vesting period of the option on a straight line basis.

Note B – Notes to the Financial Statements:

1. Loans:

Credit facilities from Banks are secured by a *pari-passu* charge on the Company's entire present and future book debts, outstanding monies, receivables, claims and bills in terms of the Letter of hypothecation executed by the Company.

Cash Credit facilities are repayable on demand and carry interest based on applicable rate plus agreed spreads and/or negotiated rates. The rates of interest during the year ranged between 10% to 12.25%.

2. Tangible Assets:

During the financial year 2011-2012 cost of land situated at Sembiya Manali Village, Ponneri taluka, Tiruvallore District, amounting to Rs.189.42 Lakhs including related development costs of the land amounting to Rs.1.48 Lakhs was transferred to Current Assets as it is held for sale.

11. During the year, the Company has made following investments:-

- Rs. 799.99 Lacs in LORDS Freight (India) Private Limited, being the payment towards 14,17,509 equity shares of face value of Rs. 10 each @ Rs. 56.44 per Equity share (including premium of Rs. 46.44 per Equity share), which now has become a subsidiary of the Company.
- Rs. 220.00 lacs being the additional investment by subscription to 22,00,000 equity shares of face value of Rs.10/- each issued on a rights basis at par for cash in 2 X 2 Logistics Private Limited, a subsidiary of the Company.

12. The Company has introduced a MLL - Key Executives Stock Option Scheme, 2012 ("Plan") as approved at its Board Meeting held on 27th April, 2012 and subsequently amended on 5th February, 2014. The plan provides that eligible employees and the Mahindra Partners Employees Options Trust (the Trust) as defined in the Plan are granted options to acquire equity shares of the Company that vests in a graded manner. The vested options can be exercised within a specified period from the date on which the shares of the Company get listed on a recognized stock exchange or on happening of an event as specified in the Plan. Under the plan, 51,02,791 Options were granted at an exercise price of Rs. 13.90 per option and 4,30,952 Options were granted at an exercise price of Rs. 23.88 per option to eligible employees during the previous years. No further options were granted during the current year.

Since the exercise price is equal to fair value of shares based on valuation by an independent valuer as on the date of the grant, no compensation costs is recorded in the books of account.

Information in Respect of Option Outstanding:

Particulars	Tranche I
No. of Options outstanding as on 1 st April, 2014	21,21,788
No. of Options granted during the year	-
No. of Options forfeited during the year	1,42,148
No. of Options exercised during the year	4,35,477
No. of Options outstanding as on 31 st March, 2015	15,44,163

(a) Fair value of options

The fair value of options used to compute proforma net profit and earnings per share have been estimated on the date of grant using the black-scholes model. The key assumptions used in black-scholes model for calculating fair value as on the date of grant are:

Grants covered under Scheme 2012:

Variables	25-Jun-12	02-Nov-12	14-Oct-13
1) Risk free interest rate	8.12%	7.95 – 7.96%	8.68%
2) Expected life	1.6 – 4.94 years	1.25 – 4.58 years	1.30 – 3.63 years
3) Expected volatility	35.35%	35.35%	23.38%
4) Dividend yield	0.00%	0.00%	0.00%

(b) Earnings Per Share

As per the Guidance Note on "Accounting for Employee Share Based Payments" issued by the Institute of Chartered Accountants of India the Company has calculated the compensation cost using intrinsic value method. Had the Company used fair value method, the net profit after tax and basic and diluted earnings per share would have been as follows:

Particulars	Intrinsic Value Method Mar.2015	Fair Value Method Mar.2015	Method *	
			Mar.2014	Mar.2014
Net profit after tax (Rs. in Lacs)	Rs. in Lakhs 4,108.92	Rs. in Lakhs 3,664.38	4,022.49	3,579.11
Weighted average number of equity shares of Rs.10/- each – Basic	No. in Lakhs 591.13	578.49	591.13	578.49
Weighted Average number of equity shares of Rs.10/- each – Diluted	No. in Lakhs 614.88	625.71	614.88	625.71
Basic Earnings Per Share (Rs.)	in Rs. 6.95	6.33	6.80	6.19
Diluted Earnings Per Share # (Rs.)	in Rs. 6.68	5.86	6.54	5.72

Dilution in Earnings per share is on account of 15,44,163 options (March 2014 : 21,21,788 options) outstanding under the Employees Stock Option Scheme.

* Earnings Per Share under fair value method is computed on proforma net profit after tax after adjusting for employee compensation costs under fair value method. Employee compensation cost under fair value method as compared to intrinsic value method is higher by Rs. 86.43 Lacs (March 2014 : Rs. 85.27 Lacs).

13. Earnings Per Share:

INDEPENDENT AUDITOR'S REPORT

To the Members of **2 X 2 LOGISTICS PRIVATE LIMITED**

Report on the Financial Statements

1. We have audited the accompanying financial statements of **2 X 2 LOGISTICS PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, and the Statements of Profit and Loss and Cash Flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial

control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2015, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
 - e. On the basis of written representations received from the directors as on March 31, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act.

- f. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivate contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE TO THE AUDITOR'S REPORT

(Referred to para 9 in our report of even date)

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
(b) The fixed assets of the Company have been physically verified by the Management during the year. The discrepancies noticed on such verification were not material and have been properly dealt with in the books of account. In our opinion, the frequency of verification is reasonable.
- ii. The Company is in the business of logistics services and consequently, does not hold any inventory. Therefore, the provisions of Clause 3(ii) of the said order are not applicable to the company.
- iii. There are no companies, firms or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii) of the said order are not applicable to the company.
- iv. In our opinion and according to the information and explanations given to us, the Company is having an adequate internal control system commensurate with the size and the nature of its business, for the purchase of fixed assets and sale of services. The activities of the Company do not involve purchase of inventory and sale of goods. On the basis of our examination of the books and records of the Company and according to the information and explanations given to us, we have neither come across, nor have we been informed of, any continuing failure to correct any major weaknesses in the aforesaid internal control system.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and rules framed there under to the extent notified. Consequently, no order has been passed by the Company Law Board or National Company Law Commission or Reserve Bank of India or any court or any other tribunal on the Company.
- vi. The Central Government of India has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
- vii. (a) According to the records of the Company and information and explanations given to us, the Company is generally regular in depositing undisputed statutory dues including Provident fund, Employees' state insurance, Income tax, Sales tax, Service tax, duty of customs, value added tax, cess and other applicable statutory dues with the appropriate authorities.
(b) According to the information and explanations given to us and records of the Company examined by us, there are no dues of income tax, sales tax, wealth tax, service tax, duty of excise, duty of customs, value added tax, and cess which have not been deposited on account of any dispute.
(c) There are no amounts required to be transferred by the Company to the Investor Education and Protection Fund in accordance with the provisions of the Companies Act, 1956 and the rules made thereunder.
- viii. As the Company is registered for a period less than five years, the provisions of Clause 3(viii) of the Order are not applicable to the Company.
- ix. Based on the records examined by us and according to the information and explanations given to us, the Company has not defaulted in repayment of dues to any financial institution or bank or debenture holders as at the Balance Sheet date.
- x. According to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions during the year. Accordingly, the provisions of clause 3(x) of the Order are not applicable to the Company.
- xi. In our opinion, and according to the information and explanations given to us, during the year, the term loans have been applied for the purposes for which they were obtained.
- xii. During the course of our examination of the books and records of the Company, carried out in accordance with generally accepted accounting practices and according to the information and explanations given to us, we have neither come across any instance of material fraud on or by the Company, noticed or reported during the year, nor have we been informed of any such instance by the Management.

Note A: Summary of Significant Accounting Policies**Corporate Information**

2 X 2 Logistics Private Limited is a deemed public limited company incorporated on 22nd October, 2012 under the Companies Act, 1956. The Company is engaged in providing logistics services to its Customers.

1. Basis for Preparation of Financial Statements:

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (GAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).

Assets and Liabilities are classified as Current or Non-current as per the provisions of Schedule III to the Companies Act, 2013 and Company's Normal Operating Cycle. Based on the nature of business, the Company has ascertained its operating cycle as 12 months for the classification of assets and liabilities.

The Financial Statements are presented in Indian Rupees denominated in Lakhs.

2. Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including Contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statement are prudent and reasonable. Any revision to accounting estimates is recognized prospectively in current and future periods.

3. Fixed Assets:

- All Fixed Assets are carried at their cost of acquisition less accumulated depreciation and impairment losses. Cost of acquisition is inclusive of purchase price, levies and any directly attributable cost of bringing the assets to its working condition for the intended use.
- When an asset is scrapped or otherwise disposed-off, the cost and related depreciation are removed from books of accounts and resultant profit/loss, if any, is reflected in the Statement of Profit and Loss.
- All Intangible Assets are initially measured at cost/fair value and amortised so as to reflect the pattern in which the asset's economic benefits are consumed. Intangible assets are stated at cost less accumulated amortization and impairment loss, if any.

4. Depreciation and Amortisation:

Depreciation on tangible assets is charged on Straight Line Method (SLM) in accordance with the useful lives specified Part – C of Schedule II to the Companies Act, 2013 on a pro-rata basis except for following assets in order to reflect the actual usage of the assets:

- Horse portion of a Vehicle is depreciated over five years based on the management experience of handling similar kind of asset.

Software expenditure incurred is amortised over three financial years equally commencing from the year in which the expenditure is incurred.

5. Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Income from logistics services rendered are recognised on the completion of the services as per the terms of contract. Interest Income is accounted on accrual basis at the contracted rate.

6. Investments:

All long-term investments are valued at cost. However provision for diminution in value is made to recognise a decline other than temporary in the value of investments. Current investments are valued at the lower of cost and fair value, determined by category of investment.

7. Borrowing Cost:

Borrowing Cost that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to revenue in the year of incurrence.

8. Segment Reporting:

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. On the applicability of segment reporting, revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenues and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated Corporate Expenses".

9. Operating Leases:

The Company's significant operating leasing arrangements are in respect of office premises, warehouse. Lease rentals are recognised as per the terms of lease.

10. Earnings Per Share:

Basic and diluted earnings per share is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of Equity Shares outstanding during the year.

11. Income Tax:

Income taxes are accounted for in accordance with the Accounting Standard 22 on "Accounting for Taxes on Income". Taxes comprises of Current tax and deferred tax.

Current tax is determined as the amount of tax payable in respect of taxable income for the year using the applicable tax rates and tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay income tax as per normal provision. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefits associated with it will flow to the Company.

Deferred tax assets and liabilities are recognized for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using the tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised unless in the management judgment, there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized except in case of deferred tax assets arising from brought forward tax losses wherein deferred tax assets is only recognized when the virtual certainty is established. Deferred tax assets are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

12. Impairment of Assets:

The Management of the Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

13. Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognised nor disclosed in the financial statements.

Note B: Notes to the financial statements

XIX. Loan liabilities:

Vehicle loan has been taken at the rate of interest of 9.80 % p.a. The Loan has been secured by way of hypothecation of the related vehicle.

XX. Based on the information available with the Company, no trade payables have been registered as 'supplier' within the meaning of 'Micro Small & Medium Enterprises Development Act, 2006' as on March 31, 2015.

XXI. The Company has single reportable segment "Supply chain management" for the purpose of Accounting Standard 17 on Segment reporting.

XXII. Trade Receivables, Loans and Advances and Trade Payables are subject to confirmation and Reconciliations.

The Air Export business grew significantly by 72% over last year due to focus on this product leading to many major customer wins and corresponding business. The Ocean Export business was another major contributor to growth, growing 43% over previous year. Further, brisk account penetration in across all the major products has improved significantly, as efforts centered on a focused marketing strategy. This involved targeting customers for specific trade lanes, sales channels and geographies which lead to increase in both the Mahindra and Non-Mahindra business segments, and also nomination

business from our Global Network Partners. The Air Import business however, declined by 13% and the Ocean Import business grew by only 1%. These two product lines will be developed for the year F16 to ensure growth and profitability through a strategy focused on specific industry verticals, trade-lanes and sales channels.

During the year under review, Mahindra Logistics Limited (part of Mahindra Group) made investment in the company and now hold 60% stake in your company.

INDEPENDENT AUDITOR'S REPORT

To the Members of **LORDS FREIGHT (INDIA) PRIVATE LIMITED**

Report on the Financial Statements

1. We have audited the accompanying financial statements of **LORDS FREIGHT (INDIA) PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, and the Statements of Profit and Loss and Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2015, and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2015, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure to the Auditor's Report referred to in para 9 in our report of even date:

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
- (b) The fixed assets of the Company have been physically verified by the Management during the year. The discrepancies noticed on such verification were not material and have been properly dealt with in the books of account. In our opinion, the frequency of verification is reasonable.
- ii. The Company is in the business of freight forwarding & transportation services and consequently, does not hold any inventory. Therefore, the provisions of Clause 3(ii) of the said order are not applicable to the company.
- iii. There are no companies, firms or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii) of the said order are not applicable to the company.
- iv. In our opinion and according to the information and explanations given to us, the Company is having an adequate internal control system commensurate with the size and the nature of its business, for the purchase of fixed assets and sale of services. The activities of the Company do not involve purchase of inventory and sale of goods. On the basis of our examination of the books and records of the Company and according to the information and explanations given to us, we have neither come across, nor have we been informed of, any continuing failure to correct any major weaknesses in the aforesaid internal control system.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and rules framed there under to the extent notified. Consequently, no order has been passed by the Company Law Board or National Company Law Commission or Reserve Bank of India or any court or any other tribunal on the Company.
- vi. The Central Government of India has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
- vii. (a) According to the records of the Company and information and explanations given to us, the Company is generally regular in depositing undisputed statutory dues including Provident fund, Employees' state insurance, Income tax, Sales tax, Service tax, duty of customs, value added tax, cess and other applicable statutory dues with the appropriate authorities.
- (b) According to the information and explanations given to us and records of the Company examined by us, there are no dues of income tax, sales tax, wealth tax, service –tax, duty of excise, duty of customs, value added tax, and cess which have not been deposited on account of any dispute.
- (c) There are no amounts required to be transferred by the Company to the Investor Education and Protection Fund in accordance with the provisions of the Companies Act, 1956 and the rules made thereunder.
- viii. As the Company is registered for a period less than five years, the provisions of Clause 3(viii) of the Order are not applicable to the Company.
- ix. Based on the records examined by us and according to the information and explanations given to us, the Company has not defaulted in repayment of dues to any financial institution or bank or debenture holders as at the Balance Sheet date.
- x. According to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions during the year. Accordingly, the provisions of Clause 3(x) of the Order are not applicable to the Company.
- xi. In our opinion, and according to the information and explanations given to us, during the year, the term loans have been applied for the purposes for which they were obtained.
- xii. During the course of our examination of the books and records of the Company, carried out in accordance with generally accepted accounting practices and according to the information and explanations given to us, we have neither come across any instance of material fraud on or by the Company, noticed or reported during the year, nor have we been informed of any such instance by the Management.

NOTE A & B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICY & NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED 31st MARCH, 2015.

Note A – Summary of Significant Accounting Policy

Corporate Information

LORDS Freight (India) Private Limited is a deemed public limited company incorporated on 25th April, 2011 under the Companies Act, 1956. The Company's main activities are freight forwarding including transportation of goods via sea & air.

1. Basis for Preparation of Financial Statements:

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (IGAAP) under the historical cost convention, as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).

Assets and Liabilities are classified as Current or Non-current as per the provisions of Schedule III to the Companies Act 2013 and Company's Normal Operating Cycle. Based on the nature of business, the Company has ascertained its operating cycle as 12 months for the classification of assets and liabilities.

The Financial Statements are presented in Indian Rupees denominated in Lakhs.

2. Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including Contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statement are prudent and reasonable. Any revision to accounting estimates is recognized prospectively in current and future periods.

3. Fixed Assets:

- i. All Fixed Assets are carried at their cost of acquisition less accumulated depreciation and impairment losses, if any. Cost of acquisition is inclusive of purchase price, levies and any directly attributable cost of bringing the assets to its working condition for the intended use.
- ii. When an assets is scrapped or otherwise disposed off, the cost and related depreciation are removed from books of accounts and resultant profit/loss, if any, is reflected in the Statement of Profit and Loss.
- iii. Intangible assets are stated at cost less accumulated amortization and impairment loss, if any.

4. Depreciation and Amortisation:

Depreciation on tangible assets is charged by the Straight Line Method (SLM) in accordance with the useful lives specified in Part – C of Schedule II of the Companies Act, 2013 on a pro-rata basis except in the case of:

- assets costing less than Rs. 5000/- which are fully depreciated in the year of purchase.

Intangible assets mainly comprises of computer software which is amortized over the estimated useful life. The maximum period for such amortization is ten years which is considered as available for use by the management. The amortization period and the amortization method are reviewed periodically as required by relevant Accounting Standards.

5. Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from Freight forwarding income, warehousing and custom clearance is recognised as and when service is performed on contractual terms.

6. Investments:

All long-term investments are valued at cost. However provision for diminution in value is made to recognise a decline other than temporary in the value of investments. Current investments are valued at the lower of cost and fair value, determined by category of investment.

7. Foreign exchange transactions and translations:

(i) Initial recognition

Transactions in foreign currencies are recognised at the exchange rates between the reporting currency and the foreign currency prevailing on the transaction dates.

(ii) Conversion

- a. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of profit and loss.
- b. Non-monetary items, if any are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

(iii) Exchange differences

The Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

- a. Realized gains and losses on settlement of foreign currency transactions are recognised in the Statement of profit and loss.
- b. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of profit and loss.

8. Employee Benefits:

i. Defined Contribution Plan:

Company's contributions paid/payable during the year to the Superannuation Fund, ESIC, Provident Fund and Labour Welfare Fund are recognised in the Statement of Profit and Loss.

ii. Defined Benefits:

Company's liability towards gratuity and long term compensated absences are determined by independent actuaries, using the projected unit credit method. Past services are recognised on a straight line basis over the average period until the benefits become vested. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to the market yields at the Balance Sheet date on Government Bonds where the currency and terms of the Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation.

9. Borrowing Cost:

Borrowing cost that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to revenue in the year of incurrence.

10. Segment Reporting:

Accounting policies adopted for segment reporting are in line with the accounting policies of the Company. On the applicability of segment

reporting, revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenues and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated Corporate Expenses".

11. Operating Leases:

The Company's significant operating leasing arrangements are in respect of office premises, warehouse. Lease rentals are recognised as per the terms of lease.

12. Earning Per Share:

Basic and diluted earnings per share is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of Equity Shares outstanding during the year.

13. Income Tax:

Income taxes are accounted for in accordance with the Accounting Standard 22 on "Accounting for Taxes on Income". Taxes comprises of Current tax and deferred tax.

Current tax is determined as the amount of tax payable in respect of taxable income for the year using the applicable tax rates and tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax assets and liabilities are recognized for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using the tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised unless in the management judgment, there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized except in case of deferred tax assets arising from brought forward tax losses wherein deferred tax asset is only recognized when there is virtual certainty. Deferred tax assets are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

14. Impairment of assets:

The Management of the Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

15. Provisions, contingent liabilities and contingent assets:

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognised nor disclosed in the financial statements.

Note B – Notes to the financial statements:

1. Loans:

Credit Facilities from Banks are secured by a pari-passu charge on the Company's entire present and future book debts, outstanding monies, receivables, claims, and bills in terms of the Letter of hypothecation executed by the Company.

Cash Credit facilities are repayable on demand and carry interest based on applicable rate plus agreed spreads and/or negotiated rates. The rates of interest during the year ranged between 12.50% to 13.00%

2. Based on the information available with the Company, no trade payables have been registered as 'supplier' within the meaning of 'Micro Small & Medium Enterprises Development Act, 2006' as on 31st March, 2015.

3. Trade Receivables, Loans and Advances and Trade Payables are subject to confirmation and Reconciliations.

4. Change in Accounting Policy:

Effective 1st April, 2014 the Company has with retrospective effect changed its method of providing depreciation on tangible fixed assets from 'Written Down Value' to 'Straight Line Method', over the useful life prescribed in Schedule II of Companies Act, 2013. Management believes that this changes will result in more appropriate presentation and will give a systematic basis of depreciation charge, representing of the time pattern in which the economic benefits will be derived from the use of these assets. Accordingly, the Company has de-recognized depreciation charge of Rs. 19.63 lacs for the period ended 31st March, 2015. Had the Company continued to use the earlier method of depreciation, profit after tax would have been lower by Rs. 19.63 lacs

ANNEXURE I TO THE DIRECTORS' REPORT

POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra First Choice Services Ltd.

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
 1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
 2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making

3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors

- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman or the Managing Director or any other Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act, 2013 and Rules made thereunder.

REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non-adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become directors and who may be appointed in senior management team in accordance with the criteria enumerated above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman or Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

II. SUCCESSION PLANNING:

Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

Board:

The successors for the Independent Directors shall be identified by the NRC atleast one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

Senior Management Personnel:

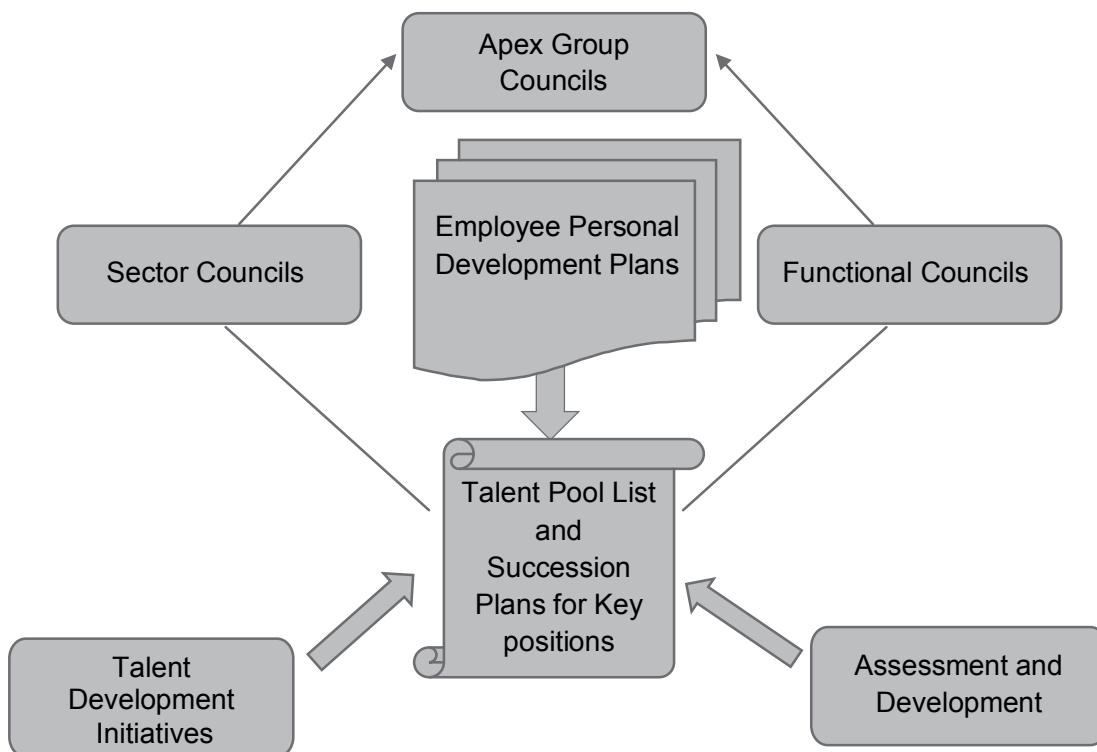

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a ladder approach.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

Purpose

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra First Choice Services Ltd.

Policy Statement

We have a well-defined Compensation policy which is in line with our parent company Mahindra & Mahindra Ltd. for Managing Director, Manager, Key Managerial Personnel and all employees, of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Executive Directors:

The remuneration to Managing Director and Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

Key Managerial Personnel (KMPs)

The terms of remuneration of Chief Executive Officer (CEO), Chief Financial Officer (CFO) and Company Secretary (CS) shall be determined by Board and shall be revised either by any Director or such other person as may be authorised by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Employees

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.
- b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company and subject to the compliance of the applicable statutes and regulations.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF MAHINDRA FIRST CHOICE SERVICES LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA FIRST CHOICE SERVICES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate

in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its loss and its cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to Note 23 to the financial statements which indicate that, as at 31st March 2015, the accumulated deficit of Rs. 1,585,513,995 in the Statement of Profit and Loss has substantially eroded the net worth of the Company. Notwithstanding the foregoing, the financial Statements have been prepared on a going concern basis for the reasons stated in the said Note.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) The going concern matter described under the Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.

- (f) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 38 to the financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the Company.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1) Corporate Information

Mahindra First Choice Services Ltd. (MFCSL) is a wholly owned subsidiary of Mahindra and Mahindra Ltd. and is part of its group after market sector. MFCSL has world class service center across all major cities in India. Today MFCSL has presence in 12 states namely Andhra Pradesh, Telangana, Delhi, Gujarat, Haryana, Karnataka, Kerala, Maharashtra, Punjab, Ludhiana, Rajasthan, Tamilnadu and Uttar Pradesh. The service network includes both company owned company operated (COCO) and franchise owned franchise operated outlets.

2) Significant Accounting Policies:

a) Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act")/Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year except for change in the accounting policy for depreciation.

b) Use of Estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

c) Fixed Assets:

All Tangible fixed assets are stated at cost less depreciation and impairment losses. Costs comprise purchase price net of any trade discounts and rebates and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses directly attributable to acquisition of fixed assets up to the date the asset is ready for its intended use.

Intangible Assets are recognized as per criteria specified in Accounting Standard 26 – Intangible Assets.

Fixed assets retired from active use and held for sale are stated at the lower of their net book value and net realisable value and are disclosed separately.

Capital work-in-progress:

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Intangible assets under development:

Expenditure on Research and development eligible for capitalisation are carried as Intangible assets under development where such assets are not yet ready for their intended use.

d) Depreciation:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions

of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Sr. No	Category of assets	Life
(i)	Plant and Machinery	
	– Machinery	10 Years
	– Electrical equipments and tools	06 Years
	– Mobile handsets	02 Years
	– Barcode system & equipment	05 Years
(ii)	Furniture and fittings – movable in nature	06 Years
(iii)	Vehicles	06 Years and 8 months

Leasehold improvements on premises and furniture and fixtures (Immovable in nature) are amortised over the duration of lease.

Assets costing less than Rs. 5,000/- are depreciated at the rate of 100% per annum.

EDP software are amortised over a period of three years on Straight line Method.

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation method is revised to reflect the changed pattern.

e) Inventories:

Inventories are valued at the lower of cost and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Cost is arrived at on weighted average basis.

f) Unbilled Revenue:

Unbilled revenue is recognised at the cost of material issued on the job card opened, pending completion of service and hence not billed at the year end.

g) Revenue Recognition:

Revenue (income) is recognised when no significant uncertainty as to its measurability and collectability exists.

Sale of Goods:

Revenue from sale of spare parts is recognised when spare parts are dispatched or fitted to vehicle and all significant risks and rewards of ownership of the spare parts are transferred to the customers. Sales are stated net of taxes on sales, sales returns and applicable trade discounts.

Income from Services:

Income from services is recognised when services are rendered and related costs are incurred.

h) Other Income:

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive is established.

i) Employee Benefits:

Employee benefits include provident fund, superannuation fund, employee state insurance scheme, gratuity fund, compensated absences, long service awards and post-employment medical benefits.

1. Short Term Employee Benefits:

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

The cost of short-term compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

2. Long Term Benefits

a. Defined Contribution Plan

The Company's contribution to provident fund, superannuation fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

i. Provident and Family Pension Fund

The eligible employees of the Company are entitled to receive post-employment benefits in respect of provident and family pension fund, in which both employees and the Company makes monthly contribution at a specified percentage of the employees' eligible salary (currently 12% of employees' eligible salary). The contributions are made to Regional Provident Fund Commissioner. Provident Fund and Family Pension Fund are classified as Defined Contribution Plans as the Company has no further obligations beyond making the contribution. The Company's contribution to Defined Contribution Plans is charged to the Statement of Profit and Loss as incurred.

ii. Superannuation

The eligible employees of the Company are entitled to receive post-employment benefits in respect of superannuation fund in which the Company makes yearly contribution at a specified percentage of the employees' eligible salary (currently 15% of employees' eligible salary). The contributions are made to the Life Insurance Corporation of India. Superannuation is classified as Defined Contribution Plan as the Company has no further obligations beyond making the contribution. The Company's contribution to Defined Contribution Plans are charged to the Statement of Profit and Loss as incurred.

b. Defined Benefit Plan

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

i. Gratuity

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an

amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of six months. Vesting occurs upon completion of five years of service. The Company has obtained insurance policies with the Life Insurance Corporation of India (LIC) and make an annual contribution to LIC. The Company accounts for gratuity benefits payable in future based on an independent actuarial valuation. Actuarial gains and losses are recognised in the Statement of Profit and Loss.

ii. Compensated absences

The Company provides for the encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment/ availment. The liability is provided based on the number of days of unutilised leave at each balance sheet date on the basis of an independent actuarial valuation.

j) Taxes on Income:

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax law.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

k) Impairment of Assets:

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. Impairment loss is provided to the extent the carrying amounts of assets exceed their recoverable amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal.

l) Provisions and Contingencies:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

m) Leases:

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

n) Earnings per Share:

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits/reverse share splits and bonus shares, as appropriate.

o) Employee Share Based Payments:

The Company has constituted an Employee Stock Option Plan by way of Stock Appreciation Rights. Employee Stock Options granted on or after 1 April, 2005 are accounted under the 'Intrinsic Value Method' stated in the Guidance Note on Employee Share Based Payments issued by the Institute of Chartered Accountants of India.

No material changes and commitments have occurred after the close of the year till the date of this Report which affect the financial position of your Company.

OPERATIONS

The highlight of the year was the launch of new 100cc scooter, "Gusto". Gusto, the first indigenously designed scooter with distinctive Italian styling, an advanced M-TEC engine, superior ride quality and India's first patented Height Adjustable Seat, has received a positive response from the customers. On the motorcycles front, Centuro range has been further strengthened with the launch of "Rockstar". Now your Company has the Centuro range starting from Rs. 43,000 to Rs. 51,100 (ex-showroom Delhi). Both Gusto and Centuro have been received well in the market place.

In January 2015, your Company acquired a controlling stake in Peugeot Motorcycle SAS ("PMTSC"). PMTSC was a part of Euro 54 billion Peugeot SA group ("PSA") based in France. It is the oldest motorized two wheeler manufacturer in the world. PMTSC offers one of the most comprehensive range of scooters and mopeds, from 50cc to 400cc, including the successful three wheeled scooter, "Metropolis". The coming together of your Company & Peugeot is a win-win for the two wheeler business of both companies. Your Company would offer access to the India market, the mass market product technology and competence in marketing while Peugeot brings with it a premium range of products, a strong European footprint, and a globally recognised brand. This partnership would enable both your Company & PMTSC to speed their international expansion by driving synergies and leveraging respective strengths.

EROSION OF NET WORTH

immediately preceding four financial years. Your Company remained Potentially Sick within the meaning of Section 23 of the Sick Industrial Companies (Special Provisions) Act, 1985 ("SICA") and the fact of such erosion has been reported to the Board for Industrial and Financial Reconstruction (BIFR) on 22nd September, 2014. Your Company shall continue to comply with the provisions of the SICA. Your Company is also taking necessary measures to revive its business.

DIVIDEND

In view of the losses, your directors do not recommend any dividend for the year.

OUTLOOK FOR THE CURRENT YEAR

As per Society of Indian Automobile Manufacturers (SIAM), the domestic industry, at 16 Mio has grown by 8.1% in the year under review with scooters leading the growth at 25.1%, followed by motorcycles at 2.5%. Mopeds grew by 4.5%. Exports at 2.46 Mio, grew by 17.9% with Motorcycles constituting almost 92% of exports.

Your Company expects that the next year would be similar with Industry growing at 7-9%, Scooters growing at 20-22% and Motorcycles at 6-8%.

Your Company is at a rising inflexion point with two robust products with consistent high quality and a large acceptance by customers. For the present financial year, your Company's key thrust areas will be impactful marketing and communication, brand building through awareness and consideration for all our

brands, margin improvement & cost management, expanding the reach by innovations in network expansion, improving the dealer capability and focusing on exports for a larger global footprint. Besides this, your Company is planning to launch two new products in the market place.

- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the any member of the Board, will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

REMOVAL OF DIRECTORS

If a director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the Company, the NRC may recommend to the Board with reasons recorded in writing, removal of a director subject to the compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become directors and who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Managing Director/CEO/Manager based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

II. SUCCESSION PLANNING:

Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

Board:

The successors for the Independent Directors shall be identified by the NRC atleast one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a laddered approach.

Policy Statement

The Talent Management framework of the Mahindra Group has been created to address three basic issues :

- 1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
- 2) For critical positions, what is the succession pipeline?
- 3) What are the individual development plans for individuals both in the succession pipeline as well as others?

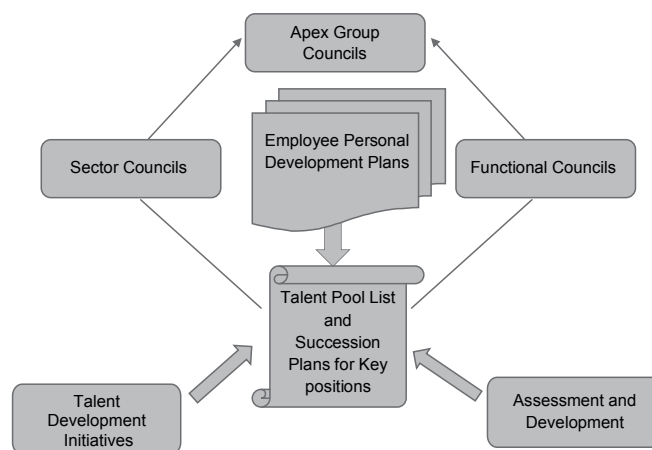

The framework lays down an architecture and processes to address these questions using the **3E** approach :

- a) **Experience** i.e. both long and short-term assignments. This has 70% weightage.
- b) **Exposure** i.e. coaching and mentoring – 20% weightage.
- c) **Education** i.e. learning and development initiatives – 10% weightage.

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of Senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector/Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition

conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under :

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

Purpose

This Policy sets out the approach to Compensation of directors, Key Managerial Personnel and other employees in Mahindra Two Wheelers Limited.

Policy Statement

We have a well-defined Compensation policy for directors, Key Managerial Personnel and all employees, including the Chairman, Presidents and other Members of the Group Executive Board who are employees of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director’s participation in Board and Committee meetings

during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and Clause 49 of the Listing Agreement with Stock Exchanges and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Executive Director/Managing Director/Manager:

The remuneration to Executive Director/Managing Director/Manager shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

Key Managerial Personnel (KMPs)

The terms of remuneration of Chief Executive Officer (CEO), Chief Financial Officer (CFO) and the Company Secretary shall be determined by any director or such other person as may be authorised by the Nomination and Remuneration Committee (NRC) from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Employees

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.
- b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the employees and directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company and subject to the compliance of the applicable statutes and regulations.

ANNEXURE II TO THE DIRECTORS' REPORT**SECRETARIAL AUDIT REPORT**

For the financial year ended 31 March, 2015

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Mahindra Two Wheelers Limited
Mahindra Towers, P. K. KurneChowk
Worli
Mumbai 400 018

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Mahindra Two Wheelers Limited. (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conduct/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31 March, 2015, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March, 2015 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not applicable to the Company)** and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; **(Not applicable to the Company)**
- (vi) No other law was specifically applicable to the Company.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India. **(Not applicable to the Company during the audit period)**

- (ii) Listing Agreements entered into by the Company with Stock Exchanges, if applicable. **(Not applicable to the Company)**

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, except for the offer and allotment of equity shares on rights basis and approval of the members to borrow upto Rs. 450 Crore pursuant to Section 180 of the Act, no specific events/actions took place having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc. referred to above.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MAHINDRA TWO WHEELERS LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA TWO WHEELERS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of the appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and

give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2015;
- (b) in the case of the Statement of Profit and Loss, of the loss of the Company for the year ended on that date and
- (c) in the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required under provisions of Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015, from being appointed as a director in terms of Section 164(2) of the Companies Act 2013.
 - (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 44 to the financial statements.
 - (ii) The Company did not have any long term contracts including derivative contracts that require provision under any law or accounting standards for which there were any material foreseeable losses.

**ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT
(REFERRED TO IN PARAGRAPH 1 UNDER 'REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS' SECTION OF OUR REPORT OF EVEN DATE)**

- (i) (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (ii) (a) Inventories have been physically verified during the year by the management (except for items lying with third parties for which confirmations have been received). In our opinion, the frequency of verification is reasonable.
- (b) In our opinion, the procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) The Company has maintained proper records of inventory during the current year. The discrepancies noticed on verification between physical stocks and book stocks were not material having regard to the size of operations of the Company and have been properly dealt with in the books of accounts.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 189 of the Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, and having regard to the explanation that most of the items purchased are of a special nature and comparable alternative quotations are not available, there is an adequate internal control system commensurate with the size of the Company and the nature of its business, with regard to purchase of inventory and fixed assets and for the sale of goods and services. During the course of our audit, no other major weakness has been noticed in the internal control.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit within the meaning of provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder.
- (vi) We have broadly reviewed the cost records maintained by the Company as prescribed by the Central Government under sub section (1) of Section 148 of the Act and are of the opinion that prima facie the prescribed cost records have been maintained. We have, however, not made detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) According to the records of the company, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income tax, Service tax, Sales tax, Wealth tax, Custom Duty, Excise Duty, cess and other statutory dues with the appropriate authorities. Based on our audit procedures and according to the information and explanations given to us, there are no arrears of statutory dues which has remained outstanding as at 31st March, 2015 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and records of the company, the details of the dues of the Sales tax/Income tax/Custom duty/Wealth tax/Service tax/Excise duty/cess, which have not been deposited on account of any dispute, are given below:

STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

1. CORPORATE INFORMATION

Company details

The Mahindra Two Wheelers Ltd. (MTWL) is subsidiary of Mahindra & Mahindra Ltd. The MTWL is engaged in the business of manufacturing & selling motorised two wheeler vehicles.

MTWL has a manufacturing plant located at Pithampur near Indore and an assembly unit at SUPA near Ahemadnagar. MTWL also has state of the art R&D centre at Chinchwad, Pune.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under Section 211(3C) of the Companies Act, 1956 ("the 1956 Act") (which continue to be applicable in respect of Section 133 of the Companies Act, 2013 ("the 2013 Act") in terms of General Circular 15/2013 dated 13 September, 2013 of the Ministry of Corporate Affairs) and the relevant provisions of the 1956 Act/ 2013 Act, as applicable. The financial statements have been prepared on accrual basis under the historical cost convention except for categories of fixed assets that are carried at revalued amounts. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

2.3 Revenue Recognition

The principles of revenue recognition are as set out below:

- Revenue from operations is recognised, net of returns and trade discounts, when the risk and rewards of ownership are passed on

to the customers. Revenue from operation includes Excise Duty but excludes Sales Tax and Value Added Tax.

- Benefit on account of entitlement of export benefits like Duty drawback scheme & Focus Market scheme is accounted in the year of export.
- Interest income is accounted on accrual basis. Dividend Income is accounted for when the right to receive it is established.

2.4 Fixed Assets (Tangible and Intangible)

Fixed assets are carried at cost less accumulated depreciation / amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses.

2.5 Depreciation and Amortisation

Depreciable amount for assets is the cost of an asset, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under (which is lower than the useful life prescribed in Schedule II to the Companies Act, 1956) based on technical advice:

- Plant and machinery - 5 years/7 years/8 years/10 years
- Vehicles - 3 years
- Office equipment - 2 years
- Assets costing less than Rs 5000 each - 1 year
- Leasehold land is amortised over the duration of the lease.

Intangible assets are amortised over their estimated useful life on straight line method as follows:

- Technical knowhow - 5 years
- Product development expenditure - 5 years
- Software - 3 years

2.6 Foreign Currency Transactions

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities are translated at year end exchange rates and the profit/loss so determined and also the realised exchange gains/losses are recognised in the Statement of Profit and Loss.

2.7 Product Warranty Expenses

The estimated liability for product warranties is accounted for when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures.

2.8 Inventories

Inventories are stated at the lower of cost and net realizable value after providing for obsolescence and other losses, where considered necessary. In determining the cost of inventories the moving weighted average method is used in respect of "raw materials", "stores and spares" and "spares for resale". Cost of work-in-progress and manufactured finished goods include material cost, labor and manufacturing overheads on the basis of full absorption costing. Excise duty in respect of inventory of finished goods manufactured is shown separately as an item of expense and included in valuation of inventory of finished goods.

2.9 Employee Benefits

Employee benefits include gratuity, provident fund, superannuation and leave encashment benefits under the approved schemes of the Company.

Provident fund

The eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employee's salary. The contributions as specified under the law are paid to the Central Government Provident Fund and the Family Pension Fund and the same is charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due and when services are rendered by the employees.

Gratuity

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15/26 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The Company accounts for the liability for gratuity benefits payable in future based on an independent actuarial valuation. The Company has taken a Group Gratuity cum Life Assurance Scheme with Reliance Life Insurance Co. Ltd. for future payment of gratuity to the eligible employees. The contribution payable for the year is charged to the Statement of Profit and Loss.

Compensated absences

The Company provides for the encashment of compensated absences with pay subject to certain rules. The employees are entitled to accumulate compensated absences subject to certain limits, for future encashment. Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit and the accumulated leave expected to be carried forward beyond twelve month is treated as long-term employee benefit which are provided based on the number of days of unutilized compensated absence on the basis of an independent actuarial valuation.

2.10 Investments

Long term investments are valued at cost less diminution in value, if any, other than of temporary nature. Current investments are valued at lower of cost and fair value. Cost of investment includes acquisition charges such as brokerage, fees and duties.

2.11 Taxes on Income

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognized, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient future tax income will be available against which such deferred tax assets can be realised.

2.12 Impairment of Assets

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceeds the estimated recoverable amount, an impairment is recognized for such excess amount. The impairment loss is recognized as an expense in the Statement of Profit and Loss.

2.13 Research and development expenses

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Fixed assets utilized for research and development are capitalised and depreciated in accordance with the policies stated for Fixed Assets.

2.14 Borrowing Cost

Interest and other costs incurred in connection with the borrowing of the funds are charged to revenue on accrual basis except those borrowing costs which are directly attributable to the acquisition or construction of those Qualifying assets, which necessarily take a substantial period of time to get ready for their intended use. Such costs are capitalised with the Qualifying assets.

2.15 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

2.16 Earnings per share

The Company reports basic and diluted earnings per share in accordance with Accounting Standard 20 on Earnings per Share. Basic earnings per share are computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period as adjusted for the effects of all diluted potential equity shares except where the results are anti-dilutive.

2.17 Cash Flow Statement

The Cash Flow Statement is prepared by the indirect method set out in Accounting Standard 3 on Cash Flow Statements and presents cash flows by operating, investing and financing activities of the Company.

2.18 Business Segments

The Company is engaged mainly in the business of Two Wheeler Manufacturing. This is in the context of Accounting Standard 17 on Segment Reporting is considered to constitute one single reportable primary segment. Secondary segment is based on the geography and Company's business activity is materially operated in a single geographical segment.

ii. Intangible assets	163.75	481.84
iii. Refer note 30		

NOTE 28

During the current year the Company has continued to incur losses and as at the year end it's net-worth is substantially eroded with the accumulated losses aggregating to Rs. 178,075.81 Lacs. However, the Company is able to operate uninterrupted with the continued support from the shareholders with infusion of funds (equity and borrowings). Also, based on the future business plans and the turnaround strategy adopted, in the opinion of the management, the Company will be able to generate profits in the future in excess of its accumulated losses and continue to operate as a going concern.

**NOTE 29
Depreciation and Amortisation expenses:**

- (i) During the year pursuant to notification of schedule II of Companies Act, 2013 w.e.f. 1st April 2014, the Company has revised the estimated useful life of its assets to align useful life with those specified in schedule II except in case of certain Building, Equipment, Furniture & Fixture, Plant and Machinery, Vehicles and improvement to leasehold premises in which case the useful life is taken lower, determined based on a technical evaluation carried out by the management. The useful life as adopted by the Company is as under:

Asset Class	Previous Depreciation Method	Previous useful life	Revised useful life
Buildings	SLM	60/30 Years	60/30/5/3 Years
Plant & Machinery	SLM	21 Years	15 Years
Furniture and Fixtures	SLM	16 Years	10 Years

Vehicles	SLM	7 Years	8 Years
Product Development Expenditure	SLM	5 Years	5 Years
Technical Knowhow	SLM	5 Years	5 Years
Software	SLM	3 Years	3 Years

Pursuant to the transition provisions prescribed in Schedule II to the Companies Act, 2013, the Company has fully depreciated the carrying value of assets, net of residual value, where the remaining useful life of the asset was determined to be Nil as on April 1, 2014, and has adjusted an amount of Rs. 175.83 Lacs against the opening Surplus balance in the Statement of Profit and Loss under Reserves and Surplus.

The depreciation expense in the Statement of Profit and Loss for the year is higher by Rs. 377.87 Lacs consequent to the change in the useful life of the assets.

NOTE 30

On 2nd December 2014, the Company had floated wholly owned subsidiary Mahindra Two Wheelers Europe Holdings S.à.r.l. (MTWL Europe). On 19th January 2015, MTWL Europe had acquired 51% stake in Peugeot Motocycles S.A.S., Mandeure, for consideration of Euro 28.2 million.

Out of the said consideration, Euro 16.90 million was paid upfront on 19th January, 2015 and the balance consideration of Euro 11.3 million payable by MTWL Europe on or before 30th June 2016, for which a bank guarantee has been provided.

The total investment of the Company in MTWL Europe (a wholly owned subsidiary) as on 31st March 2015 amounts to Euro 16.90 million (Rs. 1,332.91 million).

Further in terms of the agreement with Peugeot SA (PSA), the Company

- has been granted a call option to acquire the shares held by PSA in Peugeot Motocycles SAS, increasing its shareholding therein; upto 75% of the share capital and voting rights, before December 31, 2017 for a price to be determined in terms of the agreement; and
- committed to acquire all the balance shares held by PSA in Peugeot Motocycles, SAS at the end of the 7 years from the date of initial acquisition of 51% stake therein as indicated above, for a price based on fair market value to be determined in terms of the agreement.

The holding company has provided a corporate guarantee of Euro 70 million to PSA towards the said commitment.

I. Activity of the Company for the period 2014

1. Markets and market shares evolution during the financial period

European markets of the 6 major countries have stabilized themselves in 2014 compared to 2013, the decline being limited to 1.4%. The situation is contrasted between countries and displacements. The less than 50cc segment falls by 8% (to be compared with a drop of 18% in 2013) while the more than 50cc segment increase reaches 5%.

France is the first market in Europe thanks however to the high proportion of less than 50cc. France's market drops by 4%. Italy decline is 3.7% while Germany loses 9.7%. Strong recovery is brought by Spain with a more than 13% growth compared to last year.

In the less than 50cc category, all markets are oriented downwards, the fall is structural. Italy and Germany are the most affected markets. The upturn comes from the above than 50cc category, especially from Spain while Italy's market is flattening.

In that context Peugeot Scooters' volumes are down by 3.7%, owing to the highest share of the less than 50cc segment in the Peugeot Sales. Globally the market share slightly declines, however the market share in more than 50cc increases.

INDEPENDENT AUDITORS' REPORT

Peugeot Motocycles

Year ended December 31, 2014

Statutory auditors' report
on the financial statements

To the Shareholders,

In compliance with the assignment entrusted to us by your annual general meeting, we hereby report to you, for the year ended December 31, 2014, on:

- the audit of the accompanying financial statements of Peugeot Motocycles;
- the justification of our assessments;
- the specific verifications and information required by law.

These financial statements have been approved by the president. Our role is to express an opinion on these financial statements based on our audit.

I. Opinion on the financial statements

We conducted our audit in accordance with professional standards applicable in France; those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures, using sampling techniques or other methods of selection, to obtain audit evidence about the amounts and disclosures in the financial statements. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made, as well as the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the financial statements give a true and fair view of the assets and liabilities and of the financial position of the company as at December 31, 2014 and of the results of its operations for the year then ended in accordance with French accounting principles.

II. Justification of our assessments

In accordance with the requirements of article L. 823-9 of the French Commercial Code (code de commerce) relating to the justification of our assessments, we bring to your attention the following matters:

- Based on our work and the information communicated to us to date, and as part of our assessment of the accounting policies followed by the company, we believe that the notes to the financial statements provide appropriate information on the situation of your company under the going concern assumption.
- Your company has recorded impairment of assets as described in item 7 of note 2 to the financial statements. Our work consisted in assessing the data and assumptions on which the company's estimates are based, reviewing the calculations made by the company, comparing the accounting estimates of prior periods with the corresponding results and examining approval procedures of these estimates by management. As part of our assessments, we verified the reasonableness of these estimates.

These assessments were made as part of our audit of the financial statements taken as a whole, and therefore contributed to the opinion we formed which is expressed in the first part of this report.

III. Specific verifications and information

We have also performed, in accordance with professional standards applicable in France, the specific verifications required by French law.

We have no matters to report as to the fair presentation and the consistency with the financial statements of the information given in the management report of the president and in the documents addressed to the shareholders with respect to the financial position and the financial statements.

NOTES

The information below forms the Notes to the Balance Sheet for the year ended December 31, 2014 which amounts to INR 31,775.77 lacs, Euros 46,963,888 and to the Profit and Loss account that present a loss of INR 22,126.25 lacs, Euros 32,702,109.

The financial statements cover the 12-month period from January 1 to December 31, 2014.

The notes and tables below form an integral part of the company accounts.

These financial accounts were closed by the President.

1) ACCOUNTING RULES AND METHODS

The general accounting conventions below have been applied in accordance with the principle of prudence, and in compliance with legal and regulatory requirements in France and the basic assumptions that are intended to provide an accurate picture of the company's assets and liabilities, financial position and results:

- going concern,
- consistency of accounting methods from one period to the next,
- matching of costs and revenues.

The financial statements were established in compliance with the general rules for preparing and presenting annual financial statements.

The basic method used to value accounting entries is the historic cost method.

The main accounting rules and methods used are the following:

a) Tangible Fixed Assets:

Tangible fixed assets are assessed at their acquisition cost (purchase price and incidental expenses), or at their production cost.

Interest on loans specifically for the production of fixed assets is not include in the assets production cost.

Depreciation is recognized as an expense on a straight-line basis, based on the estimated useful life of each component, as described here below:

• Heavy component of industrial plants	40 years
• Buildings improvement	16 years
• Industrial equipment of production	16 years
• Machinery and equipment	16 years
• Special machine-tool	16 years
• Specific tooling	6 years
• Die cast moulds	3 years

b) Participating interests, other long-term investments, short-term investments:

The gross book value of long-term investments is their acquisition price, net of acquisition expenses. When their balance sheet value is less than their cost of acquisition, a provision for depreciation is set aside for the amount of the difference. The economic value of these stacks is estimated according to the relevant share acquired of the carrying value of net assets of the subsidiary.

c) Inventories

Inventories are measured using the FIFO method.

The gross value of goods and supplies includes the purchase price and the incidental expenses.

Manufactured goods are valued at production cost including supplies consumed, direct and indirect production expenses and allowances to depreciation of assets used in production. Idle capacity costs are excluded from inventories valuation.

Financial interests are always excluded from inventories valuation.

A provision for impairment is recorded when the book value is higher than the market value or the liquidation value.

d) Receivables

Receivables are stated at their nominal value. A provision for impairment is recorded when the fair value is lower than the net book value.

e) Transactions in foreign currencies

Expenses and incomes in foreign currencies are accounted for their amount in euros to the date of the transaction.

Payables, receivables and cash in foreign currencies, are accounted at their fair value at closing date or at the guaranteed exchange rate if hedged.

f) Research and development expenses

Expenses of research and development that are related to the development of new products or to the improvement of previously existing products, are included in the general expenses. In 2014, these expenses amount to INR 5.849,82 lacs, Euros 8.645.900.

This marked the first reversal of trend since 2009, with positive results for both scooters and motorcycles

- Scooters:** 101,528 units, in line with 2013 (+ 0.4%). This result is even higher if we consider that the figure for 2013 benefited from the significant contribution for means, circa 1,200, registered with the Italian Post Office (Piaggio Liberty), without which the actual growth would have been + 1.5%

The “moped” market has dropped by more than 4,900 units compared with 2013; it follows that the two-wheeler sector has contracted both in terms of number of customers and, above all, in terms of generational change.

The economic scenario remains complex despite some positive factors such as the decline in oil prices (and, consequently, of fuel prices, or so it should be) and a more competitive euro on the international markets.

The high cost of insurance continues to be a significant barrier to scooter sales recovery (especially for 50cc).

Your Company’s market share has decreased slightly since 2013, primarily because of a limited range of products and the lack of a number of strategic best-sellers (e.g. LXR), and of the “age” of other products that have been on the market for 7/8 years, without having undergone any substantial changes (e.g. Geopolis).

The overall market share decreased from 3.4% in 2013 to 3.3% in 2014 (- 0.1 percentage points).

As for the 50cc products, your Company has registered very positive results, increasing its market share, in spite of the

great difficulties faced by this segment in continuous decline, from 4.7% in 2013 to 5% in 2014 (+ 0.3 percentage points).

As for the registered vehicle market, which, for the first time since 2009, has registered a slight growth, the Company has registered a slight decrease from 3.0% in 2013 to 2.9% in 2014 (-0.1 percentage point), as a result, other than the factors already mentioned above related to product range and the continuing difficulties faced by small and medium-sized enterprises, also of the much stronger promotional and communication campaigns implemented by the major brands and of the market launch by main competitors of some new models (e.g. J-300 Kawasaki, Tricity 125 Yamaha, X-Max 250 Yamaha).

Personnel

As of 31 December 2014, your Company employed 17 people (18 in 2013).

Your Company operates through its own network of dealers, which comprises 139 units, of which 14 were revoked/closed at the end of 2014 (10 at the end of 2013), distributed across Italy.

Your Company's sales revenues in 2014 amounted to (INR 3.99 lacs), 5.9 million in euros for vehicles (89%) and (INR 0.32 lacs) Euros 0.47k for spare parts (11%).

With reference to the main cost items, it should be noted that, in 2014 your Company incurred costs for the purchase of goods for resale totalling approximately (INR 2,435.76 lacs), 3.6 million in euros.

Below are the main profitability indicators for the current year compared with 2013.

Subsequent events

To date no events have occurred after 31 December 2014 such as to significantly alter the current financial position compared to that shown in the balance sheet at that date and to require adjustments or additional notes to the financial statements.

Business outlook

As regards the outlook for 2015, the two-wheeler market will continue to be affected, although to a lesser extent, by the general economic crisis, and a further slight contraction is expected. The trend in new registrations for January 2015 showed an overall increase of 2.6% compared to January 2014 thanks to the registrations of vehicles over 50cc; both motorcycles and scooters

registered a sales growth. Only "mopeds" are still showing signs of difficulty. In February, an increase was registered in the sales of motorcycles over 50cc, which was offset by the slight decline in the sales of scooters and 50cc vehicles. In the first two months of 2015, a total of 21,771 powered two wheelers were sold in Italy (new registrations plus 50cc), up 0.8% compared to the first two months of 2014, representing a first small injection of confidence in a market that has suffered greatly for years.

As for the 50cc segment, unfortunately a further slight decline in sales is expected. In fact, in the first two months only 2,674 "50cc" vehicles were sold, equal to -17.5%; this scenario, as already stated, suggests a still negative sales trend for 2015.

In this context, your Company, with its current line of products, the launch of the Gamma Django (end of 2014) and of the new Speedfight4 50 and the special series made for Peugeot Metropolis400i (GTConnect and Sport) and the introduction of the traditional bicycles (*in addition to the E-Bikes*), has set itself the following objectives:

- increasing its penetration in the Italian market;
- acquiring new and expanding market segments: 3R, neoretrò, E-bike;
- increasing its sales volumes;
- increasing its profitability and that of the network;
- further developing the distribution network;
- improving the quality of the sales network and the development of its activities (introducing the quality bonus).

Other information

Research & Development

Your Company, given the nature of its activity, does not carry out its own research and development.

Own shares and/or stakes and/or those of parents

Your Company does not own, nor has it purchased or sold during the year, either directly or indirectly, any treasury shares or shares held by its parent company.

Risk management

The main risks to which the Company is exposed are set out below:

Financial Risk

Given the nature of its activity, the Company does not manage complex financial risks and has not made use of financial derivatives.

In line with the decisions made by the PSA Group concerning the financial debt, the Company does not make recourse to the financial market on its own, but covers its needs by using financial instruments through its sole shareholder, using corporate credit lines and lines of credit with financial institutions and managing its liquidity through a system of centralized treasury.

Interest rate risk

The Company is exposed to an interest rate risk stemming from its account with GIE Trésorerie and its bank accounts; because the interest rates are variable, the Company is exposed to the risk that these will fluctuate.

Price risk

The Company is not exposed to price risks.

Credit risk

Credit risk is the company's exposure to potential losses resulting from the non-fulfilment of the trade obligations undertaken by the counterparties.

In order to limit this risk, the Company constantly monitors the positions of its individual customers, analysing their expected cash flows and the values recorded in order to take immediate recovery measures.

In addition, the Company has taken out a credit insurance policy to further limit this risk.

Impairment losses on receivables are calculated based on the risk of default by the counterparty, determined on the basis

of the information available on the latter's solvency, historical data and on the type of cover provided by the credit insurance policy. The book value of receivables is reduced indirectly by setting up a fund.

The single major positions, for which there is no reasonable chance of recovering the debt, whether in part or in full, are written down individually. The amount of impairment is determined on the basis of the information available on the solvency of the counterparty, historical data, an estimate of future recoverable flows and of the related collection date, as well as of the burden and cost of recovery.

The positions that are not written down individually are included in groups having similar characteristics, in terms of credit risk, and written down collectively on the basis of rising percentages according to the past due dates.

Liquidity risk

Liquidity risk is the risk that the financial resources available are not sufficient to meet the financial and commercial obligations within the preset terms and due dates.

More specifically, the Company manages this risk through the lines of corporate credit and manages its liquidity through a centralized treasury system that deals with the centralized management of treasury and finance.

AUDIT REPORT OF THE COMPANY

In accordance with Article.14 of Legislative Decree No.39 of January 27, 2010

To the shareholders of Peugeot Motocycles Italia S.p.A

1. We have audited the financial statements of Peugeot Motocycles S.p.A. as of December 31, 2014. These financial statements prepared in accordance with the Italian law governing financial statements are the responsibility of the Directors of Peugeot S.p.A. (the "Company"). Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with Auditing Standards issued by National Council of Chartered Accountant and Accounting Experts and recommended by Consob. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the Management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. In our opinion, the financial statements give a true and fair view of the financial position of Peugeot Motocycles S.p.A. as of December 31, 2014, and of the results of its operations for the year then ended in accordance with the Italian law governing financial statements.
4. The Directors of Peugeot Motocycles S.p.A. are responsible for the preparation of the Directors' report on operations in accordance with the applicable law. Our responsibility is to express an opinion on the consistency of the Directors' report on operations with the financial statements, as required by law. For this purpose, we have performed the procedures required under Auditing Standard n. 001 issued by the National Council of Chartered Accountants and Accounting Experts and recommended by Consob. In our opinion, the Directors' report on operations is consistent with the financial statements of Peugeot Motocycles S.p.A as of December 31, 2014.

For the opinion on the prior year's financial statements, the balances of which are presented for comparative purposes as required by law, reference should be made to our auditors' report issued on April 28, 2014.

NOTES TO THE FINANCIAL STATEMENTS

FORM AND CONTENT OF THE FINANCIAL STATEMENTS AS AT 31 DECEMBER 2014

Dear Shareholders,

the financial statements submitted for your approval have been prepared in Euros without cents, in accordance with the legal provisions in force, interpreted and supplemented by the accounting standards issued by the National Council of Certified Public Accountants and by the Italian Accounting Board (O.I.C. as updated in 2014), and comprise the following: the balance sheet, compliant with the format required by Articles 2424 and 2424-bis of the Italian Civil Code, the income statement, compliant with the format required by Articles 2425 and 2425-bis of the Italian Civil Code, and the notes, compliant with Article 2427 of the Italian Civil Code, and are supplemented, for better disclosure, by the cash flow statement. The financial statements also comprise the annual report, as required by Article 2428 (1) of the Italian Civil Code.

The financial statements as at 31 December 2014, of which these notes form an integral part, correspond to the accounting records duly held.

With reference to the nature of the Company's activity, to the significant events that occurred during the year and to its relationships with related parties, with the parent company and with the other companies of the PSA Group, please refer also to what is set out in the Annual Report.

Valuation criteria, accounting standards and principles for the preparation of the financial statements

The criteria adopted in preparing the financial statements for the year ended as at 31/12/2014 do not deviate from those adopted to prepare the financial statements for the previous year, in particular, in the valuations and in the continuity of the same principles.

The evaluations have been made according to the principle of prudence and under the going concern assumption, taking into account the economic function of the assets or liabilities in question; The application of the prudence concept entailed the individual evaluation of the elements making up the single asset or liability items, so as to avoid compensation for losses that had to be recognized and profits that were not to be recognized because they had not been realized. In accordance with the accrual principle, the effect of the

transactions and other events was entered in the books and attributed to the financial year to which such transactions and events refer, and not to the year in which the relevant cash transfers physically took place (receipts and payments). The economic substance of the transactions is the predominant element of accounting and of the valuation and representation in the financial statements.

The notes provide all the additional information considered necessary to give a true and fair view of the economic and financial situation of the company.

In particular, the most significant valuation criteria that have been adopted in preparing the financial statements are the following:

Intangible fixed assets

Intangible assets are stated at purchase cost, including ancillary costs directly attributable, net of accumulated amortization; these are amortized systematically each year in relation to their remaining useful life; where required by law, intangible assets were recorded in the financial statements with the prior consent of the Board of Statutory Auditors.

Fixed assets that are judged to have become permanently impaired at the balance sheet date, reduced by depreciation and valuation adjustments, were recorded at the lower amount; the original value was reinstated if, in subsequent periods, the reasons for the write-down ceased to exist.

Tangible fixed assets

Tangible fixed assets are stated at purchase cost, including ancillary costs directly attributable and statutory revaluations, pursuant to law, net of accumulated depreciation. They are depreciated systematically each year over their remaining useful life.

The rates used are shown in a separate table in section B.II of the notes.

Financial fixed assets

Financial fixed assets are valued at cost and recorded at purchase or subscription cost, adjusted, where appropriate, for impairment losses.

Inventory

Inventory is valued at cost or net realizable value based on market prices, whichever is the lower: the cost configuration adopted for each category of goods is shown in item CI - Inventories.

Receivables

Receivables are stated at their estimated realizable value.

The adjustment of the nominal value of receivables at their estimated realizable value is obtained through a special provision for bad and doubtful debts, taking into account the general economic situation and that of the relevant market.

Cash and cash equivalents

Cash and cash equivalents consist of the company's cash at bank and the social funds at the balance sheet date.

Said cash is stated at nominal value.

Payables

These are entered at nominal value.

Accruals and payables

These have been calculated on an accrual basis according to the principle of matching costs and revenues. These measure income and charges brought forward or deferred from the account entry and/or documentary evidence; they disregard the date of payment or receipt of the respective income and charges, they are common to two or more financial years and can be distributed over time.

Provisions for risks and charges

Provisions for risks and charges are intended to cover losses or liabilities of a definite nature and whose existence is certain or probable, although the related amount or date of occurrence are not determined at the balance sheet date. Provisions reflect the best possible estimate based on the information available at the date of preparation of the financial statements.

The evaluation of such provisions was made in compliance with the general criteria of prudence and accrual accounting, and no provisions without economic justification were set up for generic risks.

Severance pay fund

The severance indemnities are accrued based on the length of service of the individual employees, in accordance with the laws and employment contract in force, and to an extent such as to cover the amount accrued in favour of the employees at year end.

Income tax

The income taxes for the year have been calculated based on projections of taxable income, applying the legal provisions in force, taking account of the increases and decreases in the economic-based income required by the tax regulations.

Taxes are allocated on an accrual basis; hence, they represent the following:

- provisions for taxes paid or to be paid for the financial year, determined according to current tax rates and regulations;
- the amount of deferred taxes or prepaid taxes in relation to the temporary differences that have arisen or have been cancelled in the financial year.
- adjustments to deferred tax balances to take account of the change in the expected actual average IRES tax rate for the coming years.

Deferred tax assets and deferred tax liabilities are recognized when there are temporary differences between the value of the assets and liabilities entered in the accounts and that attributed to the latter for tax purposes.

Deferred tax assets are not recognized, in accordance with the principle of prudence, unless there is reasonable certainty as to a taxable income in the year of reversal of the temporary differences entailing their future recovery.

Recognition of revenues and costs

Revenues and costs are recorded on an accrual basis.

Currency conversion criteria

In the conversion of the values expressed in foreign currencies account has been taken of the exchange rate applicable on the date of the related transaction. The difference arising from the valuation based on the exchange rate at year-end is recorded in a specific item of the income statement. The company has no loans in foreign currencies.

Suspense accounts

Commitments and guarantees are shown in the memorandum accounts at their contractual value.

MANAGEMENT REPORT FOR THE FINANCIAL YEAR 2014

1. Basis of the company

The PEUGEOT MOTOCYCLES DEUTSCHLAND GmbH (Peugeot Motocycles or PMD) is a subsidiary of PEUGEOT MOTOCYCLES S.A. (PMTG), Valentigney/France. The German subsidiary was set up on September 1, 1997 and sells two-wheeled cycles as well as parts and accessory products through a network of authorized dealers.

As at 31st December 2014, PMD employed a total workforce of 19 employees in three departments:

- a) Sales, marketing, finance & administration
- b) Customer service, parts & accessories
- c) Field service: The five regional managers live within their respective sales regions, where they serve approx. 500 dealers altogether.

Peugeot Motocycles operates the following website in Germany:

www.peugeot-scooters.de

From its base in Mörfelden-Walldorf, PMD can use the synergies with other companies of the PSA Group in the Rhine-Main region. We work together with PSA Peugeot Citroën Deutschland GmbH in the fields of finance, taxes and financial accounting.

The vehicles sold on the German market are built by PMTG in France as well as by our partner Qingqi and by the joint venture company with Qingqi in China. The scooters are transported by GEFCO Deutschland GmbH. The vehicles are delivered directly to the dealers from the central warehouse in France without interim storage by PMD.

As a rule, the prices at which PMD purchases the scooters are defined by the parent company once per year. The same applies to the selling prices for customers (recommended retail price - RRP) which are normally defined by headquarters for the entire year in consultation with the German subsidiary.

2. Overall economic and branch-conditioned framework

All in all, the German economy proved stable on average over the year 2014. According to the Federal Statistical Office, gross domestic product after adjustment for price changes was 1.5% higher than in the prior year. The German economy was able above all to profit from a high level of domestic demand. Unemployment totalled 5.2% in Germany in 2014.

Competitive pressure in the German market in which Peugeot Motocycles operates has been considerable in recent years, due to the large number of new products.

This market can be broken down into the following segments (refer to the below mentioned table of market shares as per December 2014):

- Motorized two-wheeled cycles < = 50 cc

According to the industry association Industrieverband Motorrad e.V (IVM), the sales of motorized cycles (altogether 34,199) are 17.3% less than in the prior year.

- Scooters > 50 cc for which licensing is mandatory

With a total of 28,271 vehicles sold, the market volume was 1.4% higher in 2014 than in the prior year.

Development y/y-1	+22.6%	-27.8%	-16.8%	-4.4%	-7.3%	-10.7%	+0.4%

At first, PMD grew rapidly after being founded in 1997. In recent years, however, the number of units sold has declined considerably. This decline in sales volume was halted for the first time in 2014. With a total of 10,741 new vehicles in the segments up to 500 cc, the prior year's value of 10,700 units was exceeded for the first time.

The brand Peugeot Scooters continues to rank **first** among the brand suppliers in the 50 cc segment in Germany.

Various brands and private labels, particularly for sale through DIY stores and supermarkets, are subsumed under the Rex brand. The market as a whole is shrinking, as this special sales channel for so-called "cheap scooters" is dwindling more and more. Most of the large brand manufacturers, on the other hand, have been able to increase their market share in this segment.

With regard to the light motor cycles (scooters) for which licensing is mandatory, Peugeot Scooters was able to boost its market share thanks to the new three-wheeled model "Metropolis" – this market has grown slightly overall as compared to the prior year.

In addition, 100 bicycles including e-bikes of the brand Peugeot Cycles (with total sales of (INR 39.02 lacs), Euros 57,667 – prior year: INR 33.67 lacs, Euros 49,760) were sold to the motorized two-wheeled cycle trade in 2014. The company Cycleurope is licensee here and responsible for producing the bicycle collection on behalf of the French parent.

Business generally developed favourably for the company in 2014.

3. Position of assets, finance and profit

Due to the slightly higher sales volume, sales revenue in the 2014 financial year was also higher than in 2013, rising 3.3% to (INR 11,366.88 lacs), 16.8 million in euros.

The financial year's profit was (INR 22.06 lacs), 32.6 thousands in euros higher than the prior year. A net profit of (INR 45.44 lacs), Euros 67,165.39 is reported.

The financial statements are reflected in the following key figures:

- EBIDTA: (INR 110.42 lacs), 163.2 thousands in euros (prior year: (INR 141.61 lacs), 209.3 thousands in euros)

- EBIT: (INR 107.24 lacs), 158.5 thousands in euros (prior year: (INR 136.61 lacs), 201.9 thousands in euros)
- The turnover rate calculated as the ratio of sales to trade receivables equals 8.08 (prior year: 4.87). Receivables management has improved considerably as a result.
- The return on sales, calculated as the ratio of sales to earnings from current operations, reached a value of 0.57% in 2014 and was thus identical with the prior year's value.

Total assets of PMD amounted to (INR 2,528.45 lacs), 3,737 thousands in euros in 2014 (prior year: INR 3,376.23 lacs), 4,990 thousands in euros. Shareholders' equity now totals (INR 278.96 lacs), 412.3 thousands in euros (prior year: (INR 368.81 lacs), 545.1 thousands in euros). The capital ratio, calculated as the ratio of shareholders' equity to total capital, has thus remained constant at 10.9% despite payment of a dividend.

At (INR 1,411.39 lacs), 2,086 thousands in euros, trade receivables are (INR 855.22 lacs), 1,264 thousands in euros lower than in the prior year; they now account for 55.4% of total assets (prior year: 67.1%).

Of the total assets, 63.1% comprise sums payable to affiliated companies (prior year: 70.0%). These have risen by (INR 1,594.75 lacs), 2,357 thousands in euros to (INR 1,607.47 lacs), 2,375.8 thousands in euros.

Our company's liquidity is assured through the provision of funds by the parent company.

The cashflow (net income for th year + depreciation) increased by (INR 20.23 lacs), 29.9 thousands in euros from (INR 28.41 lacs), 42 thousands in euros (prior year) to (INR 48.04 lacs), 71 thousands in euros. Also this development strengthens our liquidity position.

All in all the business development in 2014 is positive.

4. Workforce

On average, the company employed 18 men and women in the financial year 2014 (prior year: 19).

In the financial year 2014, the company provided and realized regular information and further training programmes, such as the following:

- Internal computer training courses
- Product training on new models

- Monthly team discussions
- Quarterly staff meetings

5. Risk management, opportunities and risks of future development

Both the motorcycle industry association Industrieverband Motorrad e.V. (IVM) and Peugeot Motocycles Deutschland GmbH expect the year 2015 to develop as follows:

- 50 cc segment: continuing (slight) decrease
- Scooters > 50 cc: same level as in 2014.

PMD increased its recommended retail prices slightly both in 2014 and again at the beginning of 2015, among other things to take account of higher production costs. Several new models to be introduced in 2015 (or already introduced in late 2014) will become a major source of sales for PMD, particularly the retro-style scooter Django in several engine and model versions and the new sport scooter Speedfight 4.

With these new, mostly strong-selling models, Peugeot Motocycles expects to continue to enlarge its share of the <= 50 cc market, as well as in the segment where licensing is mandatory.

Financial risks exist as a matter of principle due to the low capital base. Here, PMD is reliant on support from the parent company PMTC when necessary.

PMD's receivables management is designed and organized in such a way that there are no significant unsecured risks in this sector. With only a few exceptions, receivables from dealers are secured against risk of default through the COFACE insurance company. A standardized dunning process is not implemented, as the control system in combination with weekly direct debits ensures that PMD is always in a position to identify potential solvency problems among the dealers before they arise.

With regard to the future development of our business and company, we do not see any risks threatening the

company's survival, nor risks with a major impact on its position of assets, finance and profit.

6. Outlook 2015

Taking into account the first market results, we expect a sales volume of around 10,500 units for the year 2015 as a whole.

The prior year's forecast of higher sell-in figures as compared to 2013 has been achieved, although the actual rise was lower than expected (forecast 2014 = 10,950 units), due to the slightly greater decline in the 50 cc market and the delayed launch of our retro-style Django scooter.

The net profit before taxes is expected to reach around (INR 54.13 lacs), 80 thousands in euros with sales rising by roughly 10% to (INR 12,517.10 lacs), 18.5 million in euros as a result of the improved model mix and stronger focus on margins and discounts.

7. Events after the reporting period

In January 2015, a long-term strategic partnership agreement was signed between the brand Peugeot Scooters and the Indian corporation Mahindra & Mahindra. This has also resulted in a change in our shareholder relations. Mahindra & Mahindra now holds 51% of our share capital, while Automobiles Peugeot holds 49%. This new cooperation assures the required international expansion of our brand Peugeot Scooters (e.g. in India).

There were no other events of particular significance after the end of the financial year capable of impacting the company's position of assets, finance and profit now or in the future.

INDEPENDENT AUDITORS' REPORT

A. Audit engagement

Because of the shareholder meeting from 29th August 2014 the management of **PEUGEOT MOTOCYCLES DEUTSCHLAND GmbH**, Mörfelden-Walldorf (hereinafter short: "Company"), has assigned us to audit the annual financial statements for the year ended 31st December 2014 including the bookkeeping and the management report.

For the audit we have observed the applicable rules concerning our independence.

The enclosed General Engagement Terms for German Public Auditors and Public Audit Firms as of 1st January 2002 are valid for this contract, also in comparison with third parties. Additionally we refer to No. 9 of these terms which includes liability rulings and liability exclusions towards third parties and to further terms in the en-closure "Conditions of contract, liability and reservations of application".

We prepared this report in accordance with the German standard of auditing No. 450, which is published by the Institut der Wirtschaftsprüfer [Institute of Public Auditors in Germany] (IDW).

B. Basic ascertainments

Opinion concerning the assessment through the legal representatives

We think the representation and the assessment of the situation of the company and its expected development through the management in the financial statements and the management reports are correct.

Course of business and situation of the company

...(Under this point excerpts of the management report follow.) ...

Expected development of the company

...(Under this point excerpts of the management report follow.) ...

C. Subject matter as well as manner and extent

Subject matter of the audit

Within the framework of the engagement given to us we audited the bookkeeping, the annual financial statements comprising the balance sheet, the income statement and the notes as well as the management report on observing the relevant legal requirements according to § [Article] 317 HGB ["Handelsgesetzbuch": "German Commercial Code"].

For our audit of the annual financial statements the criteria for assessment were the accounting rules of §§ [Articles] 242 up to 256a and 264 up to 288 HGB ["Handelsgesetzbuch": "German Commercial Code"] as well as the special rules of GmbHG ["Gesetz betreffend die Gesellschaften mit beschränkter Haftung": "German Limited Liability Companies Act"]. Additional accounting

terms in the articles of incorporation didn't exist. Audit criteria for the management report was § [Article] 289 HGB ["Handelsgesetzbuch": "German Commercial Code"].

The management is responsible for the bookkeeping, the internal control system referring to accounting, the annual financial statements, the management report as well as for the information given and the documents presented to us. Our responsibility is to assess these information and documents within the framework of our dutiful audit.

Manner and the extent of the audit

We conducted our audit in accordance with §§ [Articles] 316 et seq. HGB ["Handelsgesetzbuch": "German Commercial Code"] considering the German generally accepted standards for the audit of financial statements promulgated by the Institut der Wirtschaftsprüfer [Institute of Public Auditors in Germany] (IDW).

According to that the audit has to be planned and performed such that can be assessed with reasonable assurance whether the bookkeeping, the annual financial statements and the management report are free of material mistakes and breaches.

On this basis we structured our audit of the annual financial statements with the objective to recognize such mistakes and breaches against the legal requirements concerning accounting which have an essential effect on the presentation of the net assets, financial positions and results of operations accounting to § [Article] 264 (2) HGB ["Handelsgesetzbuch": "German Commercial Code"].

The foundation for our risk-based audit is the working out of an audit strategy. The strategy is based on the assessment of the economical and legal sphere of the company, its objectives, strategies and business risks. It will also be influenced by the size and complexity of the company and its effectiveness of the accounting-related internal control system. The findings we won out of this were mentioned by the choice and the extent of the auditing procedures (plausibility assessment) as well as by the case at issue – audit with regard to inventory proofs, recording of balance sheet items, valuation of balance sheet items and layout of balance sheet items in the annual financial statements. In the company's individual audit program we determined the priorities of our audit, manner and extent of the audit acts as well as the time audit process and the use of the employees. While doing so we observed the principles of materiality and of risk information.

In view of a manageable company size and clarity of it procedures we essentially carried out a case at issue audit. In doing so we set the following audit priorities or rather carried out worth mentioning audit acts:

- Analysis of the process of drawing up the annual financial statements
- Accounting and valuation of essential receivables

- Completeness and valuation of accruals
- Completeness and valuation of accounts payable

In addition we carried out the following standard audit acts:

- We convinced us of the correct balancing of the trade receivables and the trade payables through obtaining of confirmations of balances after coincidence choice criteria in spot checks.
- We applied for bank confirmations of lending institutions.
- We asked for attorney confirmations about pending legal disputes and received them.
- We led us report in writing about pending rights of appeal, controversial tax assessment notices and existing tax risks from the company's tax adviser.

It was the intention of our audit acts within the framework of auditing the management report to ascertain whether it is in accord with the annual financial statements and whether it provides a suitable view of the company's position as well as whether the chances and risks of the future development are described correctly. Within this framework the completeness had to be audited and as far as it concerns prognosticable statements – the plausibility of them. We assessed the statement in consideration of our findings, which we won during our audit of the financial statements.

All the information and proofs we asked for were given to us. The management confirmed us in writing the completeness of these information and proofs as well as the bookkeeping, the annual financial statements and the management reports.

D. Ascertainments regarding accounting

I. Due diligence of the accounting

1. Prior year financial statements

The prior year financial statements were adopted by the shareholders' meeting on 29th August 2014. The share-holders' meeting decided to distribute profit to the shareholder from the unappropriated profit brought forward (INR in lakhs 148,95) and from the net income for the year (INR in lakhs 23,39) in the amount of INR in lakhs 135,32. The rest of the profit shown on the balance sheet after appropriation to or transfer from reserves in the amount of INR in lakhs 37,02 will be brought forward to the new account.

The prior year financial statements were submitted to the Federal Gazette on 17th December 2014 and disclosed on 21st April 2015.

2. Bookkeeping and other audited documents

The organization of the bookkeeping, the internal control system referring to the accounting,

the data flow and the voucher system make it possible to record and book the business transactions completely, correctly, timely and orderly.

The information taken from other audited documents lead to a proper reproduction in bookkeeping, financial statements and management report.

According to our ascertainments the bookkeeping corresponds to the legal requirements.

3. Annual financial statements

For the first time the company fulfils the size criteria for a small corporation in the reporting year. Nevertheless the regulations for a medium-sized corporation have to be applied for the annual financial statements. The annual financial statements and the applied accounting and valuation principles for that correspond to the legal requirements.

Based on the prior year financial statements audited by us the available annual financial statements is correctly developed from the figures of the bookkeeping and from further audited documents.

The declarations in the notes are complete and correct.

According to our dutiful audit the company made proper use of the safeguard clause of § [Article] 286 (4) HGB ["Handelsgesetzbuch": "German Commercial Code"] and omitted mentioning the management's remuneration.

4. Management report

The management report is in accord with the annual financial statements and the findings gained from our audit; in total it gives a correct picture of the company's situation. Our audit according § [Article] 317 (2) sentence 2 HGB ["Handelsgesetzbuch": "German Commercial Code"] lead to the result, that the essential chances and risks of the future development are depicted correctly. The statements in accordance with § [Article] 289 (2) HGB ["Handelsgesetzbuch": "German Commercial Code"] are complete and correct.

II. Complete statement of the annual financial statements

1. Essential basis of valuation

Concerning the applied essential accounting and valuation principles as well as the significant factors for the evaluation of assets and liabilities in the reporting year we refer to the statements of the company in the notes (appendix 3).

- Receivables and other assets are balanced at nominal value. Receivables from the dealer network are – with few exceptions – insured against default risks by COFACE-insurance.
- In the reporting year the company didn't balance deferred taxes. Essential temporary differences between commercial balance sheet and tax balance sheet didn't exist.

2. Summarized assessment

According to our dutifully carried out audit – by acknowledging the explained essential accounting and valuation principles – we came to the assessment that the annual financial statements as a whole give a true and fair view of the net assets, financial positions and results of operations of the company considering the German principles of proper accounting.

E. Audit Opinion

For the annual financial statements and the management report we approved the following audit opinion:

“We have audited the annual financial statements, comprising the balance sheet, the income statement and the notes to the financial statements, together with the bookkeeping system, and the management report of the Peugeot Motocycles Deutschland GmbH, Mörfelden-Walldorf, for the business year from 1st January to 31st December 2014. The maintenance of the books and records and the preparation of the annual financial statements and management report in accordance with German commercial law are the responsibility of the Company's management. Our responsibility is to express an opinion on the annual financial statements, together with the bookkeeping system, and the management report based on our audit.

We conducted our audit of the annual financial statements in accordance with § [Article] 317 HGB [“Handelsgesetzbuch”: “German Commercial Code”] and German generally accepted standards for the audit of financial statements promulgated by the Institut der Wirtschaftsprüfer [Institute of Public Auditors in Germany]

(IDW). Those standards require that we plan and perform the audit such that misstatements materially affecting the presentation of the net assets, financial position and results of operations in the annual financial statements in accordance with [German] principles of proper accounting and in the management report are detected with reasonable assurance. Knowledge of the business activities and the economic and legal environment of the Company and expectations as to possible misstatements are taken into account in the determination of audit procedures. The effectiveness of the accounting-related internal control system and the evidence supporting the disclosures in the books and records, the annual financial statements and the management report are examined primarily on a test basis within the framework of the audit. The audit includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the annual financial statements and management report. We believe that our audit provides a reasonable basis for our opinion.

Our audit has not led to any reservations.

In our opinion, based on the findings of our audit, the annual financial statements comply with the legal requirements and give a true and fair view of the net assets, financial position and results of operations of the Company in accordance with [German] principles of proper accounting. The management report is consistent with the annual financial statements and as a whole provides a suitable view of the Company's position and suitably presents the opportunities and risks of future development.”

NOTES FOR THE FINANCIAL YEAR 2014

1. General declarations

For the first time PEUGEOT Motocycles Deutschland GmbH fulfils the size criteria for a small corporation. Nevertheless the regulations for the medium-sized corporations have to be applied for the annual financial statements for the financial year. The available annual financial statements have been prepared in accordance with §§ 242 et seq. and §§ 264 et seq. of the German Commercial Code (HGB), as well as with the relevant regulations pursuant to the German Limited Liability Companies Act.

The financial year is identical to the calendar year.

The income statement has unchanged been prepared according to the nature of expense method.

To make the presentation clearer, we have reported the remaining term of receivables and accounts payable in the notes instead of in the balance sheet.

2. Accounting and valuation principles

As in the prior year, the following accounting and valuation principles were applied when preparing the annual financial statements.

2.1. Fixed assets

Tangible assets are balanced at acquisition cost less scheduled depreciation. They are amortized in accordance with their expected useful life.

Since the financial year 2008, minor-value assets with acquisition cost of between (INR 0.10 lacs), Euros 150.00 and (INR 0.68 lacs), Euros 1.000.00 have been capitalized and written off at 20% of their acquisition cost p.a. over a period of five years. Minor-value assets with acquisition cost of less than (INR 0.10 lacs), Euros 150.00 are expensed in the year of purchase.

In the case of financial assets, the profit participation rights are valued at the lower of acquisition cost or fair value.

2.2. Inventories

Merchandise are balanced at acquisition cost. Write-downs to the lower market value have been made where necessary.

2.3. Receivables, other assets and liquid funds

Receivables, other assets and liquid funds are balanced at face value. Default risks associated with trade accounts receivable have been duly taken into account through individual valuation allowances as at the balance sheet date.

2.4. Accruals

The accruals take account of all identifiable risks and uncertain liabilities; they are formed on the basis of anticipated requirements according to reasonable commercial judgement. There are no pension commitments and pre-retirement part-time working agreements.

2.5. Liabilities

Accounts payable are shown at their repayment value.

2.6. Currency translation

There are no accounts receivable and payable in foreign currency as at the balance sheet date. No transactions were undertaken in foreign currencies during the financial year.

3. Notes to the balance sheet

3.1. Fixed assets

Development of the individual asset items with indication of write-downs over the financial year can be seen from the enclosed schedule of fixed asset movements (appended to the Notes).

3.2. Receivables and other assets

As in the prior year, all receivables and other assets have a remaining term of less than one year.

Provided that they are not due from the shareholder, the receivables from affiliated companies are the result of VAT receivables from the dominant

enterprise for VAT purposes in the amount of (INR 171.18 lacs), 253 thousands in euros (prior year: (INR 198.92 lacs), 294 thousands in euros). Receivables from affiliated companies include trade receivables in the amount of (INR 16.92 lacs), 25 thousands in euros.

3.3. Accruals

Other accruals in the amount of (INR 441.14 lacs), 652 thousands in euros (prior year: (INR 356.57 lacs), 294 thousands in euros) primarily comprise the following:

- Volume and loyalty bonuses for the dealership: (INR 305.15 lacs), 451 thousands in euros (prior year: (INR 270.64 lacs), 400 thousands in euros)
- Discounts still to be granted: (INR 20.30 lacs), 30 thousands in euros (prior year: (INR 5.41 lacs), 8 thousands in euros)
- Allowances still to be granted towards promotional costs: (INR 14.21 lacs), 21 thousands in euros (prior year: (INR 16.24 lacs), 24 thousands in euros)
- Recycling costs, batteries: (INR 30.45 lacs), 45 thousands in euros (prior year: INR 0 lacs, Euros 0)
- Holidays not yet taken: (INR 5.41 lacs), 8 thousands in euros (prior year: (INR 8.12 lacs), 12 thousands in euros)
- Other personnel costs: (INR 22.33 lacs), 33 thousands in euros (prior year: INR 24,36 lacs, 36 thousands in euros)
- Unpaid invoices: INR 29,09 lacs, 43 thousands in lacs (prior year: (INR 20,30 lacs), 30 thousands in euros)

3.4. Liabilities

As in the prior year, all accounts payable have a remaining term of less than one year. The liabilities are not secured.

Accounts payable to affiliated companies include trade payables in the amount of (INR 782.15 lacs), 1,156 thousands in euros.

4. Notes to the income statement

4.1. Sales revenue

The sales (INR 11,398.68 lacs), 16,847 thousands in euros are essentially attributable to the sale of scooters to dealers (INR 9,858.06 lacs), 14,570 thousands in euros, as well as to the sale of spare parts (INR 935.74 lacs), 1,383 thousands in euros and bicycles (INR 39.24 lacs), 58 thousands in euros.

4.2. Other operating income

Other operating income in the amount of (INR 288.23 lacs), 426 thousands in euros primarily comprises guarantee costs charged to the parent company PEUGEOT Motocycles S.A. ("PMT") (INR 189.45 lacs, 280 thousands in euros) and income of grants for advertising expenses (INR 49.39 lacs, 73 thousands in euros).

4.3. Income/expenses relating to other periods

The result for the financial year 2014 includes income from reversing accruals in the amount of (INR 33.15 lacs), 49 thousands in euros.

5. Other declarations

5.1. Other financial commitments and contingent liabilities

The company has concluded leases and leasing arrangements. These commitments total (INR 232.34 lacs), 343.4 thousands in euros as at the balance sheet date. A bank guarantee in the amount of (INR 15.56 lacs), 23 thousands in euros exists to the benefit of the landlord. The advantage of leases and leasing arrangements lies in the optimization of liquidity. There are no identifiable significant risks.

5.2. Workforce

On average, the company employed 18 women and men in the financial year (prior year: 19).

5.3. Auditor's fee

The auditor's fee for the financial year amounts to (INR 11.84 lacs), 17.5 thousands in euros.

5.4. Management

The company's managing directors in the financial year 2014 were:

- Mr. Volker Klein (Diplom-Ingenieur (graduate in engineering science)), Oppenheim
- Mr. Xavier Delpech de Saint Guilhem (Finance Director, Peugeot Motocycles S.A.), Mandeure (France)

Concerning the remuneration of the management the option permitted by § 286 (4) of the German Commercial Code (HGB) is exercised.

5.5. Parent company

PMD is a wholly owned (100%) subsidiary of **Peugeot Motocycles S.A., Valentigney Man-deure/France**, and included in their (sub-) consolidated

financial statements. The company belongs to the group **Peugeot Citroën S.A., Paris/France**, which prepares the top-level consolidated financial statements.

These consolidated financial statements are available at the companies' head office.

POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

Purpose

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Holdings Limited.

Policy Statement

We have a well-defined Compensation policy for Directors, Key Managerial Personnel and employees of the Company. The overall compensation philosophy which guides us is that we need to attract and retain high performers by compensating them at levels that are broadly comparable with the competitors while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by benchmarking with relevant players across the industry we operate in.

Non-Executive including Independent Directors

The Nomination and Remuneration Committee (“Committee”) shall decide the basis for determining the compensation, both fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The Committee shall take into consideration various factors such as director’s participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act, 2013 and such other factors as the Committee may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Executive Directors

The remuneration to Executive Director(s) shall be recommended by the Committee to the Board. The remuneration shall consist of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the Committee based on their performance.

Key Managerial Personnel (KMPs)

The terms of remuneration of the Chief Executive Officer (CEO), Chief Financial Officer (CFO) and Company Secretary shall be determined by the Board of Directors or by any Director as may be authorised by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act, 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals. The relationship of their remuneration to performance shall be clear and shall meet the appropriate performance benchmarks.

Employees

We shall benchmark the Compensation structure with relevant players across the industry we operate in depending upon the level in the organisation.

We shall have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC may be reviewed once a year. The compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs will be decided by any Director of the Company, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme that may be formulated by the Company and subject to the compliance of the applicable statutes and regulations.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MAHINDRA HOLDINGS LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Mahindra Holdings Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Act, 2015, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with in this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company did not have any pending litigations which would impact its financial position in its financial statements in accordance with the generally accepted accounting practice;
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2015

15. Significant accounting policies:

(a) Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act")/Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of financial statement are consistent with those of the previous year.

(b) Use of estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known materialise.

(c) Cash Flow statement:

Cash flows are reported using the indirect method, whereby profit (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(d) Revenue recognition:

- (i) Income is accounted on accrual basis.
- (ii) Dividend income is accounted for when the right to receive payment is established.

(e) Investments:

Long term investments are valued at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of investments. Current investments other than units of unquoted mutual fund are valued at cost or fair value whichever is lower, while units of unquoted mutual funds are valued at Net Asset Value declared by the mutual fund.

(f) Taxes on income:

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to consideration of prudence, on the timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainly supported by convincing evidence that sufficient future tax income will be available against which such deferred tax assets can be realised.

Minimum Alternative Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax against which the MAT paid will be adjusted.

INDEPENDENT AUDITORS' REPORT

To the Members of **Mahindra Punjab Tractors Private Limited**

Report on the Financial Statements

1. We have audited the accompanying financial statements of **Mahindra Punjab Tractors Private Limited** ("the Company"), which comprise of the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as

well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As per Clause 2(v) of the Companies (Auditor's Report) Order, 2015 issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), the Order is not applicable to the Company and accordingly, we have not furnished a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
 - e. On the basis of written representations received from the directors as on March 31, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

Notes VIII**Significant Accounting Policies:****a. Basis for preparation:**

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles India (GAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 (the Act) and the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).

Assets & Liabilities are classified as Current or Non-current as per the provisions of Schedule III to the Companies Act, 2013 and Company's Normal Operating Cycle. Based on the nature of business, the Company has ascertained its operating cycle as 12 months for the classification of assets & liabilities.

b. Revenue recognition:

All incomes and expenses are accounted on the accrual basis and provision is made for all known losses and liabilities.

c. Earnings Per share:

The Company reports basic and diluted Earnings Per Share (EPS) in accordance with Accounting Standard 20 on Earning Per Share.

Basic EPS is computed by dividing the net profit or loss for the period by the weighted average number of Equity Shares outstanding during the period.

d. Income Tax:

Income taxes are accounted for in accordance with the Accounting Standard 22 on "Accounting for Taxes on Income". Taxes comprises of current tax, deferred tax.

Current tax is determined as the amount of tax payable in respect of taxable income for the period using the applicable tax rates and tax laws.

Deferred tax assets and liabilities are recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income, that originate in one period and are capable of reversal in one or more subsequent periods and are measured

using tax rates enacted or substantively enacted as at the balance sheet date. Deferred tax assets arising from timing difference are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future tax income will be available against which such deferred tax assets can be realised and are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

e. Preliminary Expenses:

Preliminary expenses are charged to the Statement of profit and loss account in the year of incurrence.

f. Provisions and contingent liabilities

Provisions are recognised in accounts in respect of present probable obligations, the amount of which can be reliably estimated. Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed only by the occurrence or non-occurrence of one or more certain future events not wholly within the control of the company.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Mahindra Integrated Business Solutions Private Limited

Report on the Financial Statements

1. We have audited the accompanying financial statements of **Mahindra Integrated Business Solutions Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, and the Statements of Profit and Loss and Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the

risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2015, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order") and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);

- e. On the basis of written representations received from the directors as on March 31, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure to the Auditor's Report referred to in our report of even date:

- 1 (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
 - (b) The fixed assets of the Company have been physically verified by the Management during the year. No discrepancies were found on such verification.
- 2 (a) The Company does not carry any inventory and hence this clause is not applicable.
- 3 The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a) and (iii)(b) of the said Order are not applicable to the Company.
- 4 In our opinion and according to the information and explanations given to us, the Company is having an adequate internal control system commensurate with the size and the nature of its business, for the purchase of inventory and fixed assets and for the sale of goods. On the basis of our examination of the books and records of the Company and according to the information and explanations given to us, we have neither come across, nor have we been informed of, any continuing failure to correct any major weaknesses in the aforesaid internal control system.
- 5 The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 and the Rules framed thereunder to the extent notified.
- 6 The Central Government of India has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
- 7 (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value, added tax, have generally been regularly deposited with the appropriate authorities though the delays in deposit have not been serious.
 - (b) According to the information and explanations given to us and records of the Company examined by us, there are no dues of income tax, sales tax, wealth tax, service -tax, duty of excise, duty of customs, value added tax, and cess which have not been deposited on account of any dispute.
 - (c) There are no amounts required to be transferred by the Company to the Investor Education and Protection Fund in accordance with the provisions of the Companies Act, 1956 and the rules made thereunder.
- 8 As the Company is registered for a period of less than five years, the provisions of clause 3(viii) of the Order are not applicable to the Company.
- 9 As the Company does not have any borrowings from any financial institution or bank nor has it issued any debentures as at the balance sheet date, the provisions of Clause 3(ix) of the Order are not applicable to the Company.
- 10 In our opinion, and according to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions during the year. Accordingly, the provisions of Clause 3(x) of the Order are not applicable to the Company.
- 11 The Company has not raised any term loans during the year and accordingly the provisions of clause 3(xi) of the Order are not applicable to the Company.
- 12 During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud on or by the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

NOTE XVIII

Mahindra BPO Services Private Limited was incorporated on 18th January 2011 and it started its operations from 1st May 2011. Mahindra BPO Services Private Limited was renamed as Mahindra Integrated Business Solutions Private Limited from 4th January, 2013. The Company is rendering back office accounting & payroll services. Currently though a captive service provider, it intends to extend the services to corporate sector at large.

NOTE XIX

Significant Accounting Policies:

- A) Basis of Accounting:
The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).
- B) Operating Cycle:
Assets and Liabilities are classified as Current or Non – Current as per the provisions of the Revised Schedule VI notified under the Companies Act, 1956 and Company's normal operating cycle. Based on the nature of business and its activities, the Company has ascertained its operating cycle as twelve months for the purpose of Current & Non – Current classification of Assets & Liabilities.
- C) Fixed Assets:
(i) Fixed assets are carried at their original cost less accumulated depreciation. Financing costs that are attributable to the acquisition, construction or production of qualifying assets are included in the cost of that asset up to the date the asset is ready to use.
(ii) Depreciation on Assets is calculated on Straight Line Method (SLM) at the rates and in the manner prescribed in Schedule II to The Companies Act, 2013.
- D) Intangible Assets:
The Company has purchased a Software license for business, which will be amortized in next 5 years.
- E) Investments:
Investment held as long-term investments are stated at cost comprising of acquisition and incidental expenses less permanent diminution in value, if any. Current investments are valued at the lower of cost and fair value.
- F) Revenue Recognition:
(i) Sale of services is recognized when the services are rendered.
(ii) Revenues on time & material contracts are recognized as the related services are performed and revenues from the end of the last billing to the Balance sheet date is recognized as Unbilled revenues. The unbilled revenues primarily consists of cost which needs to be billed to client on cost plus margin basis where there is no uncertainty as to measurement or collectability of consideration.
(iii) Fee based income is accounted for on achieving specified milestones as per mutual agreement.
(iv) Further, revenue is recognised when there is no uncertainty as to the measurement or collectability of consideration.
- G) Employee Benefits:
Retirement benefit in respect of gratuity at retirement/cessation are provided for based on valuations as at the balance sheet date, made by independent actuaries.
- i) Defined Contribution Plan:
Company's contribution paid/payable during the year to Superannuation Fund, ESIC and Labour Fund are recognized in the Profit and Loss Account.
Contributions to Provident Fund are made to Regional Provident Fund Commissioner Trust administered by Central Government of India and are charged to Profit and Loss Account as incurred.
- ii) Defined Contribution Plan:
Company's liability towards gratuity, long term compensated absences, are determined by Independent Actuaries, using unit credit method. Past services are recognized on a straight line basis

over the average period until the benefits become vested. Actuarial gain & losses are recognized immediately in the statement of Profit & Loss as income or expenses. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to the market yields at the Balance Sheet date on Government Bonds, where the currency and the terms of the Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation.

NOTE XX
Taxes on Income:

Tax expense comprises of both current and deferred tax.

Provision for Current tax is measured at the amount computed under the Income Tax Act, 1961, or Book Profit computed under section 115JB, whichever is higher, and correspondingly set-off available under section 115JAA is credited to the Statement of Profit & Loss of the financial year.

MAT credit is recognised as an asset only when, and to the extent, there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent that there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of Deferred Tax is reviewed at each Balance Sheet date.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF MAHINDRA TELECOMMUNICATIONS INVESTMENT PRIVATE LIMITED

Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of **MAHINDRA TELECOMMUNICATIONS INVESTMENT PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making

those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order 2015, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);

- (e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note No. 15 to the financial statements;
 - ii. The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses that need provision.
 - iii. During the year, there were no amounts required to be transferred to the Investor Education and Protection Fund by the Company.

NOTES TO ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2015

Note 1 Summary of Significant accounting policies:

a) Basis of preparation:

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The accounts have been prepared on the basis that the Company is regarded as a going concern, and to comply, in all material aspects, with the applicable accounting principles in India, the Accounting Standards referred to in sub-section (3C) of section 211 and relevant provisions of the Companies Act, 1956.

b) Revenue Recognition:

Fees and interest are recognized on time proportion basis.

c) Investments:

Investments are classified under Non-current and current categories.

'Non-current Investments' are carried at acquisition /amortized cost. A provision is made for diminution other than temporary on an individual basis.

'Current Investments' are carried at the lower of cost or fair value on an individual basis.

d) Taxes on Income:

Income taxes are accounted for in accordance with Accounting Standard 22 (AS 22) on "Accounting for Taxes on Income" issued by the Institute of Chartered Accountants of India. Tax expense comprises both current and deferred tax.

Current tax is measured at the amount expected to be paid to/recovered from the tax authorities using the applicable tax rates.

Deferred tax assets and liabilities are recognised for future tax consequences attributable to timing differences between taxable income and accounting income that are capable of reversing in one or more subsequent periods and are measured using the relevant enacted tax rates. At each Balance Sheet date, the Company reassesses unrecognised deferred tax assets to the extent they have become reasonably certain or virtually certain of realisation, as the case may be.

Deferred tax assets are not recognised to the extent that there is no virtual certainty or reasonable certainty, as the case may be, supported by convincing evidence that sufficient future tax income will be available against which such deferred tax assets can be realised.

INDEPENDENT AUDITOR'S REPORT

To the Members of Mahindra Namaste Private Limited

Report on the Financial Statements

1. We have audited the accompanying financial statements of **Mahindra Namaste Private Limited** ("the Company"), which comprise the Balance Sheet as at **March 31, 2015**, and the Statements of Profit and Loss and Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in

order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2015, and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2015, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
 - e. On the basis of written representations received from the directors as on March 31, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of

the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivate contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 9 of the Independent Auditors' Report of even date to the members of Mahindra Namaste Private Limited on the financial statements as of and for the year ended 31 March 2015

- i. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
(b) The fixed assets of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.
 - ii. The Company is in the business of rendering services, and consequently, does not hold any inventory. Therefore, the provisions of Clause 3(ii) of the said Order are not applicable to the Company.
 - iii. The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii)(a) and 3(iii)(b) of the said Order are not applicable to the Company.
 - iv. In our opinion, and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business for the purchase of fixed assets and for the sale of services. Further, on the basis of our examination of the books and records of the Company, and according to the information and explanations given to us, we have neither come across, nor have been informed of, any continuing failure to correct major weaknesses in the aforesaid internal control system. The activities of the Company do not involve purchase of inventory and the sale of goods.
 - v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the rules framed there under to the extent notified.
 - vi. The Central Government of India has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
 - vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of Employees Provident Fund, Employee's State Insurance, income tax, cess and other statutory dues with the appropriate authorities.
(b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income-tax, sales-tax, wealth-tax, service-tax, duty of customs, and duty of excise or value added tax or cess which have not been deposited on account of any dispute.
(c) There are no amounts required to be transferred by the Company to the Investor Education and Protection Fund in accordance with the provisions of the Companies Act, 1956 and the rules made thereunder.
- viii. The Company has been registered for a period less than five years. Accordingly, the provisions of Clause 3(viii) of the Order are not applicable to the Company.
 - ix. As the Company does not have any borrowings from any financial institution or bank nor has it issued any debentures as at the balance sheet date, the provisions of Clause 3(ix) of the Order are not applicable to the Company.
 - x. In our opinion, and according to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions during the year. Accordingly, the provisions of Clause 3(x) of the Order are not applicable to the Company.
 - xi. The Company has not raised any term loans. Accordingly, the provisions of Clause 3(xi) of the Order are not applicable to the Company.
 - xii. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud on or by the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

Notes to the Financial Statements as at and for the year ended 31st March 2015

Note No. 1: Statement of Significant Accounting Policies

a. Basis of preparation:

The financial statements of the Company have been prepared in accordance with the historical cost convention and on accrual basis in accordance with generally acceptable accounting principles in India. These financial statements have been prepared to comply in all material aspects with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Companies Act 2013.

All Assets and Liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non-current classification of assets and liabilities.

b. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c. Revenue recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Fees, net of discounts and the portion attributable to placement of students are recognised in the income statement over the period over which service is rendered (course duration).

The portion of fees attributable to placement to be provided by the Company to students are recognized on the completion of the company's obligation.

d. Tangible Fixed Assets:

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for intended use.

e. Depreciation:

Depreciation is provided on a Straight Line Basis over the estimated useful lives of the assets which in certain cases are lower than those prescribed under Schedule II of the Companies Act, 2013. The useful lives of assets used by the Company are as follows:

Asset Class	Useful life
Leasehold Improvements	3 Years
Computers	3 Years
Furniture & Fixtures	8 Years
Office Equipment	5 Years
Motor Cycles	10 Years
Motor Vehicles	5 Years

f. Intangible Assets:

Intangible assets are stated at acquisition cost less accumulated amortisation. Amortisation is calculated by reference to their costs on the straight-line basis over the expected future period, for which the assets are expected to generate economic benefit.

g. Operating Leases:

Leases in terms of which the substantial risks and rewards of ownership remain with the lessor are classified as operating leases. Payments made under operating leases are recognized in profit or loss on a straight-line basis over the term of the lease.

h. Employee Benefits:

Provident fund:

The Company's contribution to provident fund, a defined contribution scheme, paid/payable during the year, is debited to the Statement of Profit and Loss.

Superannuation and other funds/schemes:

Company's contributions paid/payable during the year to officer's superannuation fund, employees' pension scheme, employees' state insurance scheme and labour welfare fund, where applicable, are recognised in the Statement of Profit and Loss.

Gratuity and compensated absences:

In respect of gratuity, the employee benefit cost is accounted for, based on an independent actuarial valuation obtained as at the Balance Sheet date. Actuarial gains and losses are recognized in the Statement of Profit and Loss.

i. Income Tax:

Income taxes are accounted for in accordance with the Accounting Standard 22 on "Accounting for Taxes on Income". Taxes comprise of current tax and deferred tax.

Current tax is determined as the amount of tax payable in respect of taxable income for the period using the applicable tax rates and tax laws.

Deferred tax assets and liabilities are recognised, subject to consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income, that originate in one period and are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the balance sheet date.

j. Earnings Per share:

The Company reports basic and diluted Earnings Per Share (EPS) in accordance with Accounting Standard 20 on Earnings Per Share.

Basic EPS is computed by dividing the net profit or loss for the period by the weighted average number of Equity Shares outstanding during the year.

k. Grants:

Grants are recognized when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants/subsidy will be received.

The portion of the grant whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets is adjusted to the carrying value of the assets.

Grants in the nature of equity contribution are taken directly to Reserves within Shareholders' Funds. Other grants are taken to the Statement of Profit and Loss.

Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.

During the current year, the Company saw a tremendous growth in its operations with the turnover registering an almost 400 % increase from Rs. 125 crs in FY14 to Rs. 508 crs in FY15 due to sizable increase in the scale of projects executed. The Company posted a Profit After Tax of Rs. 15 crs in FY15. With a view to reflect the Company's changing focus from solar to providing sustainable solutions, the Company rebranded itself as "Mahindra Susten" which also matched with the increased government focus on renewable energy and a renewed momentum towards the adoption of clean sources of energy. The government focus to increase access to electricity and reduce dependence on imported fuel for the country's energy security is the key driver. Although the Solar PV installations during the year at 1,112 MW have been only 17% higher than that of FY14, there are several policy announcements that have been made and the coming quarters have a positive outlook.

Both the Central and State government agencies, in particular MNRE (Ministry of New & Renewable Energy) have taken proactive steps to create a concrete roadmap to meet the 100 GW Solar by the year 2022 target.

Although the sentiments are positive, the industry continued to face growing pressure on revenues and margins on account of intensifying competition. The renewed targets and the Make in India campaign have incentivized the entry of several local and international players across the value chain.

The Company's focus on innovation, operational excellence and customer satisfaction have ensured it continues to set new performance benchmarks for all its projects, establishing itself as one of the leading players in the solar EPC space.

The Company was awarded Utility Solar EPC Company of the Year for FY14 by Bridge to India. Apart from retaining its pole position in utility scale solar EPC, the Company also continues its focus on scaling up the non-solar businesses with an aim to become the most admirable green solutions company in India.

ANNEXURE I TO THE DIRECTORS' REPORT

A. POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT

DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra EPC Services Private Limited.

“**Employee**” means employee of the Company including employees in the Senior Management Team of the Company.

“**Key Managerial Personnel**” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Chief Executive Officer (CEO);
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management including the functional heads.

I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
 - All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
 - Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.
 - Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors.
- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the

Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the company, the GNRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

Senior Management personnel are appointed or promoted and removed/relieved with the authority of CEO based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

II. SUCCESSION PLANNING:

Board:

The successors for the Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

We have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Ready now
2. Ready in 1 to 2 years
3. Ready in 2 to 5 years
4. Ready in more than 5 year

in order to ensure talent readiness as per a ladder approach.

B. Remuneration Policy for Directors, Key Managerial Personnel and Employees.

Overall Intent of Compensation Policy

At Mahindra EPC Services Private Limited (MEPC) we want our employees to understand and appreciate their

role in providing value to the business. On its part, the organization recognizes that its success depends upon the skills, competencies and performance of its employees. We also believe that the way in which we compensate, reward and recognize as well as promote our employees is a crucial factor in achieving our business and financial objectives. Towards achievement of these objectives, we promote an entrepreneurial, team-based performance and result oriented culture.

Objectives of the Compensation Policy-

- To attract, motivate and retain employees by compensating them competitively, based on periodic comparison with other companies in relevant industries.
- To provide an overall package of remuneration and benefits which addresses the normal requirements of employees and their families.
- To align levels of compensation with the expected output of employees in terms of role responsibility, skills and experience.
- To link elements of compensation with performance of each individual as well as the business.

Compensation Strategy

- We will regularly track market trends in terms of compensation levels and practices in relevant industries through participation in structured surveys and informal consultation with a select group of comparable organizations. This information will be used to internally review our compensation policies and levels.
- Our package of remuneration and benefits will be designed to provide a degree of flexibility to individual officers to structure key benefits in a way that best suits individual personal and family requirements.

- Recognizing the need for long-term security, the compensation will include all statutory and other retirement benefits.
- Broad bands of compensation levels will be equitably defined for each grade to reflect levels of responsibility and provide a template when recruiting new employees.
- A pre-determined portion of remuneration will be linked directly to the annual performance of each individual and the business. This proportion will vary for each grade in keeping with the levels of responsibility.

Employees and Key Management Personnel

The company has a comprehensive HR policy manual which covers remuneration, employee benefits, special employee benefits, reimbursements, administrative policies etc.

Policy for Non-Executive Directors including Independent Directors:

The Nomination and Remuneration Committee shall decide the basis for determining the compensation, both fixed and variable, to the Non-Executive Directors including Independent Directors whether as commission or otherwise. The Committee shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Companies Act 2013 and such other factors as the committee may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the shareholders resolution.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MAHINDRA EPC SERVICES PRIVATE LIMITED

Report on the Financial Statements

1. We have audited the accompanying financial statements of **Mahindra EPC Services Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, and the related Statements of Profit and Loss and Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial

reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2015, and of its profit and its cash flows for the year ended on that date.

Emphasis of matter

9. We draw attention to Note No. 32 of the financial statements and for the reasons detailed therein trade receivables amounting to Rs. 42,203,283 and interest accrued thereon (net of tax) of Rs. 22,772,627 have been considered realisable by the management. We have relied on the management representation in this regard.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

10. As required by the Companies (Auditor's Report) Order, 2015, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
11. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
 - e. on the basis of written representations received from the directors as on March 31, 2015, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014

(as amended), in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has no pending litigations as on the date of financial statements.
- ii. The Company did not have any long-term contracts including derivate contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 10 of the our report of even date to the members of **Mahindra EPC Services Private Limited** on the financial statements as at and for the year ended March 31, 2015

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation, of fixed assets.
- (b) The Company has a phased programme for physical verification of its fixed assets designed to cover all the items over a period of two years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No physical verification was carried out by the management during the year. Accordingly, the discrepancies, if any, could not be ascertained and therefore, we are unable to comment on the impact thereof on the books of account.
- ii. (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable.
- (b) In our opinion, the procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) On the basis of our examination of the inventory records, in our opinion, the Company is maintaining proper records of inventory. The discrepancies noticed on physical verification of inventory as compared to book records were not material.
- iii. The Company has granted an unsecured loan, to its wholly owned subsidiary company covered in the register maintained under Section 189 of the Act.
 - (a) The said loan is repayable on demand with a maximum term of 6 months. Interest is payable on redemption. The Company has not demanded repayment for the same upto March 31, 2015.
 - (b) In view of our comments in (a) above, there are no overdue amounts in respect of the principal and interest on the loan.
- iv. In our opinion, and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business for the purchase of inventory and fixed assets. The internal control system with respect to sale of goods and services needs to be strengthened. Further, on the basis of our examination of the books and records of the Company, and according to the information and explanations given to us, we have neither come across, nor have been informed of, any continuing failure to correct major weaknesses in the aforesaid internal control system.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits under the provisions of Sections 73 to 76 of the Act and the rules framed there under.
- vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income tax, sales tax, wealth tax, service tax, duty of customs, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. According to the information and explanations given to us, there were no undisputed amounts in respect of the above were outstanding, as on March 31, 2015 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income-tax, sales-tax, wealth-tax, service-tax, duty of customs, and duty of excise or value added tax or cess which have not been deposited on account of any dispute.
- (c) There are no amounts required to be transferred by the Company to the Investor Education and Protection Fund in accordance with the provisions of the Companies Act, 1956 and the rules made thereunder.
- viii. As the Company is registered for a period less than five years, the provisions of para 3(viii) of the Order are not applicable to the Company.
- ix. The Company did not have any borrowings from any financial institution or bank nor has it issued any debentures during the year and hence the provisions of para 3(ix) of the order are not applicable to the Company.
- x. In our opinion, and according to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions during the year.
- xi. To the best of our knowledge and belief and according to the information and explanations given to us the Company has not raised any term loan during the year. Accordingly the provisions of the para 3(xi) are not applicable to the Company.
- xii. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud on or by the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

NOTES ON ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2015

1. Nature of Operations

Mahindra EPC Services Private Limited ('the Company'), a subsidiary of Mahindra Holdings Limited, is engaged in Engineering, Procurement and Construction of power plants in renewable energy and water management sector and related operations and maintenance activity.

2. Significant Accounting Policies

a) Basis of Preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with the historical cost convention and on accrual basis in accordance with generally acceptable accounting principles in India. These financial statements have been prepared to comply in all material aspects with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Companies Act 2013.

All Assets and Liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non-current classification of assets and liabilities.

b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in India (Indian GAAP) requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

c) Tangible and Intangible Assets

(i) Tangible Fixed Assets

Tangible fixed assets are carried at cost of acquisition less accumulated depreciation. Cost includes all incidental expenses related to acquisition and installation. Borrowing costs relating to acquisition of fixed asset, which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

When an asset is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit (including capital profit) or loss, if any, is reflected in the Statement of Profit and Loss. Depreciation on assets is calculated on Straight Line Method at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013.

(ii) Intangible Assets

Intangible assets are initially measured at cost and amortised on a straight line basis over their estimated useful lives not exceeding ten years.

Software are equally amortised over their estimated useful lives of three years from the year in which they are put to use.

(iii) Impairment

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Company makes a reasonable estimate of the value in use.

d) Inventories

Inventories are stated at lower of cost and net realisable value.

Cost of raw materials includes all costs of purchase, conversion and other direct attributable costs incurred for bringing the items to their present location and condition and is determined using the weighted average cost method.

The cost of contracts work in progress comprises costs directly attributable to the specific contracts and related overheads.

Land considered as stock-in-trade is valued at lower of cost or net realizable value. Cost comprises of all cost attributable to the acquisition of land.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

e) Foreign Exchange Transactions

Transactions in foreign currencies are initially recorded at the exchange rates prevailing on the date of transaction. Monetary items are translated at the year-end rates. The exchange difference between the rate prevailing on the date of transaction and on the date of settlement as also on translation of monetary items at the end of the year is recognized as income or expense, as the case may be.

The Company uses foreign currency forward contracts to hedge its risk associated with the foreign currency fluctuations relating to firm commitments. In respect of forward exchange contracts covered under AS 11, "The effect of changes in foreign exchange rates", any premium or discount rising at the inception of a forward exchange contract is recognized as income or expense over the life of the contract. Any profit or loss arising on cancellation or renewal of such forward exchange contract is recognised as income or expense for the year.

Pursuant to the announcement made by the Institute of Chartered Accountants of India (ICAI) regarding "Accounting for Derivatives", provision for losses in respect of forward exchange contracts classified as derivatives is made on mark to market valuation of such contracts. Gains on mark to market valuation, if any, on such derivatives are not recognised in financial statements.

f) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

(i) EPC Contracts

Revenue from fixed price EPC contracts is recognized on percentage of completion method measured on the basis of stage of completion determined on the basis of certifications done internally or by external consultants or customers as well as on the basis of billing schedule agreed.

(ii) Sales of goods

Revenue from sale of goods is recognized on transfer of all significant risks and rewards of ownership to the buyer. Sales are stated net of trade discount, duties and sales tax.

(iii) Service Income

Service income is recognised as per the terms of the contract when the related services are rendered. It is stated net of service tax.

(iv) Interest income

Interest income is recognized on time proportion basis.

(v) Dividend Income

Dividend income is recognized when the right to receive dividend is established.

g) Investments

Investments are classified under Non-current and Current categories.

'Non-current Investments' are carried at acquisition/amortized cost. A provision is made for diminution, other than temporary, on an individual basis.

'Current Investments' are carried at the lower of cost or fair value on an individual basis.

NOTES ON ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2015

h) Employee Benefits:

(i) Short term employee benefit

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include short term compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized as an expense during the period. Benefits such as salaries and wages, etc. and the expected cost of the bonus/ex-gratia are recognized in the period in which the employee renders the related service. Provision for short term compensated absences is made on arithmetic basis.

(ii) Post employment employee benefits

a) Defined Contribution schemes

The Company's contributions to the Provident Fund and Employee's State Insurance Fund are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due.

b) Defined benefits plans

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise.

i) Taxes on Income

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

j) Provisions and Contingent Liabilities

(i) The Company provides for warranty obligation on substantial completion of contracts based on technical evaluation.

(ii) Contingent liabilities are disclosed by way of note to the financial statements, after careful evaluation by the management of the facts and legal aspects of the matter involved.

k) Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statements include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

l) Earnings Per Share

Basic and diluted earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

INDEPENDENT AUDITORS' REPORT

To the Members of Mahindra Offgrid Services Private Limited

Report on the Financial Statements

1. We have audited the accompanying financial statements of **Mahindra Offgrid Services Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, the related Statements of Profit and Loss and Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2015, and of its loss and cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2015, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);

- e. on the basis of written representations received from the directors as on March 31, 2015 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act.
- f. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which

- there were any material foreseeable losses;
- iii. There were no amounts which required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2015.

ANNEXURE TO AUDITORS' REPORT

Referred to in paragraph 9 of our report of even date to the members of Mahindra Offgrid Services Private Limited on the financial statements as at and for the year ended March 31, 2015

1. The Company did not have any fixed assets during the year. Therefore, provisions of para 3(i) of the Order are not applicable.
2. The Company engaged in some trading activity during the year and as per the information and explanations given to us did not have any inventory during the year. Hence the provisions of para 3(ii) of the Order are not applicable to the Company.
3. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms and other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of para 3(iii) of the Order are not applicable.
4. In our opinion, and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business for the purchase of inventory and for the sale of goods. Further, on the basis of our examination of the books and records of the Company, and according to the information and explanations given to us, we have neither come across, nor have been informed of, any continuing failure to correct major weaknesses in the aforesaid internal control system.
5. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits under the provisions of Sections 73 to 76 of the Act and the rules framed there under.
6. The Central Government of India has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
7. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including income tax, sales tax, wealth tax, service tax, customs duty, excise duty and other material statutory dues, as applicable, with the appropriate authorities. The Company did not have any employees during the year and hence the provisions of Provident fund and Employee State Insurance are not applicable. According to the information and explanations given to us, there were no undisputed amounts in respect of the above were outstanding, as on March 31, 2015 for a period of more than six months from the date they became payable.
 - (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income-tax, sales-tax, wealth-tax, service-tax, customs duty, and excise duty which have not been deposited on account of any dispute.
 - (c) There were no amounts which were required to be deposited in the Investor Education and Protection Fund in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made thereunder.
8. As the Company is registered for a period less than five years, the provisions of para 3(viii) of the Order are not applicable to the Company.
9. The Company did not have any borrowings from any financial institution or bank nor has it issued any debentures during the year and hence the provisions of para 3(ix) of the order are not applicable to the Company.
10. In our opinion, and according to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions during the year.
11. To the best of our knowledge and belief and according to the information and explanations given to us the Company has not raised any term loan during the year. Accordingly the provisions of the para 3(xi) are not applicable to the Company.
12. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud on or by the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

NOTES ON ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2015

1. Company Information

Mahindra Offgrid Services Private Limited ('the Company') was incorporated in India on 26th July, 2010, having registered office at Mahindra Towers, Dr. G. M. Bhosale Marg, P. K., Kurne Chowk, Worli, Mumbai – 400 018 Maharashtra, INDIA to carry on business as a producer and distributor of electrical energy in the off grid sector using renewable energy technology and provide related services.

The holding company is Mahindra EPC Services Private Limited.

2. Significant Accounting Policies

a) Basis of Preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with the historical cost convention and on accrual basis in accordance with generally acceptable accounting principles in India. These financial statements have been prepared to comply in all material aspects with the Accounting Standards specified under Section 133 of the Companies Act, 2013("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Companies Act 2013.

All Assets and Liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non-current classification of assets and liabilities.

b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in India (Indian GAAP) requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

c) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- Sales of products and services are recognized when the products are dispatched or services rendered.
- Interest income is recognized on time proportion basis at the contracted rates.

d) Provisions and Contingent Liabilities

Contingent liabilities are disclosed by way of note to the financial statements, after careful evaluation by the management of the facts and legal aspects of the matter involved.

e) Taxes on Income

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

f) Investments

Investments are classified under Non-current and Current categories.

'Non-current Investments' are carried at acquisition /amortized cost. A provision is made for diminution, other than temporary, on an individual basis.

'Current Investments' are carried at the lower of cost or fair value on an individual basis.

g) Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statements include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

h) Earnings Per Share

Basic and diluted earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

INDEPENDENT AUDITORS' REPORT

To the Members of Brightsolar Renewable Services Private Limited

Report on the Financial Statements

1. We have audited the accompanying financial statements of **Brightsolar Renewable Services Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, and the Statements of Profit and Loss and Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment

of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2015, and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2015, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);

- e. on the basis of written representations received from the directors as on March 31, 2015 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31st March 2015.

ANNEXURE TO AUDITORS' REPORT

Referred to in paragraph 9 of our report of even date to the members of Brightsolar Renewable Energy Private Limited on the financial statements as of and for the year ended March 31, 2015.

1. The Company did not have any fixed assets during the year. Therefore, provisions of para 3(i) of the Order are not applicable.
2. The Company did not have any inventory during the year. Accordingly, the provisions of para 3(ii) are also not applicable at present to the Company.
3. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms and other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of para 3(iii) of the Order are not applicable.
4. The Company did not have any operations during the year and hence did not have any inventory or any sale of goods or services. In our opinion, and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business for the purchase of fixed assets. Further, on the basis of our examination of the books and records of the Company, and according to the information and explanations given to us, we have neither come across, nor have been informed of, any continuing failure to correct major weaknesses in the aforesaid internal control system.
5. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits under the provisions of Sections 73 to 76 of the Act and the rules framed there under.
6. The Central Government of India has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
7. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including income tax, sales tax, wealth tax, service tax, customs duty, excise duty and other material statutory dues, as applicable, with the appropriate authorities. The Company did not have any employees during the year and hence the provisions of Provident fund and Employee State Insurance are not applicable. According to the information and explanations given to us, there were no undisputed amounts in respect of the above were outstanding, as on March 31, 2015 for a period of more than six months from the date they became payable.
 - (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income-tax, sales-tax, wealth-tax, service-tax, customs duty, and excise duty which have not been deposited on account of any dispute.
 - (c) There were no amounts which were required to be deposited in the Investor Education and Protection Fund in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made thereunder.
8. As the Company is registered for a period less than five years, the provisions of para 3(viii) of the Order are not applicable to the Company.
9. The Company did not have any borrowings from any financial institution or bank nor has it issued any debentures during the year and hence the provisions of para 3(ix) of the Order are not applicable to the Company.
10. In our opinion, and according to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions during the year.
11. To the best of our knowledge and belief and according to the information and explanations given to us the Company has not raised any term loan during the year. Accordingly the provisions of the para 3(xi) are not applicable to the Company.
12. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud on or by the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

Notes on Accounts for the year ended 31st March, 2015

1. Company Information

Brightsolar Renewable Services Private Limited ('the Company') was incorporated in India on 3rd December, 2013, having registered office at Mahindra Towers, Dr. G. M. Bhosale Marg, P. K., Kurne Chowk, Worli, Mumbai – 400018 Maharashtra, INDIA to carry on business as a producer and distributor of solar power by using solar cells, photo voltaic cells, wafers, photo voltaic solar modules, photo voltaic solar system/sub system, tracked or fixed tilt, concentrated solar power and to provide related services. The holding company is Mahindra Offgrid Services Private Limited.

2. Significant Accounting Policies

(a) Basis of Preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with the historical cost convention and on accrual basis in accordance with generally acceptable accounting principles in India. These financial statements have been prepared to comply in all material aspects with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Companies Act 2013.

All Assets and Liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non-current classification of assets and liabilities.

(b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in India (Indian GAAP) requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

(c) Taxes on Income

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably

certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

(d) Investments

Investments are classified under Non-current and Current categories.

'Non-current Investments' are carried at acquisition /amortized cost. A provision is made for diminution, other than temporary, on an individual basis.

'Current Investments' are carried at the lower of cost or fair value on an individual basis.

(e) Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statements include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

(f) Earnings Per Share

Basic and diluted earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period

(g) Revenue Recognition:

Interest income

Interest income is recognized on time proportion basis.

Dividend Income

Dividend income is recognized when the right to receive dividend is established.

(h) Provisions and Contingent Liabilities :

Contingent liabilities are disclosed by way of note to the financial statements, after careful evaluation by the management of the facts and legal aspects of the matter involved.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF CLEANSOLAR RENEWABLE ENERGY PRIVATE LIMITED

Report on the Financial Statements

- We have audited the accompanying financial statements of **CLEANSOLAR RENEWABLE ENERGY PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, the related Statements of Profit and Loss and Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

- The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

- Our responsibility is to express an opinion on these financial statements based on our audit.
- We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
- We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
- An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
- We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

- In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2015, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
- As required by Section 143(3) of the Act, we report that:
 - we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
 - In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
 - on the basis of written representations received from the directors as on March 31, 2015 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act.
 - With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - The Company does not have any pending litigations which would impact its financial position;
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - There were no amounts which required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2015.

ANNEXURE TO AUDITORS' REPORT

Referred to in paragraph 9 of our report of even date to the members of Cleansolar Renewable Energy Private Limited on the financial statements as of and for the year ended March 31, 2015

1. The Company did not have any fixed assets during the year. Therefore, provisions of para 3(i) of the Order are not applicable.
2. The Company did not have any inventory during the year. Accordingly, para 3(ii) of the Order is not applicable.
3. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms and other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of para 3(iii) of the Order are not applicable.
4. In our opinion, and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business for the purchase of fixed assets. Further, on the basis of our examination of the books and records of the Company, and according to the information and explanations given to us, we have neither come across, nor have been informed of, any continuing failure to correct major weaknesses in the aforesaid internal control system.
5. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits under the provisions of Sections 73 to 76 of the Act and the rules framed there under.
6. The Central Government of India has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
7. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including income tax, sales tax, wealth tax, service tax, customs duty, excise duty and other material statutory dues, as applicable, with the appropriate authorities. The Company did not have any employees during the year and hence the provisions of Provident fund and Employee State Insurance are not applicable. According to the information and explanations given to us, there were no undisputed amounts in respect of the above were outstanding, as on March 31, 2015 for a period of more than six months from the date they became payable.
 - (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income-tax, sales-tax, wealth-tax, service-tax, customs duty, and excise duty which have not been deposited on account of any dispute.
 - (c) There were no amounts which were required to be deposited in the Investor Education and Protection Fund in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made thereunder.
8. As the Company is registered for a period less than five years, the provisions of para 3(viii) of the Order are not applicable to the Company.
9. The Company did not have any borrowings from any financial institution or bank nor has it issued any debentures during the year and hence the provisions of para 3(ix) of the Order are not applicable to the Company.
10. In our opinion, and according to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions during the year.
11. To the best of our knowledge and belief and according to the information and explanations given to us the Company has not raised any term loan during the year. Accordingly the provisions of the para 3(xi) are not applicable to the Company.
12. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud on or by the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

Notes on Accounts for the year ended 31st March, 2015

1. Company Information

Cleansolar Renewable Energy Private Limited ('the Company') was incorporated in India on 3rd December, 2013, having registered office at Mahindra Towers, Dr. G. M. Bhosale Marg, P. K. Kurne Chowk, Worli, Mumbai – 400 018 Maharashtra, INDIA to carry on business as a producer and distributor of solar power by using solar cells, photo voltaic cells, wafers, photo voltaic solar modules, photo voltaic solar system/sub system, tracked or fixed tilt, concentrated solar power and to provide related services. The holding company is Mahindra Offgrid Services Private Limited.

2. Significant Accounting Policies

a) Basis of Preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with the historical cost convention and on accrual basis in accordance with generally acceptable accounting principles in India. These financial statements have been prepared to comply in all material aspects with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Companies Act 2013.

All Assets and Liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current-non-current classification of assets and liabilities.

b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in India (Indian GAAP) requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

c) Taxes on Income

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can

be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

d) Investments

Investments are classified under Non-current and Current categories.

'Non-current Investments' are carried at acquisition/amortized cost. A provision is made for diminution, other than temporary, on an individual basis.

'Current Investments' are carried at the lower of cost or fair value on an individual basis.

e) Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statements include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

f) Earnings Per Share

Basic and diluted earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

g) Revenue Recognition:

Interest income

Interest income is recognized on time proportion basis.

Dividend Income

Dividend income is recognized when the right to receive dividend is established.

h) Provisions and Contingent Liabilities:

Contingent liabilities are disclosed by way of note to the financial statements, after careful evaluation by the management of the facts and legal aspects of the matter involved.

**COMMENTARY OF THE DIRECTORS FOR
THE YEAR ENDED 31 MARCH 2015**

The directors present the audited financial statements of Mahindra Overseas Investment Company (Mauritius) Ltd (the "Company") for the year ended 31 March 2015.

PRINCIPAL ACTIVITY

The principal activity of the Company is to hold investments.

RESULTS

The results for the year are shown in the statement of comprehensive income and related notes.

DIRECTORS

The present membership of the Board is set out in this Report.

**STATEMENT OF DIRECTORS' RESPONSIBILITIES IN
RESPECT OF THE FINANCIAL STATEMENTS**

Company law requires the directors to prepare financial statements for each financial year, which present fairly the financial position, financial performance and cash flows of the Company. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors have confirmed that they have complied with the above requirements in preparing the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements are prepared in accordance with International Financial Reporting Standards as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Category 1 Global Business

Licence and in compliance with the requirements of the Mauritius Companies Act 2001. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

CONSOLIDATION

Consolidated financial statements have not been presented since the Company took advantage of the requirements of Section 12 Part 1 of the Fourteenth Schedule of the Mauritius Companies Act 2001 as the Company is a wholly-owned subsidiary of Mahindra & Mahindra Ltd, a company incorporated in the Republic of India.

AUDITORS

The auditors, **Grant Thornton**, have indicated their willingness to continue in office until the next Annual Meeting.

CERTIFICATE FROM THE SECRETARY UNDER SECTION 166 (d) OF THE MAURITIUS COMPANIES ACT 2001

We certify, to the best of our knowledge and belief, that we have filed with the Registrar of Companies all such returns as are required of **Mahindra Overseas Investment Company (Mauritius) Ltd** under the Mauritius Companies Act 2001 during the financial year ended 31 March 2015.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBER OF MAHINDRA OVERSEAS INVESTMENT COMPANY (MAURITIUS) LTD

Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA OVERSEAS INVESTMENT COMPANY (MAURITIUS) LTD**, the "Company", which comprise the statement of financial position as at 31 March 2015, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Directors' Responsibilities for the Financial Statements

The directors are responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Category 1 Global Business Licence and in compliance with the requirements of the Mauritius Companies Act 2001, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the separate financial statements on pages herein give a true and fair view of the financial position of the Company as at 31 March 2015, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Category 1 Global Business Licence and the requirements of the Mauritius Companies Act 2001.

Emphasis of matter

Without qualifying our opinion, we draw attention on the recoverable amount of investments held in several unquoted companies as described in Notes 26 to the financial statements. These investments are stated at their carrying amounts of USD 52,548,087 as the fair values cannot be reliably measured. However, based on valuation models available, the directors have assessed the recoverable amounts of these investments and concluded that no sign of impairment has been identified and hence no provision is required at the reporting date.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of the Mauritius Companies Act 2001, we report as follows:

- we have no relationship with, or any interest in, the Company other than in our capacity as auditors;
- we have obtained all the information and explanations that we have required; and
- in our opinion, proper accounting records have been kept by the Company as far as appears from our examination of those records.

Other Matters

This report is made solely to the member of the Company as a body in accordance with Section 205 of the Mauritius Companies Act 2001. Our audit work has been undertaken so that we might state to the Company's member those matters we are required to state to it in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's member as a body, for our audit work, for this report, or for the opinion we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2015

1. GENERAL INFORMATION AND STATEMENT OF COMPLIANCE WITH INTERNATIONAL FINANCIAL REPORTING STANDARDS ("IFRS")

Mahindra Overseas Investment Company (Mauritius) Ltd, (the "Company"), was incorporated in the Republic of Mauritius under the Mauritius Companies Act 2001 on 7 December 2004 as a private Company with liability limited by shares and holds a Category 1 Global Business Licence issued by the Financial Services Commission. The Company's registered office is IFS Court, TwentyEight, Cybercity, Ebene, Republic of Mauritius. The principal purpose of the Company is to act as an investment holding company. The Company holds property, plant and equipment in the Republic of South Africa. In accordance with South African tax regulations, the Company has been registered as an external company.

The financial statements have been prepared in accordance with and comply with International Financial Reporting Standards ("IFRS") as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding Category 1 Global Business Licence.

Indian Rupee ("INR") amounts are included solely for convenience. These transactions should not be construed as representations that the USD amounts actually represent, or have been or could be converted into INR. As the amounts shown in INR are for convenience only, the rate of 1 USD = INR62.64 has been used for the purpose of presentation of the INR amounts in the accompanying financial statements for the two years ended 31 March 2014 and 31 March 2015.

2. APPLICATION OF NEW AND REVISED INTERNATIONAL FINANCIAL REPORTING STANDARDS

2.1 New and revised standards that are effective for the year beginning on 01 April 2014

In the current year, the following new and revised standards issued by the International Accounting Standards Board ("IASB") are mandatory for the first time for the financial year beginning on 01 April 2014:

IAS 32	Offsetting Financial Assets and Financial Liabilities (Amendments to IAS 32)
IFRSs 10, 11 and IAS 27	Investment Entities (Amendments to IFRS 10, IFRS 12 and IAS 27)
IFRIC 21	Leases
IAS 36	Recoverable Amount Disclosures for Non-Financial Assets (Amendments to IAS 36)
IAS 39	Novation of Derivatives and Continuation of Hedge Accounting (Amendments to IAS 39)

The directors have assessed the impact of these revised standards and amendments and concluded that none of these have an impact on the disclosure of these financial statements.

2.2 Standards, amendments and interpretations to existing standards that are not yet effective and have not been adopted early by the Company

At the date of authorisation of these financial statements, certain new Standards, Amendments and Interpretations to existing Standards have been published by the IASB but are not yet effective, and have not been adopted early by the Company.

Management anticipates that all of the relevant pronouncements will be adopted in the Company's accounting policies for the first year beginning after the effective date of the pronouncements. Information on new Standards, Amendments and Interpretations is provided below.

IAS 16 and IAS 38	Clarification of acceptable methods of depreciation and amortisation (Amendments to IAS 16 and IAS 38)
IFRS 16 and IAS 41	Agriculture: Bearer plants (Amendments to IAS 16 and IAS 41)
IAS 27	Equity Method in Separate Financial Statements (Amendments to IAS 27)
IFRS 10	Sale or Contribution of Assets between an Investor and its Associate or Joint Venture and IAS 28 (Amendments to IFRS 10 and IAS 28)
IFRS 11	Accounting for Acquisitions of Interests in Joint Operations (Amendments to IFRS 11)
IFRS 14	Regulatory Deferral Accounts
IFRS 15	Revenue from Contracts with Customers
IFRS 10, IFRS 12 and IFRS 12 and IAS 28	Investment Entities: Applying the Consolidation Exception (Amendments to IFRS 10, IAS 28 IFRS 12 and IAS 28)

IAS 1	Disclosure Initiative (Amendments to IAS 1 Presentation of Financial Statements)
IFRS 9	Financial Instruments (2014)
Various	Annual Improvements to IFRSs 2010-2012, 2011-2013 and 2012-2014 cycles

3. SUMMARY OF ACCOUNTING POLICIES

(a) Overall considerations

The significant accounting policies that have been used in the preparation of these financial statements are summarised below.

(b) Revenue

Dividend income is recognised when the Company's right to receive such dividend is established.

Interest income is recognised on the accrual basis unless collectability is in doubt.

(c) Expense

All expenses are accounted for in the statement of comprehensive income on the accrual basis.

(d) Taxation

Tax expense recognised in the statement of comprehensive income comprises the sum of deferred tax and current tax not recognised in other comprehensive income or directly in equity.

Current income tax assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting periods, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting date.

Deferred income taxes are calculated using the liability method on temporary differences between the carrying amounts of assets and liabilities and their tax bases.

(e) Property, plant and equipment

Building, furniture and fittings and IT equipment

Building, furniture and fittings and IT equipment are initially recognised at acquisition cost, including any costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by the Company's management. Building, furniture and fittings and IT equipment are subsequently measured using the cost model, cost less subsequent depreciation and impairment losses.

Depreciation is recognised on a straight-line basis to write down the cost less estimated residual values.

The following average useful lives are applied:

Buildings: 60 years

Furniture and fittings: 10 years

IT equipment: 3 years

Where the carrying amount of an asset is greater than its estimated amount, it is written down immediately to its recoverable amount.

The assets' residual values, useful lives and methods of depreciation are reviewed and adjusted, if appropriate, at each reporting date. Repairs and maintenance costs are expensed as incurred.

The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset. The gain or loss on disposal is credited or charged to the statement of comprehensive income.

(f) Consolidated financial statements

The financial statements are separate financial statements which contain information about Mahindra Overseas Investment Company (Mauritius) Ltd as an individual company and do not contain consolidated financial information as the parent of a group.

The Company holds a Category 1 Global Business Licence issued by the Financial Services Commission and has taken advantage of the exemption given in Section 12 of Part 1 of the Fourteenth Schedule of the Mauritius Companies Act 2001 from the requirement to prepare consolidated financial statements as it is a wholly-owned subsidiary of a quoted company incorporated in the Republic of India, Mahindra & Mahindra Ltd.

(g) Investment in subsidiaries

A subsidiary is an entity over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

Investment in subsidiary is initially shown at cost. Where an indication of impairment exists, the recoverable amount of the investment is assessed. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is charged to the statement of comprehensive income.

On disposal of an investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the statement of comprehensive income.

(h) Investment in associate and joint venture

An associate is an entity over which the Company has significant influence but not control, generally accompanying a shareholding of between 20% and 50% of the voting rights.

The existence of significant influence by an entity is usually evidenced in one or more of the following ways: (a) representation on the board of directors or equivalent governing body of the investee; (b) participation in policy-making processes, including participation in decisions about dividends or other distributions; (c) material transactions between the investor and the investee; (d) interchange of managerial personnel; or (e) provision of essential technical information.

A joint venture is an arrangement that the Company controls jointly with one or more other investors, and over which the Company has rights to a share of the arrangement's net assets rather than direct rights to underlying assets and obligations for underlying liabilities.

Investment in associate and joint venture are initially shown at cost in these separate financial statements in accordance with IAS 28, *Investments in Associates and Joint Ventures*. Where an indication of impairment exists, the recoverable amount of the investment is assessed. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is charged to the statement of comprehensive income.

On disposal of an investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the statement of comprehensive income.

(i) Financial instruments

Recognition, initial measurement and derecognition

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instruments and are measured initially at fair value adjusted by transactions costs, where appropriate. Subsequent measurement of financial assets and financial liabilities are described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

Classification and subsequent measurement of financial assets

For the purpose of subsequent measurement, the Company's financial assets are classified into the category of loans and receivables and available-for-sale financial assets upon initial recognition.

All financial assets are subject to review for impairment at least at each reporting date. Financial assets are impaired when there is any objective evidence that a financial asset or a group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets which are described below.

All income and expenses relating to financial assets are recognised in the statement of comprehensive income.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial recognition, these are measured at amortised cost using the effective interest method, less provision for impairment. Discounting is omitted where the effect of discounting is immaterial. The Company's loans and cash and cash equivalents fall into this category of financial instruments.

Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either designated to this category or do not qualify for inclusion in any of the other categories of financial assets.

The Company's available-for-sale financial assets comprise of minority shareholding investments in an unquoted company, preference shares/common stock in several unquoted companies and funds invested in film productions (as disclosed in Note 13 to these financial statements).

These financial assets are stated at cost less impairment charges as their fair values cannot be estimated reliably since they are neither traded in an active market nor reliable inputs are available to fair value these instruments using fair valuation models. Impairment charges are recognised in the statement of comprehensive income. On disposal of these investments, the difference between the net disposal proceeds and the carrying amount is charged or credited to the statement of comprehensive income.

Classification and subsequent measurement financial liabilities

The Company's financial liabilities consist of borrowings, payables and accruals.

Financial liabilities are measured subsequently at amortised cost using the effective interest method.

All interest-related charges are reported in the statement of comprehensive income.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

(j) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank. Cash equivalents are short term, highly liquid investments maturing within 90 days from the date of acquisition that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

(k) Equity

Stated capital is determined using the value of shares that have been issued.

Accumulated losses include all current and prior years' results as disclosed in the statement of comprehensive income.

(l) Related parties

A related party is a person or company where that person or company has control or joint control of the reporting company; has significant influence over the reporting company; or is a member of the key management personnel of the reporting company or of a parent of the reporting company.

(m) Foreign currency translation

(i) Functional and presentation currency

The financial statements are presented in United States Dollars ("USD"), which is the Company's functional and presentation currency. The Company has also presented the financial statements in Indian Rupee ("INR") for the convenience of users of financial statements.

(ii) *Foreign currency transactions and balances*

Foreign currency transactions are translated into the functional currency of the Company using the exchange rates prevailing at the dates of the transactions (spot exchange rate). Foreign exchange gains and losses resulting from the settlement of such transactions and from the remeasurement of monetary items denominated in foreign currency at year-end exchange rates are recognised in the statement of comprehensive income.

Non-monetary items are not retranslated at year-end and are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

(n) **Provisions**

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be estimated reliably.

Provisions are measured at the estimated expenditure required to settle the present obligation based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. The increase in the provision due to passage of time is recognised as interest expense in the statement of comprehensive income.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole.

(o) **Impairment of assets**

At each reporting date, the Company reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered any impairment loss. When an indication of impairment loss exists, the carrying amount of the asset is assessed and written down to its recoverable amount.

(p) **Borrowings**

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently carried at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in profit or loss over the year of the borrowings using the effective interest method.

Fees paid on loan facilities are recognised as transaction costs.

(q) **Derivative financial instruments**

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting date. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedge relationship.

The Company has not designated the derivative contracts (interest rate swaps) as a hedging instrument.

(r) **Comparatives**

Where necessary, comparatives figures have been adjusted to conform with changes in presentation in the current year.

4. SIGNIFICANT MANAGEMENT JUDGEMENT IN APPLYING ACCOUNTING POLICIES AND ESTIMATION UNCERTAINTY

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

Significant management judgement

The following is the significant management judgement in applying the

accounting policies of the Company that has the most significant effect on the financial statements.

Determination of functional currency

The determination of the functional currency of the Company is critical since recording of transactions and exchange differences arising therefrom are dependent on the functional currency selected. The directors have considered those factors and have determined that the functional currency of the Company is the USD.

Investment in associate

The directors have assessed the level of influence that the Company has on CIE Automotive S.A. and determined that it has significant influence even though the shareholding is below 20% due to the representation on the board of directors and participation in policy-making processes. Consequently, this investment has been classified as an associate.

Investment in joint venture

The Company holds 51% of the shares in its joint arrangement. The Company has joint control over this arrangement as under the contractual agreements, unanimous consent is required from all parties to the arrangements for all relevant activities.

The Company's joint arrangement is structured as a limited company (Mahindra Yueda (Yancheng) Tractor Co., Ltd) and the parties to the agreements with rights to the net assets of the limited company under the arrangements. Therefore, the arrangement is classified as joint venture.

Estimation uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities income and expenses is provided below. Actual results may be substantially different.

Fair value of derivative financial instruments

The fair value of the derivative financial instruments is determined based on valuation performed by an independent valuer. The assumptions used to value the derivative financial instruments are given in Note 18. In applying the valuation techniques the independent valuer makes maximum use of market inputs, and uses estimates and assumptions that are, as far as possible, consistent with observable data that market participants would use in pricing the instrument.

Impairment of investment in associate, joint venture, subsidiaries, and available-for-sale financial assets

In assessing impairment, management estimates the recoverable amount of each asset based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate. The directors have assessed the recoverable amount of the investments and confirmed that the carrying amounts have not suffered any impairment in value at the reporting date.

Useful lives and residual values of property, plant and equipment

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical obsolescence that may change the utility of certain software and IT equipment.

5. FINANCIAL INSTRUMENT RISK

Risk management objectives and policies

The Company is exposed to various risks in relation to its financial instruments. The main types of risks are market risk (currency risk and interest rate risk), credit risk and liquidity risk.

The Company's financial assets and financial liabilities by category are summarised below.

The Company's risks are managed by its Board of Directors and the focus is on securing the Company's short to medium term cash flows by minimising the exposure to financial risks. The Company's investments are managed to generate lasting returns.

The Company does not actively engage in the trading of financial assets and derivatives for speculative purposes. The most significant financial risks to which the Company is exposed to are described below.

(a) Market risk analysis

The Company is exposed to various risks in relation to its financial instruments. The main types of risks are market risk (foreign currency risk and interest rate risk), credit risk and liquidity risk.

(i) Foreign currency sensitivity

Foreign currency risk, as defined in IFRS 7: Financial Instruments: Disclosures, arises as the value of future transactions, recognised monetary assets and monetary liabilities denominated in other currencies fluctuate due to changes in foreign exchange rates.

The currency profile of the Company's financial assets and financial liabilities is as follows:

	Financial assets 2015 USD	Financial liabilities 2015 USD	Financial assets 2014 USD	Financial liabilities 2014 USD
United States Dollar (USD)	5,431,212	146,882,539	1,610,593	145,581,760
Euro (EUR)	796	-	209,175	-
Chinese Yuan Renminbi (CNY)	-	-	-	7,348,690
Great Britain Pound (GBP)	15,893,176	-	19,721,768	-
United Arab Emirates dirhams (AED)	-	-	147,465	-
South African Rand (ZAR)	9,375	-	6,865	-
	<u>21,334,559</u>	<u>146,882,539</u>	<u>21,695,866</u>	<u>152,930,450</u>
	Financial assets 2015 INR (Note 1)	Financial liabilities 2015 INR (Note 1)	Financial assets 2014 INR (Note 1)	Financial liabilities 2014 INR (Note 1)
United States Dollar (USD)	340,211,120	9,200,722,243	100,887,546	9,119,241,446
Euro (EUR)	49,861	-	13,102,722	-
Chinese Yuan Renminbi (CNY)	-	-	-	460,321,942

	Financial assets 2015 INR (Note 1)	Financial liabilities 2015 INR (Note 1)	Financial assets 2014 INR (Note 1)	Financial liabilities 2014 INR (Note 1)
Great Britain Pound (GBP)	995,548,545	-	1,235,371,548	-
United Arab Emirates dirhams (AED)	-	-	9,237,208	-
South African Rand (ZAR)	587,250	-	430,024	-
	<u>1,336,396,776</u>	<u>9,200,722,243</u>	<u>1,359,029,048</u>	<u>9,579,563,388</u>

The Company's transactions are carried out in the United States Dollar (USD), Euro (EUR), Chinese Yuan Renminbi (CNY), Great Britain Pound (GBP), United Arab Emirates Dirhams (AED) and South African Rand (ZAR). Consequently, the Company is exposed to foreign currency risk on its financial assets denominated in EUR, CNY, GBP and ZAR except for the available-for-sale financial assets which are measured at cost and therefore not retranslated at the reporting date.

The Company is not exposed to foreign currency risk on its financial liabilities since these are denominated in the USD.

The table below illustrates the sensitivity of profit and equity in regards to the Company's financial instruments and the USD/EUR, USD/CNY, USD/AED, USD/GBP, and USD/ZAR exchange rates "all other things being equal".

It assumes the following percentage changes in the exchange rates for the year ended 31 March 2015:

	2015 % change	2014 % change
EUR	21.86%	7.29%
CNY	0.068%	0.0032%
AED	0.011%	0.0037%
GBP	11.33%	9.41%
ZAR	15.29%	14.66%

These percentages have been determined based on the average market volatility in exchange rates in the previous 12 months. The sensitivity analysis is based on the Company's foreign currency financial instruments held at each reporting date.

If the foreign currencies had strengthened by the above percentages, then this would have the following impact on loss and equity:

	Loss 2015		Loss 2014	
	USD	INR (Note 1)	USD	INR (Note 1)
EUR	(174)	(10,899)	(15,249)	(955,197)
CNY	-	-	-	-
AED	-	-	(5)	(313)
GBP	(1,800,697)	(112,795,660)	(1,855,818)	(116,248,440)
ZAR	(1,433)	(89,763)	(1,007)	(63,078)
	Equity 2015		Equity 2014	
	USD	INR (Note 1)	USD	INR (Note 1)
EUR	174	10,899	15,249	955,197
CNY	-	-	-	-
AED	-	-	5	313
GBP	1,800,697	112,795,660	1,885,818	118,127,640
ZAR	1,433	89,763	1,007	63,078

If the foreign currencies had weakened by the above percentages, then this would have the same reverse impact on loss and equity.

(ii) Interest rate sensitivity

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company is not exposed to changes in market interest rates as its interest bearing financial assets and financial liabilities have fixed interest rates.

The bank borrowings which are at variable interest rates indexed to the LIBOR were converted into fixed interest bearing financial liabilities since the Company entered into fixed interest rate swap arrangements. Details of the interest rate swap arrangements are disclosed in Note 18.

(b) Credit risk analysis

Credit risk is the risk that a counterparty fails to discharge on obligation to the Company.

The Company's exposure to credit risk is limited to the carrying amount of financial assets recognised at the reporting date, as summarised below:

	2015	2015	2014	2014
	USD	INR (Note 1)	USD	INR (Note 1)
ASSETS				
Non-current				
Available-for-sale financial assets	18,894,141	1,183,528,992	18,889,866	1,183,261,206
Current				
Loans	-	-	1,188,542	74,450,271
Cash and cash equivalents	2,440,418	152,867,783	1,617,458	101,317,569
	2,440,418	152,867,783	2,806,000	175,767,840
Total assets	21,334,559	1,336,396,776	21,695,866	1,359,029,046

As detailed in Note 13 to these financial statements, the Company holds investments in several unquoted companies and these investments are stated at cost since the fair values cannot be reliably measured. The directors have assessed the recoverable amount of these investments and confirmed that the carrying amount has not impaired at the reporting date.

The Company has given loans to related parties and these were fully repaid during the year.

The credit risk for the bank balances is considered negligible, since the counterparties are reputable banks with high quality external credit ratings.

The disposal of the investments is subject to some restrictions as described in Note 13 (v) to these financial statements.

(c) Liquidity risk analysis

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities. Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding from the shareholder.

The Company's main cash inflows are in the form of dividend, interest on loans, proceeds from issue of shares and disposal of investments. The main cash outflows relate to repayment of loans and interest and capital investments.

The Company's liquidity risk is managed by securing credit facilities from financial institutions and the holding company and also through shares issue.

The Company also manages its liquidity needs by carefully monitoring cash inflows and cash outflows due in day-to-day business as well as scheduled debt servicing payments for long-term financial liabilities. The Company also seek financial support of its parent company where necessary.

At 31 March 2015, the Company has contractual maturities which are summarised below:

	Current		Non-current	
	Within 1 year	Within 1 year	Over 1 year	Over 1 Year
	USD	INR (Note 1)	USD	INR (Note 1)
Derivative financial instruments	-	-	557,762	34,938,212
Borrowings	3,289,692	206,066,307	142,300,800	8,913,722,112
Payables and accruals	734,285	45,995,612	-	-
Total	4,023,977	252,061,919	142,858,562	8,948,660,324

This compares to the maturity of the Company's financial liabilities in the previous reporting year as follows:

	Current		Non-current	
	Within 1 year	Within 1 year	Over 1 Year	Over 1 Year
	USD	INR (Note 1)	USD	INR (Note 1)
Borrowings	2,203,625	138,035,070	143,331,800	8,978,303,952
Payables and accruals	7,395,025	463,224,366	-	-
Total	9,958,650	601,259,436	143,331,800	8,978,303,952

(d) Concentration risk

The Company has invested in unlisted companies whose securities are considered to be illiquid. Such illiquidity may adversely affect the ability of the Company to acquire or dispose of such investments. These investments may be difficult to value and to sell or otherwise liquidate and the risk of investing in such companies is much greater than the risk of investing in publicly traded securities. On account of the inherent uncertainty of valuation, the estimated values may differ significantly from the values that would be used had a ready market for the investments existed. However the directors consider these investments to be strategic and the concentration risk in manageable.

6. FAIR VALUE MEASUREMENT

6.1 Fair value measurement of financial instruments

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3: unobservable inputs for the asset or liability.

The following table shows the Levels within which the hierarchy of financial liabilities measured at fair value on a recurring basis at 31 March 2015:

	Level 1	Level 2	Level 3	Level 4
	USD	USD	USD	USD
Liabilities				
Interest rate swaps	-	557,762	-	557,762

The fair value of financial instruments that are not traded in an active market (interest rate swap derivative) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

The fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves.

The Company's financial assets and liabilities are measured at their carrying amounts, which approximate their fair values.

6.2 Fair value measurement of non-financial assets and non-financial liabilities

The Company's non-financial assets consist of property, plant and equipment, investment in associate, investments in subsidiaries, investment in joint venture and prepayments, for which fair value measurement is not applicable since these are not measured at fair value on a recurring or non-recurring basis in the statement of financial position. At the reporting date, the Company did not have any non-financial liabilities.

7. CAPITAL MANAGEMENT POLICIES ND PROCEDURES

The Company's objectives when managing capital are to safeguard its ability to continue as a going concern in order to provide returns to its member.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to its member, buy back shares or issue new shares.

The Company monitors capital on the basis of the gearing ratio. This ratio is calculated as net debt divided by total capital.

The details of the gearing ratio are disclosed as follows:

	2015	2015	2014	2014
	USD	INR (Note 1)	USD	INR (Note 1)
Total borrowings ⁽ⁱ⁾	145,590,492	9,119,788,419	145,535,425	9,116,339,022
Less: cash and cash equivalents	(2,440,418)	(152,867,784)	(1,617,458)	(101,317,569)
Net debt	143,150,074	8,966,920,635	143,917,967	9,015,021,453
Total equity ⁽ⁱⁱ⁾	69,019,499	4,323,381,417	57,048,600	3,573,524,304
Total capital	212,169,573	13,290,302,052	200,966,567	12,588,545,757
Gearing ratio (%)	68%	68%	72%	72%

(i) Borrowings include all short-term and long-term borrowings as detailed in Note 19.

(ii) Equity includes capital and reserves.

(iii) The Company has a gearing ratio of 68% (2014: 72%) at the reporting date and the directors consider that this level of gearing is reasonable taking into account the Company's business activities.

8. TAXATION

(i) Income tax

Under current laws and regulations, the Company is liable to pay income tax on its net income at a rate of 15%. The Company is, however, entitled to a tax credit equivalent to the higher of actual foreign tax suffered or 80% of the tax payable in the Republic of Mauritius in respect of its foreign source income, thus reducing its maximum effective tax rate to 3%. Capital gains from sales of units and securities are exempt from income tax in the Republic of Mauritius.

The Company has received tax residence certificates from the Mauritian authorities that it is a tax resident of Mauritius, which is renewable on an annual basis subject to meeting certain conditions and under which the Company is eligible to obtain benefits under the double tax treaties between the Republic of Mauritius and the Republic of India, the Republic of Mauritius and the People's Republic of China, the Republic of Mauritius and the Republic of Singapore and the Republic of Mauritius and the Republic of South Africa.

At 31 March 2015, the Company had no income tax liability due to tax losses of USD 2,496,310 (INR156,368,858) which will be carried forward and available for set off against future taxable profits as follows:

	USD	INR (Note 1)
Up to the year ending 31 March 2017	424,485	26,589,740
Up to the year ending 31 March 2018	521,774	32,683,923
Up to the year ending 31 March 2019	749,736	46,963,463
Up to the year ending 31 March 2020	800,315	50,131,731

(ii) Deferred tax

Deferred tax is calculated on all temporary differences under the liability method at the rate of 3%. At 31 March 2015 the Company utilised part of prior year losses to be netted off against this year's chargeable income and the balance of tax losses have been carried forward to be netted off against any future taxable profits.

(iii) Income tax reconciliation

The income tax on the Company's loss before tax differs from the theoretical amount that would arise using the effective tax rate of the Company as follows:

	2015	2015	2014	2014
	USD	INR (Note 1)	USD	INR (Note 1)
Loss before tax	(1,688,605)	105,774,217	(15,483,936)	(969,913,751)

Prepayments	<u>3,037</u>	<u>190,238</u>	<u>2,438</u>	<u>152,716</u>

During the year ended 31 March 2013, the Company transferred its investment held in Mahindra (China) Tractor Co., Ltd to Mahindra Yueda (Yancheng) Tractor Co., Ltd ("MYYTCL") and for which payment was not received at that reporting period.

However, during the year ended 31 March 2014, MYYTCL decided not to go ahead with the deal as MCTCL's performance was not in line with the agreed norms, continued to underperform and incurred losses. Thus, the directors have assessed the recoverability of the loans of USD 7,724,991 and concluded that this amount has been fully impaired.

16. CASH AND CASH EQUIVALENTS

(ii) In accordance with the Company's Constitution, the main rights and obligations attached to the ordinary shares are as follows:

- confer to its holder the rights to attend and exercise one vote at meetings of members generally and class meetings of the ordinary shares;
- have a right to receive any dividend or distribution; and
- be entitled, on a winding up, to share in the assets of the Company available for distribution.

18. DERIVATIVE FINANCIAL INSTRUMENTS

	2015	2015	2014	2014
	USD	INR (Note 1)	USD	INR (Note 1)
Interest rate swaps	<u>557,762</u>	<u>34,938,212</u>	<u>-</u>	<u>-</u>

The Company had entered into interest rate swap agreements to manage interest rate risk exposure.

The interest rate swap effectively modified the Company's exposure to interest rate risk by converting the Company's floating rate debt to a fixed rate basis for the entire term of the debt, thus reducing the impact of interest rate changes on future interest expense. This agreement involves the receipt of floating rate amounts in exchange for fixed rate interest payments over the life of the agreement without an exchange of the underlying principal amount.

The full fair value of the hedging derivative is classified as non-current liability since the maturity of the hedged item is more than one year.

The notional principal amounts of the outstanding interest rate swaps at 31 March 2015 were USD 130,000,000.

At 31 March 2015, the fixed interest rates and fair values based on the interest rate swaps are as follows:

Details	Notional amount	Fixed interest rate	Start date	Maturity date	Fair value
	USD				USD
Barclays Bank Plc, London	65,000,000	0.78%	02 October 2013	03 October 2016	(233,980)
Standard Chartered Bank Mauritius Limited	65,000,000	0.86%			(323,782)
	<u>130,000,000</u>				<u>(557,762)</u>

During the year under review, an amount of USD 423,594 (Note 21.2 to the financial statements) was recognised in the income statement representing loss relating to interest rate swaps of the borrowings from variable interest rates (LIBOR) to the fixed interest rate. An amount of USD 173,724 (Note 19(ii)) remains payable at 31 March 2015 and was included in USD 695,607 under current borrowings (Note 19 (ii)).

(iv) The shareholder's loans are unsecured, repayable after more than one year and with interest ranging from 8.25% to 8.50% per annum.

(v) Summary of borrowings arrangements are as follows:

Loan from Standard Chartered Bank (Mauritius) Limite

The bank loan of USD 65 million from Standard Chartered Bank (Mauritius) Limited ("SCB") is unsecured, repayable within three years and with interest at 3 months LIBOR + 1.45% margin per annum. Interest is payable on a quarterly basis.

Loan from Barclays Bank Plc, London

The bank loan of USD 65 million from Barclays Bank Plc, London ("Barclays") is unsecured, repayable within three years and with interest at 3 months LIBOR + 1.40% margin per annum. Interest is payable on a quarterly basis.

The above loans are secured against a Corporate Guarantee from Mahindra & Mahindra Ltd (the "Guarantor"). In that respect, an annual commission of USD 700,000 is payable to the Guarantor until the loans are fully repaid.

20. PAYABLES AND ACCRUALS

	734,285	45,995,612	7,395,025	463,224,366

(i) On 25 November 2013, the Board approved to provide a standby letter of credit ("SBLC") not exceeding RMB 50,000,000 in favour of Bank of America, Shanghai ("BOA") on behalf of Jiangxi Mahindra Yueda Tractor

Co., Ltd ("JMYTCL"), an indirect subsidiary organised under the laws of China, for a loan of RMB 45,000,000 received by the latter from BOA. The SBLC agreement was signed on 10 December 2013.

Subsequently, BOA signified its intention to invoke the SBLC and requested the Company as ultimate shareholder and corporate guarantor, to effect the loan repayment along with the accrued interest since JMYTCL was in financial difficulties and was not in a position to repay the loan by the required due date. Consequently an amount of USD 7,348,690 (equivalent to RMB 45,300,000, including interest capitalised thereon) was accrued by the Company during the year ended 31 March 2014. During the year, this amount was settled and USD 107,777, representing excess payment, was reimbursed to the Company.

COMMENTARY OF THE DIRECTORS

FOR THE YEAR ENDED 31 MARCH 2015

The directors are pleased to present the audited financial statements of **Mahindra - BT Investment Company (Mauritius) Limited** (the "Company"), for the year ended 31 March 2015.

PRINCIPAL ACTIVITY

The principal activity of the Company is to hold investments.

RESULTS

The results for the year are shown in the statement of comprehensive income and related notes.

The directors did not recommend the payment of a dividend for the year under review.

DIRECTORS

The present membership of the Board is set out in this report. Messrs Paul Michael Ringham and Rupert Henry Orchard have resigned as director and permanent alternate director respectively on 31 October 2014 and Mr Rupert Henry Orchard was appointed as director on the same date.

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

Company law requires the directors to prepare financial statements for each financial year, which present fairly the financial position, financial performance and cash flows of the Company. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether International Financial Reporting Standards ("IFRS") have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors have confirmed that they have complied with the above requirements in preparing the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Mauritius Companies Act 2001. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS

The auditors, **Grant Thornton**, have indicated their willingness to continue in office until the next Annual Meeting.

CERTIFICATE FROM THE SECRETARY UNDER SECTION 166 (d) OF THE MAURITIUS COMPANIES ACT 2001

We certify, to the best of our knowledge and belief, that we have filed with the Registrar of Companies all such returns as are required of **Mahindra - BT Investment Company (Mauritius) Limited** under the Mauritius Companies Act 2001 during the financial year ended 31 March 2015.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF MAHINDRA - BT INVESTMENT COMPANY (MAURITIUS) LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **Mahindra - BT Investment Company (Mauritius) Limited**, the "Company", which comprise the statement of financial position as at 31 March 2015, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Directors' Responsibilities for the Financial Statements

The directors are responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and in compliance with the requirements of the Mauritius Companies Act 2001, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements on pages herein give a true and fair view of the financial position of the Company as at 31 March 2015 and of its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards and the requirements of the Mauritius Companies Act 2001.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of the Mauritius Companies Act 2001, we report as follows:

- we have no relationship with, or any interests in, the Company other than in our capacity as auditors;
- we have obtained all the information and explanations we have required; and
- in our opinion, proper accounting records have been kept by the Company as far as appears from our examination of those records.

Other Matters

This report is made solely to the members of the Company as a body in accordance with Section 205 of the Mauritius Companies Act 2001. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditors' report and for no other purpose. NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2015

1. GENERAL INFORMATION AND STATEMENT OF COMPLIANCE WITH INTERNATIONAL FINANCIAL REPORTING STANDARDS ("IFRS")

Mahindra – BT Investment Company (Mauritius) Limited, the "Company", was incorporated in the Republic of Mauritius under the Mauritius Companies Act 2001 on 09 May 2005 as a private company with liability limited by shares and holds a Category 1 Global Business Licence issued by the Financial Services Commission. The Company's registered office is IFS Court, Twenty Eight, Cybercity, Ebene, Republic of Mauritius.

The principal activity of the Company is to hold investments.

The financial statements of the Company have been prepared in accordance with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB").

Indian Rupee ("INR") amounts are included solely for convenience. These transactions should not be construed as representations that the USD amounts actually represent, or have been or could be converted into INR. As the amounts shown in INR are for convenience only, the rate of 1 USD = INR62.64 has been used for the purpose of presentation of the INR amounts in the accompanying financial statements for the two years ended 31 March 2014 and 31 March 2015 respectively.

2. APPLICATION OF NEW AND REVISED IFRS

2.1 New and revised standards that are effective for the annual year beginning on 01 April 2014

The following new and revised standards issued by the International Accounting Standards Board ("IASB") are mandatory for the first time for the financial year beginning on 01 April 2014:

IAS 32	Offsetting Financial Assets and Financial Liabilities (Amendments to IAS 32)
IFRS 10, 12 and IAS 27	Investment Entities (Amendments to IFRS 10, IFRS 12 and IAS 27)
IFRIC 21	Levies
IAS 36	Recoverable Amount Disclosures for Non-Financial Assets (Amendments to IAS 36)
IAS 39	Novation of Derivatives and Continuation of Hedge Accounting (Amendments to IAS 39)

The directors have assessed the impact of these revised standards and amendments and concluded that none of these have an impact on the disclosure in the financial statements.

2.2 Standards, Amendments and Interpretations to existing Standards that are not yet effective and have not been adopted early by the Company

At the date of authorisation of these financial statements, certain new Standards, Amendments and Interpretations to existing Standards have been published by the IASB but are not yet effective, and have not been adopted early by the Company.

Management anticipates that all of the relevant pronouncements will be adopted in the Company's accounting policies for the first period beginning after the effective date of the pronouncements. Information on new Standards, Amendments and Interpretations is provided below:

IFRS 9	Financial Instruments (2014)
IFRS 15	Revenue from Contracts with Customers
IAS 1	Disclosure Initiative (Amendments to IAS 1 Presentation of Financial Statements)
IFRS 10 and IAS 28	Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments to IFRS 10 and IAS 28)
IFRS 10, IFRS 12 and IAS 28	Investment Entities: Applying the Consolidation Exception (Amendments to IFRS 10, IFRS 12 and IAS 28)

IAS 19	Defined Benefit Plans: Employee Contributions (Amendments to IAS 19)
IFRS 14	Regulatory Deferral Accounts
IFRS 11	Accounting for acquisitions of interests in Joint Operations (Amendments to IFRS 11)
IAS 16 and IAS 38	Clarification of Acceptable Methods of Depreciation and Amortisation (Amendments to IAS 16 and IAS 38)
IAS 27	Equity Method in Separate Financial Statements (Amendments to IAS 27)
IAS 16 and IAS 41	Agriculture: Bearer Plants (Amendments to IAS 16 and IAS 41)
Various	Annual Improvements to IFRSs 2010-2012, 2011-2013 and 2012-2014 cycles

3. SUMMARY OF ACCOUNTING POLICIES

3.1 Overall considerations

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below.

3.2 Revenue

Dividend income is recognised when the Company's right to receive such dividend is established.

Interest income is recognised on the accrual basis using the effective interest method, unless collectability is in doubt.

3.3 Expenses

All expenses are accounted for in the statement of comprehensive income on the accrual basis.

3.4 Taxation

Tax expense recognised in the statement of comprehensive income comprises the sum of deferred tax and current tax not recognised in other comprehensive income or directly in equity.

Current income tax assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting years, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements.

Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting date.

Deferred income taxes are calculated using the liability method on temporary differences between the carrying amounts of assets and liabilities and their tax bases.

3.5 Financial instruments

Recognition, initial measurement and derecognition

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted by transactions costs. Subsequent measurement of financial assets and financial liabilities is described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial assets expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

Classification and subsequent measurement of financial assets

For the purpose of subsequent measurement, financial assets are classified into available-for-sale financial assets and loans and receivables.

All financial assets are reviewed for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets.

All income and expenses relating to financial assets are recognised in the statement of comprehensive income.

Available-for-sale financial assets

An available-for-sale financial asset is a non-derivative financial asset that is either designated to this category or does not qualify for inclusion in any of the other categories of financial assets.

The Company's main financial asset comprises an investment in a listed company which is classified as an available-for-sale financial asset. This category determines subsequent measurement and whether any resulting income and expense is recognised in the statement of comprehensive income.

The investment is measured at fair value and the resulting temporary unrealised gains/(losses) (including unrealised foreign exchange gains/(losses) on retranslation at the closing rate, if any) are reported as a separate component of equity in "Fair Value Reserves", until the underlying investment is sold or permanently written off, when the total realised gains/(losses) are included in the statement of comprehensive income.

The valuation of investments may not necessarily represent the amounts that may eventually be realised from sales or other dispositions.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial recognition, these are measured at amortised cost using the effective interest method, less provision for impairment. Discounting is omitted where the effect of discounting is immaterial. The Company's cash and cash equivalents fall into this category of financial instruments.

Classification and subsequent measurement of financial liabilities

The Company's financial liabilities consist of accruals.

Financial liabilities are measured subsequently at amortised cost using the effective interest method.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

3.6 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank. Cash equivalents are short term, highly liquid investments maturing within 90 days from the date of acquisition that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

3.7 Equity and reserves

Stated capital is determined using the value of shares that have been issued.

Retained earnings include all current and prior years' results as disclosed in the statement of comprehensive income.

Fair value reserves relate to the unrealised gains/losses arising out from the re-measurement of an available-for-sale financial asset to its fair value.

3.8 Related parties

A related party is a person or company where that person or company has control or joint control of the reporting company; has significant influence over the reporting company; or is a member of the key management personnel of the reporting company or of a parent of the reporting company.

3.9 Foreign currency translation

Functional and presentation currency

The financial statements are presented in United States Dollar ("USD"), which is also the functional currency of the Company.

Foreign currency transactions and balances

Foreign currency transactions are translated into the functional currency of the Company using the exchange rates prevailing at the dates of the transactions (spot exchange rate). Foreign exchange gains and losses resulting from the settlement of such transactions and from the re-measurement of monetary items denominated in foreign currency at year-end exchange rates are recognised in the statement of comprehensive income.

Non-monetary items are not retranslated at year-end and are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

3.10 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be estimated reliably. Timing or amount of the outflow may still be uncertain.

Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. The increase in the provision due to passage of time is recognised as interest expense in the statement of comprehensive income.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole.

3.11 Comparatives

Where necessary, comparative figures have been adjusted to conform to changes in the current year.

4. SIGNIFICANT MANAGEMENT JUDGEMENT IN APPLYING ACCOUNTING POLICIES AND ESTIMATION CERTAINTY

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

Significant management judgement

Significant management judgement in applying the accounting policies of the Company that has the most significant effect on the financial statements is set below.

Determination of functional currency

The determination of the functional currency of the Company is critical since recording of transactions and exchange differences arising therefrom are dependent on the functional currency selected. The directors have considered those factors and have determined that the functional currency of the Company is the USD.

Estimation uncertainty

There are no estimates that would affect the recognition and measurement of assets, liabilities, income and expenses.

5. FINANCIAL INSTRUMENT RISK

Risk management objectives and policies

The Company is exposed to various risks in relation to financial instruments. The main types of risks are market risk, credit risk and liquidity risk.

The Company's financial assets and financial liabilities by category are summarised below.

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate measures and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and in the Company's activities.

The Company does not actively engage in the trading of financial assets and derivatives for speculative purposes nor does it write options. The most significant financial risks to which the Company is exposed to are described below.

5.1 Market risk analysis

The Company is exposed to market risk through its use of financial instruments and specifically to currency risk, interest rate risk and other price risk, which result from both its operating and investing activities.

(i) Foreign currency sensitivity

Foreign currency risk, as defined in IFRS 7: *Financial Instruments: Disclosures*, arises as the value of future transactions, recognised monetary assets and monetary liabilities denominated in other currencies fluctuate due to changes in foreign exchange rates.

The Company is exposed to foreign exchange risk on account of its available-for-sale financial asset denominated in the Indian Rupee (INR).

The currency profile of its financial assets and financial liabilities is as follows:

	Financial assets 2015	Financial liabilities 2015	Financial assets 2014	Financial liabilities 2014
	USD	USD	USD	USD
Long term exposure				
Indian Rupee (INR)	2,443,756	-	1,814,057	-
Short term exposure				
United States Dollar (USD)	22,408,995	8,593	22,307,978	8,077
Total exposure	24,852,751	8,593	24,122,035	8,077
	Financial assets 2015	Financial liabilities 2015	Financial assets 2014	Financial liabilities 2014
	INR	INR	INR	INR
	(Note 1)	(Note 1)	(Note 1)	(Note 1)
Long term exposure				
Indian Rupee (INR)	153,076,876	-	113,632,531	-
Short term exposure				
United States Dollar (USD)	1,403,699,447	538,266	1,397,371,742	505,943
Total exposure	1,556,776,323	538,266	1,511,004,273	505,943

The following analysis illustrates the sensitivity of profit and equity in regard to the Company's financial assets and financial liabilities and the USD/INR exchange rate, "all other things being equal".

It assumes a 4% change of the USD/INR exchange rate for the year ended 31 March 2015 (31 March 2014: 9%). This percentage has been determined based on the average market volatility in exchange rates in the previous 12 months. The sensitivity analysis is based on the Company's foreign currency financial instruments held at each reporting date.

If the USD had strengthened against the INR by 4%, other comprehensive income and equity would have decreased by **USD 97,750** (2014: USD163,265). If the USD had weakened against the INR by 4%, then other comprehensive income and equity would have increased by **USD 97,750** (2013: USD163,265). There would be no impact on profit or loss for the year as the investments denominated in INR are listed securities classified as available-for-sale financial asset.

(ii) Interest rate sensitivity

The Company's exposure to interest rate risk is limited to its bank balance and the interest thereon is based on market interest rates. At 31 March 2015, the bank balance stood at USD22,391,133 (2014: USD22,292,023) and bank interest income earned during the year was USD108,588 (2014: USD60,591). A change in the market interest rate would only impact marginally on the Company's operating cash flows.

(iii) Other price sensitivity

The Company is exposed to other price risk in respect of its available-for-sale financial asset, which is listed on the Bombay Stock Exchange and the National Stock Exchange of India. The average volatility observed in the share prices during the year ended 31 March 2015 is shown in the table below:

Name of investee company	% increase in weighted share price 2015	% increase in share price 2014
	Tech Mahindra Limited	38%

The increase in the weighted share price has been determined after a share split (two for one share) and subsequent bonus issue (one for one share).

If the quoted stock prices for these securities increased or decreased by the above percentages, other comprehensive income and equity would have changed as shown below at 31 March 2015:

	Other comprehensive income and equity			
	2015 USD	2015 INR (Note 1)	2014 USD	2014 INR (Note 1)
Increase	928,627	58,169,195	1,251,699	78,406,425
Decrease	(928,627)	(58,169,195)	(1,251,699)	(78,406,425)

The listed securities are classified as an available-for-sale financial asset and therefore no effect on profit or loss has occurred.

5.2 Credit risk analysis

Credit risk is the risk that a counterparty fails to discharge an obligation to the Company.

The Company's exposure to credit risk is limited to the carrying amount of financial assets recognised at the reporting date, as summarised below:

	2015 USD	2015 INR (Note 1)	2014 USD	2014 INR (Note 1)
ASSETS				
Non-current				
Available-for-sale financial asset	2,443,756	153,076,876	1,814,057	113,632,531
Current				
Cash and cash equivalents	22,408,995	1,403,699,447	22,307,978	1,397,371,742
Total assets	24,852,751	1,556,776,323	24,122,035	1,511,004,273

The Company holds an investment in Tech Mahindra Limited, a quoted company incorporated in the Republic of India and whose fair value exceeds its cost (Note 9 to these financial statements).

The credit risk for the bank balance is considered negligible, since the counterparty is a reputable bank with high quality external credit ratings. None of the Company's financial assets are secured by collateral or other credit enhancements.

5.3 Liquidity risk analysis

Liquidity risk is the risk that the Company might be unable to meet its obligations.

The Company manages its liquidity risk by carefully monitoring all its cash inflows and outflows. Cash inflows during the year mainly relate to dividend income and cash outflows mainly relate to operating expenses.

At 31 March 2015, the Company's financial liabilities have contractual maturities which are summarised below:

	Within 1 year	More than 1 year	Within 1 year	More than 1 year
	USD	USD	INR (Note 1)	INR (Note 1)
Accruals	8,593	-	538,266	-

This compares with the maturity of the Company's financial liabilities in the previous reporting year as follows:

	Within 1 Year	More than 1 year	Within 1 year	More than 1 year
	USD	USD	INR (Note 1)	INR (Note 1)
Accruals	8,077	-	505,943	-

6. FAIR VALUE MEASUREMENT

6.1 Fair value measurement of financial instruments

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

- **Level 1:** quoted prices (unadjusted) in active markets for identical assets or liabilities;
- **Level 2:** inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- **Level 3:** unobservable inputs for the asset or liability.

The following table shows the Levels within the hierarchy of financial assets measured at fair value on a recurring basis at 31 March 2014 and 31 March 2015:

31 March 2015	Note	Level 1	Level 2	Level 3	Total
		USD	USD	USD	USD

There has been no transfer between Level 1 and Level 2 in 2015 and 2014.

Measurement of fair value

The methods used for the purpose of measuring fair value are unchanged compared with the previous reporting year.

(i) Listed investment

The listed equity investment is denominated in INR and is publicly traded on the Bombay Stock Exchange and the National Stock Exchange of India. Fair values have been determined by reference to its quoted closing share price at the reporting date.

The Company's other financial assets and financial liabilities are measured at their carrying amounts, which approximate to their fair values.

6.2 Fair value measurement of non-financial assets and non-financial liabilities

The Company's non-financial assets consist of prepayments only, for which fair value measurement is not applicable since it is not measured at fair value on a recurring or non-recurring basis in the statement of financial position. At the reporting date, the Company did not have any non-financial liabilities.

7. CAPITAL MANAGEMENT POLICIES AND PROCEDURES

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns to its shareholder.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to its members, buy back shares or issue new shares.

The Company monitors capital on the basis of the gearing ratio. This ratio is calculated as net debt divided by total capital. For the years ended 31 March 2014 and 31 March 2015 respectively, the Company was not geared.

8. TAXATION

(i) Income tax

Under current laws and regulations, the Company is liable to pay income tax on its net income at a rate of 15%. The Company is, however, entitled to a tax credit equivalent to the higher of actual foreign tax suffered or 80% of Mauritius tax payable in respect of its foreign source income, thus reducing its maximum effective tax rate to 3%. Capital gains from sales of units and securities are exempt from income tax in the Republic of Mauritius.

The Company has received a tax residence certificate from the Mauritian authorities, confirming that the Company is a tax resident of the Republic of Mauritius, which is renewable on an annual basis, subject to meeting certain conditions and under which the Company is eligible to obtain benefits under the Double Taxation Avoidance Agreement between the Republic of Mauritius and the Republic of India.

At 31 March 2015, the Company has accumulated tax losses of USD 155,359 which will be carried forward and available for set off against future taxable profits as follows:

	USD	INR (Note 1)
Up to the year ending 31 March 2016	24,258	1,519,521
Up to the year ending 31 March 2017	71,778	4,496,174
Up to the year ending 31 March 2018	50,821	3,183,427
Up to the year ending 31 March 2019	8,502	532,565
	155,359	9,731,687

(ii) **Deferred taxation**

Deferred income taxes are calculated on all temporary differences under the liability method at the rate of 3%. At 31 March 2015, the Company had no temporary differences and hence no deferred taxation is to be recognised in the financial statements.

(iii) **Income tax reconciliation**

The income tax on the Company's profit/(loss) before tax differs from the theoretical amount that would arise using the effective tax rate of the Company as follows:

14. CONTINGENT ASSETS AND LIABILITIES

Contingent assets

On 22 March 2010, the Company disposed of part of its shareholding in Tech Mahindra Limited, a listed company incorporated in India, to AT&T International, Inc. ("AT&T"). Following the withholding tax order received from the Indian Tax Authorities, AT&T withheld an amount of INR 190,061,898 as 'withholding tax' under Section 195 of the Indian Income Tax Act and paid the same into the treasury of the Government of India. In the opinion of the

Company, there is no tax liability on this transaction as the Company is a resident of Mauritius and capital gains realised in India on this disposal are therefore exempt from tax in India under the Republic of Mauritius-Republic of India Double Taxation Avoidance Agreement. Accordingly, in line with the decision of its Board of Directors, the Company filed an application before the Authority for Advance Rulings in India on the taxability of capital gains in India under the said Double Taxation Avoidance Agreement. Recovery of the withholding tax suffered is contingent upon the Authority of Advance Rulings pronouncing a ruling in favour of the Company.

Contingent liabilities

At 31 March 2015, the Company had no material litigation claims outstanding, pending or threatened against it, which could have a material adverse effect on its financial position or results.

15. EVENTS AFTER REPORTING DATE

There have been no events after the reporting date, which require disclosure or adjustment to the 31 March 2015 financial statements.

16. HOLDING COMPANIES

The directors regard Mahindra Overseas Investment Company (Mauritius) Ltd, a company incorporated in the Republic of Mauritius, as the Company's immediate holding company and Mahindra and Mahindra Limited, a listed company incorporated in India, as the Company's ultimate holding company.

Performance conditions and developments

As you know, your Company performs its activities in the distribution of motor vehicles and spare parts, as official importer of Mahindra vehicles in the main European markets, including Italy and the main countries of Western and Eastern Europe.

In the business year ended on 31/03/2015 Mahindra Europe mainly imported and sold SUV XUV500 and light duty vehicles related to Goa m-Hawk Pick-up.

Mahindra Europe also sells a wide range of special purpose vehicles ranging from fire fighting vehicles and dumpers to ambulances.

Your Company imports and sells original Mahindra spare parts and equipment.

Pursuant to Section 2428 of the Italian Civil code, we report that the Company performs its activities in its registered office in Ariccia (Rome, Italy).

Mahindra Europe S.r.l. is legally subject to the coordination and the control of Mahindra & Mahindra Ltd (based in Mumbai – India).

Report on operations**General economic performance**

In 2014 the Italian economy was characterized by an increase in the debt-GDP ratio, which reached an historical record of 132.1% as against an average of 91.9% in the Eurozone. That value is mainly due to the payment of debts by the Public Administrations. The deficit/GDP ratio was 3% as against an average of 2.4% in the Eurozone, while the variation of GDP in terms of volume was -0.4% compared to last year as against an European average of +0.8%. Positive results were registered from the first quarter of 2015. The European Commission's forecasts for 2015 are: GDP of 0.6% in 2015 and of 1.4% in 2016; deficit/GDP ratio of 2.6% dropping to 2.0% in 2016 and a debt-GDP ratio of 133.3% in 2015 dropping to 130.8% in 2016. Those forecasts are mainly driven by external factors such as the quantitative easing by the ECB, the fall in oil prices, the

increase in exports, the sharp depreciation of the Euro and partially by internal factors such as structural reforms.

As for the developments on the labour market in Italy, the unemployment rate rose by 0.5 percentage points compared to the end of 2013 to 12.7% in December 2014 and 13% in March 2015. Youth unemployment rate of 43.1% in March 2015 causes serious concerns. The only positive sign comes from the reduction in the use of redundancy funds by enterprises.

In March 2015, the average annual inflation rate decreased to 0.1%, after a drop by one percentage point at the end of 2014, as against an Eurozone average rate of 0.2%. This slowdown in inflation depends on a decrease in consumptions which should remain low for the first half of 2015, mainly due to the poor economic recovery and a weak labour market as well as the presence of wide margins of unexploited earning capacity. Therefore, the European Central Bank is likely to maintain its official interest rate at 0.05% to support economic recovery in the second half of 2015 or to avoid the risk of deflation.

The economic forecast is particularly influenced by the possible evolution of international demand, Euro exchange rate, the solution to the Greek debt crisis and to the Russian crisis and the supply of credit, all subject to the ECB easing measures. In Italy, the poor supply of consumer credit could continue to negatively influence consumers' confidence, their purchasing power and spending capacity. This could significantly affect the Company's business perspectives. The measures introduced by the national budget aimed at reducing the tax wedge will have a positive impact.

In general, the Company operates in a sector which is historically subject to repeated cycles and this tends to affect the general economic trend, in some cases also widening its scope.

In order to achieve positive results, the Company had to adjust its fixed costs to minimum sales volumes thorough down sizing operations. The Company also improved its capacity to generate positive cash flows by increasing the net working capital turn. In this context, the increase in sales volumes resulted in an increase in revenues and in a reduced use of self-liquidating credit lines.

Demand and reference market trends

The company sold 539 vehicles during the year with an increase of 23% over prior year (438 vehicles) thanks in particular to the expansion of the Italian and Spanish markets

and the higher sales of SUV XUV500 which accounted for 68% of the total sales (equalling the levels reached at its launch on the market) as compared to 55% for prior year, thanks to the W6 version. 490 vehicles were registered, thus registering a +40% over prior year.

The vehicles registered in the European market are more than 12 millions, with a 5.5% increase over the previous year (source: ACEA). However, the results of the 5 Major Markets are characterized by a strong recovery and the results at the end of 2014 were: Spain +18.1%, United Kingdom +9.3%, Italy (+4.2%), Germany (+2.9%), France (+0.3%).

Only 1,359,616 new cars were registered on the Italian car market in 2014 (+4.2%). The market showed an increase from the first time since the beginning of the crisis in the car sector in 2008. In six years the sales volumes in Italy were reduced by a half, while in 2014 the variations were positive throughout the year.

In particular, increased tax burden and higher operating costs caused a change in consumers' mobility habits. Italians had to use less their cars (with a consequent drop in mileages and consumptions) and nevertheless incurred in higher expenses for fuel, insurance, car tax, etc. We also recorded a change in the tastes of Italian consumers who now prefer low weight and low consumption vehicles (in 2014 petrol vehicles fell under 30% of the market share) and the registrations of diesel engine vehicles recovered from the decline recorded in previous years exceeding 55% of the market share, also thanks to the excellent performance of the rental sector. Electrical, natural gas and hybrid vehicles continue to rise in number thanks to the new products and the registrations with public incentives on low overall emissions.

The demand from private clients remains stagnating (+2.2%) falling under 63% of the total, while the rental sector had the lion's share on the market in 2014, recording more than 30,000 new registrations compared with 2013 (+13.2%) and reaching 19.4% of the total market share. The volumes linked to VAT registered consumers showed a slight increase after the continuous falls in the previous years, but they did not go over 18% of the total market share.

The share of the business cars in Italy is lower than in the other 4 major European markets, as a result of different tax policies applied in those countries.

Crossover vehicles dominated the market in 2014 and reached almost 14% of the total market share. If we add this result to the traditional off-road vehicles, we can state that little less than 1/4 of the consumers were attracted by vehicles in this segment. We record a slight fall in the sales of sedan, representing slightly more than 56% of the consumers' choices.

2014 recorded a further reduction in average CO2 emissions (g/km), which were 117.8 as against 121.1 in 2013, thanks also to the attention paid by consumers to the weight of cars, following what EU regulations require.

The first quarter of 2015 marked a +8.6% at European level, a +13.5 on the Italian market and a +32.2% on the Spanish market. Such recoveries were confirmed in March 2015 with +10.6 (EU), + 15.1 (IT) and + 40.5 (SP).

In 2014 the market of light commercial vehicles in Europe (EU28) showed an increase by 11.3% over 2013, +16.4% in Italy and +33.2% in Spain.

In March the LCV market recorded a month of growth with +20.7%. In the first quarter 2015 total growth was +13.3%. On the major markets we recorded +15.6% in Italy, +94.6% in Spain and -28.1 in Greece.

The Mahindra Europe share in Italy in the Pick-up market was 2.12% in 2013, decreasing over 2.50% compared with 2012 and 2.8% in 2014, thus increasing by 0.68% as against 2013.

XUV500 represented 0.02% of the market share in 2013, 0.1% in 2014 and 0.02% in the first quarter of 2015.

Competitors' performance

The automobile industry is highly competitive, especially in the sector of the distribution of cars, light commercial vehicles and spare parts. The Company competes in Europe with other groups having international relevance in the distribution of cars, light commercial vehicles and in the supply of the relevant components. All these markets are highly competitive in terms of product quality, innovation, price, fuel efficiency, reliability and safety, customer service and financial services offered.

In the last years competition has significantly increased – especially in terms of price – in the sector where the Company operates. Furthermore, partly because of the recent decrease in the demand for vehicles, the global productive capacity of the automobile industry is largely greater than the current demand. This productive overcapacity, combined with high competition and weak market conditions of the major world economies, could increase pressure on the price of vehicles.

In the automobile business, trends in demand are cyclical and change according to the general conditions of economy, propensity to consume of final customers, the availability of financing and the possible presence of public incentives. Furthermore, this sector is also subject to a continuing renewal of the offer by means of frequent launches of new models in the market. A negative trend of the demand for vehicles, or in case of a Mahindra Group's slow reaction to effectively follow market evolutions, could negatively affect the Company's business perspectives, its economic results and its financial situation.

The Mahindra brand continues to perform its activities in the European countries where it is present. In the LCV it intensively promoted GOA pick-up vehicles, especially with public bodies, and in the first quarter of 2015 it launched the distribution of its new line Genio. As for Mahindra XUV 500, in 2014 the distribution of its economic version W6 was launched; it was promoted with a very competitive launch price and in the versions suited for trucks N1, which attracted the business sector. Such initiatives resulted into positive sales results.

The Company expects a significant increase in the quantity and scope of technical rules and regulations on emissions and road safety, such as Euro 6 regulations in force since September 1 2015, which could require considerable financial and managerial resources, in particular in the design and

development phases. The higher costs incurred to ensure the products' compliance represent a problem for all car makers and will affect the final cost of cars. On the other hand, the deadlines established by the regulations cause the implementation of significant run-out measures leading to a decrease in the sale price of vehicles.

Social, political and labour scenario

All the company's employees are hired under collective bargaining agreements and/or safeguarded by the labour law rules in force which may limit the Company's possibility to reorganize quickly its activities and reduce costs to react to the changing market conditions.

In July 2014 the Company suspended the worksharing agreement and agreed an extraordinary redundancy fund with Trade unions' representatives for 15 employees from September to December 2014. In September 2014 the Company signed a redundancy scheme for 4 employees, granting them an incentive to leave. In March 2015 the Company reached an agreement with Trade Unions' representatives and the Regione Lazio for an extraordinary redundancy fund involving 14 employees from March to August 2015.

The Company has good relations with Trade Unions and this enables more flexibility and adjustment to the actual needs.

Business trends in our reference sectors

The business year closed was positive, because the Company maintained and increased its market share, both in the sector of commercial vehicles and in the SUV sector, and by improving its net current assets it also improved its net financial situation.

The table below shows the value of production, gross operating margin and result before taxes for the last three financial years.

	31/03/2015	31/03/2014	31/03/2013
Value of production	9,641,553	7,638,147	8,725,150
Gross operating margin	(361,112)	(1,428,124)	(1,069,366)
Result before taxes	34,528	(920,895)	(635,335)

INR	31/03/2015	31/03/2014	31/03/2013
Value of production	6523.47	5167.97	5903.43
Gross operating margin	(244.32)	(966.26)	(723.53)
Result before taxes	23.61	(623.07)	429.86

The negative GOM is basically due to the sales incentives granted in the year to face the general drop in prices on the reference market, and to the delay in the launch of the GENIO and QUANTO models.

Another important factor to take into account is that other financial income is not included in the GOM calculation, as it consists mainly in the parent company's refunds for guarantees on the European market and in costs related to the lack of quality of the products. They represent income from the operating management which could lead to a positive GOM. More details are provided in the paragraph describing relations with parent companies.

The company is not in a difficult financial situation and an agreement made with a major bank for a further line of credit of approx a million Euro will avoid any financial concern for next year. Mahindra & Mahindra Ltd has confirmed the strategic importance of the Company by granting its financial support. For these reasons the financial statements were drafted in a going concern basis for the next financial year.

The reclassified balance sheet shows the sound situation of the company, i.e. its ability to keep its financial balance in the medium/long term, thanks to the shareholders' policy of reinvesting the profits in the Company in previous accounting periods and to the correct mix of funding resources compared to medium and long-term expenditures. The secondary margin of about 1.1 million Euro is more than enough to cover the permanent stock or technical stock, which is necessary to support the Company's operating cycle.

For a better description of the Company's position, the table below shows a few balance sheet indicators pertaining to (i) forms of funding medium to long-term expenditures, and (ii) composition of funding sources, compared with the corresponding indicators for the previous financial years.

------------------------	--------	----------	--------

The positive net financial position is due to the ordinary funding of the net working capital, in particular trade receivables reflect the positive trends in payments as discussed in this report and the capacity to repay the oldest trade receivables.

For a more detailed description of the financial position, the table below shows a few indicators and their comparison with the corresponding indicators for the previous financial years.

	31/03/2015	31/03/2014	31/03/2013
Cash ratio	0.75	0.83	0.84
Acid test ratio	1.25	1.25	1.16
Debt ratio	3.24	3.57	5.76
Fixed assets coverage ratio	3.69	3.85	3.32

The cash ratio is 0.75. The financial situation of the Company is good and adequate to meet the current monthly needs of the company; it did not vary much from the previous year.

The acid test ratio is 1.25. The value of the working capital is satisfactory compared to the amount of current debt.

The situation has not changed from the previous year.

The debt ratio is 3.24. The amount of payables is not a source of concern, since 76% of the payables are with the parent

company. The amount of payables to banks is not significant compared to existing own resources, however it is necessary to finance the average time required to collect trade receivables. The Company has significantly reduced its payables with banks as compared to previous years.

The fixed assets coverage ratio 3.69 shows that the amount of own resources and of long-term debt is appropriate if compared to the amount of fixed assets, taking into account the company's technical stock and the financial risk related to the industrial plant held on lease. A decrease over last year was recorded.

Environment and staff

In the light of social corporate responsibility, as referred to also in the document on directors' reports issued by the National Board of Tax Consultants and Accounting Experts, information about the environment and the personnel are provided below.

Personnel

There has been no fatality on the job involving any of our employees on payroll during the year, nor any serious accident on the job causing major or extremely serious injuries to any of our employees.

No job-related disease or mobbing case was reported by our employees or former employees during the year, for which the company was declared ultimately liable.

During the year our Company has made significant investments in personnel security through training courses addressed to all company employees, focused in particular on first aid and the purchase of the PPE required under the laws in force; the Company has met all the obligations required under Legislative Decree no. 81/2008 as amended and supplemented. Our Risk Assessment Report was updated on 05/02/2013.

Environment

No damage to the environment were caused during the accounting period, for which the company was declared ultimately liable. Our company has not been charged with fines or final punishments for offences or damage against the environment during the year.

The Company respects the environment by improving its recycle and reuse policies, especially with paper and packaging boxes, as well as its Energy saving policies. The Company is a member of a Conai (Consorzio nazionale imballaggi - National Packaging Consortium), Ecotyre (Consorzio per lo smaltimento dei pneumatici fuori uso - Consortium for the disposal of used tyres), and Coou (Consorzio obbligatorio degli oli usati - Compulsory Consortium for exhausted oils).

The EC Regulation no. 443/2009 of the European Parliament and Council of 23 April 2009 establishes the performance levels required to reach the target of decreasing CO₂ emissions of vehicles in the period 2012-2020. The Community Target for 2012 is 120 gr/km of CO₂. However, it should be underlined that emissions are not assessed for each individual car but as an average of all the new vehicles registered by an individual car maker for that year.

On 20/12/2011, Mahindra obtained from the European Community a derogation of CO₂ emissions for motor vehicles (M1) under the EU Directive 443/2009 for five years starting from January 1, 2012.

To-date the two vehicles (M1) marketed by Mahindra Europe in Europe are XUV500 FWD and XUV500 AWD whose average CO₂ emissions are 172 gr/Km and 184 gr/Km respectively, as compared to the target emissions stated in gr/Km:

Years	2012	2013	2014	2015	2016
Mahindra	205	183	173	162	144

In the years 2012, 2013 and 2014, Mahindra average CO₂ emissions in Europe were as follows (in gr/km):

Years	2012	2013	2014	2015	2016
Mahindra	179	181	-	-	-

However, in April 2014 the regulation no. 333/2014 modified article 2 of the regulation no. 443/2009, exempting automobile manufacturers with less than 1,000 registrations in the whole territory of Europe from the obligation to comply with emission targets.

Investments

Investments were made during the year in the following sectors:

Fixed assets	Acquisitions for the year
Plants and machinery	6,400
Software	8,430
Approvals	6,400
Business vehicles	60,783

Fixed assets	Acquisitions for the year (In Lacs)

The company is planning to make investments during the year for the ordinary management of its car fleet.

Research & Development activities

The following information is provided pursuant to Section 2428 § 2.1 of the Italian Civil Code:

The company is not engaged in any important Research & Development activity. Such activities are carried out by the parent company Mahindra & Mahindra Ltd. During this year the parent company has launched on the market the W6 version of XUV500 and the GENIO model for the European countries.

Intercompany relationships

The company has had the following intercompany relationships:

Company	Trade receivables	Trade payables	Sales	Purchases

Total	148.12	2344.52	327.79	3927.58

These relationships do not include non-typical and/or unusual transactions and are on an arm's length basis, in particular those with the parent company Mahindra & Mahindra Ltd are solely of a trading nature.

Trade receivables are refunds on guarantees recognised and approved by the parent company but not yet settled, while trade payables are invoices for the purchase of vehicles and spares not yet settled.

Purchases relate entirely to vehicles and spare parts, while sales relate to refunds recognised by Mahindra & Mahindra Ltd for guarantees approved or product compliance costs.

The sales to Mahindra Racing Srl concern the refund of insurance costs for the loan for use of Mahindra company cars for the racing team.

Treasury stock/Shares in parent companies

The company does not own directly or indirectly any treasury stock or shares in parent companies.

Risk statement pursuant to Section 2428 § 2.6-bis of the Italian Civil Code

Pursuant to Section 2428, § 2.6-bis of the Italian Civil Code, information about the use of financial resources are reported below, to the extent affecting the evaluation of the company's equity and financial position.

Some quantitative information are supplied below in order to give indications as to the size of the company's exposure to risks.

Exchange risk

Consistently with its risk management policies, the Company tries to face exchange fluctuations and interest rate risks by means of hedging financial instruments. In spite of these hedging measures, sudden currency fluctuations or unexpected interest rate variations could negatively affect the company's economic performances or net financial position.

Credit risk

The company has a good credit standing, the amount of trade payables considered of doubtful collection, about Euro 120,000 – INR 98,076, is more than covered by the provision for bad debts.

Our current maximum exposure, without considering collaterals or other elements improving credit quality, amounts to Euro 170,000 – INR 138,941, i.e. about 6% of trade receivables, and arise from longer average collection times due mostly to the liquidity crisis that is being faced by the companies in the automotive industry.

However, the company holds Euro 2.1 million Euro – INR 1,716,330 in bank guarantees to cover its trade receivables.

Liquidity risk

The future performance of the company will depend, among other things, on its ability to cover the requirements arising from payables falling due and investments planned with the cash flow from operations, the cash presently available, the extension or re-financing of bank loans and perhaps the resort to other funding resources.

Even though the company has adopted measures to support its working capital and liquidity, it might be forced to make use of further borrowing, even in unfavourable market conditions, that would result in a general decrease in available resources of funding at higher costs.

The difficulties, if any, in finding such additional loans might adversely affect the prospects and business of the company as well as its financial position and performance.

As regards the policies and options by which the company plans to cope with liquidity risks, please note that:

- The company holds financial assets that are on a cash market and that can be promptly converted into cash;
- There are enough credit lines to cover cash requirements;
- The company holds deposits with credit institutions to meet its liquidity needs;
- There are several sources of funding;
- There are no significant concentrations of liquidity risk on both the financial assets side and on the sources of funding side.

As the company faces the liquidity risk on the basis of the expected due dates, we confirm that the forthcoming scheduled due dates for the next few months are largely

covered by the cash available and the cash flow that we expect to be generated in the same term. The company also has appropriate credit lines which, as of the reference date of the financial statements, are being used on average by 30%.

Market risk

The balance sheet, income statement and financial positions of the company are affected by the various factors of the macro-economic scenario – including the increase or decrease of the GNP, the degree of consumer and enterprise trust, the trends of consumer credit interest rates, the cost of raw materials, the unemployment rate – in each of the countries where the company does business. In a generally weak economic scenario, the demand in the reference areas and markets of the company has significantly reduced compared to pre-crisis levels; the company had to handle with its own resources the drop in sales volumes and the lack of State-funded incentive schemes.

In the event that, despite the measures taken by Governments or monetary authorities or as a consequence of amendments introduced to reduce their scope of application or to remove them, the general weakness of the economy and its consequent impact on the demand for automotive products persists in the future, the activities, strategies and prospects of the Company might be adversely affected and this might in turn reflect in a worsening of the financial position and performance of the Company.

On the other hand, even if there is no recession or deterioration of the credit market, any macro-economic event - such as an increase in energy prices, fluctuations in commodities and other raw material prices, adverse fluctuations in key factors like interest and exchange rates, new government policies (including environment regulations) – capable of adversely affecting the business area where the company operates, might compromise the prospects and activities of the company as well as its financial position and performance.

Even in the present market scenario, the company expects to maintain an adequate ability to generate financial resources out of ordinary operations. The initiatives taken for a procurement compatible with the present sales volumes and stock, and the slow but inevitable recovery of European markets, are expected to reflect positively on the ability to generate cash flows from operations.

The company's policy is to maintain the available liquidity invested in bank accounts, splitting its investments among an adequate number of parties, mainly banks, with the main purpose of having promptly cashable deposits. Banks are selected on the basis of the credit market, reliability and quality of services.

Environmental risks and ruling compliance risks

The business of the company are subject to many EU environmental laws and regulations which are becoming stricter. These regulations also concern, among other things, requirements for products with polluting gas and CO₂ emissions, fuel consumption and safeness, waste disposal,

water and soil contamination. In order to comply with these laws and regulations, the company uses considerable resources and it is likely that heavy costs will be incurred in future in this respect.

In addition, the changes made by government in respect of tax treatments may substantially influence the level of revenues and retail prices of the company's products. The scope and duration of government measures are neither predictable, nor under the company's control.

Significant events occurred after year end

At the date of the Board of Directors' Meeting, there are no significant events, neither negative, nor positive. The company carries on its business in line with its plans.

Predictable developments

The positive data on sales are likely to be confirmed in the next accounting period. Such growth will be mainly driven by the sound recovery of the major reference markets, Italy and Spain, and by a careful management of resources and communication in order to make Mahindra more visible. The launch of the new model "4x4 Quanto" (second quarter) will play a major role as well as the launch of the Euro 6 version of the Mahindra XUV 500 (end of the year). The operating income is expected to remain positive, but not proportionate to the sales volumes because of the harsh competition in the sales of end-of-series-vehicles.

Revaluation of company assets pursuant to Italian Law Decree no. 185/2008

The company does not own any real property and therefore did not use the optional revaluation of corporate assets envisaged by Italian Law no. 342/2000.

Allocation of profits

We propose to the Shareholders to allocate the profits as follows (amount stated in Euro):

Result for the year as at 31/03/2015	Euro	1,454
to legal reserve	Euro	1,454
to extraordinary reserve	Euro	0

Significant events occurred in the business year

The Company obtained from the Ministry of Transport the necessary approval extensions with the corresponding exemptions for its whole range of vehicles, in line with the applicable legal requirements.

The Company obtained by the European Commission the exemptions and the annual exoneration from CO₂ requirements for all Mahindra vehicles sold in Europe in the accounting period under examination.

The Company continues its operations in Spain with the direct sales of vehicles through 11 dealers coordinated by a local sales manager. 69 vehicles have been registered on the Spanish market so far.

The Company has continued to apply its worksharing agreement in the accounting period under examination up to July 2014. From September to December 2014 it entered into an agreement with the employees, trade unions and the Region Lazio according to which extraordinary unemployment benefits were granted for approximately 20% of the available working hours. The Company also offered economic incentives to those employees who were willing to accept the redundancy scheme. After such measure, the number of employees was reduced from 18 to 14. From mid-March 2015 a new extraordinary unemployment benefit scheme is in force, resulting into a reduction of working hours by approximately 20% of the available working hours, up to mid-July 2015.

The company requested and obtained the renewal of the credit lines with Intesa Sanpaolo. They are used to finance vehicles and spare parts import, as well as short term financial needs.

Such credit lines are regulated by standard market conditions and grant the Company appropriate financial means to manage its activities.

In the business year, the number of Directors was reduced to three, including the Chairman and the supervisory board (one member).

Basis of preparation

These Financial Statements comply with Article 2423 and following of the Italian Civil Code, as shown in these Notes to the Accounts, which are drawn up pursuant to Article 2427 of the Italian Civil Code and are an integral part of the Financial Statements according to Article 2423 of the Italian Civil Code.

Accounting figures are expressed in Euro and the amounts are rounded off. Any rounding difference is listed under the item "Reserve from round-offs in Euro" in the Net Equity and "Round-offs from Euro" under the item "Extraordinary income and charges" in the Income statement.

Pursuant to art. 2423, par. 5 of the Italian Civil Code, values are expressed in Euro in the Notes to the Accounts.

Reporting criteria

(Ref. art. 2427, par. 1, no. 1 of the Italian Civil Code and accounting principle OIC [Official Italian Accounting Board] 12.

The accounting principles and evaluation criteria adopted for drawing up the Financial Statements as at 31/03/2015 are in line with those used to draw up the Financial Statements of the previous year.

Individual items were evaluated according to prudence and matching principles on a going concern basis and taking into account the economic function of the asset or liability under consideration.

By applying the prudence principle, every element characterizing single posts or entries among assets or liabilities was assessed individually and losses to be recognized were not settled against non recognizable profits.

In compliance with the matching principle, the effect of operations and other events was registered in the year which such operations and events refer to and not in the year in which receipts and payments are made.

Applying the same assessment criteria every year is important for the comparability of the company data over the years.

By taking into account the economic function of the asset or liability considered for the evaluation and thus taking into account substance over form - that it is compulsory where not explicitly in conflict with other specific norms on accounting - operations are represented in their economic reality underlying formal aspects.

Exemptions

(Ref. art. 2423, par. 4 of the Italian Civil Code)

There were not exceptional circumstances requiring the use of exemptions under art. 2423, par. 4 of the Italian Civil Code.

In particular, the assessment criteria adopted for the financial statements are described below.

Fixed assets

Intangible fixed assets

They are reported at historical purchase cost, net of depreciations over the years.

The costs relating to plant and machinery, research, development and advertising whose effects regard several different years are depreciated over a period of 5 business years, while the costs for the approval of vehicles are amortized over a period of 3 business years.

Software licenses were recorded in the assets and are amortized over a period of 2 business years.

Improvements to third party assets are amortized with rates depending upon the duration of the contract.

Tangible assets

They are entered at purchase cost and adjusted in the corresponding depreciation funds.

The values in the Financial Statements are expressed taking into account the ancillary costs and the costs incurred using the asset, applying relevant trading and cash discounts.

The depreciation rates entered in the Income Statement have been calculated taking into account the use, the purpose and the economic/technical life of the goods, according to the residual possibility of use. We think that the following rates are appropriate, they were not modified from last year and reduced by half if compared to the first year of use:

PLANT AND MACHINERY

- Specific plants 15%
- Generic plants 10%
- Alarm systems 30%
- Telephone systems 20%

INDUSTRIAL AND COMMERCIAL EQUIPMENT

- Miscellaneous equipment 15%
- Presses 15%

OTHER GOODS

- Electronic machines 20%
- Motor vehicles 20%
- Office furniture and machinery 12%
- Cars 25%
- Fixed equipment 10%

Should durable losses in value arise, regardless of depreciations applied in the accounts, the fixed asset is depreciated accordingly. If the conditions for depreciation are no longer in place in the following years, the original value is restored, adjusted by depreciations only.

Financial leasing transactions

The equity method has been used to enter financial leasing transactions in the Financial Statements, the fees paid are included in the Income Statement on an accrual basis. The relevant section of the Notes to the Accounts contains the complementary information required by law in relation to the representation of financial leasing contracts according to the financial method.

As for financial leasing transactions resulting from lease back operations, gains are recorded in the Income Statement applying the matching principle through deferred income and gradual attribution to revenues in the Income Statement, based on the duration of the financial leasing contract.

Receivables

Receivables are recognized at their estimated realizable value. The adjustment of the nominal value of receivables to the assumed realizable value is obtained through a reserve for bad debts, taking into consideration the general and industrial economic conditions and country risk.

Receivables originally claimable by the end of the year and subsequently transformed into long-term receivables were entered in the Balance Sheet under financial fixed assets.

Receivables were removed from the Financial Statement when contract rights on financial flows resulting from receivables are annulled or if all risks relating to receivables to be cancelled are transferred.

Payables

Payables are recognized at nominal value, modified in case of returned goods or invoicing changes.

Accrued income and prepayments

Prepayments and accrued income are determined on an accrual basis over the year.

The conditions determining the original entry of multi-annual prepayments and accrued income were verified and the required variations were made, where necessary.

Inventory

Raw and auxiliary materials and finished products are entered at purchase or manufacturing cost, whichever is lower, and at the realisation value based on market performance, applying the average weighted cost for spare and accessory parts and the specific cost for automobiles.

The value so obtained is then adjusted with the "Inventory obsolescence provision" in order to take into account the goods for which a realizable value inferior to the cost is expected.

As for the previously depreciated stock, if the conditions causing the reduction of the realizable value no longer exist, the original cost has been restored.

Shareholding

Other shareholdings are recorded at purchase or subscription cost.

The shareholdings recorded under fixed assets represent a durable and strategic investment for the company.

The shareholdings recorded at purchase cost have not been depreciated as they have not undergone any durable losses in value.

Provisions for liabilities and other charges

Provisions for liabilities and charges are allocated to hedge acknowledged or possible losses or payables, whose amount and date cannot not be determined at the end of the business year.

In assessing these provisions, the general criteria of prudence and the accrual basis method were adopted and no general provisions without an economic justification were created.

Potential liabilities were recorded in the Financial Statements and included in the provisions as they were deemed probable and the amount of the relevant cost could be reliably estimated.

Post-employment benefit

This item represents the actual liability for the post employment benefit (TFR) accrued at year end in favour of employees, calculated in compliance with the applicable law and labour agreements and taking into account all forms of remuneration on a continuous basis.

The provision corresponds to the sum of individual indemnities accrued in favour of employees at the closing date, net of advance payments made, and to the amount to be paid to employees in the case of termination of employment relations on such date.

Income taxes

Income taxes are recognized on an accrual basis. They reflect:

- Provisions for taxes already paid or to be paid during the year, calculated in accordance with applicable rates and laws;
- The amount of deferred taxes or taxes paid in advance relating to temporary differences arising or cancelled during the year.

Revenues

Revenues resulting from the sale of products are recognized at the date of the transfer of ownership, which is usually identified with the delivery or dispatch of the goods. The company sells cars with retention of title under Article 1523 of the Italian Civil Code.

Financial revenues and revenues from services are recognised on an accrual basis.

Revenues and costs relating to transactions in foreign currency are recognized at the exchange rate at the date of the transaction.

Revenues and charges on repurchase transactions, including the difference between forward price and spot price, are entered for the period.

Adjustment criteria

No adjustments were made to the reporting criteria adopted.

Guarantees, pledges, third party assets and risks

The Company has not given any real or personal guarantee for third parties' payables.

They are charged in the memorandum accounts at their nominal value, as derived from related documentary evidences.

The Company does not own third party's goods in its premises, with the exception of the real estate leasing.

The risks for which liabilities are only possible are described in the notes, without any provision being made for risks according to the reference accounting standards.

The risks for which liabilities are only possible are described in the notes, without any provision being made for risks according to the reference accounting standards. Remote risks were not considered.

Staff

(Ref. art. 2427, par. 1, no. 15 of the Italian Civil Code)

The company staff, divided by category, underwent the following changes as compared to the previous year.

Staff	31/03/2015	31/03/2014	Difference

INR/Lakhs		
Balance at 31/03/2015	Balance at 31/03/2014	Difference
1548.48	1411.79	136.69

The assessment criteria adopted are the same as the previous year and they are described in the first part of these Notes to the Accounts.

The adopted assessment does not significantly differ from the one using the current cost approach.

The value of inventories is composed of:

Description	Euro €	
	Amount at 31/03/15	Amount at 31/03/14
Vehicles in stock	417,549	834,767
Vehicles in transit	954,900	377,700
Spare parts and accessories	863,708	874,128

Spare parts and accessories	584.39	591.43
Equipment and advertising	35.50	0
Total	1548.48	1411.79

The reduction in Vehicles in stock is due to a better management of the supplies on the basis of received orders. The number of spare parts in the warehouse is not high, since the company orders spare parts according to the orders received.

Stock vehicles refer to the cars stored in the warehouse at the Riccia headquarters and at the custodian companies in Spain and Livorno, Italy

The Company has not used its stock obsolescence provision, which was amounting to Euro 0 at 31/03/2015.

Description	INR/Lakhs
From clients	1772.77
From parent companies	148.12
Provision for bad debts	(81.96)
	1838.93

The nominal value of receivables was adjusted to reflect the estimated realizable value by means of a Provision for bad debts which underwent the following changes during the year:

Description	Euro €
Balance at 31/03/2014	109,597
Use during the year	(33,670)
Provision of the year	45,670

Use during the year	(22.78)
Amount provided in the year	30.90
Balance at 31/03/2015	82.27

The Provision for bad debts is within the limits set forth in Article 2426 of the Italian Civil Code and shows a difference amounting to Euro 31,473 as against Article 106 par. 2 of Presidential Decree no. 917/1986.

Receivables from parent companies amount to Euro 218,926 and reflect the costs for repairs and services rendered on behalf or to the benefit of the parent company, as well as the costs for advertising campaigns.

Tax receivables as at 31/03/2015 include the following:

Description	Euro €
IRES tax advance payments	0
IRAP tax advance payments	0
IRAP tax refund due	26,091
Withholding tax receivables	17
VAT receivables	8,167

IRES tax advance payments	0
IRAP tax advance payments	0
IRAP tax refund due	17.65
Withholding tax receivables	0.011
VAT receivables	5.53
	23.19

IRAP tax refund due reflects the receivables relating to the request for reimbursement concerning the labour cost which could be deducted from income tax under Law Decree no. 16/2012.

VAT receivables reflect the quarterly deductible VAT amounts.

Pre-paid taxes amounting to Euro 5,566 concern deductible temporary differences and are described in the last part of these Notes.

The company prudently did not include the taxes paid in advance concerning fiscal losses (IRES) for the year under examination and previous years, since currently no reliable long-term forecasts can be made, mostly because of the crisis of the automobile market and of a taxable income not lower than the tax losses reported.

The company reserves to modify this approach should the above elements change, given the impossibility to make any forecast on the reference market.

Account receivables as at 31/03/2015 amount to Euro 121,373 and include the following:

Prepayments and accrued income include income and charges whose accrual is anticipated or delayed compared to the actual date of payment and/or of the document; they are not linked to the date of payment or collection of income and charges which can be attributed to different financial years and can be broken down by time.

The criteria used for the assessment and translation of values expressed in foreign currency are reported in the first part of these Notes.

Multi-year accruals having a duration of more than 5 years refer to the leasing contract rate and amount to Euro 101,699 – INR 68,810 as at 31/03/2015.

This item is detailed below:

Description	Euro € Amount
Insurance and road tax	11,502

No other provisions were made to the Guarantee fund, because it has been considered adequate to cover contract discrepancies between what has been acknowledged by the Company and what has been received by the Parent company.

At the drawing up date of these financial statements, the company decided not to provide any further amount to the fund for tax assessment since the available amount is deemed adequate to cover the Agenzia delle Entrate's [Italian Revenue Office] notice of assessment dated 31/05/2011 which adjusts and liquidates more taxes on real estate amounting to Euro 11,521. The Company appealed the Commissione Tributaria provinciale [Tax Commission of the Province of Rome] on that claim and paid a part of such tax amounting to Euro 7,532.

Raw materials, supplies, consumables and merchandise and Services

They are strictly linked to what the Directors' Report describes and to the evolution of item A (Value of production) of the Income statement.

The reduction of the cost of rents and leases is due to redemptions in the current accounting period relating to a fleet leasing contract.

The increase in the personnel costs is linked to the redundancy scheme applied to 4 employees and described in these Notes to the Accounts.

Personnel costs

Personnel costs include all costs relating to the personnel, i.e. category changes, merit salary increases, automatic cost-of-living increases, costs of holidays not taken, allowances and collective contracts.

Depreciation of tangible fixed assets

Depreciations were calculated on the basis of the lifecycle of the item and its use in the production phase.

Write-off of credits included in current assets and cash and cash equivalents

The write-off of trade receivables refers to those credits which are not likely to be recovered.

Other operating expenses

They refer to taxes other than income tax, subscriptions and other charges.

Pursuant to article 2427, par. 1 no. 14 of the Italian Civil Code the required information on deferred and pre-paid taxes is provided below:

Deferred/pre-paid taxes

Pre-paid taxes paid concerning the guarantees fund were recorded as it is deemed likely that the Company will have a taxable income not lower than the differences that will be written off in the future.

The main temporary differences which led to enter deferred and pre-paid taxes in the accounts and their effects are detailed in the table below.

Deferred and pre-paid taxes and relevant effects:

Total	11.65	3.76	20.68	6.68
Deferred taxes:				
Total				
Net deferred (pre-paid) taxes		(3.76)		

As described in the paragraph on tax receivables for taxes paid in advance, pre-paid taxes were not prudently recorded if resulting from tax losses for the current and previous years, as there is no reasonable certainty that in the next years the company will gain sufficient taxable income to fully absorb such losses.

AUDITORS' REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

To the Sole Shareholder of

MAHINDRA GRAPHIC RESEARCH DESIGN S.r.l.

1. We have audited the financial statements of Mahindra Graphic Research Design S.r.l. (the "Company") as of March 31, 2015, prepared in short form and in English for the benefit of its Indian parent company. These financial statements prepared in accordance with the Italian law governing financial statements are the responsibility of the Company's Directors. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with Auditing Standards issued by the Italian Accounting Profession (CNDCEC) and recommended by Consob, the Italian Commission for listed Companies and the Stock Exchange. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the Directors, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

For the opinion on the prior year's financial statements, the balances of which are presented for comparative purposes as required by law, reference should be made to our auditors' report issued on May 28, 2014.

3. In our opinion, the financial statements give a true and fair view of the financial position of Mahindra Graphic Research Design S.r.l. as of March 31, 2015, and of the results of its operations for the year then ended in accordance with the Italian law governing financial statements.
4. For a better understanding of the financial statements, we draw attention to the fact that:
 - (a) In order to facilitate the analysis of the Company financial performance to its Indian parent company,

the financial statements include both data in Euros (functional and reporting currency) and in Indian Rupees, determined using the exchange rate of 1 Euro = 67,66 Indian Rupees applied to all data presented in the financial statements, including comparative figures.

- (b) Pursuant to art. 2497-bis, first paragraph, of the Italian Civil Code, the Company has disclosed that it is subject to management and coordination of its activities by the indirect parent company Mahindra & Mahindra Ltd (India) and, therefore, has indicated in the notes to the financial statements the key financial data from the most recent financial statements of such company. Our opinion on the financial statements of Mahindra Graphic Research Design S.r.l. does not extend to such data.
5. The financial statements are prepared in short form and in English solely for the benefit of the Indian parent company. As a result, the financial statements may not be suitable for other purposes. Our report is intended solely for Mahindra Graphic Research Design S.r.l. and its indirect parent company Mahindra & Mahindra Ltd (India) and should not be distributed to or used by parties other than Mahindra Graphic Research Design S.r.l. and its indirect parent company Mahindra & Mahindra Ltd (India).

The criteria used in the evaluation of the items and adjustments comply with the provisions of the Italian Civil Code and the guidance provided in the accounting standards issued by the OIC (Italian Accounting Commission). The same also have not changed from the previous year.

Here are the most significant criteria of evaluation adopted in compliance with the provisions of the Italian Civil Code art.2426, and with particular reference to those items for which the legislature admits several evaluation criteria and rectification or for which there is no specific criteria.

Other information

Belonging to a Group

The company is controlled by M&M Group. Data of these Financial Statements will be subject to consolidation in the Consolidated Financial Statement of the parent company.

Evaluation of currency items

There were no transactions in foreign currencies during the year.

Operations with compulsory relegation at the end

The Company during the year has not put in place any transaction subject to the obligation to relegation at the end.

Derivatives

The Company has not used and does not have derivative financial instruments.

Operating performance

The period under review has been characterized by the persistence of the Italian economic crisis.

In this context the Company records a reduction of revenues of about 45%.

Reduction of revenues is mainly due to the fact that development programmes of the controlling Company Mahindra & Mahindra, which absorbed more than 90% of resources during last year, finished with the end of the previous year closing on 31/03/2014. The year under review saw the beginning of a collaboration with Mahindra North American Technical Center Inc., which is also part of the group, from the month of July. This time gap between the end of the project developed by Mahindra & Mahindra Ltd. and the start of activities for Mahindra North American Technical Center Inc. has led to a lack of work and loss of revenues for the year

At the same time, a massive commercial activity brought an increase in sales towards customers outside the group of about 64%.

Revenues for the year are composed by approximately 65% of revenues coming from the group and 35% of revenues from other customers.

EBITDA was negative for Euro –185.123 (Rupee/Lakhs –125,25).

The negative result before tax of Euro –460.386 (Rupee/Lakhs –311,50) is negatively affected by the withholding tax in India on the services of 20% with a total charge for foreign taxes of Euro 102.729 (Rupee/Lakhs 69,51).

Have been made provision for deferred tax assets for an amount of Euro 143.202 (Rupee/Lakhs 96.89), of which Euro 114.163 (Rupee/Lakhs 77,24), calculated on fiscal losses.

The result after tax was a loss of Euro –459.828 (Rupee/Lakhs –311,12).

During the year, the Company has implemented a drastic policy of cost containment and reduced outsourcing of activities.

It has also appealed to the redundancy fund (CIG) in particular in the administrative area and also in the technical area as regards the role of 2D and style.

Replacement of outdated equipment and upgrading of infrastructure was completed in order to guarantee customers a greater security, privacy and data protection.

At the end of the year the Company has a potential of number 40 CATIA licenses, including number 2 AB3, and number 39 licenses UG. The software 3DCS is used for precise verification of the chain of tolerances.

Significant events after the balance sheet date and outlook

After the end of the year the operational activity has continued regularly.

In a context in which the Italian market shows the first signs of a recovery in the automotive sector, business continuity is guaranteed in large part by the orders that the Group Mahindra & Mahindra Ltd. plan to assign to the Company.

With effect from 01/04/2015, the withholding tax rate in India on services was reduced from 20% to 10.815%.

The commercial activity continues in order to increase the number of customers outside the Group.

Notes on Assets

Introduction

The amounts recognized in the Balance Sheet were evaluated in accordance with the Article 2426 of the Civil Code and in accordance with national accounting standards; in the sections relating to a single item, it is given the specific criteria applied.

Intangible Assets

Introduction

Intangible assets are recorded at historical cost, including collateral expenses directly attributable and adjusted by the related accumulated amortization.

Goodwill recorded with the consent of the Board of the Statutory Auditors, represents the cost paid to G.R. Grafica Ricerca Design S.r.l. for the acquisition of the business unit occurred on February 2008 and it is currently being amortized on a straight-line method, over a amortization plan of 10 years.

The rights related to the use of intellectual property include only the software that is amortized on a straight line basis according to an amortization period of 5 years. The annual fees paid for the use of the graphic licenses are allocated, according to the competence criteria, directly in the Income Statement.

Other intangibles assets include the costs of restructuring and modernization of the rented premises where the Company has its operational headquarters. They are amortized on a straight-line basis according to the future utility of the expenses incurred.

The amortization method of intangible assets was applied systematically and in each period, in relation to the remaining possibility of economic utilization of each single asset or expense.

We put in evidence that on these assets was not necessary to make devaluation ex art. 2426, paragraph 1 no. 3 of the Italian Civil Code, as required by accounting standard OIC 9, as there were no indicators of potential impairment of intangible assets.

Changes of intangible assets

Introduction

After recording the amortization quote of Euro 239.945 (Rupee/Lakhs 162,35) in the Income Statement of the year, the value of intangible assets is Euro 662.429 (Rupee/Lakhs 448,20).

Comment

The increases of the year are exclusively related to the acquisition of several technical software for the use of graphic services that are object of company activity.

Other changes indicate the reversal of capitalized costs and amortization of intangible assets in previous years, that are cancelled in the current fiscal year, regarding software licenses, since the renewal fee was not paid and therefore they were no longer in use.

Tangible Assets
Introduction

Tangible assets are recorded considering the purchase cost and including collateral costs directly attributable and adjusted, for those of limited duration, with the amortization calculated each year in relation to the residual average use and intensity of use at the rates indicated below, unchanged from the previous year and reduced by half in the year of purchase of the good:

Categories	% amortization
- Equipment:	15%
- Furniture:	12%
- Motor vehicle:	20%
- Office furniture and machines:	12%
- Electromechanically office machines:	20%
- Data transmission system:	25%

The amount of amortization quotas represent the consumption and decay of the asset as well as its economic obsolescence. The net book value at the end

of the year, tend to represent the value of the asset, presumably recoverable in future years, based on estimated company performances and its predictable revenue, assumed normal.

The assets fully amortized remain in the balance sheet until their removal or sale. Amortization schedules of the first year of tangibles assets reflect the date – presumed unified -of entry into use of the assets.

If the comparison between net accounting value and estimated realizable value resulted into a durable loss of value, assets will be consequently written down.

If in subsequent years the reasons for the write-down will no longer exist, the original value of the asset will be restore, adjusted by amortization only.

In this specific situation, we put in evidence that was not necessary to make devaluation ex art. 2426, paragraph 1 no. 3 of the Italian Civil Code, as required by accounting standard OIC 9, as there were no indicators of potential impairment of intangible assets.

Changes of tangible assets
Introduction

Tangible assets before accumulated amortization amounted to Euro 365.297 (Rupee/Lakhs 247,16); the accumulated amortization are equal to Euro 290.344 (Rupee/Lakhs 196,45).

Information on finance lease.

Comment

The national legislature expected that the accounting of leasing contracts takes place according to the equity method with the record of lease payments including operating costs. The following tables, as far as the information are not relevant for the purposes of these financial statements in relation to their small size, report the information required by the legislature in order to represent, even if out of ledger, the implications of the difference with respect to the financial accounting method.

Current Assets

Introduction

Current assets are evaluated in accordance with the numbers from 8 to 11 of Art. 2426 of the Italian Civil Code. The criteria used are listed in the paragraphs of the respective balance sheet items.

Current assets: Receivable

Introduction

Receivable were shown in Balance Sheet at estimated realizable value, in accordance with Art. 2426, paragraph 1, no. 8 of the Italian Civil Code; the adjustment to this value was made through a provision for doubtful debts of the total amount of Euro 10.900 (Rupee/Lakhs 7,37) which was increased in the year for Euro 5.500 (Rupee/Lakhs 3,72).

Changes in current receivables

Introduction

The following chart shows the information related to changes in receivables included in current assets.

Comment

Please note that the receivables from parent companies and subsidiaries have arisen from transactions concluded under normal market conditions.

Here below are shown the most significant details of the items above. It is also noted that the deferred tax assets have been allocated prudently over 12 months for their full amount even if it is expected that their partial utilization in the short term in relation to the possibility of transformation in tax credits offset based on the rules currently in force.

Provision for severance indemnities

Information on provision for severance indemnity

Introduction

This fund represents the actual amount due to employees in accordance with law and labor contracts, considering all forms of remuneration in a continuous basis.

The provision corresponds to the total indemnities accrued up to the date of 29.02.2008 of the acquisition of the ongoing concern, revalued each year and reduced by any advances paid and tax on revaluation paid; is equal to what would have been paid to employees on termination of employment as of 31/03/2015.

The fund does not include the indemnities accrued from 1 January 2007, intended to supplementary pension pursuant to Legislative Decree. N. 252 of 5 December 2005 or transferred to the INPS treasury.

The voice 3.B.9.c of Financial Statement includes both the cost of the TFR remained in the Company (equivalent to the previous year revaluation for Euro 4.886 – Rupee/Lakhs 3,31), the cost of leaving indemnity paid to the Treasury Fund (Euro 104.261 – Rupee/Lakhs 70,54) and the cost of leaving indemnity paid to Complementary Pension Funds (Euro 9.544 – Rupee/Lakhs 6,46).

Accrued liabilities and deferred income

Introduction

Accruals are made up of portions of costs or income common to two or more years.

They respond to and implement the principle of matching costs and revenues for the year and on a time basis.

More precisely, the accrued liabilities measured costs which competence is anticipated respect to the numeral event and/or evidence of document; the deferred income measure whose competence is delayed with respect to cash and/or documentary.

Commitments resulting from off-balance sheet and memorandum accounts

Comment

There are no memorandum accounts registered in the Financial Statement, nor other commitments resulting from off-balance sheet that have to be indicated into the Notes as useful for the assessment of the Balance Sheet and financial position.

During the year there was no agreement in place not resulting from the balance sheet.

Notes to the Income Statement

Introduction

Revenues, income, costs and charges are recorded in the financial statements as required by Article 2425-bis of the Civil Code.

Production value

Introduction

Revenues are recorded in the Financial Statements for the period of competence, net of returns, allowances, discounts and premiums, in particular as regards:

- the supply of goods: the related revenues are recorded with reference to the time of delivery or shipment of goods;
- the provision of services: the related revenues are recognized based on the date of completion of the services.

Income taxes for the year, current deferred and assets
Current tax deferred and assets
Introduction
Current taxes

Income taxes for the year, calculated at the rates and regulations in force, are determined on the basis of an estimate of taxable income and recorded into item E) 22 of the Income Statement.

The amount given is inclusive only of IRAP, because in the year under review did not come out the basis for the allocation of the IRES tax.

The Piedmont Region, where it continuously operates the workforce of the Company has not issued regional laws amending the taxation scheme and the applicable rates; consequently has been used the ordinary rate of 3.9%.

Current taxes therefore also includes the withholding tax on transactions relating to M&M that were not fully deductible. During the year under review such taxes, equal to 20% of revenues from services, led to an increase of the loss incurred amounted to Euro 102.729 (Rupee/Lakhs 69,51).

Deferred tax and deferred tax assets

Deferred tax assets have been calculated and charged, or adjusted, in accordance with Legislative Decree 6/2003 and Accounting Standard no. 25 of the National Council of Certified Accountants and Chartered Accountants on accounting treatment of taxes for the year, updated by the OIC.

Therefore the deferred taxes for Euro 313.164 (Rupee/Lakhs 211,89) has been recorded under credit of the current assets, at value reasonable achievable against future benefit related to the temporary changes that generated them and/or their modification in tax credit to be compensated pursuant to the Decree Law 225/2010 and the Law 116/2014.

For the year under exam the provision for deferred taxes assets, net of reversal generated a negative effect on the operating result and shareholders' equity, is Euro 143.202 (Rupee/Lakhs 96,89).

Deferred taxes have been considered not due in this financial statements in absence of conditions for application.

The following chart analytically indicate:

- the description of the temporary differences that led to the record of deferred tax and deferred tax assets, specifying the rate applied and the changes compared to the previous year, the amounts credited or debited to income statement or into equity;
- the amount of deferred tax assets recorded into financial statement in relation to losses during the current or previous years and the reason of the record; the amount is not yet recorded and the reasons for such omission;
- the items excluded from the calculation and the reasons.

DIRECTORS' REPORT FOR MAHINDRA YUEDA (YANCHENG) TRACTOR CO., LTD.

Mahindra Yueda (Yancheng) Tractor Company Ltd. (MYTCL) is a 51:49 Sino Foreign Joint Venture between Mahindra Overseas Investment Company (Mauritius) Ltd. and Jiangsu Yueda Group Co. Ltd. from Peoples Republic of China. MYTCL is operational from 1st February 2009 and is located in Economic Development Zone of Yancheng city in Jiangsu Province. The Jiangsu Yueda Group Co. Ltd. is a well known Group in PRC with presence in various sectors of economy such as Automobiles, Tractors, Mining, Textile, Infrastructure Development and Retail Chains. Huanghai Jinma brand of tractors manufactured at MYTCL is well known brand across China and sold through strong network of 250 dealers. MYTCL has invested to build modern manufacturing assembly and CED Paint shop to produce 18 HP to 135 HP tractors.

The China tractor industry is in a phase of transition from being a year on year increasing volumes industry on the strength of higher subsidies to a reduction in volume with declines in Governmental subsidy outlays. In this background, the year 2014 was a difficult business year for MYTCL with marginal reduction in overall market share. However, MYTCL could achieve better mix towards higher HP segments of the China tractor industry.

The total tractor industry recorded a 18.2% degrowth over the previous year to reach 308,548 tractor sales. Domestic tractor industry at 281,527 tractors, recorded a degrowth of 18.6% whereas the Export tractor industry recorded a negative growth of 14.1% to reach 27,021 tractors.

During the calendar year 2014, MYTCL market share reduced from 6.1% in 2013 to 5.7% in 2014 with a sale of 17,551 tractors.

As compared with 2013 volume of 22,386 tractors, this shows a degrowth of 21.6%. At the same time, improvement in mix towards higher HP segment, resulted in improved contribution per tractor and by keeping the overall cost under control, the Company has achieved a significant reduction in Break Even Point.

Company had purchased shareholding of 89.37% from Mahindra Overseas Investment Company (Mauritius) Ltd. in Jiangxi Mahindra Yueda Tractor Co. Ltd. As per the direction of Board of Directors to offload this shareholding, the same has been sold to new buyer - Gaoan Nante Dongteng Construction Machinery Manufacture Co. Ltd. and the entire sale transaction was completed in June 2014 & hence, the Jiangxi Mahindra Yueda Tractor Co. Ltd. ceased to be subsidiary of the Company.

Your Company continues to seek disciplined revenue growth through Product portfolio enhancements, dealer network expansion in domestic market as well as exploring export opportunities. The improvements in quality and better cost management are being vigorously pursued to achieve long term financial stability.

An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, Certified Public Accountants consider the internal control relevant to the preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control. An audit also includes

evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

3. *Opinion*

In our opinion, the financial statements of Mahindra Yueda present fairly, in all material respects, the financial position as of 31 December 2014, and the results of operations and cash flows for the year then ended in accordance with Accounting Standards for Business Enterprises.

4. *Other Matter*

Without qualifying our opinion, we draw attention to the fact that the supplementary information presented in INR is solely for the convenience of users, it does not form part of the audited financial statements. We have not audited the supplementary information and, accordingly, we do not express an opinion on this supplementary information. This paragraph has no impact on the audit opinion expressed in this report.

I. GENERAL

Mahindra Yueda (Yancheng) Tractor Co., Ltd. (the "Company") was a limited company incorporated in Yancheng, Jiangsu on 28 November 2008. The Company principally engages in the production, sales and after-sales service of tractors, mechanised farm implements, other farm machineries and farm machinery parts.

The Company's parent company is Mahindra Overseas Investment Company (Mauritius) Ltd. ("Mahindra Mauritius"), and the ultimate holding company is Mahindra & Mahindra Limited.

The registered capital of the Company at date of establishment is RMB 265,000,000.00, among which Mahindra Mauritius contributed RMB 135,150,000.00, accounting for 51% of the registered capital, and Yueda Yancheng Tractor Manufacturing Co., Ltd. ("Yueda Tractor") contributed RMB 129,850,000.00, accounting for 49% of the registered capital.

On 29 December 2009, the Company increased the registered capital by RMB 159,000,000.00, among which Mahindra Mauritius contributed RMB 81,090,000.00, accounting for 51% of the capital increment, and Yueda Tractor contributed RMB 77,910,000.00, accounting for 49% of the capital increment. The registered capital after increment is RMB 424,000,000.00.

On 30 March 2012, the board of directors of the Company passed a resolution to increase the registered capital by RMB 90,000,000.00, among which Mahindra Mauritius shall contribute RMB 45,900,000.00, accounting for 51% of the capital increment, and Yueda Tractor shall contribute RMB 44,100,000.00, accounting for 49% of the capital increment. The registered capital after increment is RMB 514,000,000.00.

Details of capital contributions paid by the investing parties are set out in Note VI.20.

II. STATEMENT OF COMPLIANCE WITH THE ASBE

The financial statements of the Company have been prepared in accordance with Accounting Standards for Business Enterprises, and present truly and completely, the Company's financial position as of 31 December 2014, and the Company's results of operations and cash flows for the year then ended.

III. SIGNIFICANT ACCOUNTING POLICIES AND ACCOUNTING ESTIMATES

1. Accounting year

The Company has adopted the calendar year as its accounting year, i.e. from 1 January to 31 December.

2. Functional currency

RMB is the currency of the primary economic environment in which the Company operates. The functional currency of the Company is RMB.

3. Basis of accounting and principle of measurement

The Company has adopted the accrual basis of accounting. Except for certain financial instruments which are measured at fair value, the Company has adopted the historical cost as the principle of measurement of the financial statements. Where assets are impaired, provisions for asset impairment are made in accordance with relevant requirements.

4. Cash equivalents

Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

5. Financial Instruments

When the Company becomes a party to the contractual provisions of a financial instrument, related financial assets or financial liabilities are recognized. Financial assets and financial liabilities are initially recognized at fair value. For financial assets and financial liabilities classified as at fair value through profit or loss, related transaction costs are charged to the profit or loss for the current period; for financial assets and financial liabilities classified as other categories, related transaction costs are included in the initial recognition amounts.

5.1 Effective interest method

The effective interest method is a method of calculating the amortized cost of a financial asset or a financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period, using the effective interest rate. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability or, where appropriate, a shorter period to the net carrying amount of the financial asset or financial liability.

When calculating the effective interest rate, the Company estimates future cash flows considering all contractual terms of the financial asset or financial liability (without considering future credit losses), and meanwhile considers all fees paid or received between the parties to the contract giving rise to the financial asset and financial liability that are an integral part of the effective interest rate, transaction costs, and premiums or discounts etc.

5.2 Classification, recognition and measurement of financial assets

On initial recognition, the Company's financial assets are classified into loans and receivables. All regular way purchases or sales of financial assets are recognized and derecognized on a trade date basis.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Financial assets classified as loans and receivables by the Company include notes receivable, accounts receivable and other receivables.

Loans and receivables are subsequently measured at amortized cost using the effective interest method. Gains or losses arising from derecognition, impairment or amortization are recognized in profit or loss for the current period.

5.3 Impairment of financial assets

The Company assesses at each balance sheet date the carrying amounts of financial assets other than those at fair value through profit or loss. If there is objective evidence that a financial asset is impaired, the Company determines the amount of any impairment loss. Objective evidence that a financial asset is impaired is evidence that, arising from one or more events that occurred after the initial recognition of the asset, the estimated future cash flows of the financial asset, which can be reliably measured, have been affected.

Objective evidence that a financial asset is impaired includes evidence arising from the following events:

- (1) Significant financial difficulty of the issuer or obligor;
- (2) A breach of contract by the borrower, such as a default or delinquency in interest or principal payments;
- (3) The Company, for economic or legal reasons relating to the borrower's financial difficulty, granting a concession to the borrower;
- (4) It is becoming probable that the borrower will enter bankruptcy or other financial reorganizations;
- (5) The disappearance of an active market for that financial asset because of financial difficulties of the issuer;
- (6) Upon an overall assessment of a group of financial assets, observable data indicates that there is a measurable decrease in the estimated future cash flows from the group of financial assets since the initial recognition of those assets, although the decrease cannot yet be identified with the individual financial assets in the group, including:
 - Adverse changes in the payment status of borrowers in the group;
 - National or local economic conditions that correlate with the defaults on the assets in the group;

- (7) Significant changes with an adverse effect that have taken place in the technological, market, economic or legal environment in which the issuer operates, indicating that the cost of the investment in the equity instrument may not be recovered by the investor;
- (8) A significant or prolonged decline in the fair value of an investment in an equity instrument below its cost;
- (9) Other objective evidence indicating there is an impairment of a financial asset.

Impairment of financial assets carried at amortised cost

If financial assets carried at amortised cost are impaired, the carrying amounts of the financial assets are reduced to the present value of estimated future cash flows (excluding future credit losses that have not been incurred) discounted at the financial asset's original effective interest rate. The amount of reduction is recognized as an impairment loss in profit or loss. If, subsequent to the recognition of an impairment loss on financial assets carried at amortized cost, there is objective evidence of a recovery in value of the financial assets which can be related objectively to an event occurring after the impairment is recognized, the previously recognized impairment loss is reversed. However, the reversal does not result in a carrying amount of the financial asset that exceeds what the amortized cost would have been had the impairment not been recognized at the date the impairment is reversed.

For a financial asset that is individually significant, the Company assesses the asset individually for impairment. For a financial asset that is not individually significant, the Company assesses the asset individually for impairment or includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. If the Company determines that no objective evidence of impairment exists for an individually assessed financial asset (whether significant or not), it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets for which an impairment loss is individually recognized are not included in a collective assessment of impairment.

5.4 Derecognition of financial assets

The Company derecognizes a financial asset only when: (1) the contractual rights to receive the cash flows from the financial asset expire; or (2) it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to the transferee; or (3) it transfers the financial asset, neither transfers nor retains substantially all the risks and rewards of ownership but has not retained control of the financial asset.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership of a financial asset, and it retains control of the financial asset, it recognizes the financial asset to the extent of its continuing involvement in the transferred financial asset and recognizes an associated liability. The extent of the Company's continuing involvement in the transferred asset is the extent to which it is exposed to changes in the value of the transferred asset.

For a transfer of a financial asset in its entirety that satisfies the derecognition criteria, the difference between (1) the carrying amount of the financial asset transferred; and (2) the sum of the consideration received from the transfer and any cumulative gain or loss that has been recognized in other comprehensive income, is recognized in profit or loss.

If a part of the transferred financial asset qualifies for derecognition, the carrying amount of the transferred financial asset is allocated between the part that continues to be recognized and the part that is derecognized, based on the respective fair values of those parts. The difference between (1) the carrying amount allocated to the part derecognized; and (2) the sum of the consideration received for the part derecognized and any cumulative gain or loss allocated to the part derecognized which has been previously recognized in other comprehensive income, is recognized in profit or loss.

5.5 Classification, recognition and measurement of financial liabilities

The Company classifies debt instruments into financial liabilities on the basis of the substance of the contractual arrangements and definitions of financial liability.

On initial recognition, financial liabilities are classified into other financial liabilities.

Other financial liabilities

Other financial liabilities are subsequently measured at amortized cost using the effective interest method, with gain or loss arising from derecognition or amortization recognized in profit or loss.

5.6 Derecognition of financial liabilities

The Company derecognizes a financial liability (or part of it) only when the underlying present obligation (or part of it) is discharged. An agreement between the Company (an existing borrower) and an existing lender to replace the original financial liability with a new financial liability with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

When the Company derecognizes a financial liability or a part of it, it recognizes the difference between the carrying amount of the financial liability (or part of the financial liability) derecognized and the consideration paid (including any non-cash assets transferred or new financial liabilities assumed) in profit or loss.

5.7 Offsetting financial assets and financial liabilities

Where the Company has a legal right that is currently enforceable to set off the recognized amounts, and intends either to settle on a net basis, or to realize the financial asset and settle the financial liability simultaneously, a financial asset and a financial liability shall be offset and the net amount presented in the balance sheet. Except for the circumstances above, financial assets and financial liabilities shall be presented separately in the balance sheet and shall not be offset.

5.8 Equity instruments

Repurchase of the Company's own equity instruments is recognized and deducted directly in equity.

No gain or loss is recognized in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

6. Inventories

The Company's inventories mainly include raw materials, work in progress-outsourced, work in process and finished goods. Inventories are initially measured at cost. Cost of inventories comprises all costs of purchase, costs of conversion and other expenditures incurred in bringing the inventories to their present location and condition.

Inventories are accounted for using the weighted average method upon delivery.

At the balance sheet date, inventories are measured at the lower of cost and net realizable value. If the cost of inventories is higher than the net realizable value, a provision for decline in value of inventories is made.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale and relevant taxes. Purpose of inventories being held and effect of the post balance sheet events shall be taken into consideration in determining the net realizable value based on the conclusive evidence available.

Provision for decline in value of inventories is made based on the excess of cost of inventory compared with its net realizable value on an item-by-item basis.

After provision for decline in value of inventories is made, if the circumstances that previously caused inventories to be written down no longer exist, resulting in the cost of inventories being higher than their net realizable value, the original provision for decline in value is reversed and the reversal is included in profit or loss for the current period.

The perpetual inventory system is adopted for stock count.

7. Fixed assets and depreciation

Fixed assets are tangible assets that are held for use in the production or supply of services, for rental to others, or for administrative purposes and have useful lives more than one accounting year. A fixed asset is recognized only when it is probable that economic benefits associated with the asset will flow to the Company and the cost of the asset can be measured reliably. Fixed assets are initially measured at cost.

If it is probable that economic benefits associated with the asset will flow to the Company and the cost of the asset can be measured reliably. Subsequent expenditures incurred for the fixed asset are included in the cost of the fixed asset. Other subsequent expenditures are recognized in profit or loss in the period in which they are incurred.

Depreciation of a fixed asset is provided over its useful life using the straight-line method since the month subsequent to the one in which it is ready for intended use. The useful life, estimated net residual value rate and annual depreciation rate of each category of fixed assets are as follows:

Classes	Useful life	Estimated net residual value rates	Annual depreciation rates
Buildings	12-40 years	2%	2.5-8.2%
Plant and machinery	10 years	2%	9.8%
Electronic equipment, furniture and fixtures	6 years	2%	16.3%
Motor vehicles	6-10 years	2%	9.8-16.3%

Estimated net residual value of a fixed asset is the estimated amount that the Company would currently obtain from disposal of the asset, after deducting the estimated costs of disposal, if the asset were already of the age and in the condition expected at the end of its useful life.

If a fixed asset is on disposal or no future economic benefits are expected to be generated from its use or disposal, the fixed asset is derecognized. When a fixed asset is sold, transferred, retired or damaged, the amount of any proceeds on disposal of the asset net of the carrying amount and related taxes is recognized in profit or loss for the period.

The Company reviews the useful life and estimated net residual value of a fixed asset and the depreciation method applied at least at each financial year-end, and account for any change as a change in an accounting estimate.

8. Construction in progress

Cost of construction in progress is determined as the expenditure actually incurred for the construction, comprising all expenditure incurred for construction projects, capitalized borrowing costs incurred on a specific borrowing for the construction before it has reached working condition for its intended use, and other related expenses. No depreciation is provided for construction in progress. Construction in progress is transferred to a fixed asset when it is ready for intended use.

9. Intangible assets

Intangible assets include land use rights, trademark and softwares.

An intangible asset is measured initially at cost. When an intangible asset with a finite useful life is available for use, its original cost is amortized over its estimated useful life using the straight-line method.

For an intangible asset with a finite useful life, the Company reviews the useful life and amortization method at the end of the period, and makes adjustments when necessary.

9.1. Research and development expenditure

Expenditure on the research phase is recognized in profit or loss in the period in which it is incurred.

Expenditure on the development phase is recognized as an intangible asset only when the Company can demonstrate all of the following below. Otherwise, it is charged to profit or loss:

- (1) The technical feasibility of completing the intangible asset so that it will be available for use or sale;

- (2) Its intention to complete the intangible asset and use or sell it;
- (3) How the intangible asset will generate economic benefits. Among other things, the Company can demonstrate the existence of a market for the output of the intangible asset or the intangible asset itself or, if it is to be used internally, the usefulness of the intangible asset;
- (4) The availability of adequate technical, financial and other resources to complete the development and the ability to use or sell the intangible asset; and
- (5) Its ability to measure reliably the expenditure attributable to the intangible asset during its development phase.

If the expenditure on the research phase and on the development phase cannot be identified, the expenditure incurred should be recognized in full in profit or loss for the current period.

10. Impairment of non-financial assets

The Company assesses at each balance sheet date whether there is any indication that fixed assets, construction in progress, intangible assets with finite useful life may be impaired. If there is any indication that such assets may be impaired, recoverable amounts are estimated for such assets.

Recoverable amount is estimated on individual basis. If it is not possible to estimate the recoverable amount of an individual asset, the Company determines the recoverable amount of the asset group to which the asset belongs. The recoverable amount is the higher of an asset's or an asset group's fair value less costs to sell and the present value of the future cash flows expected to be derived from the asset group.

If the recoverable amount of an asset or an asset group is less than its carrying amount, the difference is recognized in profit or loss and provision for impairment loss of the asset is recognized accordingly.

Once an impairment loss on the above assets is recognized, it is not reversed in a subsequent period.

11. Estimated liabilities

An obligation related to a contingency is recognized as a provision when all of the following conditions are satisfied: (1) the obligation is a present obligation of the Company; (2) it is probable that an outflow of economic benefits will be required to settle the obligation; and (3) the amount of the obligation can be measured reliably.

At the balance sheet date, a provision is measured at the best estimate of the expenditure required to settle the related present obligation, taking into account the factors pertaining to a contingency such as the risks, uncertainties and time value of money.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

12. Employee benefits

In the accounting period in which an employee has rendered services, the Company recognizes the employee benefits payable for those services as a liability.

Expenditure related to payments for employees' social welfare system established by the State, including pensions, medical insurance, housing funds and other social welfare contributions, is included in the cost of related assets or profit or loss for the period in which they are incurred.

13. Revenue recognition

13.1 Revenue from the sale of goods

Revenue from the sale of goods is recognized only when all of the following conditions are satisfied: (1) the Company has transferred to the buyer the significant risks and rewards of ownership of the goods; (2) the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold; (3) the amount of revenue can be measured reliably; (4)

it is probable that the associated economic benefits will flow to the Company; and (5) the associated costs incurred or to be incurred can be measured reliably.

14. Government grants

Government grants are the transfer of monetary assets from the government to the Company at no consideration. A government grant is recognized when the Company complies with the conditions attaching to the grant and when the Company is able to receive the grant.

If the government grant is a monetary asset, the government grant should be recognized by the amount received or receivable.

A government grant related to an asset is recognised as deferred income, and evenly amortised to profit or loss over the useful life of the related asset.

For a government grant related to income, if the grant is a compensation for related expenses or losses to be incurred in subsequent periods, the grant is recognized as deferred income, and recognized in profit or loss over the periods in which the related costs are recognized; if the grant is a compensation for related expenses or losses already incurred, the grant is recognized immediately in profit or loss for the current period.

15. Borrowing costs

For borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset, capitalization of such borrowing costs can commence only when all of the following conditions are satisfied: (1) expenditures for the asset are being incurred; (2) borrowing costs are being incurred; and (3) activities relating to the acquisition, construction or production of the asset that are necessary to prepare the asset for its intended use or sale have commenced. Capitalization of such borrowing costs ceases when the qualifying assets being acquired, constructed or produced become ready for their intended use or sale.

The amount of other borrowing costs incurred is recognized as expenses in the period in which they are incurred.

Where funds are borrowed under a specific-purpose borrowing, the amount of interest to be capitalized is the actual interest expense incurred on that borrowing for the period less any bank interest earned from depositing the borrowed funds before being used on the asset or any investment income on the temporary investment of those funds. Where funds are borrowed under general-purpose borrowings, the amount of interest to be capitalized on such borrowings is determined by applying a capitalization rate to the weighted average of the excess amounts of cumulative expenditure on the asset over and above the amounts of specific-purpose borrowings. The capitalization rate is the weighted average of the interest rates applicable to the general-purpose borrowings.

16. Income taxes

Income taxes include current income taxes, deferred tax assets and deferred tax liabilities.

16.1. Current income taxes

At the balance sheet date, current income tax liabilities (or assets) for the current and prior periods are measured at the amount expected to be paid (or recovered) according to the requirements of tax laws.

16.2. Deferred tax assets and deferred tax liabilities

Temporary differences arising from the difference between the carrying amount of an asset or liability and its tax base, or the difference between the tax base and the carrying amount of those items that are not recognized as assets or liabilities but have a tax base that can be determined according to tax laws, are recognized as deferred tax assets and deferred tax liabilities using the balance sheet liability method.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets for deductible temporary differences are recognized to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilized. However, for temporary differences associated with the initial recognition of goodwill or the initial recognition of an asset or liability arising from a transaction that is not a business combination and does

not affect neither the accounting profit nor taxable profits (or deductible losses) at the time of transaction, no deferred tax asset or liability is recognized.

For the carry forward of deductible losses and tax credits, deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which the deductible losses and tax credits can be utilized.

At the balance sheet date, deferred tax assets and liabilities are measured at the tax rates, which are expected to apply to the period in which the asset is realized or the liability is settled according to tax laws.

Current and deferred tax expenses or income are recognized in profit or loss for the current period, except when they arise from transactions or events that are directly recognized in other comprehensive income or in equity, in which case they are recognized in other comprehensive income or in equity, and when they arise from business combinations, in which case they adjust the carrying amount of goodwill.

At the balance sheet date, the carrying amount of deferred tax assets is reviewed and reduced if it is no longer probable that sufficient taxable profits will be available in the future to allow the benefit of deferred tax assets to be utilized. Any such reduction in amount is reversed when it becomes probable that sufficient taxable profits will be available.

16.3. Offset of deferred tax assets and deferred tax liabilities

When the Company has a legal right to settle on a net basis and intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously, current tax assets and current tax liabilities are offset and presented on a net basis.

When the Company has a legal right to settle current tax assets and liabilities on a net basis, and deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax assets and liabilities on a net basis or to realize the assets and liabilities simultaneously, in each future period in which significant amounts of deferred tax assets or liabilities are expected to be reversed, deferred tax assets and deferred tax liabilities are offset and presented on a net basis.

17. Translations of transactions denominated in foreign currencies

A foreign currency transaction is recorded, on initial recognition in the functional currency, by applying an exchange rate that approximates the actual spot exchange rate on the date of transaction.

At the balance sheet date, foreign currency monetary items are translated into RMB using the spot exchange rate at the balance sheet date. Exchange differences arising from the differences between the spot exchange rate prevailing at the balance sheet date and those spot rates used on initial recognition or at the previous balance sheet date are recognized in profit or loss for the current period.

Foreign currency non-monetary items measured at historical cost continue to be translated at the spot exchange rates at the dates of transactions, the amounts in functional currency remain unchanged. Foreign currency non-monetary items carried at fair value are translated using the spot exchange rates at the date when the fair value was determined. Differences between the translated amount and the original amount of functional currency are accounted for as changes in fair value (including changes in foreign exchange rates) and included in profit or loss for the period or owners' equity.

18. Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

18.1. The Company records operating leases as lessee

Operating lease payments are recognized on a straight-line basis over the term of the relevant lease, and are either included in the cost of related asset or charged to profit or loss for the current period. Initial direct costs incurred are charged to profit or loss for the period. Contingent rents are charged to profit or loss in the period in which they are actually incurred.

IV. BASIS OF DETERMINING SIGNIFICANT ACCOUNTING POLICIES AND KEY ASSUMPTIONS AND UNCERTAINTIES IN ACCOUNTING ESTIMATES

In the application of the Company's accounting policies, which are described in Note III, the Company is required to make judgments, estimates and assumptions about the carrying amounts of items in the financial statements that cannot be measured accurately, due to the internal uncertainty of the operating activities. These judgments, estimates and assumptions are based on historical experiences of the Company's management as well as other factors that are considered to be relevant. Actual results may differ from these estimates.

The aforementioned judgments, estimates and assumptions are reviewed regularly on a going concern basis. The effect of a change in accounting estimate is recognized in the period of the change, if the change affects that period only; or recognized in the period of the change and future periods, if the change affects both.

- Critical judgments in applying accounting policies

Useful lives of fixed assets and intangible assets

The Company reviews the useful lives of fixed assets and intangible assets at least at each financial year-end. When the re-estimation results regarding the useful lives of fixed assets and intangible assets differ from the existing estimate, the difference will affect the net book value of fixed assets and intangible assets in the period of the change.

Provision for decline in value of inventories

The Company's inventories are measured at the lower of cost and net realizable value. If the cost of inventories is higher than the net realizable value, a provision for decline in value of inventories shall be recognized. The provision for decline in value of inventories requires judgments and estimate. If re-estimation results differ from the existing estimates, the difference will affect the net book value of inventories in the period of the change.

Impairment of accounts receivable

The Company recognizes bad debt on the based on judgments of collectability of receivables. If there is objective evidence that account receivables could not be received, the bad debt should be recognized. The determination of bad debts requires judgments and estimates. If re-estimation results differ from the existing estimates, the difference will affect the net book value of account receivables in the period of the change.

Taxation

In daily operating activities of the Company, there is existing uncertainties about differences between the final taxation treatments and accounting treatments. For items listed as deductible against revenue in income statement, those calculation treatments must be approved by the local government authority. If final recognitions of taxation items result differ from the existing accounting treatments, those differences will affect the net book value of current taxation and deferred taxation in the period of settlement.

V. TAXATION

VAT

Value added tax ("VAT") on sales is calculated at 13% on revenue according to the relevant requirements of tax laws and paid after deducting input VAT on purchases.

Income Taxes

According to Su Gao Qi Xie [2012] No.20 "the public notification of Jiangsu Province 2012 second batch of high-new technology enterprise list" issued by the Jiangsu Province High-New Technology Enterprise Identification Administrative Group, the Company has been recognised as a high-new technology enterprise, and obtained the certificate numbered as GR201232001792 with an effective period of three years from 2012 to 2014. Therefore the Company applies a preferential income tax rate of 15% for high-new technology enterprises in 2014.

VIII. Financial Instruments and Risk Management

The Company's major financial instruments include currency funds, borrowings, accounts receivable, other receivables, notes payable, account payables and other payables. Details of these financial instruments are disclosed in Note VI. The risks associated with these financial instruments and the policies on how to mitigate these risks are set out below. Management manages and monitors these exposures to ensure appropriate measures are implemented on a timely and effective manner.

1. Risk management objectives and policies

The Company's risk management objectives are to achieve proper balance between risks and yield, minimise the adverse impacts of risks on the Company's operation performance, and maximise the benefits of the shareholders and other equity investors. Based on these risk management objectives, the Company's basic risk management strategy is to identify and analyse the industry's exposure to various risks, establish appropriate bottom line for risk tolerance, implement risk management, and monitors these exposures to ensure appropriate measures are implemented on a timely and effective manner.

1.1. Market risk

1.1.1. Currency risk

Currency risk is the risk that losses will occur because of changes in foreign exchange rates. The Company's exposure to the currency risk is primarily associated with USD. Except for overseas sales denominated in USD, the Company's other principal activities are denominated and settled in RMB. As at 31 December 2014, except for the following assets denominated in USD, the other assets and liabilities balances are all denominated in RMB. Those assets denominated in USD are exposed to currency risk and may influence the operating results of the Company.

	2014 RMB	2013 RMB
Currency funds	<u>2,166,921.05</u>	<u>283,316.26</u>

The Company closely monitors the effects of changes in the foreign exchange rates on the Company's currency risk exposures. Currently, the Company has not taken any measurements to mitigate the currency risk.

1.1.2. Interest rate risk - risk of changes in cash flow

The Company's cash flow interest risk relates primarily to variable-rate borrowings through the variable-rate bank borrowings. As at 31 December 2014, variable-rate bank borrowings amounted to RMB 58,000,000.00 (2013: RMB 76,500,000.00).

1.2. Credit risk

As at 31 December 2014, the Company's maximum exposure to credit risk which will cause a financial loss to the Company due to failure to discharge an obligation by the counterparties.

In order to minimize the credit risk, the Company has delegated a team responsible for determination of credit limits, credit approvals and other monitoring procedures to ensure that follow-up action is taken to recover overdue debts. In addition, the Company reviews the recoverable amount of each individual trade debt at each balance sheet date to ensure that adequate impairment losses are made for irrecoverable amounts. In this regard, the management of the Company consider that the Company's credit risk is significantly reduced.

The credit risk on liquid funds is limited because the counterparties are banks with high credit ratings assigned by international credit-rating agencies.

The Company has adopted a policy of only dealing with creditworthy counterparties, and has no significant concentration of credit risk.

1.3 Liquidity risk

In the management of the liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the Company's operations and mitigate the effects of fluctuations in cash flows. The management monitors the utilisation of bank borrowings and ensures compliance with loan covenants.

The following is the maturity analysis for financial assets and financial liabilities held by the Company which is based on undiscounted remaining contractual obligations:

	Within 1 year RMB	1-5 years RMB	Undiscounted cash flows RMB	Net book value RMB
Financial assets:				
Currency funds	63,982,082.72	–	63,982,082.72	63,982,082.72

Financial liabilities:				
Short-term borrowings	228,744,165.00	–	228,744,165.00	225,000,000.00
Notes payable	72,000,000.00	–	72,000,000.00	72,000,000.00
Accounts payable	146,150,469.00	–	146,150,469.00	146,150,469.00
Interest payable	940,120.17	–	940,120.17	940,120.17
Other payables	60,681,627.67	–	60,681,627.67	60,681,627.67
Non-current liabilities due within one year	39,167,360.00	–	39,167,360.00	38,000,000.00
	547,683,741.84	–	547,683,741.84	542,772,216.84

2. Fair value

Fair values of the financial assets and financial liabilities are determined in accordance with generally accepted pricing models based on discounted cash flow analysis or using prices from observable current market transactions.

The management considers that the carrying amounts of financial assets and financial liabilities recorded at amortized cost in the financial statements approximate their fair values.

3. Sensitivity analysis

The Company adopts sensitivity analysis techniques to analyze how the entity's profit and loss for the period and owners' equity would have been affected by changes in the relevant risk variables that were reasonably possible. As it is unlikely that risk variables will change in an isolated manner, and the interdependence between risk variables will have significant effect on the amount ultimately influenced by the changes in a single risk variable, the following items are based on the assumption that each risk variable has changes on a stand-alone basis.

3.1 Currency risk

Where all other variables are held constant, the reasonably possible changes in the foreign exchange rate may have the following pre-tax effect on the profit or loss for the period or equity:

Item	Changes in exchange rate	2014 Effect on profits RMB	2013 Effect on profits RMB
USD	5% increase against RMB	108,346.05	14,165.81
USD	5% decrease against RMB	(108,346.05)	(14,165.81)

3.2 Sensitivity analysis on interest rate risk

The sensitivity analyses below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rates had been 50 basis points higher/lower and all other variables were held constant, the Company's profit for the year ended 31 December 2014 would decrease/increase by RMB 290,000.00 (2013: RMB 380,000.00). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowing.

IX. COMMITMENTS

Capital commitment

	2014 RMB'000	2013 RMB'000
Contracted but not provided in financial statements		
Commitment for acquisition of non-current assets	1,274	9,427

X. Other Matter

On 29 March 2012, the Company and its parent company, Mahindra Mauritius, entered into an equity transfer agreement in relation to Jiangxi Mahindra Yueda. Jiangxi Mahindra Yueda is a Sino-foreign equity joint venture established on 11 January 2005, in which Mahindra Mauritius holds 89.37% equity interest. Pursuant to the equity transfer agreement, Mahindra Mauritius will transfer all its equity interest in Jiangxi Mahindra Yueda to the Company with a consideration of RMB 47.69 million. On 5 September 2012, Jiangxi Mahindra Yueda renewed the business registration. As at 31 December 2012 and 31 December 2013, the Company has not yet paid the consideration to Mahindra Mauritius. Hence, Jiangxi Mahindra Yueda is not accounted for a subsidiary of the Company in the financial statements for the year ended 31 December 2012 and 31 December 2013.

The above agreement could not be fruitfully completed due to special reasons, and both parties decided to pursue a third party buyer, and the Company will not pay the consideration for acquisition of Jiangxi Mahindra Yueda to Mahindra Mauritius.

On 27 May 2014, the Company signed an equity transfer agreement with Gaoan Nante Dongteng Construction Machinery Manufacture Co. Ltd("Gaoan Nante"). Pursuant to this agreement, the Company has transferred all its equity interest of Jiangxi Mahindra Yueda to Gaoan Nante. On 17 June 2014, Jiangxi Mahindra Yueda renewed the business registration.

IV. Financial Instruments and Risk Management

The Company's major financial instruments include currency funds, borrowings, accounts receivable, other receivables, notes payable, account payables and other payables. Details of these financial instruments are disclosed in Note II. The risks associated with these financial instruments and the policies on how to mitigate these risks are set out below. Management manages and monitors these exposures to ensure appropriate measures are implemented on a timely and effective manner.

1. Risk management objectives and policies

The Company's risk management objectives are to achieve proper balance between risks and yield, minimise the adverse impacts of risks on the Company's operation performance, and maximise the benefits of the shareholders and other equity investors. Based on these risk management objectives, the Company's basic risk management strategy is to identify and analyse the industry's exposure to various risks, establish appropriate bottom line for risk tolerance, implement risk management, and monitors these exposures to ensure appropriate measures are implemented on a timely and effective manner.

1.1. Market risk

1.1.1. Currency risk

Currency risk is the risk that losses will occur because of changes in foreign exchange rates. The Company's exposure to the currency risk is primarily associated with USD. Except for overseas sales denominated in USD, the Company's other principal activities are denominated and settled in RMB. As at 31 December 2014, except for the following assets denominated in USD, the other assets and liabilities balances are all denominated in RMB. Those assets denominated in USD are exposed to currency risk and may influence the operating results of the Company.

	2014 INR	2013 INR
Currency funds	<u>22,059,256.29</u>	<u>2,884,159.53</u>

The Company closely monitors the effects of changes in the foreign exchange rates on the Company's currency risk exposures. Currently, the Company has not taken any measurements to mitigate the currency risk.

1.1.2. Interest rate risk – risk of changes in cash flow

The Company's cash flow interest risk relates primarily to variable-rate borrowings through the variable-rate bank borrowings. As at 31 December 2014, variable-rate bank borrowings amounted to INR 590,440,000.00 (2013: INR 773,680,000.00).

1.2. Credit risk

As at 31 December 2014, the Company's maximum exposure to credit risk which will cause a financial loss to the Company due to failure to discharge an obligation by the counterparties.

In order to minimize the credit risk, the Company has delegated a team responsible for determination of credit limits, credit approvals and other monitoring procedures to ensure that follow-up action is taken to recover overdue debts. In addition, the Company reviews the recoverable amount of each individual trade debt at each balance sheet date to ensure that adequate impairment losses are made for irrecoverable amounts. In this regard, the management of the Company consider that the Company's credit risk is significantly reduced.

The credit risk on liquid funds is limited because the counterparties are banks with high credit ratings assigned by international credit-rating agencies.

The Company has adopted a policy of only dealing with creditworthy counterparties, and has no significant concentration of credit risk.

1.3. Liquidity risk

In the management of the liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the Company's operations and mitigate the effects of fluctuations in cash flows. The management monitors the utilisation of bank borrowings and ensures compliance with loan covenants.

The following is the maturity analysis for financial assets and financial liabilities held by the Company which is based on undiscounted remaining contractual obligations:

	Within 1 year INR	1-5 years INR	Undiscounted cash flows INR	Net book value INR

2. Fair value

Fair values of the financial assets and financial liabilities are determined in accordance with generally accepted pricing models based on discounted cash flow analysis or using prices from observable current market transactions.

The management considers that the carrying amounts of financial assets and financial liabilities recorded at amortized cost in the financial statements approximate their fair values.

3. Sensitivity analysis

The Company adopts sensitivity analysis techniques to analyze how the entity's profit and loss for the period and owners' equity would have been affected by changes in the relevant risk variables that were reasonably possible. As it is unlikely that risk variables will change in an isolated manner, and the interdependence between risk variables will have significant effect on the amount ultimately influenced by the changes in a single risk variable, the following items are based on the assumption that each risk variable has changes on a stand-alone basis.

3.1. *Currency risk*

Where all other variables are held constant, the reasonably possible changes in the foreign exchange rate may have the following pre-tax effect on the profit or loss for the period or equity:

Item	Changes in exchange rate	2014	2013
		Effect on profits INR	Effect on profits INR
USD	5% increase against RMB	1,102,962.79	144,207.95
USD	5% decrease against RMB	(1,102,962.79)	(144,207.95)

 3.2 *Sensitivity analysis on interest rate risk*

The sensitivity analyses below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rates had been 50 basis points higher/lower and all other variables were held constant, the Company's profit for the year ended 31 December 2014 would decrease/increase by INR 2,952,200.00 (2013: INR 3,868,400.00). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowing.

V. COMMITMENTS

	2014 INR '000	2013 INR '000
Contracted but not provided in financial statements		
Commitment for acquisition of non-current assets	12,969.32	95,966.86

VI. Other Matter

On 29 March 2012, the Company and its parent company, Mahindra Mauritius, entered into an equity transfer agreement in relation to Jiangxi Mahindra Yueda. Jiangxi Mahindra Yueda is a Sino-foreign equity joint venture established on 11 January 2005, in which Mahindra Mauritius holds 89.37% equity interest. Pursuant to the equity transfer agreement, Mahindra Mauritius will transfer all its equity interest in Jiangxi Mahindra Yueda to the Company with a consideration of INR 48.548 million. On 5 September 2012, Jiangxi Mahindra Yueda renewed the business registration. As at 31 December 2012 and 31 December 2013, the Company has not yet paid the consideration to Mahindra Mauritius. Hence, Jiangxi Mahindra Yueda is not accounted for a subsidiary of the Company in the financial statements for the year ended 31 December 2012 and 31 December 2013.

The above agreement could not be fruitfully completed due to special reasons, and both parties decided to pursue a third party buyer, and the Company will not pay the consideration for acquisition of Jiangxi Mahindra Yueda to Mahindra Mauritius.

On 27 May 2014, the Company signed an equity transfer agreement with Gaoan Nante Dongteng Construction Machinery Manufacture Co. Ltd. ("Gaoan Nante"). Pursuant to this agreement, the Company has transferred all its equity interest of Jiangxi Mahindra Yueda to Gaoan Nante. On 17 June 2014, Jiangxi Mahindra Yueda renewed the business registration.

DIRECTORS' REPORT

Your Directors present their Report together with the audited accounts of the Company for the period ended 31st March 2015.

Company Operations

Your Company was primarily focused on development and testing of its engineering beta prototypes and making design changes to ensure it launches with a high quality product, that has innovative features and is positioned to provide a fun, no hassles riding and ownership experience to the consumers in the United States. The Company assembled six (6) more prototypes in August 2014 to validate and test several of the design and engineering changes followed by creation of engineering documentation and assembly of six (6) additional market testing bikes in February 2015, two of which were sent to the Formula E racing events in Florida and Los Angeles. This was the second full year of operations for your Company that commenced operations on April 1, 2013 as a 100%

subsidiary of Mahindra USA Inc. During the year, the Company increased its Authorized Share Capital and made an offering of its shares to Mahindra Overseas Investment Company (Mauritius) Limited (MOICML). Effective December 1, 2014, the Company is a 100% subsidiary of MOICML. Its expenditures for the year were primarily for development of product and supply chain and for the exploration of marketing channels for selling and distribution of its Genze 2.0 electric two-wheeler and the electric bike. The Company acquired several leased facilities during the year – one in Ann Arbor, Michigan for the setting up of assembly operations for this two-wheeler product and the others in Portland, Oregon and Torrance, Los Angeles as fulfillment centers to warehouse and services its products. The Company also moved its Headquarters to Fremont, California, and opened up its first retail store in Palo Alto, California. Your company launched the electric bike this fiscal year in its store and through e-commerce and plans to launch the innovative Genze 2.0 in the coming fiscal year and work towards becoming the market leader in the two-wheeler transportation segment.

INDEPENDENT AUDITORS' REPORT

Board of Directors

Mahindra Tractor Assembly, Inc.

We have audited the accompanying balance sheets of Mahindra Tractor Assembly, Inc. ('the Company') as of March 31, 2015 and March 31, 2014 and the related statement of loss, stockholder's equity/deficit and cash flow for the years ended on March 31, 2015 and March 31, 2014. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly in all material respects, the financial position of the Company as of March 31, 2015 and March 31, 2014 and the results of its operations and the cash flows for the years then ended, in accordance with the accounting principles generally accepted in the United States of America.

Emphasis of matter

The presentation of financial information in Indian rupees in the financial statements is not a required part of the basic financial statements. We have verified the arithmetic accuracy of the presentation based upon exchange rate provided by the Company's management. We did not audit and do not express an opinion on such information, and our opinion is not modified with respect to this matter.

Other matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary financial information as per Note T includes the balance sheet as on November 30, 2014 and the statements of income, stockholder's equity and cash flows for the period ended November 30, 2014 and is presented for purpose of consolidation with Mahindra USA, Inc., the parent company till November 30, 2014 and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS MARCH 31, 2015

NOTE A – NATURE OF OPERATIONS

Mahindra Tractor Assembly, Inc. (“MTAI” or the “Company”) a company incorporated in the State of Delaware on January 25, 2013 commenced business on April 1, 2013. The Company was owned by Mahindra USA, Inc. (“MUSA”), a Texas Corporation, which sells tractors, parts, attachments and accessories in North America under wholesale distribution agreements till November 2014. MUSA is a subsidiary of Mahindra & Mahindra Limited (“M&M”); a public listed Indian company (“the ultimate parent company”).

Ownership of MTAI was transferred from Mahindra USA, Inc. to Mahindra Overseas Investment Company Mauritius Limited (“MOICM”) in November, 2014, by issuance of 5,600,000 additional shares of \$1 each. Further 10,000 shares held by Mahindra USA, Inc. were also transferred to the new parent company, MOICM.

The Company was formed to sell electric powered scooters (hereinafter the “Mahindra GenZe Product” or “the Product”) in North America.

On April 1, 2013, MTAI, entered into an agreement with M&M., to develop the Product, establish the component supply chain and determine the marketing channels for future sales of the Product. The scope of services that the Company renders to M&M per the agreement includes –

1. Engaging the services of design, pro typing, engineering experts for development of the Product.
2. Engaging with state level and other authorities for testing of product and other statutory and other approvals as may be necessary for development of the Product.
3. Registering the use of intellectual property resulting out of the services engagement.
4. Establish a reliable supply chain for the entire bill of materials developed for the Product.
5. Determine and develop alternative marketing channels for the Product.

The agreement shall continue until March 31, 2020 and can be extended by mutual consultation in writing.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

1. Basis of preparation

- a. The accompanying financial statements are prepared under the historical cost convention on the accrual basis of accounting in accordance with the accounting and reporting requirements of generally accepted accounting principles in the United States (“US GAAP”) to reflect the financial position, results of operation and cash flows of the Company. The Company meets the definition of non-public entity and accordingly, relaxations from specific disclosures have been considered wherever available.
- b. The financial statements are for the year April 1, 2014 to March 31, 2015 and April 1, 2013 to March 31, 2014.
- c. The financial information in this report is shown in both US Dollars (USD) and in Indian Rupees (INR). For March, 31, 2015 and March 31, 2014, dollar amounts are translated for convenience into Indian rupees at exchange rate of 62.64 INR per dollar average of the telegraphic transfer buying and selling rates quoted by the Mumbai branch of State Bank of India on March 31, 2015. Within the notes to the financial statements, Indian rupee amounts are shown parenthetically following the U.S. dollar amount.
- d. Certain reclassifications, regroupings and reworking have been made in the financial statements of prior periods to conform to the classifications used in the current year. These changes had no impact on previously reported net income or stockholders’ equity/deficit.

2. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires

management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

3. Cash and cash equivalents

The Company considers all cash accounts, money market accounts, and certificates of deposit with maturities of less than three months to be cash and cash equivalents. Cash balances in bank accounts are insured by the Federal Deposit Insurance Corporation up to an aggregate of \$250,000.

4. Revenue recognition

The Company renders research and development services that are reimbursed by a third party. Revenues on this cost-plus contract are recognized as the services are performed. The Company’s effort, measured on a monthly basis, represents the contractual milestone or output measure, which is the contractual earnings pattern.

The Company recognizes revenues when assembled E-Bikes have been shipped pursuant to a purchase order or other contractual arrangement, the sales price is fixed or determinable, and collectability is reasonably assured. The Company’s revenues are also generated from the sale of accessories.

5. Government incentive

The Company receives incentive from the Michigan Economic Development Council in the form of grants. Grants are recognized at their fair values in the statement of loss where there is a reasonable assurance that grant is received and all attaching conditions will be complied with.

6. Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation. Cost of items of property, plant and equipment comprise cost of purchase and other costs necessarily incurred to bring it to the condition and location necessary for its intended use. The Company depreciates property, plant and equipment over the estimated useful life using the straight-line method. Upon retirement or disposal of assets, the cost and accumulated depreciation will be eliminated from the accounts and the resulting gain or loss will be credited or charged to operations.

The estimated useful life used to determine depreciation is:

Engineering equipment	3 years
Factory equipment	5 years
Computers	3 years
Vehicles	2-5 years
Leasehold improvements	Lease term

The cost of property, plant and equipment not ready for use before such date are disclosed under capital work-in-progress.

7. Impairment of long-lived assets

Long-lived assets, including certain identifiable intangible assets, to be held and used are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. Such assets are considered to be impaired if the carrying amount of the assets is higher than the future undiscounted net cash flows expected to be generated from the assets. The impairment amount to be recognized is measured by the amount by which the carrying value of the assets exceeds its fair value.

8. Accounts receivable & allowance for doubtful accounts

Accounts receivable from ultimate parent company represent service fee receivable. Trade receivables represents receivable on sale of E-Bikes and accessories. The Company does not maintain an allowance for doubtful account for the parent company receivable. For the trade receivables, the Company follows the specific identification method for recognizing allowance for doubtful debts. Management analyzes composition of the accounts receivable aging, historical bad debts, current economic trends and customer credit worthiness of each accounts receivable when evaluating the adequacy of the allowance for doubtful accounts. Allowance for doubtful debt is included in marketing and selling expenses in the statements of comprehensive income.

9. *Research and development costs*

Revenue expenditure on research and development is expensed as incurred. Capital expenditure incurred on equipment and facilities that are acquired or constructed for research and development activities and having alternative future uses is capitalized as tangible assets when acquired or constructed.

10. *Income taxes*

In accordance with the provisions of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 740 "Income Taxes," income taxes are accounted for using the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and operating loss carry-forwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. The deferred tax asset is reduced by a valuation allowance if it is more likely than not that some portion or all of the asset will not be realized.

11. *Inventories*

Inventories are stated at the lower of cost and market value. Cost is determined using the weighted average method. Cost in the case of raw materials comprises the purchase price and attributable direct costs, less trade discounts. Cost in the case of work-in-progress and finished goods comprise direct labor, material cost and production overheads. A write down of inventory to the lower of cost or market value at the close of a fiscal period creates a new cost basis and is not marked up based on changes in underlying facts and circumstances. Inventories are reviewed on a periodic basis for identification and write-off of slow moving, obsolete and impaired inventory. Such write-downs, if any, are included in cost of revenues.

12. *Fair value measurements and financial instruments*

The Company applies fair value measurements to certain assets, liabilities and transactions that are periodically measured at fair value.

Assets and liabilities recorded at fair value in the financial statements are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Hierarchical levels which are directly related to the amount of subjectivity associated with the inputs to the valuation of these assets or liabilities are as follows:

Level 1 – unadjusted quoted prices in active markets for identical assets or liabilities that the Company has the ability to access as of the measurement date.

Level 2 – inputs other than quoted prices included within Level 1 that are directly observable for the asset or liability or indirectly observable through corroboration with observable market data.

Level 3 – unobservable inputs for the asset or liability only used when there is little, if any, market activity for the asset or liability at the measurement date.

This hierarchy requires the Company to use observable market data, when available, and to minimize the use of unobservable inputs when determining fair value.

The Company's financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities. The estimated fair value of cash, accounts receivable, accounts payable and accrued liabilities approximate their carrying amounts due to the short-term nature of these instruments. None of these instruments are held for trading purposes.

13. *Operating leases*

Lease rent expenses on operating leases are charged to expense over the lease term. Certain operating lease agreements provide for scheduled rent increases over the lease term. Rent expense for such leases is recognized on a straight-line basis over the lease term.

Current deferred tax assets, net	158,783	9,946,179	127,926	8,013,285

The Company has provided a valuation allowance of USD 1,696,247 [INR 106,252,912] and USD 844,746 [INR 52,914,889] as of March 31, 2015 and March 31, 2014, respectively, against the net deferred tax assets. The change in valuation allowance is USD 811,501 [INR 50,832,423] during the year ended March 31, 2015.

As on March 31, 2015, the Company has the following carry forwards:

	Research and development credit		Foreign tax credit	
	USD	INR	USD	INR
Amount	216,949	13,589,685	1,696,247	106,252,912
Expiry will start from	Tax year 2033		Tax year 2023	

In assessing the realization of deferred tax assets, the likelihood of whether it is more likely than not that some portion or all of the deferred tax assets will not be realized must be considered. The ultimate realization of deferred tax assets is dependent on the generation of future taxable income during the periods in which temporary difference become deductible. Management considers the projected future taxable income and tax planning strategies in making this assessment. Based on the level of projections for future taxable income for which the deferred tax assets are deductible, the management believes there exists significant uncertainties regarding the realization of deferred tax assets on the foreign tax credits and accordingly, a valuation allowance of \$ 1,696,247 [INR 106,252,912] has been recorded as on March 31, 2015.

The Company recognizes the financial statement impact of a tax position when it is more likely than not that the position will be sustained upon examination. The adoption of this standard had no material effect on the Company's financial position, results of operation or cash flows

The tax years 2012 and 2013 remains subject to examination by the taxing authorities.

NOTES TO THE FINANCIAL STATEMENTS AT 31/03/2015

Introduction

Dear Partners/Shareholders,

The present financial statement, presented to your attention for examination and approval, shows an operating loss equal to Euro 79,689.

General

Your company is engaged in the field of management and organization of technical and race teams for the participation in sports competition in the motorcycle sector, at professional level, in national and international competitions. Your company is also active in the field of promotion and management of the brand and merchandising activities.

Basis of Preparation of Financial Statements

These financial statements have been drawn up in accordance with articles 2423 ff of the Italian Civil Code, as appears from these Notes, which have been prepared pursuant to articles. 2427 of the Italian Civil Code and are an integral part of the financial statements within the meaning and for the purposes of articles 2423.

The financial statements' values are represented in units of Euro by rounding of the related amounts. Any rounding difference has been indicated under the heading "Reserve rounding Euro" between the items "Quota-holders capital" and "Rounding in Euro" under the item "extraordinary income and charges" in the Profit and Loss Account.

Basis of Accounting

The criteria used for drawing up the financial statements at March 31, 2015 do not differ from those used for the drafting of the financial statements of the previous financial year, particularly in terms of evaluations and in the continuity of the same principles.

The evaluation of the financial statements' items has been carried out on the basis of the general criteria of prudence and accrual, on a continuative basis of the activities, by evaluating the economic function of the assets as well as of the liabilities taken into account.

The application of the prudential basis of the accounting resulted in the evaluation of the single components of each value or asset or liability, in order to avoid any offset between losses that should have been recognized and/or profits that should have not been recognised if not realised.

In compliance to the accruals method, the effects of the transactions and of the other events have been reflected on the accounts and attributed to the fiscal year to which the transactions and the events refer, and not to the one in which the related collections and payments have occurred.

The fact that the evaluations considers the economic function of the assets or liabilities taken into account, which expresses the principle of prevalence of the substance over the form - mandatory where not conflicting with other specific rules governing the financial statements - makes it possible to represent the transactions according to the economic reality underlying the formal aspects.

In particular, the following accounting policies have been applied:

Fixed assets

Tangible assets

The Tangible Assets have been recorded at their purchase cost and are adjusted by the relevant accumulated depreciation funds.

The book value includes the ancillary costs as well as the costs incurred for the use of the fixed tangible asset, less any trade discounts and any significant cash discounts.

The depreciation charged to the Profit and Loss Account has been calculated on the basis of the remaining "useful life" of the assets, taking into account their use, destination and economic-technical life, and we believe that this is well reflected by the following rates, in the year in which the asset has been put to use:

- Computers : 25%

Accounts receivable

The Account receivables have been recorded at their presumed realisable value.

Misc. Expenditure to the extent not written off.

The start-up and expansion costs, having a utility that stretches over the years, have been recorded as assets with the approval of the Board of Statutory Auditors and are to be written off over 4 years.

Accounts payable

Accounts payable have been recorded at their nominal value, adjusted by any returns of goods or credit notes.

Accrued liabilities/income – prepayments/deferred income

These have been determined on an actual accruals basis of the financial period.

For long term accruals have been verified the conditions that led to its original registration, adopting, if necessary, appropriate changes.

The Accrued Incomes measure the income and expenses which competence is anticipated or delayed with respect to the numeracy and/or documental evidence; said incomes are independent from the date of payment or collection of the connected income and expenses, related to two or more financial years and divisible on a time basis.

Income taxes

The income taxes are accrued in accordance with the competence principle and include as following indicated:

- the accruals for the taxes paid or to be paid in the financial year, determined according to the current rates and regulation;

Recognition of income

The financial revenues and those deriving from the carrying out of services are acknowledged on an accrual basis.

Dear Shareholders

Your Director present their First Report together with the audited accounts of your Company for the period ended 31st March 2015.

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

select suitable accounting policies and then apply them consistently;

make judgments and accounting estimates that are reasonable and prudent;

prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS' REPORT

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MAHINDRA RACING UK LIMITED

We have audited the financial statements of Mahindra Racing UK Limited for the period ended 31 March 2015, which comprise the Profit and Loss Account, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the company's shareholders, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITOR

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2015 and of its loss for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and to take advantage of the small companies' exemption from the requirement to prepare a Strategic Report or in preparing the Directors' Report.

Notes to the financial statements at 31/03/2015

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). The financial statements have also been prepared on the going concern basis which is dependent upon the financial support of the company's ultimate parent undertaking.

1.2 Turnover

Turnover comprises revenue recognised by the company in respect of sponsorship income receivable in the period.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Computer equipment - 33% straight line

1.4 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

1.5 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the balance sheet date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Profit and Loss Account.

1.6 Research and development

The company incurs costs in developing cars for racing. The degree of technological change and constant revisions to cars for these purposes means that the company has adopted a policy of charging all such costs to the Profit and Loss Account as they are incurred.

2. RELATED PARTY TRANSACTIONS

During the period the company received sponsorship income amounting to £3,224,498 from Mahindra & Mahindra Limited, its ultimate parent undertaking. At the balance sheet date there was an amount of £199,540 owed to this company and an amount of £144,443 owed to that same company.

3. ULTIMATE PARENT UNDERTAKING AND CONTROLLING PARTY

The company's immediate parent undertaking is Mahindra Overseas Investment Company (Mauritius) Limited, a company incorporated in Mauritius. The ultimate parent undertaking is Mahindra & Mahindra Limited, a company incorporated in India.

INDEPENDENT AUDITOR’S REPORT

To the Shareholders of
Mahindra Emirates Vehicle Armouring FZ-L.L.C.
Ras Al Khaimah, UAE

Report on the financial statements

We have audited the accompanying financial statements of **Mahindra Emirates Vehicle Armouring FZ-L.L.C. (the “Company”)**, which comprise the statement of financial position as at 31 March 2015 and the statements of comprehensive income, changes in equity and cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

Management’s responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. An audit also includes evaluating the appropriateness of accounting policies

used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of **Mahindra Emirates Vehicle Armouring FZ-L.L.C.** as at 31 March 2015 and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards.

Emphasis of matters

Without qualifying our opinion, we draw attention to Note 2.3 to the financial statements, the INR Amounts in the accompanying financial statements are presented as supplementary information solely for the convenience of users. Such supplementary information does not form part of the financial statements. We have not audited this supplementary information and, accordingly, we do not express an opinion on this supplementary information.

Report on Other Legal and Regulatory Requirements

Also, in our opinion, the Company has maintained proper books of account and the physical inventory was properly conducted. We obtained all the information which we considered necessary for our audit. According to the information available to us, there were no contraventions during the year of the U.A.E. Federal Commercial Companies Law No. 8 of 1984, as amended, or the Company’s Articles of Association which might have materially affected the financial position of the Company or its financial performance.

Mahindra Emirates Vehicle Armouring FZ - L.L.C. – Ras Al Khaimah (the “Company”), is registered in the Emirate of Ras Al Khaimah, United Arab Emirates as a free zone – Limited Liability Company under the trade and industrial licences issued by RAK Investment Authority, Government of Ras Al Khaimah.

The principal activities of the Company are trading and assembling of automobiles, specialised vehicles, auto spare parts & components, auto accessories, special accessories fitting, tyres and rims and manufacturing of vehicle bodies and vehicle upholstery services.

The registered address of the Company is P.O. Box 39893, Ras Al Khaimah, United Arab Emirates.

2. Application of new and revised International Financial Reporting Standards (“IFRSs”)

2.1 New and revised IFRSs applied with no material effect on the financial statements

The following new and revised IFRSs, which became effective for annual periods beginning on or after 1 April 2014, have been adopted in these financial statements. The application of these revised and new IFRSs has not had any material impact on the amounts reported for the current and prior years but may affect the accounting for future transactions or arrangements.

- Amendments to IAS 32 Financial Instruments: Presentation relating to application guidance on the offsetting of financial assets and financial liabilities.
- Amendments to IAS 36 recoverable amount disclosures: The amendments restrict the requirements to disclose the recoverable amount of an asset or CGU to the period in which an impairment loss has been recognised or reversed. They also expand and clarify the disclosure requirements applicable when an asset or CGU’s recoverable amount has been determined on the basis of fair value less costs of disposal.
- Amendments to IAS 39 Financial Instruments: Recognition and Measurement, Novation of Derivatives and Continuation of Hedge Accounting.

The amendment allows the continuation of hedge accounting when a derivative is novated to a clearing counterparty and certain conditions are met.

- Amendments to IFRS 10, IFRS 12 and IAS 27 – Guidance on Investment Entities.
On 31 October 2012, the IASB published a standard on investment entities, which amends IFRS 10, IFRS 12, and IAS 27 and introduces the concept of an investment entity in IFRSs.

2.2 New and revised IFRSs in issue but not yet effective and not early adopted

The Company has not early applied the following new standards, amendments and interpretations that have been issued but are not yet effective:

New and revised IFRSs

- Amendments to IFRS 7 *Financial Instruments*: Disclosures relating to disclosures about the initial application of IFRS 9.
- IFRS 7 *Financial Instruments*: Additional hedge accounting disclosures (and consequential amendments) resulting from the introduction of the hedge accounting chapter in IFRS 9.

Effective for annual periods beginning on or after

When IFRS 9 is first applied

When IFRS 9 is first applied

New and revised IFRSs

- IFRS 9 Financial Instruments (2009) issued in November 2009 introduces new requirements for the classification and measurement of financial assets. IFRS 9 Financial Instruments (2010) revised in October 2010 includes the requirements for the classification and measurement of financial liabilities, and carrying over the existing derecognition requirements from IAS 39 Financial Instruments: Recognition and Measurement.

IFRS 9 Financial Instruments (2013) was revised in November 2013 to incorporate a hedge accounting chapter and permit the early application of the requirements for presenting in other comprehensive income the own credit gains or losses on financial liabilities designated under the fair value option without early applying the other requirements of IFRS 9.

Finalised version of IFRS 9 (IFRS 9 Financial Instruments (2014)) was issued in July 2014 incorporating requirements for classification and measurement, impairment, general hedge accounting and derecognition.

IFRS 9 (2009) and IFRS 9 (2010) were superseded by IFRS 9 (2013) and IFRS 9 (2010) also superseded IFRS 9 (2009). IFRS 9 (2014) supersedes all previous versions of the standard. The various standards also permit various transitional options. Accordingly, entities can effectively choose which parts of IFRS 9 they apply, meaning they can choose to apply: (1) the classification and measurement requirements for financial assets: (2) the classification and measurement requirements for both financial assets and financial liabilities: (3) the classification and measurement requirements and the hedge accounting requirements provided that the relevant date of the initial application is before 1 February 2015.

- IFRS 15 Revenue from Contracts with Customers : IFRS 15 provided a single, principle based five step model to be applied to all contracts with customers. 1 January 2017
- Annual Improvements to IFRSs 2012 - 2014 Cycle that include amendments to IFRS 5, IFRS 7, IAS 19 and IAS 34. 1 January 2016
- Amendments to IAS 16 and IAS 38 to clarify the acceptable methods of depreciation and amortization. 1 January 2016
- Amendments to IFRS 11 to clarify accounting for acquisitions of Interests in Joint Operations. 1 January 2016
- Amendments to IAS 16 and IAS 41 require biological assets that meet the definition of a bearer plant to be accounted for as property, plant and equipment in accordance with IAS 16. 1 January 2016

Effective for annual periods beginning on or after

2.3 Convenience translation

In addition to presenting the financial statements in AED, supplementary information in INR has been prepared for the convenience of users of the financial statements.

All amounts are translated from AED to INR at the closing exchange rate at 31 March 2015 INR 16.97 to 1 AED (31 March 2014: INR 16.3).

3. Summary of significant accounting policies

3.1 Statement of compliance

The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS).

3.2 Basis of preparation

The financial statements have been prepared on the historical cost basis, except for the revaluation of certain financial instruments. Historical cost is generally based on the fair value of consideration given in exchange for assets.

The principal accounting policies adopted are set out below.

3.3 Revenue recognition

Revenue represents the invoiced value of goods sold during the year, net of discounts and returns.

Revenue from the sale of goods is recognised when all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;

- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the entity; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

3.4 Property and equipment

Property and equipment are stated at cost less accumulated depreciation and impairment (if any).

The cost of property and equipment is their purchase cost, together with any incidental expenses of acquisition.

Depreciation is charged as to write off the cost of property and equipment, on a straight line basis over the expected useful economic lives of the assets concerned. The useful lives used for this purpose are:

	Life
Leasehold improvements	10 years
Machinery and equipment	7-8 years
Prototype	4 years
Motor vehicles	4 years
Furniture and equipment	4 years

The estimated useful lives, residual values and depreciation method are reviewed at each year end, with the effect of any changes in estimate accounted for on a prospective basis.

The gain or loss arising on the disposal or retirement of an asset is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit or loss.

3.5 Impairment of tangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash generating units, or otherwise they are allocated to the smallest group of cash generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2015 (CONTINUED)

3.6 Inventories

Inventories are valued at the lower of cost and net realisable value. Cost is determined on an average cost basis and includes invoiced cost, freight and handling costs. Net realisable value represents the estimated selling price less all estimated costs to be incurred in marketing, selling and distribution.

3.7 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

3.8 Employee benefits

Annual leave and leave passage

An accrual is made for estimated liability for employees' entitlement to annual leave and leave passage as a result of services rendered by eligible employees up to the reporting date.

Provision for employee's end of services benefits

Provision is made for the full amount of end of service benefits due to employees in accordance with the U.A.E. Labour Law, for their period of service up to the reporting date.

The provision relating to annual leave and leave passage is disclosed as a current liability, while that relating to end of service benefits is disclosed as a non-current liability.

3.9 Foreign currency

For the purpose of these financial statements U.A.E Dirhams (AED) is the functional and the presentation currency of the Company.

Transactions in currencies other than AED (foreign currencies) are recorded at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences are recognised in the profit or loss in the period in which they arise.

3.10 Leasing

Operating lease payments are recognised as an expense on a straight line basis over the lease term, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

3.11 Financial assets

The Company has the following financial assets: Cash and cash equivalents and trade and other receivables (other than prepaid expenses and advance to suppliers). These financial assets are classified as "loans and receivables". The classification depends on the nature and purpose of the financial assets and is determined at the time of initial recognition.

The effective interest method is a method of calculating the amortised cost of a financial asset and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts

estimated future cash receipts through the expected life of the financial asset, or, where appropriate, a shorter period.

Cash and cash equivalents

Cash and cash equivalents comprise of cash on hand and balance with banks in current accounts, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

Loans and receivables

Loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Loans and receivables are initially measured at fair value plus transaction costs and subsequently measured at amortised cost, using the effective interest method, less any impairment. Interest income is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

Impairment of financial assets

Financial assets are assessed for indicators of impairment at the end of each reporting period. Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the financial asset have been impacted.

For certain categories of financial asset, such as trade receivables, assets that are assessed not to be impaired individually are subsequently assessed for impairment on a collective basis. Objective evidence of impairment for a portfolio of receivables could include the Company's past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period, as well as observable changes in national or local economic conditions that correlate with default on receivables.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables, where the carrying amount is reduced through the use of an allowance account.

When a trade receivable is considered uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent that the carrying amount of the financial asset at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

Derecognition of financial assets

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire; or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay.

3.12 Financial liabilities and equity instruments issued by the Company

Classification as debt or equity

Debt and equity instruments are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement and the definitions of financial liabilities and an equity instruments.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recorded at the proceeds received, net of direct issue costs.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2015 (CONTINUED)
Financial liabilities

Bank borrowings, trade and other payables and shareholders' loan (other than advance from customers) are classified as 'other financial liabilities.'

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability or where appropriate, a shorter period.

Other financial liabilities

Other financial liabilities are initially measured at fair value, net of transaction costs and are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis, except for the short term payable when the recognition of interest would be immaterial.

De-recognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

4. Critical accounting judgements and key sources of estimation uncertainty

While applying the accounting policies as stated in Note 3, management of the Company has made certain judgements, estimates and assumptions that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period of the revision in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgments in applying the accounting policies

In the process of applying Company's accounting policies, the management is of the opinion that there is no instance of application of judgements which is expected to have a significant effect on the amounts recognised in the financial statements, apart from those involving estimations described below.

Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Allowance for slow moving inventories

Management has considered the requirement for an allowance for slow moving inventories. Management estimate the allowance for slow moving and obsolete inventories on the basis of prior experience, physical condition and expected future use of such inventory. Management has determined that there is no slow moving inventory except for provision created as at 31 March 2015.

Allowance for doubtful debts

Allowance for doubtful debts is determined using a combination of factors to ensure that the trade receivables are not overstated due to uncollectibility. The allowance for doubtful debts for all customers is based on a variety of factors, including the overall quality and aging of the receivables, continuing credit evaluation of the customers' financial conditions and collateral requirements from customers in certain circumstances.

Useful lives and residual values of property and equipment

As described in note 3, the Company reviews the estimated useful lives of property and equipment at the end of each annual reporting period. Management has determined that these expectations do not differ from estimates.

Trade receivables include due from a related party amounting to AED Nil (INR Nil) (31 March 2014: AED 1,935 (INR 31,541)).

The average credit period ranges between 60-90 days. Trade receivables more than 90 days are provided for based on estimated irrecoverable amounts, determined by reference to past default experience in addition to specific provision made on identified customers.

Before accepting any new customer, the Company assesses the potential customer's credit quality and defines credit limits by customer.

Trade receivables disclosed above include amounts that are past due at the end of the reporting period but against which the Company has not recognised an allowance for doubtful receivables because there has not been a significant change in credit quality and the amounts (the receivable is more than 90 days outstanding) are still considered recoverable. The Company does not hold any collateral or other credit enhancements over these balances nor does it have a legal right of offset against any amounts owed by the Company to the counterparty.

17. Capital risk management

The Company manages its capital to ensure that the Company will be able to continue as a going concern while maximising the return to the Shareholder.

The capital structure of the Company consists of cash and cash equivalents and equity, comprising share capital and accumulated losses.

18. Financial instruments
18.1 Significant accounting policies

Details of the significant accounting policies and methods adopted, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in Note 3 to the financial statements.

Management considers that the carrying amounts of the financial assets and financial liabilities recorded in the financial statements approximate their fair values.

18.3 Financial risk management objectives

The Company's Finance Department, co-ordinates access to domestic financial markets, monitors and manages the financial risks relating to the operations of the Group through internal risk reports. These risks include market risk (including currency risk, fair value interest rate risk and price risk), credit risk and liquidity risk.

18.4 Market risk

The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates.

Market risk exposures are measured using sensitivity analysis.

There has been no change to the Company's exposure to market risks or the manner in which it manages and measures the risk.

18.5 Foreign currency risk management

There are no significant exchange rate risks as substantially all financial assets and financial liabilities are denominated in Arab Emirates Dirhams or US Dollars to which the Dirham is fixed.

18.6 Interest rate risk management

The Company's does not have any interest bearing assets or liabilities as on 31 March 2015.

18.7 Credit risk

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the Company, and arises principally from the Company's accounts receivables. The Company has adopted a policy of only dealing with creditworthy counterparties.

The Company attempts to control credit risk by monitoring credit exposures, limiting transactions with specific non-related counter-parties, and continually assessing the creditworthiness of such non-related counter-parties.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Approximately 57% (31 March 2014: 44%) of the Company's revenue is attributable to sales transactions with a single customer. The credit risk on liquid funds is limited because the counterparties are banks registered in the United Arab Emirates.

The carrying amount of financial assets recorded in the financial statements represents the Company's maximum exposure to credit risk.

18.8 Liquidity risk management

Liquidity risk refers to the risk that an entity will encounter difficulty in meeting obligations associated with its financial liabilities at maturity date.

The Company manages the liquidity risk by maintaining adequate reserves, sufficient cash and cash equivalent and arranging the contributions from the Shareholders to ensure that the funds are available to meet its commitments for liabilities as they fall due. All financial assets and liabilities are expected to be matured within one year from the end of the reporting period.

19 Approval of the financial statements

The financial statements were approved by the Directors and authorised for issue 18 May 2015.

ANNEXURE I TO THE DIRECTORS' REPORT

1. POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

Purpose

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Defence Land Systems India Limited.

Policy Statement

We have a well-defined Compensation policy for Directors, Key Managerial Personnel and all employees, including the Chairman, Presidents and other Members of the Group Executive Board who are employees of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and Clause 49 of the Listing Agreement with Stock Exchanges (where applicable) and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Executive Directors:

The remuneration to Chairman & Managing Director and Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

Key Managerial Personnel (KMPs)

The terms of remuneration of Chief Financial Officer (CFO) shall be determined by the NRC from time to time. The terms of remuneration of the Company Secretary shall be finalised/revised either by any Director or such other person as may be authorised by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of Section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Employees

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.
- b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company and subject to the compliance of the applicable statutes and regulations.

II. POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

DEFINITIONS

The definitions of some of the key terms used in this Policy are given below:

“**Board**” means Board of Directors of the Company.

“**Company**” means DEFENCE LAND SYSTEMS INDIA LIMITED.

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD);
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
 1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
 2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.
 3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors.

- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman & Managing Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become directors and who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman & Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

II. SUCCESSION PLANNING:

Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

Board:

The successors for the Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a laddered approach.

Policy Statement

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

- 1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
- 2) For critical positions, what is the succession pipeline?
- 3) What are the individual development plans for individuals both in the succession pipeline as well as others?

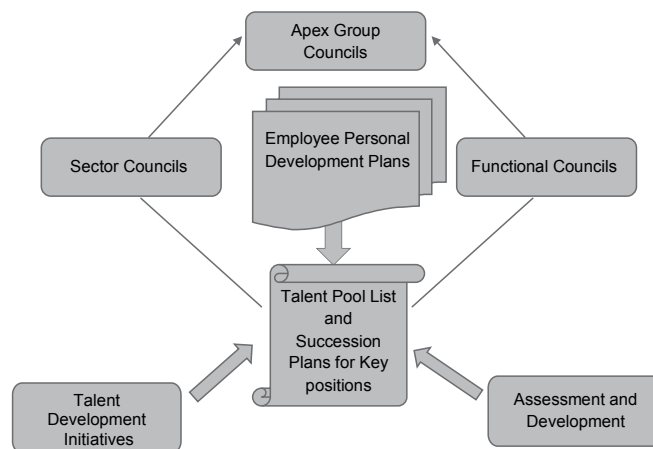

The framework lays down an architecture and processes to address these questions using the 3E approach:

- a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
- b) **Exposure** i.e. coaching and mentoring – 20% weightage
- c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and

collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of Senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector / Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF DEFENCE LAND SYSTEMS INDIA LIMITED (Formerly known as DEFENCE LAND SYSTEMS INDIA PRIVATE LIMITED)

Report on the Financial Statements

We have audited the accompanying financial statements of **DEFENCE LAND SYSTEMS INDIA LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of

material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2015, and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on March 31, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 29(i) of the financial statements.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirements" section of our report of even date)

- (i) In respect of its fixed assets:
- The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
 - The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (ii) In respect of its inventories:
- As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals other than for inventories lying with third parties at the end of the year for which confirmations have been obtained in most of the cases.
 - In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the Management were reasonable and adequate in relation to the size of the Company and the nature of its business.
 - In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the Register maintained under Section 189 of the Act.
- (iv) In our opinion and according to the information and explanations given to us and having regard to the explanations that some of the items purchased are of special nature and suitable alternative sources are not readily available for obtaining comparable quotations, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchases of inventory and fixed assets and the sale of goods and services. During the course of our audit, we have not observed any major weakness in such internal control system.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year.
- (vi) Maintenance of cost records under sub-section (1) of Section 148 of the Companies Act, 2013 is not applicable to the Company.
- (vii) According to the information and explanations given to us in respect of statutory dues:
- Apart from Service Tax dues of Rs. 70.28 lakhs which for reasons explained in detail in note no. 38

to the financial statement are outstanding for a period exceeding six months as at the year end, the Company has generally been regular in depositing all undisputed statutory dues, including Provident Fund, Employees State Insurance, Income-Tax, Sales Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities and as informed to us, there are no other undisputed statutory dues as at year end outstanding for a period of more than six months from the date they became payable.

- There are no disputed dues in respect of Income-tax, Wealth Tax, Sales Tax, Customs Duty, Value Added Tax and Cess which have not been deposited. Details of dues of Excise Duty and Service Tax which have not been deposited as on March 31, 2015 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where dispute is pending	Amount (in Rs.)	Amount Paid under protest (in Rs.)	Period to which the amount relates
Central Excise Act	Excise Duty	CESTAT	104,549,611	18,681,271	2010-2014
Finance Act, 1994	Service Tax	Commissioner (Appeals)	5,645,103	-	2009-2013

* Amount as per demand orders including interest and penalty wherever indicated in the order.

- There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- (viii) The Accumulated losses of the Company at the end of financial year are not less than fifty percent of its net worth and the company has incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.
- (ix) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks and financial institution. The Company has not issued any debentures during the year.
- (x) According to the information and explanations given to us, the Company has not given any guarantees for loans taken by others from banks or financial institutions.
- (xi) In our opinion and according to the information and explanations given to us, the term loans have been applied by the Company for the purposes for which they were obtained.
- (xii) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

Notes forming part of the financial statements

1. Corporate Information

Defence Land Systems India Limited (the Company) is engaged in the manufacturing of bulletproof and other special application vehicles meant for defence purposes which are primarily used by Defence forces, State Police forces, VIP and VVIP security. The registered office of the Company is in Mumbai and manufacturing facility in Palwal. The Company was originally incorporated as a public company in 2009 under the provisions of the Companies Act, 1956. Pursuant to resolution passed at the Extra Ordinary General Meeting of the Company on 5th March 2014, and granting of fresh certificate of incorporation from Registrar of Companies, the status of the Company has been converted from 'Private Company' to Public Company' w.e.f. 24th November 2014.

2. Significant accounting policies

2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.3 Inventories

Inventories are valued at the lower of cost (moving weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.

2.4 Depreciation and amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

– certain items of plant and machinery individually costing more than Rs. 5000 over their useful lives (2 years, 5 years, 7 years or 8 years, as the case may be) as determined by the Company.

– Vehicles - 5 years.

– Assets costing less than 5,000 each are fully depreciated in the year of capitalization.

Intangible assets are amortised over their estimated useful life as follows:

– Software expenditures: The expenditure incurred is amortised over three financial years equally.

– Designs and prototypes: The expenditure incurred are amortised over the estimated period of benefit, not exceeding five year.

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation method is revised to reflect the changed pattern.

2.5 Revenue recognition

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the dispatch of goods to customers. Sales include excise duty but exclude sales tax, value added tax and service tax. Income on service contracts is recognized as per the terms of contracts on an accrual basis.

2.6 Tangible fixed assets

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes incidental expenses incurred up to that date. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Fixed assets acquired and put to use for project purpose are capitalised and depreciation thereon is included in the project cost till commissioning of the project.

Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost and related incidental expenses.

2.7 Intangible assets

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase / completion is recognised as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

Intangible assets under development:

Expenditure on Research and development (Refer Note 36) eligible for capitalisation are carried as Intangible assets under development where such assets are not yet ready for their intended use.

2.8 Foreign currency transactions and translations

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transactions. Exchange differences on translation of foreign currency assets and liabilities and realised gains and losses on foreign exchange transactions are recognised in the Statement of profit and loss.

Premium / discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts if such contracts relate to monetary items as at the Balance Sheet date.

2.9 Investments

Current investments are carried individually, at the lower of cost and fair value. Costs of investments include acquisition charges such as brokerage, fees and duties.

2.10 Employee benefits

Employee benefits include provident fund, employee state insurance scheme, gratuity, compensated absences and post-employment medical benefits.

Defined contribution plans

The Company's contribution to provident fund, employee state insurance scheme, etc are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans

For defined benefit plans in the form of gratuity and Post retirement medical benefits, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service.

Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

2.11 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

2.12 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

2.13 Research and development expenses

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Fixed Assets.

2.14 Impairment of assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use.

Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

2.15 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

2.16 Provision for warranty

The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures.

37. Deferred taxes asset (net)

- Deferred tax assets and liability are being offset as they relate to taxes on income levied by the same governing taxation laws.
- The Company has carried out its tax computation in accordance with the Accounting Standard - 22 'Accounting for Taxes on Income'. In view of absence of virtual certainty of realisation of unabsorbed tax losses, deferred tax assets have been recognised only to the extent of deferred tax liabilities. Major components of deferred tax assets / liabilities are as follows:

(in Rs.)

Particulars	As at March 31, 2015	As at March 31, 2014

(i) Unabsorbed depreciation and brought forward business losses	4,439,720	18,967,183

38. The Company, inter alia, is into the business of bullet proofing and fabrication of vehicles. It carries out such work on vehicles that are either registered in the name of its customers or which are yet to be registered in the name of customers and hence are unregistered.

Up to 31st December 2011, the Company treated the work carried out on registered vehicles as job work and paid Works Contract tax on them while in respect of unregistered vehicles, since work was performed by the Company prior to their sales, it was considered as manufacture and excise duty was paid on them. However, in the year 2012, the Company was legally advised that the determination of the taxes payable should not be based on whether the work is carried out on registered or unregistered vehicles, but on the basis of the actual nature of work performed on the vehicles. On this basis, the Company was advised, that certain activities of the company are classifiable as 'Services' which will attract Service tax and certain others as 'Manufacture' on which Excise duty is payable. Although, the Company had good reasons to believe that its practices as above were right, as a matter of abundant caution, it had changed over to a revised method of paying Excise duty and Service tax with effect from 1st January 2012. Further, based on its revised practice, it had provided for the possible exposure of service tax amounting to Rs.70.28 lacs for the period upto 31st December 2011 as per the revised method to be deposited on receipt of clarification sought from the concerned authorities.

In the year 2013, the concerned tax authorities had taken up the matter and after reviewing the activities carried out by the Company, had concluded that all the activities are in the nature of Manufacture and raised an excise duty demand cum show cause notice on the Company. Based thereon, the Company is paying except in case of one product where it has, based

on legal advice, submitted to the concerned authorities that the activity performed by it is not in the nature of manufacturing activity and involves rendering of services on which service tax is payable. The management is confident of matter being resolved in its favor and has decided not to pay service tax amounting to Rs.70.28 lacs pertaining to the period till 31st December 2011 provided for in the year 2012 till further response is received from the concerned tax authorities. The amount is fully provided in the books of accounts including interest for delayed payments.

39. Pursuant to the enactment of the Companies Act, 2013 w.e.f. April 1, 2014, the Company has reviewed the estimated economic useful lives of its fixed assets generally in accordance with that provided in the Schedule II to the Companies Act, 2013. As a result (after considering the transitional provision specified in the schedule II), the Depreciation charge for the current year is higher by Rs. 12,018,173 and depreciation amounting to Rs. 2,899,639 (net of deferred tax of Rs Nil) has been adjusted from the opening balance of retained earnings.

40. The details of disputed excise duty and service tax as on March 31, 2015 which have not been deposited are as follows:

Name of the statute	Nature of duties	Forum where pending	Amount demanded in Rs.*	Amount paid under protest in Rs.	Period to which amount relate

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF MAHINDRA DEFENCE SYSTEMS LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA DEFENCE SYSTEMS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on March 31, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has no pending litigations in its financial statements.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirements" section of our report of even date)

- (i) In respect of its fixed assets:
- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
 - (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (ii) In respect of its inventories:
- (a) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals other than for inventories lying with third parties at the end of the year for which confirmations have been obtained.
 - (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the Management were reasonable and adequate in relation to the size of the Company and the nature of its business.
 - (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the Register maintained under Section 189 of the Act.
- (iv) In our opinion and according to the information and explanations given to us and having regard to the explanations that some of the items purchased are of special nature and suitable alternative sources are not readily available for obtaining comparable quotations, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchases of inventory and fixed assets and the sale of goods and services. During the course of our audit, we have not observed any major weakness in such internal control system.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year.
- (vi) Maintenance of cost records under sub-section (1) of Section 148 of the Companies Act, 2013 is not applicable to the Company.
- (vii) According to the information and explanations given to us in respect of statutory dues:
- (a) the Company has generally been regular in depositing all undisputed statutory dues, including Provident Fund, Income-Tax, Service Tax, Sales Tax, Value Added Tax, Professional Tax, Cess and other material statutory dues applicable to it with the appropriate authorities and as informed to us, there are no other undisputed statutory dues as at year end outstanding for a period of more than six months from the date they became payable.
 - (b) There are no dues of Income-tax, Wealth Tax, Sales Tax, Excise Duty, Service Tax, Customs Duty, Value Added Tax and Cess which have not been deposited as on March 31, 2015 on account of disputes.
 - (c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- (viii) As the Company has been registered for a period of less than five years, the provisions of paragraph 4(viii) of the Order is not applicable.
- (ix) In our opinion and according to the information and explanations given to us, the Company has not taken any loans from banks and financial institutions and has not issued any debentures during the year.
- (x) According to the information and explanations given to us, the Company has not given any guarantees for loans taken by others from banks or financial institutions.
- (xi) According to the information and explanations given to us, the Company has not taken any term loans during the year.
- (xii) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

Notes forming part of the financial statements

1.1 Corporate information

Mahindra Defence Systems Limited is a Public Limited Company incorporated on July 30, 2012 under the Companies Act, 1956. The Company is a subsidiary of Mahindra & Mahindra Limited. The Company is engaged in design, development, manufacture, supply, dealing, operating, trading, overhaul, repair, maintenance and service of all kinds of defence vehicle and other defence equipment including training to armed forces people through specific equipments. The Company is also engaged in business of consultancy, training, implementation, management and audit in the areas of information security, physical security, homeland security, critical infrastructure security, IT systems & network security, applications security, web & software security, change management & training, business continuity, disaster recovery, governance, loss prevention, fraud risk management, forensics, third party assessment and other allied areas with the objective of derisking the business and mitigation of loss arising from such security Risks.

1.2 Significant accounting policies

i Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act")/Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

ii Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

iii Inventories

Inventories are valued at the lower of cost (moving weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.

iv Depreciation and amortization

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Vehicles - 5 years

Two wheeler – 5 years

Mobiles – 2 years

Humidity Monitor – 7 years

Any asset of less than Rs. 5000 – 1 year

Intangible assets comprising of technical knowledge and development expenditure, etc. are amortised over a period of three years or less depending on the estimated useful life of the assets remaining as at balance sheet date.

The estimated useful life of the intangible assets and amortization period are reviewed at the end of each financial year and the amortisation method is revised to reflect the changed pattern.

v Revenue recognition

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the dispatch of goods to customers. Sales include excise duty but exclude sales tax, value added tax and service tax.

Income on service contracts is recognized as per the terms of contracts on an accrual basis.

Interest income is accounted on accrual basis, dividend income is accounted for when right to receive it is established. Other income is accounted on accrual basis.

vi Tangible fixed assets

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

vii Intangible fixed assets

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase/completion is recognised as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

viii Foreign currency transactions and translations

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transactions. Exchange differences on translation of foreign currency assets and liabilities and realised gains and losses on foreign exchange transactions are recognised in the Statement of profit and loss.

Premium/discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts if such contracts relate to monetary items as at the Balance Sheet date. Any Profit or loss arising on cancellation or renewal of such a forward exchange contract is recognized an income or as expenses in the period in which such cancellation or renewal is made.

ix Investments

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Costs of investment include acquisition charges such as brokerage, fees and duties.

x Employee benefits

Employee benefits include provident fund, post-retirement medical benefit, gratuity and compensated absences.

Defined contribution plans

The Company's contribution to provident fund is considered as defined contribution plans and is charged as an expense as it fall due based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans

For defined benefit plans in the form of gratuity and post-retirement medical benefit, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits includes performance, incentives and compensated absences which are expected to accrue within twelve months after the end of the period in which the employee rendered the related services.

Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

xi Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations.

xii Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and tax provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

xiii Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognized in the financial statements.

xiv Service tax Input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing/utilising the credits.

xv Lease

Assets leased by the Company in its capacity as a lessee, where substantially all the risks and rewards of ownership vest in the Company are classified as finance leases. Such leases are capitalised at the inception of the lease at the lower of the fair value and the present value of the minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss as per the lease terms.

xvi Cash and Cash equivalent

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

xvii Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

xviii Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

29 Segment reporting

A Business segments

Based on the guiding principles given in Accounting Standard (AS) - 17 'Segment Reporting' notified under Companies (accounting Standards)

Rules, 2006, the Company's business segments include: Defence products and service, Non-defence products and services.

B Geographical segments

Since the Companies activities/operations are primarily within the country and considering the nature of products/services it deals in, the risks and returns are same and as such there is only one geographical segment.

C Segment accounting policies

In addition to the significant accounting policies applicable to the business segment as set out in note 1 above, the accounting policies in relation to segment accounting are as under:

a Segment assets and liabilities

Segment assets include all operating assets used by a segment and consist principally of operating cash, debtors, inventories, investments and fixed assets, net of allowances and provisions which are reported as direct offsets in the balance sheet. Segment liabilities include all operating liabilities and consist principally of creditors and accrued liabilities. Segment assets and liabilities do not include share capital, reserves and surplus, income-tax (current and deferred tax) and certain other assets and liabilities not allocable to the segments on a reasonable basis. While most of the assets/liabilities can be directly attributed to individual segments, the carrying amount of certain assets/liabilities pertaining to two or more segments are allocated to the segments on a reasonable basis.

b Segment revenue and expenses

Joint revenue and expenses of segments are allocated amongst them on a reasonable basis. All other segment revenue and expenses are directly attributable to the segments.

c Unallocated expenses

Unallocated expenses represent general administrative expenses, head-office expenses and other expenses that arise at the Company level and relate to the Company as a whole. As such, these expenses have not been considered in arriving at the segment results.

ANNEXURE I TO THE DIRECTORS' REPORT

I. POLICY FOR REMUNERATION OF THE DIRECTORS, KEYMANAGERIAL PERSONNEL AND OTHER EMPLOYEES

Purpose

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Telephonics Integrated Systems Limited ("MTIS").

Policy Statement

The Mahindra Group has a well-defined Compensation policy for Directors, Key Managerial Personnel and all employees, including the Chairman, Presidents and other Members of the Group Executive Board who are employees of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and Clause 49 of the Listing Agreement with Stock Exchanges (where applicable) and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Executive Directors

The remuneration to Chairman &/or Managing Director and Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

Key Managerial Personnel (KMPs)

The terms of remuneration of Chief Financial Officer (CFO) shall be determined by the NRC from time to time. The terms of remuneration of the Company Secretary shall be finalised/ revised either by any Director or such other person as may be authorised by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Employees

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.
- b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

Subject to approval by the Board and Shareholders, as may be applicable, the Employees and Directors (other than Independent Directors) may also be granted Stock Options or equivalent benefits in accordance with the ESOP Scheme or similar scheme as may be approved and subject to the compliance of the applicable statutes and regulations.

II. POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra Telephonics Integrated Systems Limited.

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
 1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
 2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making
 3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors
- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the

Chairman &/or Managing Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become directors and who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman &/or Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

II. SUCCESSION PLANNING

Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

Board

The successors for the Independent Directors shall be identified by the NRC atleast one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

Senior Management Personnel

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a laddered approach.

Policy Statement

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

- 1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
- 2) For critical positions, what is the succession pipeline?
- 3) What are the individual development plans for individuals both in the succession pipeline as well as others?

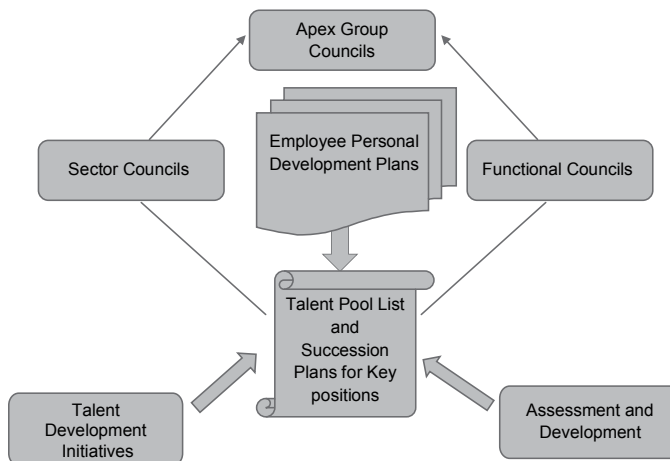

The framework lays down an architecture and processes to address these questions using the 3E approach:

- a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
- b) **Exposure** i.e. coaching and mentoring – 20% weightage
- c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of Senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council,

headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector/Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

INDEPENDENT AUDITOR'S REPORT

To the Members of Mahindra Telephonics Integrated Systems Limited

Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA TELEPHONICS INTEGRATED SYSTEMS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and thereasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2015, its loss, and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2015 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 1 a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) On the basis of written representations received from the directors as on March 31, 2015, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of section 164 (2) of the Act;
 - (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

ANNEXURE REFERRED TO IN PARAGRAPH 1 OF OUR REPORT OF EVEN DATE

Mahindra Telephonics Integrated Systems Limited (‘the Company’)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) All fixed assets have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (ii) (a) The Company’s business does not involve inventories and, accordingly, the requirements under paragraph 4(ii) of the Order are not applicable to the Company.
- (iii) (a) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, provisions of clauses 3(iii) (a) and (b) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business, for the purchase fixed assets and sale of services. The activities of the Company do not involve purchase of inventory and the sale of goods. During the course of our audit, we have not observed any major weakness or continuing failure to correct any major weakness in the internal control system of the Company in respect of these areas.
- (v) The Company has not accepted any deposits from the public.
- (vi) To the best of our knowledge and as explained, the Central Government has not specified the maintenance of cost records under clause 148 (1) of the Companies Act, 2013, for the services of the Company.
- (vii) (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees’ state insurance, income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues applicable to it.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees’ state insurance, income-tax, wealth-tax, service tax, sales-tax, customs duty, excise duty, value added tax, cess and other material statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (c) According to the information and explanations given to us, there are no dues of income tax, sales-tax, wealth tax, service tax, customs duty, excise duty and cess which have not been deposited on account of any dispute.
- (d) According to the information and explanations given to us, the provisions of investor education and protection fund in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made thereunder are not applicable to the company.
- (viii) The Company has been registered for a period of less than five years and hence we are not required to comment on whether or not the accumulated losses at the end of the financial year is fifty per cent or more of its net worth and whether it has incurred cash losses in the current financial year and in the immediately preceding financial year.
- (ix) The Company has no outstanding dues to banks, financial institution and debenture holders.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2015

1. Corporate Information

Mahindra Telephonics Integrated Systems Limited (the company) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company is formed to develop, manufacture and provide service support for Radar Systems and various kinds of defence electronics systems.

2. Basis of preparation

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

2.1 Summary of significant accounting policies

Change in accounting policy – Depreciation on fixed assets

Till the year ended March 31, 2014, Schedule XIV to the Companies Act, 1956, prescribed requirements concerning depreciation of fixed assets. From the current year, Schedule XIV has been replaced by Schedule II to the Companies Act, 2013. The applicability of Schedule II has resulted in the following changes related to depreciation of fixed assets. Unless stated otherwise, the impact mentioned for the current year is likely to hold good for future years also.

i. Useful lives/depreciation rates

Till the year ended March 31, 2014, depreciation rates prescribed under Schedule XIV were treated as minimum rates and the company was not allowed to charge depreciation at lower rates even if such lower rates were justified by the estimated useful life of the asset. Schedule II to the Companies Act 2013 prescribes useful lives for fixed assets which, in many cases, are different from lives prescribed under the erstwhile Schedule XIV. However, Schedule II allows companies to use higher/lower useful lives and residual values if such useful lives and residual values can be technically supported and justification for difference is disclosed in the financial statements.

Considering the applicability of Schedule II, the management has re-estimated useful lives and residual values of all its fixed assets. The management believes that the depreciation rates currently used fairly reflects its estimate of the useful lives and residual values of fixed assets, though these rates in certain cases are different from lives prescribed under Schedule II. Hence this change in accounting policy did not have any material impact on financial statements of the Company.

ii. Depreciation on assets costing less than 5,000/-

Till year ended March 31, 2014, to comply with the requirements of Schedule XIV to the Companies Act, 1956, the company was charging 100% depreciation on assets costing less than 5,000/- in the year of purchase. However, Schedule II to the Companies Act 2013, applicable from the current year, does not recognize such practice. Hence, to comply with the requirement of Schedule II to the Companies Act, 2013, the company has changed its accounting policy for depreciations of assets costing less than `5,000/-. As per the revised policy, the company is depreciating such assets over their useful life as assessed by the management. The management has decided to apply the revised accounting policy prospectively from accounting periods commencing on or after April 01, 2014.

a. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on

the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b. Tangible fixed assets

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

c. Depreciation on tangible fixed assets

Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management. The company has used the following rates to provide depreciation on its fixed assets.

	Useful Lives estimated by management (years)
Plant and Equipment:	5 years
Computers:	3 years
Furniture and Fixtures:	10 years
Vehicles:	5 years
Mobile Phones:	2 years
Leasehold Improvements:	Shorter of estimated useful life of individual asset or the lease period
Electric Installation & Equipment:	10 years

The management has estimated supported by technical assessment done by professionals employed by the Company the useful lives of following classes of assets:

- The useful lives of plant and equipment's are estimated as 5 years. These lives are lower than those indicated in Schedule II.
- The useful lives of vehicles are estimated as 5 years. These lives are lower than those indicated in Schedule II.
- The useful lives of mobile phones are estimated as 2 years. These lives are lower than those indicated in Schedule II.

d. Leases

Where the company is lessee:

Finance leases, which effectively transfer to the company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in the statement of profit and loss. Lease management fees, legal charges and other initial direct costs of lease are capitalized.

A leased asset is depreciated on a straight-line basis over the useful life of the asset. However, if there is no reasonable certainty that the company will obtain the ownership by the end of the lease term, the capitalized asset is depreciated on a straight –line basis over the shorter of the estimated useful life of the asset or the lease term.

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

e. Impairment of tangible assets

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the company's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. For longer periods, a long term growth rate is calculated and applied to project future cash flows after the fifth year.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the company estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

f. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Income from services

Revenue from job-work contract is recognized on completion of service in accordance with terms of service agreement when services are rendered.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

g. Foreign currency translation

Foreign currency transactions and balances

i) Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii) Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

iii) Exchange Differences

Exchange differences arising on the settlement of monetary items, or on reporting such monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

h. Retirement and other employee benefits

i) Provident Fund

Retirement benefit in the form of provident fund (Contributed to the Regional PF Commissioner) is a defined contribution scheme. The company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders related service. There are no other obligations other than contribution payable.

ii) Defined Benefit Plans

The company operates two defined benefit plans for its employees, viz., and gratuity and post-employment medical benefit liability. The costs of providing benefits under these plans are determined on the basis of actuarial valuation at each year-end. Separate actuarial valuation is carried out for each plan using the projected unit credit method. Actuarial gains and losses for both defined benefit plans are recognized in full in the period in which they occur in the statement of profit and loss.

iii) Compensated Absences

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The company treats accumulated leave expected to be carried forward beyond twelve months, as long term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end.

Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. The company presents the leave as a current liability in the balance sheet; to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date. Where company has the unconditional legal and contractual right to defer the settlement for a period 12 months, the same is presented as non-current liability.

i. Income tax

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and

the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

j. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

k. Provisions

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

l. Contingent Liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

m. Cash and Cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short term investments with an original maturity of three months or less.

20 Deferred Tax Asset/(Liability)

The company follows Accounting Standard (AS 22) "Accounting for Taxes on Income" as notified by Companies Accounting Standard Rules, 2006. Due to losses, the company has deferred tax asset with loss and unabsorbed depreciation as a major component. However, deferred tax asset has been recognised only to the extent of deferred tax liability since there is no convincing evidence which demonstrates virtual certainty of realization of such deferred tax asset in the near future accordingly company has prudently decided not to recognise deferred tax asset on such timing differences.

24 Gratuity and other post employment benefit plans

The company operates two defined plans viz, gratuity and post employment medical benefits, for its employees. Under the gratuity plan every employee who has completed 5 years of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. Gratuity plan is not funded.

The company provides post retirement medical cover to selected grade of employees for grade L5 and above to cover the retiring employee and their spouse upto a specified age through mediclaim policy on which the premium are paid by the company. The eligibility of the employee for the benefit as well as the amount of the medical cover purchase is determined by the grade of the employee at the time of retirement.

ANNEXURE I TO THE DIRECTORS' REPORT

I POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

Purpose

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Defence Naval Systems Private Limited.

Policy Statement

We have a well-defined Compensation policy for Directors, Key Managerial Personnel and all employees, including the Chairman, Presidents and other Members of the Group Executive Board who are employees of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and Clause 49 of the Listing Agreement with Stock Exchanges (where applicable) and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Executive Directors:

The remuneration to Chairman & Managing Director and Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

Key Managerial Personnel (KMPs)

The terms of remuneration of Chief Financial Officer (CFO) shall be determined by the NRC from time to time. The terms of remuneration of the Company Secretary shall be finalised/ revised either by any Director or such other person as may be authorised by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Employees

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For all employees from Operational to Executive Band, we benchmark with a set of comparators from the same industry.
- b. For Strategic band and above, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality
- Longevity in grade

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company and subject to the compliance of the applicable statutes and regulations.

II. POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means MAHINDRA DEFENCE NAVAL SYSTEMS PRIVATE LIMITED

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)
- ii) Chief Financial Officer (CFO); and
- iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
 1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
 2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making
 3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors

- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman & Managing Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become directors and who may be appointed in senior management team in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman & Managing Director based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

II. SUCCESSION PLANNING:

Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

Board:

The successors for the Independent Directors shall be identified by the NRC at least one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a laddered approach.

Policy Statement

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

1. Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
2. For critical positions, what is the succession pipeline?
3. What are the individual development plans for individuals both in the succession pipeline as well as others?

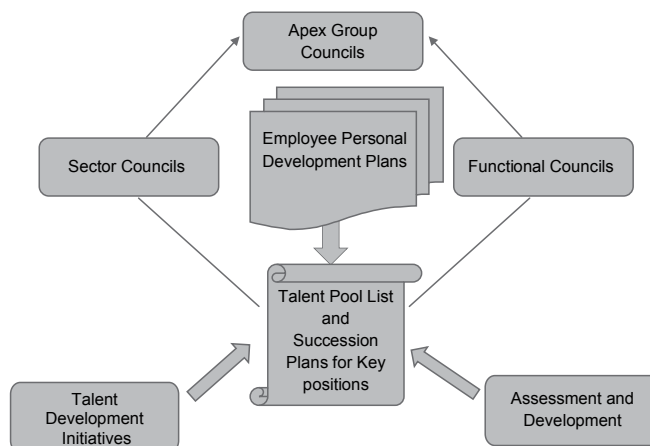

The framework lays down an architecture and processes to address these questions using the 3E approach :

- a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
- b) **Exposure** i.e. coaching and mentoring – 20% weightage
- c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and

collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of Senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector/Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF

MAHINDRA DEFENCE NAVAL SYSTEMS PRIVATE LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA DEFENCE NAVAL SYSTEMS PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its profit and cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2) As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Notes forming part of the financial statements

1. Corporate Information:

Mahindra Defence Naval Systems Private Limited ("the Company") was incorporated on 18th May 2012. The Company is in the business of manufacturing products of Underwater Armament applications for Indian Navy in addition to supporting indigenisation efforts of Ordnance Factories and providing R&D support to Defence Research and Development Organisation in the fields of Composites, Mechanical and Electronics.

The Company is 100% subsidiary of the Mahindra Defence Systems Limited.

2. Statement of Significant accounting policies:

(a) Basis of Accounting

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act")/Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year except for change in the accounting policy for depreciation as more fully described in Note 29.

(b) Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

(c) Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

(d) Inventories:

Inventories are valued at the lower of cost and the net realisable value. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. In determining the cost of raw materials, components, stores and spares and loose tools the moving weighted average cost method is used. Cost of work in progress and manufactured finished goods include the combined cost of material, labour and production overheads.

(e) Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

(f) Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(g) Depreciation and amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Assets costing less than Rs. 5,000 each are fully depreciated in the year of capitalization.

(h) Revenue Recognition

Sale of goods: Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales include excise duty but exclude sales tax and value added tax.

Sale of Services: Income from services rendered is accounted for when services are rendered as per contract terms.

(i) Other Income

Dividend income is accounted for when the right to receive it is established.

(j) Fixed Assets (Tangible)

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.

(k) Foreign Currency transactions

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities are translated at year end exchange rates and the profit/loss so determined and also the realised exchange gains/losses are recognised in the Statement of Profit and Loss.

(l) Investments

Current investments are carried individually, at the lower of cost and fair value.

(m) Employee Benefits:

Employee benefits include gratuity, provident fund, post employment medical benefits and compensated absences under the approved scheme of the company.

Defined Contribution Plan: The Company's contribution to provident fund is considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined Benefit Plan: For defined benefit plans in the form of gratuity fund and post-employment medical benefits, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur.

Short-term employee benefits: The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

Long term employee benefits: Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date less the fair value of the plan assets out of which the obligations are expected to be settled. Long Service Awards are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date.

(n) Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

(o) Taxes on Income:

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

(p) Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

(q) Provision for warranty

The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures.

As per the terms of the contracts, the Company provides post-contract services/warranty support to some of its customers. The Company accounts for the post-contract support/provision for warranty on the basis of the information available with the Management duly taking into account the current and past technical estimates.

Note 29 - Change in the method of Depreciation

During the year, pursuant to the notification of Schedule II to the Companies Act, 2013 with effect from April 1, 2014, the Company changed its method of depreciation for certain categories of fixed assets from written down value (WDV) method to straight line method (SLM). Consequent to this change, all assets are now being depreciated under SLM. The Company also revised the estimated useful life of some of its assets to align the useful life with those specified in Schedule II. Further, assets individually costing Rs. 5,000/- or less that were depreciated fully in the year of purchase are now depreciated based on the useful life considered by the Company for the respective category of assets. The details of previously applied depreciation method, rates/useful life are as follows:

Asset	Previous depreciation method	Previous useful life	Revised useful life based on SLM
Computers and Data Processing Equipment	SLM	6.2 years	3 years
General Plant and Machinery	SLM	21 years	15 years
Furniture and Fixtures	SLM	15.9 years	10 years
Office Equipment	SLM	5 years	5 years
Vehicles	SLM	6.8 years	5 years

Pursuant to the transition provisions prescribed in Schedule II to the Companies Act, 2013, the Company has fully depreciated the carrying value of assets (determined after considering the change in the method of depreciation from WDV to SLM), net of residual value, where the remaining useful life of the asset was determined to be nil as on April 1, 2014, and has adjusted an amount of Rs. 4,98,197/- (net of deferred tax of Rs. 153,943/-) against the opening Surplus balance in the Statement of Profit and Loss under Reserves and Surplus.

The depreciation expense in the Statement of Profit and Loss for the year is higher by Rs. 877,084/- consequent to the above change in the useful life of the assets.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF MAHINDRA 'ELECTORAL TRUST' COMPANY

Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA 'ELECTORAL TRUST' COMPANY** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Income and Expenditure, the Cash Flow Statement for the period from 1st January, 2015 to 31st March, 2015 then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies 1 Standard on Auditing (SA) 700, Forming An Opinion and Reporting on Financial Statements.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its deficit and its cash flows for the period ended on that date.

Report on Other Legal and Regulatory Requirements

The Company is licensed to operate under Section 8 of Companies Act, 2013. Therefore on facts, the Companies (Auditor's Report) Order, 2015, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act (the "Order"), is not applicable to the Company.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Income and Expenditure, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. As there are no pending litigations as on the date of financial statements by or against the Company, the Company is not required to disclose the impact of pending litigations on its financial position in its financial statements;
 - ii. The Company has not entered into any long-term contracts including derivative contract, hence no provision for foreseeable losses on such contracts is required to be made in the financial statements;
 - iii. The company has been in existence for a period less than 7 years, hence provision of section 124(5) and 124(6) regarding transfer of amounts to Investor Education and Protection Fund are not applicable.

NOTES TO THE FINANCIAL STATEMENTS FOR THREE MONTHS ENDED 31ST MARCH, 2015

(Currency: Indian Rupees)

NOTE 1: Significant Accounting Policies

Nature of Operations

Mahindra 'Electoral Trust' Company, a subsidiary of Mahindra & Mahindra Ltd, was incorporated in India as a section 25 Company on 30th December, 2013. The main object of the company is to distribute, allocate or solely utilize the contributions, payments, funds or donations received or gathered by the company to/for the use of the political parties which are registered under section 29A of the Representation of People Act, 1951.

1. Significant Accounting Policies

a) Basis of Preparation of Financial Statements

The financial statements are prepared and presented under the historical cost convention, on the accrual basis of accounting and in accordance with the provisions of the **Companies Act, 2013** ('the Act'), and the accounting principles generally accepted in India and comply with the accounting standards prescribed in the Companies (Accounting Standards) Rules, 2006 issued by the Central Government, in consultation with the National Advisory Committee on Accounting Standards, to the extent applicable.

The financial statement are prepared and presented in the form set out in Part I and Part II of Revised Schedule VI of the Act, so far as they are applicable thereto.

These financial statements are presented in Indian rupees and rounded off to nearest Thousands unless otherwise stated.

b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in India (Indian GAAP) requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial Statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

c) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- *Interest income*

Interest income is recognized on time proportion basis.

d) Taxation

Current tax

Provision for current tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the prevailing tax laws.

e) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are calculated after adjusting effects of potential equity shares (PES). PES are those shares which will convert into equity shares at a later stage. Profit / loss is adjusted by the expenses incurred on such PES. Adjusted profit/loss is divided by the weighted average number of ordinary plus potential equity shares.

f) Provisions and Contingencies

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present values and are determined based on management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that have arisen from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of future events not wholly within the control of the Company.

When there is an obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

2. Notes to Accounts

- a) On incorporation, the parent company, Mahindra and Mahindra Limited has subscribed to the company's share capital of Rs.5,00,000 (50,000 equity shares of Rs.10/- each).
- b) The company has not received any intimation, from "suppliers" regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006 and hence disclosures, if any, relating to amounts unpaid as at the year-end together with interest paid/ payable as required under the said Act have not been given.
- c) Being year of incorporation of the company, previous year figures and particulars are not applicable.

AUDITOR'S REPORT TO THE MEMBERS OF THE COMPANY

To,

The members

Mahindra eMarket Ltd (Formerly Known as *Mriyalaguda Farm Solution Limited*)

1. I have audited the attached balance sheet of **Mahindra eMarket Ltd** (Formerly Known as *Mriyalaguda Farm Solution Limited*), as at 31st March 2015 and the profit and loss account for the year ended on that date annexed thereto. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.
2. I have conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

Notes forming part of Balance Sheet & Profit & Loss Account

Notes – 1

i. Significant Accounting Policies:

Basis of Preparation of Financial Statements:

The accompanying financial statements have been prepared under the Historical Cost convention in accordance with generally accepted accounting principles and the provisions of the Companies Act, 1956.

Use of Estimates:

The preparation of the financial statements, in conformity with the generally accepted accounting principals, requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognised in the period in which the results are known/materialise.

Income Taxes:

Income taxes are accounted for in accordance with Accounting Standard 22 on "Accounting for Taxes on Income", (AS 22), issued by The Institute of Chartered Accountants of India. Tax expense comprises both current tax and deferred tax. Current tax is measured at the amount expected to be paid to/recovered from the tax authorities using the applicable tax rates. Deferred tax assets and liabilities are recognized for future tax consequence attributable to timing difference between taxable income and accounting income that are capable of reversing in one or more subsequent periods and are measured using relevant enacted tax rates. At each Balance Sheet date the Company reassesses unrealized deferred tax assets, to the extent they become reasonably certain/virtually certain of realization, as the case may be (Refer Note 4 below).

Contingent Liabilities:

These, if any, are disclosed in the Notes on accounts. Provisions is made in the accounts in respect of those contingencies which are likely to materialize into liabilities after the year and till the finalisation of accounts and have material effect on the positions stated in the Balance Sheet.

ii. Payment to Auditors:

Particulars	FY 2015 Rupees	FY 2014 Rupees
Audit Fees	5,500	5,500
Out of Pocket expenses	–	–
Total	5,500	5,500

iii. Earning Per Share is Calculated as Follows:

Particulars	FY 2015	FY 2014
a. Net profit/(loss for the year (in Rupees))	(40,450)	(4,237)
b. Weighted average number of Equity Shares Basic and Diluted	7,99,700	7,50,000
c. Nominal value of Equity Shares (in Rs.)	10	10
d. Earnings per Share (in Rs.)	(0.05)	(0.01)

iv. No provision for current income tax under the provision of the Income-tax Act, 1961 is made since in the opinion of the Company there will be no taxable income in view of the deductions available under the provisions of the said Act.

In accordance with the Accounting Standard 22 on "Accounting for Taxes on Income" (AS 22), issued by the Institute of Chartered Accountants of India, Deferred tax assets and liabilities should be recognized for all timing differences in accordance with the said standard. However, considering the present financial position and the requirement of the

accounting standard regarding certainty/virtual certainty, the same is not provided for as an asset (net). However, the same will be reassessed at a subsequent balance sheet date and will be accounted for in the year of certainty/virtual certainty in accordance with the aforesaid accounting standard.

- v. No interest has been provided in the books of account on inter company borrowings, which has been shown under the head unsecured loans - Current Year Rs. Nil and Previous year Rs. 4,56,881/-.
- vi. The Revised Schedule VI has become effective from 1st April, 2011 for the preparation of financial statements. This has significantly impacted the disclosure and presentation made in the financial statements. Figures for the previous period have been regrouped wherever necessary, to confirm with the current year figures.
- vii. During the year Company has diversified into e-Commerce business. Considering the potential in the business, the Company expects to grow further in the coming years in sales volume, profitability and net-worth. Accordingly the accounts of the company has been prepared on a going concern basis.
