Dividend

Your Directors recommend a dividend of Rs. 12.50 per Equity Share on 25,77,320 Equity Shares of Rs. 10 each, aggregating to Rs. 3.22 crores. The above dividend, if approved, will be paid to those Members whose names appear in the Register of Members as on the Record Date fixed for this purpose. The dividend including dividend distribution tax, surcharge and education cess will absorb a sum of Rs. 3.88 crores (as against Rs. 3.02 crores on account of dividend of Rs. 10 per Equity Share, paid for the previous year).

Transfer to Reserves

Your Company proposes to transfer an amount of Rs. 4.30 crores to the General Reserve. An amount of Rs. 136.83 crores is proposed to be retained in the surplus.

Operations

The year ended 31st March, 2015 marked the 11th year of successful insurance broking operations of your Company. In this journey of 11 years, your Company has been able to service over 5 million insurance cases, largely in the rural and semi-urban markets in India. Your Company has been able to

reach the benefit of insurance to over 1,25,000 villages across India. Your Company endeavors to further increase insurance penetration in rural India as well as become a significant player in global insurance markets.

During the year under review, your Company serviced 1.1 million insurance cases, with a total of 11,37,981 cases for both Life and Non-Life Retail business. The customized Life insurance cover "Mahindra Loan Suraksha" (MLS) declined from 5,09,864 lives covered with a Sum Assured of Rs. 14,393.5 crores in the Financial Year 2013-14 to 4,59,781 lives covered with a Sum Assured of Rs. 13,515.4 crores in the Financial Year 2014-15. This primarily is on account of the general economic slowdown witnessed during the year having a cascading impact on the auto-manufacturing and auto financing industry. A substantial portion of MLS though continued to be covered in the rural markets.

Your Company achieved a growth of 22% in Gross Premium facilitated for the Corporate and Retail business lines, increasing from Rs. 825.2 crores in the financial year 2013-14 to Rs. 1,002.7 crores in the Financial Year 2014-15 crossing the 1000 crores mark. - v. The directors have devised proper systems to ensure compliance with provisions of all applicable laws and that such systems were adequate and operating effectively.

Company's policy on remuneration of Directors, Key Managerial Personnel and employees

The Nomination and Remuneration Committee and the Board of Directors have approved the Policy on Remuneration of Directors and the Remuneration Policy for Key Managerial Personnel and Employees of the Company in accordance with the provisions of sub-section (4) of section 178, and the same are appended as **Annexure III-A and III-B** and form part of this Report.

The Nomination and Remuneration Committee while recommending the appointment of Directors considers desirable qualifications which may amongst other things include professional qualification skills, professional experience, background, independence and knowledge apart from criteria of independence as prescribed under the Act.

Codes of Conduct

The Board of Directors of the Company had adopted separate Codes of Conduct for Corporate Governance ("the Codes") for its Directors and Senior Management and Employees. These Codes enunciate the underlying principles governing the conduct of the Company's business and seek to reiterate the fundamental precept that good governance must and would always be an integral part of the Company's ethos. The Company has for the year under review, received declarations under the Codes from the Board Members, the Senior Management and Employees of the Company affirming compliance with the respective Codes.

Public Deposits

The Company has not accepted any deposits from the public or its employees during the year under review. There were no other deposits falling under Rule 2(i)(c) of the Companies (Acceptance of Deposits) Rules, 2014 during the year under review. There are no deposits which are not in compliance with the requirement of Chapter V of the Companies Act, 2013 during the year under review.

Particulars of loans, guarantees or investments

The Company has made loans and advances in the nature of loans under Section 186 of the Companies Act, 2013, the details of which are mentioned in notes to the financial statements and forms part of this report.

The particulars of loans/advances and investment in its own shares by listed companies, their subsidiaries, associates, etc., as required to be disclosed in the annual accounts of the Company pursuant to Clause 32 of the Listing Agreement of the parent company – Mahindra & Mahindra Financial Services Limited and the ultimate parent company – Mahindra & Mahindra Limited, with the Stock Exchanges, are furnished in **Annexure IV**.

Particulars of contracts or arrangements with related parties

All contracts/arrangements/transactions entered into by the Company during the Financial Year with related parties were in the ordinary course of business and on an arm's length basis. During the year, the Company had not entered into any contract/ arrangement/transaction with related parties which could be considered material. Pursuant to Section 134(3) (h) read with Rule 8(2) of the Companies (Accounts) Rules, 2014, there are no transactions to be reported under Section 188(1) of the Companies Act, 2013.

Material Changes and Commitments affecting the Financial Position of the Company

There have been no material changes and commitments, affecting the financial position of the Company which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the Report.

Risk Management

The Company has a well-defined risk management framework in place. Your Company has established procedures to periodically review risk assessment and steps taken by it to mitigate these risks. The key business risks identified by the Company and its mitigation plans are as under:

Competitive Risks

Overall slowdown in economic activity could have an adverse effect on the financial condition and operational results of the Company.

As the overall levels of economic activity increase, the demand for insurance generally rises, and vice-versa. This impacts both, the brokerage as well as fees, generated by the business. Softening of the insurance market i.e. downward trends in the year-over-year insurance premium charged by insurers to offer protection against the same risk, could adversely affect the business as a large portion of the earnings are brokerage which is determined as a percentage of premium charged to the customers.

Significant competitive pressures in each of the business lines

The Company competes with a large number of insurance companies and other insurance intermediaries. Some of the competitors may have or may develop a lower cost structure, adopt or provide services that gain greater market acceptance. Large and well-established competitors may be able to respond to the need for technological changes and innovate faster, or price their services more aggressively. They may also compete hard for skilled professionals, finance acquisitions, fund internal growth and compete for customers. To respond to increased competition, we may have to lower the pricing of the services.

Legal and Regulatory Risks

The Company is subject to professional indemnity claims made against it, as well as other legal proceedings, some of which, if determined against the Company, could have a material adverse effect on the financial condition or results of operations of a particular business line or the Company as a whole.

The Company traditionally has procured, and intends to continue to procure, insurance to cover professional indemnity claims and other insurance to provide protection against certain claims or losses that arise in such matters.

The business is subject to extensive regulation, which could reduce profitability, limit growth, or increase competition

The business is subject to extensive legal and regulatory oversight, including the IRDA (Insurance Brokers) Regulations 2013 and the rules and regulations promulgated by the Insurance Regulatory and Development Authority of India (IRDAI) and a variety of other laws, rules and regulations. This legal and regulatory oversight could reduce profitability or limit growth by limiting or restricting the products or services the Company sells, by increasing the costs of legal and regulatory compliance, limiting the distribution methods by which it sells products and services, or capping the brokerage it can charge for the services, limiting the amount and form of compensation it can accept from the customers, insurers and third parties, or by subjecting the business to the possibility of legal and regulatory actions or proceedings.

Though the Company employees and authorized representatives exercise due care so not to violate these laws and regulations, there can be no assurances as regards the same.

Operational and Commercial Risks

The Company's success depends on its ability to retain and attract experienced and qualified personnel, including the senior management and operating team and other professional personnel.

The business depends, to a large extent, upon the members of the senior management team and senior operating team, who possess extensive knowledge and a deep understanding of the business and strategy. The unexpected loss of services of any of the senior executives could have a disruptive effect, thereby impacting ability to manage the business effectively till such time as an able replacement is in place. The Company is constantly working to retain and attract these professionals through various people development initiatives.

Business performance and growth plans could be affected if the Company is not able to effectively apply technology in driving value for its customers through technology-based solutions or gain internal efficiencies through the effective application of technology and related tools. Conversely, investments in innovative technology-based solutions may fail to yield sufficient return to cover their investments.

The Company's success depends, in part, on its ability to apply and implement technology-based solutions that anticipate and keep pace with rapid and continuing changes in customer preferences. Response to these preferences needs to be timely and cost-effective. This also entails the business to incur considerable investment. In order to acquire and retain customers, the Company continuously strives to offer newer and cost-effective technologies to its customers, ahead of its competitors.

Other factors, outside of the Company's control.

The Company has no control over premium rates. The brokerage rates, too, are capped by the current regulations.

In addition to movements in premium rates, the ability to generate premium-based brokerage revenue may be challenged by:

- the level of compensation, as a percentage of premium, that insurers are willing to compensate brokers for placement activity, which in any case, is capped by the current regulations;
- competition from insurers seeking to sell their products directly to customers without the involvement of an insurance broker.
- Increasing willingness on the part of customers to "self-insure", which would increase competition and put pressure on pricing;
- fluctuation in the need for insurance as the economic downturn continues, as customers prioritize their need and willingness to procure insurance accordingly.

Auditors

The Board of Directors at its meeting held on 14th April, 2014 had appointed M/s. B. K. Khare and Co., as the Statutory Auditors of the Company for a period of 5 years from the conclusion of the Annual General Meeting (AGM) held on 14th July, 2014 till the conclusion of the thirty-second AGM of the Company to be held in the year 2019, subject to the ratification of their appointment by shareholders at every Annual General Meeting.

As required under the provisions of Sections 139(1) read with 141 of the Companies Act, 2013, the Company has obtained a written certificate from M/s. B. K. Khare & Co., Chartered Accountants, to the effect that their ratification of appointment, if made, would be in conformity with the criteria specified in the said sections.

Pursuant to the recommendation received from the Audit Committee, the Board has proposed the ratification of the appointment of M/s. B. K. Khare and co. as Statutory Auditors of the Company, to the shareholders at the forthcoming Annual General Meeting for a period of one year.

Comments on Auditors' Report

There are no qualifications, reservations or adverse remarks or disclaimers made by M/s B. K. Khare & Co., Statutory Auditors, in their report.

Human Resources

Your Company strongly believes in maintaining the dignity of all its employees, irrespective of their gender or seniority. Discrimination and harrasment of any type are strictly prohibited. The Company has taken the necessary steps to enhance awareness amongst its employees in respect of the provisions of the Sexual Harrasment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 ("the Act") and the Rules framed thereunder. During the year under review, there were no cases filed pursuant to the Act and Rules framed thereunder.

Subsidiaries

The Company does not have any subsidiary as on 31st March, 2015 or during the financial year ended on that date.

Particulars regarding conservation of energy, technology absorption, and foreign exchange earnings and outgo

The particulars in respect of conservation of energy, technology absorption and foreign exchange earnings and outgo, as required under Section 134(3)(m) of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014 is given in **Annexure V**.

Details of significant and material orders passed by the regulators or courts or tribunals impacting the going concern status and company's operations in future

There are no significant and material orders passed by the Regulators or Courts or Tribunal which would impact the going concern status of the Company and its future operations.

Details in respect of adequacy of internal financial controls with reference to the Financial Statements

Your Company has in place adequate internal financial controls with reference to financial statements, commensurate with the size, scale and complexity of its operations. Assessment of the internal financial controls environment of the Company was undertaken during the year which covered verification of entity level controls, process level controls and IT controls, identification, assessment and definition of key business processes and analysis of risk control matrices, etc. Reasonable Financial Controls are operative for all the business activities of the Company and no material weakness in the design or operation of any control was observed.

Particulars of remuneration

In accordance with the provisions of Section 197(12) of the Companies Act, 2013 and Rule 5(2) of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the

names and other particulars of employees who were in receipt of remuneration of not less than Rs. 60,00,000 during the year ended 31st March, 2015 or not less than Rs. 5,00,000 per month during any part of the said year are set out in the **Annexure VI** to the Director's Report. The Company had no employee who was employed for a part of the Financial Year and was in receipt of remuneration of not less than Rs. 5,00,000 per month during any part of the year.

General

Your Directors state that no disclosure or reporting is required in respect of the following items as there were no transactions/ events on these items during the year under review:

- Issue of equity shares with differential rights as to dividend, voting or otherwise.
- There were no Shares having voting rights not exercised directly by the employees and for the purchase of which or subscription to which loan was given by the Company.
- Change in the nature of business carried out by the Company during the year under review.
- Issue of Shares (Including Sweat Equity Shares) to employees of the Company under any Scheme.
- Payment of Remuneration or Commission to the Managing Director or the Whole Time Director of the Company from any of its subsidiaries.

Acknowledgements

Your Directors take this opportunity to express their deep sense of gratitude to the Insurance Regulatory and Development Authority of India (IRDAI) for their continuous support and guidance rendered to the Company. Your Directors would also like to place on record their sincere appreciation for the commitment, dedication and hardwork put in by each and every employee of the Company. Your Directors are deeply grateful to the confidence and faith reposed by our customers and shareholders in us.

ANNEXURE III-A TO THE DIRECTORS' REPORT

POLICY ON REMUNERATION OF DIRECTORS

Prelude

Mahindra Insurance Brokers Limited ("Company") is a composite insurance broking company registered with the Insurance Regulatory and Development Authority of India ('IRDAI'), and is engaged in providing direct insurance broking for Corporate and Retail customers and offers a range of products for the Non-Life and Life segments. The company is also engaged in the business of reinsurance broking wherein it caters to insurance requirements of insurance companies.

This Policy shall be effective from the financial year 2014 - 15.

Intent of the Policy

The intent of the Remuneration Policy of Directors of the Company is to focus on enhancing the value and to attract and retain quality individuals with requisite knowledge and excellence as Executive and Non-Executive Directors for achieving objectives of the Company and to place the Company in a leading position.

The Nomination and Remuneration Committee (NRC) of the Board shall, while formulating the policy ensure that —

- a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the company successfully;
- b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- c) remuneration to Directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

While deciding the policy on remuneration of Directors the Committee may consider amongst other things, the duties and responsibilities cast by the Companies Act, 2013, various Codes of Conduct, Articles of Association, restrictions on the remuneration to Directors as also the remuneration drawn by Directors of other companies in the industry, the valuable contributions and inputs from Directors based on their knowledge, experience and expertise in shaping the destiny of the Company etc. The Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under Section 178 of the Companies Act, 2013 and principles pertaining to qualifications, positive attributes, integrity and independence of Directors, etc.

Directors

The Managing Director is an executive of the Company and draws remuneration from the Company. The Non-Executive Chairman and Independent Directors may receive sitting fees for attending the meeting of the Board and the

Committees thereof, if fixed by the Board of Directors from time to time subject to statutory provisions. The Non-Executive Chairman and Independent Directors would be entitled to the remuneration under the Companies Act, 2013. A Non-Executive Chairman and Non-Executive Non-Independent Directors who receive remuneration from the holding company or a Group Company will not be paid any sitting fees or any remuneration. In addition to the above, the Directors are entitled for reimbursement of expenses incurred in discharge of their duties. Payment of Remuneration to Nominee Directors shall be governed by the agreement with the Financial Institution/Bank appointing the Nominee Director and by the Articles of Association of the Company.

The Managing Director and other eligible Director(s) as per extant statutory provisions may be granted Employees Stock Options, Stock Appreciation Rights or any other Share based Employee benefits pursuant to any scheme that may be approved by the Board of Directors and shareholders of the Company subject to such other approvals as may be required.

Non Executive Directors may be paid remuneration either by way of monthly payment or at a specified percentage of net profits of the Company or partly by one way and partly by another, subject to the provisions of Companies Act, 2013.

The NRC while determining the remuneration shall ensure that the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the Company successfully. While considering the remuneration, the NRC shall also ensure a balance between fixed and performance-linked variable pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The NRC shall consider that a successful Remuneration Policy must ensure that some part of the remuneration is linked to the achievement of corporate performance targets.

Managing Director/Executive Directors

The term of office and remuneration of Managing Director/ Executive Directors are subject to the approval of the Board of Directors, Shareholders, Central Government and other Statutory Authorities as may be required and the limits laid down under the Companies Act, 2013 from time to time.

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay, subject to the requisite approvals, remuneration to its Managing Director/ Executive Directors in accordance with the provisions of Schedule V of the Companies Act, 2013.

If any Managing Director/Executive Director draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where

required, he/she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

Remuneration of the Managing Director/Executive Directors reflects the overall remuneration philosophy and guiding principle of the Company. While considering the appointment and remuneration of Managing Director/Executive Directors, the NRC shall consider the industry benchmarks, merit and seniority of the person and shall ensure that the remuneration proposed to be paid is commensurate with the remuneration packages paid to similar senior level counterpart(s) in other companies.

Remuneration for Managing Director/Executive Director is designed subject to the limits laid down under the Companies Act, 2013 to remunerate them fairly and responsibly. The remuneration to the Managing Director/Executive Director comprises of salary, perquisites and performance based incentive apart from retirement benefits like Provident Fund, Superannuation, Gratuity, Leave Encashment, etc., as per Rules of the Company. Salary is paid within the range approved by the Shareholders. Increments are effective annually, as recommended/approved by the NRC/ Board. In terms of the shareholders' approval, the Commission may be paid to Managing Director in any Financial Year at a rate not exceeding 1/4% (one fourth percent) per annum of the profits of the Company computed in accordance with the applicable provisions of the Companies Act, 2013 as may be recommended by NRC and approved by the Board.

The total remuneration will have a flexible component with a bouquet of allowances to enable the Managing Director/ Executive Director to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually.

The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and performance rating of the individual.

Remuneration also aims to motivate the Personnel to deliver Company's key business strategies, create a strong performance-oriented environment and reward achievement of meaningful targets over the short and long-term.

The Managing Director/Executive Directors are entitled to customary non-monetary benefits such as company cars, health care benefits, leave travel, communication facilities, etc., as per policies of the Company. The Managing Director and Executive Directors are entitled to grant of Stock Options as per the approved Stock Options Schemes of the Company from time to time.

Disclosures

Information on the total remuneration of members of the Company's Board of Directors, Managing Director/Executive Directors and Key Managerial Personnel/Senior Management Personnel may be disclosed in the Board's Report as per statutory requirements laid down in this regard.

INDEPENDENT AUDITOR'S REPORT

To

The Members of MAHINDRA INSURANCE BROKERS LIMITED

Report on the Financial Statements

1. We have audited the accompanying financial statements of **Mahindra Insurance Brokers Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, and the Statements of Profit and Loss and Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2015, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
 - e. On the basis of written representations received from the directors as on March 31, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014(as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position
 - ii. The Company does not have any long-term contracts including derivative contracts for which there are any material foreseeable losses that need provision
 - iii. During the year, there were no amounts which were required to be transferred by the Company to the Investor Education and Protection Fund.

ANNEXURE TO THE AUDITOR'S REPORT REFERRED TO IN OUR REPORT OF EVEN DATE:

- 1 (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
- (b) The fixed assets of the Company have been physically verified by the Management during the year. The discrepancies noticed on such verification were not material and have been properly dealt with in the books of account. In our opinion, the frequency of verification is reasonable.
- 2 The Company is in the business of providing insurance broking services and consequently, does not hold any inventory. Therefore, the provisions of Clause 3(ii) of the said order are not applicable to the company.
- 3 The Company has not granted any loans, secured or unsecured, to Companies, firms or other parties covered in the Register maintained under section 189 of the Act. Therefore, the provisions of clause (iii), (iii)(a), and (iii)(b) of the said Order are not applicable to the Company.
- 4 In our opinion and according to the information and explanations given to us, the Company is having an adequate internal control system commensurate with the size and the nature of its business, for the purchase of fixed assets and sale of services. The activities of the Company do not involve purchase of inventory and sale of goods. On the basis of our examination of the books and records of the Company and according to the information and explanations given to us, we have neither come across, nor have we been informed of, any continuing failure to correct any major weaknesses in the aforesaid internal control system.
- 5 In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and rules framed there under to the extent notified. Consequently, no order has been passed by the Company Law Board or National Company Law Commission or Reserve Bank of India or any court or any other tribunal on the Company.
- 6 On facts, the requirements of Para 3(vi) requiring maintenance of cost records are not applicable in case of the Company.
- 7 (a) According to the records of the Company and information and explanations given to us, the Company is generally regular in depositing undisputed statutory dues including Provident fund, Employees' state insurance, Income tax, Sales tax, Wealth tax and service tax, duty of customs, duty of excise, value added tax, cess and other applicable statutory dues with the appropriate authorities.
- (b) According to the information and explanations given to us and records of the Company examined by us, there are no dues of income tax, sales tax, wealth tax, service tax, duty of excise, duty of customs, value added tax, and cess which have not been deposited on account of any dispute.
- (c) There were no amounts required to be transferred by the Company to the Investor Education and Protection Fund in accordance with the provisions of the Companies Act, 1956 and the rules made thereunder.
- 8 The Company has no accumulated losses as at the end of the financial year and it has not incurred any cash losses in the financial year ended on that date and in the immediately preceding financial year.
- 9 Based on the records examined by us and according to the information and explanations given to us, The Company has not taken any loans or advances from banks or financial institutions or has not issued any debentures and therefore clause (ix) of paragraph 3 of the Order is not applicable.
- 10 According to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions during the year. Accordingly, the provisions of clause 3(x) of the Order are not applicable to the Company.
- 11 In our opinion, and according to the information and explanations given to us, during the year, the Company has not taken any term loan and hence clause (xi) is not applicable.
- 12 During the course of our examination of the books and records of the Company, carried out in accordance with generally accepted accounting practices and according to the information and explanations given to us, we have neither come across any instance of material fraud on or by the Company, noticed or reported during the year, nor have we been informed of any such instance by the Management.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2015

I. Summary of Significant Accounting Policies:

1) Basis for Preparation of Accounts:

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards notified under the said Act.

All assets & liabilities have been classified as current & non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current & non-current classification of assets & liabilities.

2) Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting year. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future years.

3) Revenue Recognition:

a) General:

The Company generally follows the accrual method of accounting for its income and expenditure.

b) Brokerage Income:

Brokerage Income, Handling Charges & Broker Retainer Fees is accounted for net of Service Tax amount on rendition of services. Brokerage income is recognized on receiving details of the policy issued by the insurance company or receipt of brokerage whichever is earlier.

c) Insurance Consultancy Fees:

Revenue from Insurance Consultancy is recognised net of service tax on rendition of service in accordance with the terms of the contract with customer.

4) Investments:

Investments held as long-term investments are stated at cost comprising of acquisition and incidental expenses less permanent diminution in value, if any. Investments other than long-term investments are classified as current investments and valued at cost or fair value whichever is less.

Provision for diminution in value of investments is made if management perceives that there is permanent diminution in value of investments in accordance with the Accounting Standard on 'Accounting for Investments' (AS 13) notified by Companies (Accounting Standards) Rules, 2006.

5) Share Issue Expenses:

Expenses incurred in connection with fresh issue of share capital are adjusted against Securities premium reserve in the year in which they are incurred.

6) Fixed Assets:

Fixed assets are stated at cost of acquisition (including incidental expenses), less depreciation.

7) Depreciation:

Depreciation on fixed assets is calculated by the straight line method at rates determined with reference to the useful life of fixed assets

and in the manner provided for in Schedule II to the Companies Act 2013 except:

- (i) Motor cars where useful life is estimated at 4 years as against 8 years per Schedule II since the employees to whom these cars have been allotted as part of their terms of employment are entitled to change their vehicles every four years, and
- (ii) Fixed assets having value individually less than INR 5000 where useful life is estimated at less than one year having regard to the nature of these assets and the difficulty in estimating the useful life.

Further, residual value for all assets is considered Nil having regard to the difficulty in reasonably estimating the same and, in the case of motor cars, having regard to terms of employment under which these are allotted to the employees.

Accordingly, useful life of assets is estimated as follows:

Vehicles	– 4 Years
Computer	– 3 Years
Server	– 6 Years
Furniture	– 10 Years
Office Equipment	– 5 Years
Assets costing less than INR 5000	– < 1 Year

8) Foreign exchange transactions and translations:

i. Initial recognition

Transactions in foreign currencies are recognised at the prevailing exchange rates between the reporting currency and a foreign currency on the transaction dates.

ii. Conversion

- a. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.
- b. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

iii. Exchange differences

The Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

- a. Realized gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.
- b. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

9) Employee Benefits:

Retirement Benefits in respect of gratuity at retirement/cessation are provided for based on valuations, as the Balance Sheet date, made by independent actuaries.

a. Defined Contribution Plans –

Company's contribution paid/payable during the year to Provident Fund, Superannuation and Labour Welfare Fund are recognised in Statement of Profit & Loss.

b. Defined Benefit Plan –

Company's liabilities towards gratuity & leave encashment is determined using the Projected Unit Credit Method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gains and losses are recognized immediately in the statement of Profit and Loss as income or expense. Obligation is measured at the present value of estimated future cash flow using a discount rate that is determined by reference to market yields at the Balance Sheet date on government bonds where the currency and terms of the government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

10) Impairment of assets:

The carrying value of assets/cash generating units at each balance sheet date is reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life to their present value based on an appropriate discount factor.

11) Segment Reporting:

The company has single reportable segment namely insurance auxiliary services for the purpose of Accounting Standard 17 on Segment Reporting.

12) Taxes on Income:

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future tax income will be available against which such deferred tax assets can be realised.

13) Provisions and Contingent Liabilities:

- a) Provision for doubtful debts is made on the basis of standard norms and also, where required, on actual evaluation.
- b) Provisions are recognised in accounts in respect of present probable obligations, the amount of which can be reliably estimated. Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company.

14) Earnings per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average numbers of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

VIGIL MECHANISM

The Company promotes ethical behaviour in all its business activities and has established a vigil mechanism for Directors and Employees to report their genuine concerns.

As per the Whistle Blower Policy of the Company the Employees are free to report illegal or unethical behaviour, actual or suspected fraud or violation of the Company's Codes of Conduct or Corporate Governance Policies or any improper activity to the Chairman of the Audit Committee of the Company or Chairman of the Company or the Corporate Governance Cell.

Under the Whistle Blower Policy, the confidentiality of those reporting violation(s) is protected and they are not subject to any discriminatory practices. No personnel have been denied access to the Audit Committee.

INTERNAL FINANCIAL CONTROL SYSTEM

The Company has put in place an adequate internal control system to safeguard all assets and ensure operational excellence. It also has a team of internal auditors to conduct internal audit. Independent audit firms also ensure that all

transactions are correctly authorised and reported. The reports are reviewed by the Audit Committee of the Board. Wherever deemed necessary, internal control systems are strengthened and corrective actions initiated.

During the year, review of the internal financial controls environment of the Company was undertaken which covered verification of entity level controls, process level controls and IT controls, identification, assessment and definition of key business processes and analysis of risk control matrices, etc. The Management is responsible for establishing and maintaining internal controls for financial reporting. The effectiveness of the internal control systems of the Company pertaining to financial reporting is reviewed by the Statutory Auditors and the Audit Committee periodically to ensure Financial Statements of the Company present a true and fair view of the state of affairs of the Company.

RISK MANAGEMENT POLICY

The Company has a well-defined risk management framework in place. Your Company has established procedures to periodically place before the Board the risk assessment and minimisation procedures being followed by the Company and steps taken by it to mitigate these risks. The key business risks identified by the Company and its mitigation plans are as under:

1. **Credit Risk** : Credit risk is inherent to any lending business and the Company also faces this risk. To mitigate this, the Company has put in place stringent lending norms, has developed metrics to evaluate a customer's income and insists on a thorough field investigation to check the viability of lending to a customer.
2. **People Risk** : The Company's business model is highly people centric and the Company's employees are its biggest strength. Retention of employees is hence a key focus area. Extensive training, team building & employee engagement initiatives have been adopted to mitigate this risk. The Company follows a policy of hiring locally. This ensures employees appreciate local conditions which in turn ensures superior productivity while taking credit decisions and also while servicing customers.
3. **Environmental Risk** : Cash flows of a large number of the Company's customers depend on agriculture. Environmental factors affecting crops (yields and/or prices) impact the customer's ability to repay. The Company mitigates this risk through a policy of geographical hedging. The Company engages with its customers through regular follow up and close monitoring.

ANNEXURE II TO THE DIRECTORS' REPORT

Policy on Remuneration of Directors

Prelude

The Company is a housing finance company registered with the National Housing Bank, and is engaged in providing Home Loans primarily in rural areas for construction or purchase of a new property or for repairs, modernization or extension of an existing home.

This Policy shall be effective from the financial year 2014 - 15.

Intent of the Policy

The intent of the Remuneration Policy of Directors of Mahindra Rural Housing Finance Limited ("the Company") is to focus on enhancing the value and to attract and retain quality individuals with requisite knowledge and excellence as Executive and Non-Executive Directors for achieving objectives of the Company and to place the Company in a leading position.

The Nomination and Remuneration Committee (NRC) of the Board shall, while formulating the policy ensure that —

- a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the company successfully;
- b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- c) remuneration to Directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

While deciding the policy on remuneration of Directors the Committee may consider amongst other things, the duties and responsibilities cast by the Companies Act, 2013, various Codes of Conduct, Articles of Association, restrictions on the remuneration to Directors as also the remuneration drawn by Directors of other companies in the industry, the valuable contributions and inputs from Directors based on their knowledge, experience and expertise in shaping the destiny of the Company etc. The Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under Section 178 of the Companies Act 2013 and principles pertaining to qualifications, positive attributes, integrity and independence of Directors, etc.

Directors

The Managing Director is an executive of the Company and draws remuneration from the Company. The Non-Executive Chairman and Independent Directors may receive sitting fees for attending the meeting of the Board and the Committees thereof, if fixed by the Board of Directors from time to time subject to statutory provisions. The Non-Executive Chairman and Independent Directors would be entitled to the

remuneration under the Companies Act, 2013. A Non-Executive Non-Independent Director who receives remuneration from the holding company or a Group Company will not be paid any sitting fees or any remuneration. In addition to the above the Directors are entitled for reimbursement of expenses incurred in discharge of their duties. Payment of Remuneration to Nominee Directors shall be governed by the agreement with the Financial Institution/Bank appointing the Nominee Director and by the Articles of Association of the Company.

The Managing Director and other eligible Director(s) as per extant statutory provisions may be granted Employees Stock Options, Stock Appreciation Rights or any other Share based Employee benefits pursuant to any scheme that may be approved by the Board of Directors and shareholders of the Company subject to such other approvals as may be required.

Non Executive Directors may be paid remuneration either by way of monthly payment or at a specified percentage of net profits of the Company or partly by one way and partly by another, subject to the provisions of Companies Act, 2013.

The NRC while determining the remuneration shall ensure that the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the Company successfully. While considering the remuneration, the NRC shall also ensure a balance between fixed and performance-linked variable pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The NRC shall consider that a successful Remuneration Policy must ensure that some part of the remuneration is linked to the achievement of corporate performance targets.

Managing Director/Executive Directors

The term of office and remuneration of Managing Director/ Executive Directors are subject to the approval of the Board of Directors, shareholders, and Central Government, as may be required and the limits laid down under the Companies Act, 2013 from time to time.

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay, subject to the requisite approvals, remuneration to its Managing Director/Executive Directors in accordance with the provisions of Schedule V of the Companies Act, 2013.

If any Managing Director/Executive Director draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he/she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

Remuneration of the Managing Director/Executive Directors reflects the overall remuneration philosophy and guiding principle of the Company. While considering the appointment and remuneration of Managing Director/Executive Directors,

the NRC shall consider the industry benchmarks, merit and seniority of the person and shall ensure that the remuneration proposed to be paid is commensurate with the remuneration packages paid to similar senior level counterpart(s) in other companies.

Remuneration for Managing Director/Executive Director is designed subject to the limits laid down under the Companies Act, 2013 to remunerate them fairly and responsibly. The remuneration to the Managing Director/Executive Director comprises of salary, perquisites and performance based incentive apart from retirement benefits like Provident Fund, Superannuation, Gratuity, Leave Encashment, etc., as per Rules of the Company. Salary is paid within the range approved by the Shareholders. Increments are effective annually, as recommended/approved by the NRC/Board. In terms of the shareholders' approval, the Commission may be paid to Managing Director in any Financial Year at a rate not exceeding 1/4% (one fourth percent) per annum of the profits of the Company computed in accordance with the applicable provisions of the Companies Act, 2013 as may be recommended by NRC and approved by the Board.

The total remuneration will have a flexible component with a bouquet of allowances to enable the Managing Director/Executive Director to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually.

The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and performance rating of the individual.

Remuneration also aims to motivate the Personnel to deliver Company's key business strategies, create a strong performance-oriented environment and reward achievement of meaningful targets over the short and long-term.

The Managing Director/Executive Directors are entitled to customary non-monetary benefits such as company cars, health care benefits, leave travel, communication facilities, etc., as per policies of the Company. The Managing Director and Executive Directors are entitled to grant of Stock Options as per the approved Stock Options Schemes of the Company from time to time.

Disclosures

Information on the total remuneration of members of the Company's Board of Directors, Managing Director/Executive Directors and Key Managerial Personnel/Senior Management Personnel may be disclosed in the Board's Report as per statutory requirements laid down in this regard.

INDEPENDENT AUDITOR'S REPORT

To the Members of **MAHINDRA RURAL HOUSING FINANCE LIMITED**

Report on the Financial Statements

1. We have audited the accompanying financial statements of **MAHINDRA RURAL HOUSING FINANCE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, and the Statements of Profit and Loss and Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2015, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
 - e. On the basis of written representations received from the directors as on March 31, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being

- appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE ACCOUNTS

Note I

NOTES FORMING PART OF THE ACCOUNTS FOR THE PERIOD ENDED MARCH 31st, 2015.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

1.1 BASIS FOR PREPARATION OF FINANCIAL STATEMENTS:

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).

All assets and liabilities have been classified as current and non – current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current – noncurrent classification of assets and liabilities.

Further, the Company follows prudential norms for Income Recognition, Assets classification and provisioning for Non-performing Assets as well as contingency provision for Standard Assets as prescribed by The National Housing Bank for Housing Finance Companies.

1.2 USE OF ESTIMATES

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

1.3 REVENUE RECOGNITION

a. General:

The Company follows the accrual method of accounting for its income and expenditure except delayed payment charges, service charges and fee based income which on account of uncertainty of ultimate collection are accounted on receipt basis.

Further, in accordance with the guidelines issued by The National Housing Bank for Housing Finance Companies, income on business assets classified as Non-Performing Assets, is recognized on receipt basis. Unrealised interest recognized as income in the previous period is reversed in the month in which the loan is classified as Non-performing.

b. Income from Loans

- i. Interest Income from loan transactions is accounted for by applying the interest rate implicit in such contracts.
- ii. Service charges and documentation charges and other fees on loan transactions are recognized at the commencement of the contract.

c. Income From Investments:

- i. Dividend from investments is accounted for as income when the right to receive dividend is established.
- ii. Interest income is accounted on accrual basis.

1.4 FIXED ASSETS, DEPRECIATION AND AMORTIZATION

a. Tangible Assets:

Tangible assets are stated at cost of acquisition (including incidental expenses), less accumulated depreciation. Assets held for sale or disposals are stated at the lower of their net book value and net realizable value.

b. Depreciation on Tangible Assets

Depreciation on fixed assets is charged on the basis of the useful life of the assets as specified in Schedule II to The Companies Act, 2013 except for:

- i. Vehicles used by employees are depreciated over the maximum period of 48 months based on the useful life of vehicle for the Company.

- ii. Assets costing less than Rs.5000/- are fully depreciated in the period of purchase.

1.5 FOREIGN EXCHANGE TRANSACTIONS AND TRANSLATIONS :

a. Initial recognition:

Transactions in foreign currencies are recognised at the prevailing exchange rates between the reporting currency and a foreign currency on the transaction dates.

b. Conversion

- i. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of profit and loss.
- ii. Non-monetary items, which are measured in terms of historical Cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

c. Exchange differences

The Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as below:

- i. Realized gains and losses on settlement of foreign currency transactions are recognised in the Statement of profit and loss.
- ii. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of profit and loss.

1.6 INVESTMENTS

Investments held as long-term investments are carried at cost comprising of acquisition and incidental expenses less permanent diminution in value, if any. Investments other than long-term investments are classified as current investments and valued at cost or fair value whichever is less.

Provision for diminution in value of investments is made if management perceives that there is permanent diminution in value of investments or in accordance with the norms prescribed by National Housing Bank and Accounting Standard on 'Accounting for Investments' (AS 13) notified by Companies (Accounting Standards) Rules, 2006.

1.7 LOAN AGAINST ASSETS

Loan against assets are stated at agreement value net of installments received less unmaturing finance charges.

1.8 SHARE ISSUE EXPENSES

Expenses incurred in connection with fresh issue of share capital are adjusted against Securities premium reserve in the year in which they are incurred.

1.9 LEASE

Lease rentals in respect of assets taken on operating lease arrangements are recognized as per the terms of the lease.

1.10 EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.11 CURRENT AND DEFERRED TAX

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods is accounted for using the tax rates and tax laws enacted or substantively enacted as on the balance sheet date. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Other deferred tax assets are recognised only when there is a reasonable certainty of their realisation.

1.12 EMPLOYEE BENEFITS

a. Contribution to provident fund

Company's contribution paid/payable during the year to provident fund and labour welfare fund are recognised in the Statement of profit and loss.

b. Gratuity

The Company provides for the gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated period mentioned under 'The Payment of Gratuity Act, 1972'. The Company accounts for liability of future gratuity benefits based on an external actuarial valuation on projected unit credit method carried out for assessing liability as at the reporting date. Actuarial gains/losses are immediately taken to the Statement of profit and loss and are not deferred.

c. Superannuation

The Company makes contribution to the Superannuation scheme, a defined contribution scheme, administered by Life Insurance Corporation of India, which are charged to the Statement of profit and loss. The Company has no obligation to the scheme beyond its monthly contributions.

d. Leave encashment/compensated absences/sick leave

The Company provides for the encashment/availment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

1.13 BORROWING COST

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to the Statement of profit and loss. Ancillary expenditure incurred in connection with the arrangement of borrowings is amortized over the tenure of the respective borrowings.

1.14 IMPAIRMENT OF ASSETS

The carrying value of assets/cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life to their present value based on an appropriate discount factor.

1.15 PROVISIONS FOR NON PERFORMING ASSETS (NPA)

Housing loans are classified into "Performing" and "Non Performing" assets in terms of guidelines laid down by the National Housing Bank. The provisioning policy of the Company covers the minimum provisioning required as per the NHB guidelines.

1.16 PROVISIONS AND CONTINGENT LIABILITIES

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.3 In accordance with Accounting Standard 29 (AS-29) "Provisions, Contingent Liabilities and Contingent Assets", the following are the details of the movement in provisions for the period ending March 31st, 2015:

Rs. in Lacs

Particulars	March 2014	Additional Provision	Utilizations/ Reversals	March 2015
Provision on Standard Assets	517.82	273.83	-	791.65
Provision for Non Performing Assets	1,406.98	1,644.47	265.07	2,786.38

2.4 Loan receivable includes Rs. 5,025.67 Lacs outstanding towards financing of insurance as of March 31st, 2015 and Rs. 3,525.77 Lacs as of March 31st, 2014.

2.5 As per Section 29C (i) of the National Housing Bank Act, 1987, the Company is required to transfer at least 20% of its net profits every year to a reserve before any dividend is declared. For this purpose a Special Reserve created by the Company under Section 36(1)(viii) of the Income Tax Act, 1961 is considered to be an eligible transfer. The company has transferred an amount to Special Reserve in terms of 36(1)(viii) of the Income Tax Act, 1961 and Section 29C of the National Housing Bank Act, 1987, as amended, at year end. The company does not anticipate any withdrawal from Special Reserve in foreseeable future.

2.6 In terms of requirements of Circular NHB(ND)/DRS/Policy Circular No. 62/2014 issued by NHB, the company has created deferred tax liability on the Special Reserve. Further Vide another circular NHB(ND)/DRS/Policy Circular 65/2014 dated August 22, 2014, the National Housing Bank ("NHB") has directed Housing Finance Companies (HFCs) to provide for a deferred tax liability in respect of amount transferred to "Special Reserve" created under Section 36(1)(viii) of the Income Tax Act, 1961. As per above circular, NHB has advised HFCs to create deferred tax liability in respect of accumulated balance of Special Reserve as on April 1, 2014 from the reserves over a period of 3 years starting with current financial year, in a planned manner in the ratio of 25:25:50. However the company has created 100% of deferred tax liability (as per Circular No. 62/2014) of Rs. 706.08 Lacs on accumulated Special Reserve as on April 1, 2014 out of opening balance of Profit and Loss as on April 1, 2014.

Company has charged to its Statement of Profit and Loss for the year ended March 31st, 2015 with the deferred tax liability of Rs. 500.73 Lacs on amount appropriated towards Special Reserve out of current year's profits.

2.7 Consequent to the enactment of The Companies Act, 2013, the Company has charged depreciation on its fixed assets as per the useful life mentioned in Schedule II to the Act or useful life as assessed by the management (refer Accounting Policies note 1.4). Consequently, depreciation charged for the year is increased by Rs. 102 Lacs. Further additional depreciation of Rs. 21.68 Lacs, on the fixed assets in respect of which useful life is fully exhausted as at 1st April 2014, is adjusted against the opening balance of Profit and Loss.

2.8 The company is not required to make provision for diminution in value of investments, as per NHB norms, as the company does not hold any investment.

2.9 The company has not granted any loans or advances against collateral of gold jewellery.

2.10 During the year the company has incurred CSR expenses of Rs. 66.85 Lacs as per the requirement of Section 135 of The Companies Act, 2013. The said expenditure represents contribution made to trust which are engaged in the activity prescribed under the said section read with Schedule VII to the Act.

2.11 Bad Debts and Write offs includes loss on termination of Rs. 22.78 Lacs (March 2014 Rs. 8.07 Lacs) which mainly represents shortfall on settlement of certain contracts due to lower realization from such loan assets on account of poor financial position of such customers.

2.12 In the opinion of the Board, Current assets, Loans and Advances are of the value stated, if realized, in the ordinary course of business.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MAHINDRA ASSET MANAGEMENT COMPANY PRIVATE LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA ASSET MANAGEMENT COMPANY PRIVATE LIMITED** ("the Company"), which comprise of the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies 1 Standard on Auditing (SA) 700, *Forming An Opinion and Reporting on Financial Statements*.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of

material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its profit/loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- a. The Company has not disclosed the impact of pending litigations on its financial position in its financial statements, since there are no pending litigations as on the date of financial statements.
- b. the Company has not entered into any long term contracts or derivative contracts, hence the company is not required to make any provision for foreseeable material losses on the same;
- c. The company has been in existence for a period less than 7 years, hence provision of section 124(5) and 124(6) regarding transfer of amounts

to Investor Education and Protection Fund are not applicable.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2015

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

1) BASIS OF PREPARATION OF ACCOUNTS

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards notified under section 133 of the Companies Act 2013.

All assets & liabilities have been classified as current & non – current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets & liabilities.

2) USE OF ESTIMATES

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities as on the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates.

3) CURRENT AND DEFERRED TAX

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods is accounted for using the tax rates and tax laws enacted or substantively enacted as on the balance sheet date. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Other deferred tax assets are recognised only when there is a reasonable certainty of their realisation.

4) PROVISIONS AND CONTINGENT LIABILITIES

Provisions are recognised in accounts in respect of present probable obligations, the amount of which can be reliably estimated. Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed only by the occurrence or non-occurrence of one or more certain future events not wholly within the control of the company.

5) INVESTMENTS

Investments other than Long –term Investments are classified as current investments and valued at lower of cost or fair value.

6) REVENUE RECOGNITION

Dividend from investments is accounted for as income when the right to receive dividend is established.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MAHINDRA TRUSTEE MANAGEMENT COMPANY PRIVATE LTD

Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA TRUSTEE COMPANY PRIVATE LIMITED** ("the Company"), which comprise of the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the nine months period ended 31st March 2015 then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies 1 Standard on Auditing (SA) 700, Forming An Opinion and Reporting on Financial Statements.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due

to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its profit/loss and its cash flows for the nine months period ended on that date.

Report on Other Legal and Regulatory Requirements

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- a. The Company has not disclosed the impact of pending litigations on its financial position in its financial statements, since there are no pending litigations as on the date of financial statements.
- b. The Company has not entered into any long term contracts or derivative contracts, hence the company is not required to make any provision for foreseeable material losses on the same;
- c. The company has been in existence for a period less than 7 years, hence provision of section 124(5) and 124(6) regarding transfer of amounts

to Investor Education and Protection Fund are not applicable.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS FOR THE NINE MONTHS ENDED 31ST MARCH, 2015

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

1) BASIS OF PREPARATION OF ACCOUNTS

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and the Accounting Standards notified under section 133 of the Companies Act 2013.

All assets & liabilities have been classified as current & non – current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realisation in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets & liabilities.

2) USE OF ESTIMATES

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities as on the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates.

3) CURRENT AND DEFERRED TAX

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods is accounted for using the tax rates and tax laws enacted or substantively enacted as on the balance sheet date. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Other deferred tax assets are recognised only when there is a reasonable certainty of their realisation.

4) PROVISIONS AND CONTINGENT LIABILITIES

Provisions are recognised in accounts in respect of present probable obligations, the amount of which can be reliably estimated. Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed only by the occurrence or non-occurrence of one or more certain future events not wholly within the control of the company.

DIRECTORS' REPORT

Directors' Report to the Shareholders

Your Directors are pleased to present their Nineteenth Report together with the audited accounts of your Company for the year ended March 31, 2015.

1. Operations/State of the Company's Affairs

During 2014-15, your Company performed creditably in a challenging macroeconomic environment. It added around 12,800 new members to its vacation ownership business, taking the total membership to around one lakh eighty three thousand at the end of the year. The new member addition was marginally higher as compared to previous year, and reflects successful execution of its strategy to focus on quality 'Pull' leads from referrals and digital channels. During the year, the pace of room inventory expansion was very commendable. It added another 409 units to its inventory, taking the total room inventory to 2,816 units at the end of the year.

In another important development, your Company through its subsidiary Covington S.a.r.l, Luxembourg, acquired 23.32 per cent equity stake of Holiday Club Resorts Oy, Finland, Europe's leading vacation ownership company with around 50,000 members and 30 resorts—of which 22 are in Finland, 2 in Sweden and 6 in Spain. Your Company also has a right to increase its ownership within a period of two years. This investment allows your Company to offer member exchange opportunities and opens up growth opportunities in Europe and other international destinations.

Your Company's total income (including other income) grew marginally from ₹ 79,893 lakh in 2013-14 to ₹ 80,756 lakh in 2014-15. Profit after taxes (PAT) declined from ₹ 9,453 lakh in 2013-14 to ₹ 7,902 lakh in 2014-15 mainly due to increase in depreciation charge by ₹ 2,738 lakh, primarily due to change in useful life of the assets, and an exceptional item of ₹ 2,188 lakh (pre-tax) written off consequent to adjustments relating to past periods. Diluted earnings per share (EPS) was ₹ 8.98 in 2014-15, down from ₹ 10.75 in the previous year.

Your Company's consolidated total income (including other income) during 2014-15 was ₹ 82,964 lakh. The consolidated profit after taxes (PAT) was ₹ 8,122 lakh and the diluted EPS was ₹ 9.23.

There are no audit qualification in the standalone or in the consolidated financial statements by the statutory auditors for the year under review.

3. Dividend and Reserve

Your Directors are pleased to recommend a dividend of ₹ 4/- per equity share of face value ₹ 10 each for the financial year ended March 31, 2015. The dividend, if approved at the ensuing Annual General Meeting, will be paid to the shareholders whose names appear on the register of members of the Company as on the Book Closure Date. The equity dividend outgo for 2014-15, inclusive of tax on distributed profits would absorb a sum of ₹ 4,274 lakh (as compared to ₹ 4,155 lakh comprising the dividend of ₹ 4 per equity share paid for the previous year).

The Board of Directors proposes to transfer ₹ 790 lakh to the General Reserve representing around 10 per cent of the profit for the year. The balance is proposed to be retained in the Profit & Loss Account.

4. Share Capital

The paid up equity share capital as on March 31, 2015 was ₹ 88.78 crore. During the year under review, your Company did not issue shares with differential voting rights, sweat equity except fresh grant issued under Company's Employee Stock Option Scheme 2014 discussed later in this report. Details of Directors' shareholding as on March 31, 2015, are mentioned in the Corporate Governance Report, which forms a part of this Annual Report.

5. Institutional Placement Programme (IPP)

During 2013-14, your Company had successfully carried out an Institutional Placement Programme (IPP) and allotted the shares to Qualified Institutional Buyers (QIBs) under Chapter VIII-A of Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended from time to time, in order to meet the minimum public shareholding requirements of 25 per cent. Your Company had issued and allotted 41,41,084 Equity Shares of ₹ 10 each at a premium of ₹ 245 per share aggregating to ₹ 10,560 lakh to QIBs under IPP.

Your Directors are pleased to inform you that during the year under review, your Company completed the utilisation of funds raised from the IPP towards the objects of the issue.

6. Schemes of Amalgamation and Arrangement pertaining to wholly owned subsidiary companies

A) Bell Tower Resorts Private Limited

During the year under review, Bell Tower Resorts Private Limited (BTRPL), a wholly owned subsidiary company of the Company, was amalgamated with the Company with effect from July 31, 2014, being the date of filing the Orders of Hon'ble High Courts of Bombay at Goa and Madras with the Registrar of Companies at Goa and Chennai respectively.

Consequent to the above, BTRPL ceased to be subsidiary of the Company and all the assets and liabilities of BTRPL have been transferred to and vested in the Company pursuant to the Scheme of Amalgamation and Arrangement ("the Scheme") with effect from April 1, 2013 ("the Appointed Date"). There was no allotment of shares to the BTRPL equity shareholders since the BTRPL was a wholly owned subsidiary of the Company. The amalgamation has been accounted under the 'pooling of interest method' referred in Accounting Standard 14 and the assets and liabilities transferred have been recorded at their book values as on the Appointed Date. Further, difference of ₹ 3,061 lakh between value of assets and liabilities acquired at their book value at the Appointed Date as reduced by carrying value of investment in the books of the Company was adjusted in the "Amalgamation and Reserve Account" and the same was transferred to "Securities Premium Account" on the Appointed Date as per the approved Scheme. Further, the loss of ₹ 869 lakh of the BTRPL for the year ended March 31, 2014 has been adjusted against the Surplus in the Statement of Profit and Loss at the beginning of the year.

ANNEXURE 5 TO THE DIRECTORS REPORT FOR THE YEAR ENDED MARCH 31, 2015

Policy on Appointment of Directors and Senior Management

I. APPOINTMENT OF DIRECTORS

- The Nomination and Remuneration Committee (NRC) reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of director:
 1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
 2. Ability of the candidates to devote sufficient time and attention to his/her professional obligations as Independent Director for informed and balanced decision making.
 3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors.
- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman

will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made thereunder.

REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Acts, rules and regulations thereunder or due to non - adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become directors and who may be appointed in senior management cadre in accordance with the criteria laid down above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Managing Director & CEO based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed/relieved amongst the Leadership Team during a quarter shall be presented to the Board.

ANNEXURE 6A TO THE DIRECTORS REPORT AS ON MARCH 31, 2015

Policy on Remuneration of Directors

This Policy shall be effective from the financial year 2014 - 15.

Objective

The objective of the Remuneration Policy of Directors of Mahindra Holidays & Resorts India Limited ("the Company") is to focus on enhancing the value, to attract, retain and motivate Directors for achieving objectives of the Company and to place the Company in leading position.

The Nomination and Remuneration Committee (NRC) of the Board shall, while formulating the policy ensure that —

- a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the company successfully;
- b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- c) remuneration to Directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

While deciding the policy on remuneration of Directors the Committee may consider amongst other things, the duties and responsibilities cast by the Companies Act, 2013, the Listing

Agreement, various Codes of Conduct, Articles of Association, restrictions on the remuneration to Directors as also the remuneration drawn by Directors of other companies in the industry, the valuable contributions and inputs from Directors based on their knowledge, experience and expertise in shaping the destiny of the Company etc. The Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under Section 178 of the Companies Act 2013 and principles pertaining to qualifications, positive attributes, integrity and independence of Directors, etc.

Directors

The Managing Director & Chief Executive Officer is an executive of the Company and draws remuneration from the Company. The Non-Executive Chairman and Independent Directors receive sitting fees for attending the meeting of the Board and the Committees thereof, as fixed by the Board of Directors from time to time subject to statutory provisions. The Non-Executive Chairman and Independent Directors would be entitled to the remuneration under the Companies Act, 2013. A Non-Executive Non-Independent Director who receives remuneration from the holding company is not paid any sitting fees or any remuneration. In addition to the above the Directors are entitled for reimbursement of expenses incurred in discharge of their duties.

Pursuant to Employee Stock Option Scheme 2006 (ESOS 2006), the Company has granted Stock Options to Directors including Independent Directors. The vesting and exercise of these Options shall continue to be governed by ESOS 2006 and terms of grant. However, as per Section 149(9) of the Companies Act, 2013, henceforth the Independent Directors will not be entitled to fresh grant of any Stock Options.

The NRC while designing the remuneration shall ensure that the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the Company successfully. While considering a remuneration, the NRC shall also ensure a balance between fixed and performance linked variable pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The NRC shall consider that a successful Remuneration Policy must ensure that some part of the remuneration is linked to the achievement of corporate performance targets.

Managing Director and Executive Directors

The term of office and remuneration of Managing Director and Executive Directors are subject to the approval of the Board of Directors, shareholders, and Central Government, as may be required and the limits laid down under the Companies Act, 2013 from time to time.

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay, subject to the requisite approvals, remuneration to its Managing Director and Executive Directors in accordance with the provisions of Schedule V of the Companies Act, 2013.

If any Managing Director and Executive Directors draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he/she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

Remuneration of the Managing Director and Executive Directors reflects the overall remuneration philosophy and guiding principle of the Company. While considering the appointment and remuneration of Managing Director and Executive Directors, the NRC shall consider the industry benchmarks, merit and seniority of the person and shall ensure that the remuneration proposed to be paid is commensurate with the remuneration packages paid to similar senior level counterpart(s) in other companies.

Remuneration for Managing Director and Executive Directors are designed subject to the limits laid down under the Companies Act, 2013 to remunerate them fairly and responsibly. The remuneration to the Managing Director and Executive Directors comprises of salary, perquisites and performance based incentive apart from retirement benefits like P.F., Superannuation, Gratuity, Leave Encashment, etc.

as per Rules of the Company. Salary is paid within the range approved by the Shareholders. Annual increments are effective from 1st April each year, as recommended/approved by the Remuneration Committee/Board.

The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable the Managing Director and Executive Directors to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually after the salary increment exercise.

The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and performance rating of the individual.

Remuneration also aims to motivate personnel to deliver Company's key business strategies, create a strong performance-oriented environment and reward achievement of meaningful targets over the short and long-term.

The Managing Director and Executive Directors are entitled to customary non-monetary benefits such as company cars, health care benefits, leave travel, communication facilities, etc. as per policies of the Company. The Managing Director and Executive Directors are entitled for grant of Stock Options as per the approved Stock Options Schemes of the Company from time to time.

Non-executive Directors

The Non-Executive Directors (NEDs) are paid remuneration by way of Commission and Sitting Fees. In terms of the shareholders' approval, the Commission is paid at a rate not exceeding 1% (one percent) per annum of the profits of the Company computed in accordance with the applicable provisions of the Companies Act, 2013. The distribution of Commission amongst the NEDs shall be placed before the Board.

At present, the Company pays sitting fees to the NEDs for attending the meetings of the Board and the Committees constituted by the Board from time to time.

The Directors who are members of the Corporate Social Responsibility (CSR) Committee of the Board have voluntarily waived the receipt of sitting fees for attending the CSR Committee meetings.

Disclosures

Information on the total remuneration of members of the Company's Board of Directors, Managing Director and Executive Directors and KMP/senior management personnel may be disclosed in the Board's report and the Company's annual report/website as per statutory requirements in this regard.

ANNEXURE 6B TO THE DIRECTORS REPORT AS ON MARCH 31, 2015

Policy on Remuneration for Key Managerial Personnel and Employees

Applicability

This Policy shall be effective from the financial year 2014 - 15.

Objective

To establish guidelines for remunerating employees fairly and in keeping with Statutes.

Standards

- All employees, irrespective of contract, are to be remunerated fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.
- Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component for eligible employees, which is based on performance and paid annually.
- The fixed component of remuneration will have a flexible component with a bouquet of allowances based on laid down limits as per Company policy. The flexible component can be varied only once annually.
- The variable component of the remuneration for eligible employees, will vary from 15% to 25% of the Cost-to-Company (CTC) and will be a function of the employee's grade.
- The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and Performance rating of the individual.
- An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive and is around 60th percentile. Based on the findings of the survey and the business performance, the CEO along with the CHRO & CFO decides:
 - The increment that needs to be paid for different performance ratings as well as grades.
 - The increment for promotions and the total maximum increment.
 - The maximum increase in compensation cost in % and absolute.
- Compensation corrections are made in few relevant cases to keep it in tune with the market.
- Mid-term compensation correction, if any, are made on a case-to-case basis.
- Remuneration to the Managing Director/CEO, Whole-time Directors & KMP's are subject to the approval of the Remuneration Committee/Board.

Krishnan S	Chief Financial Officer & Executive Director	58:1
A K Nanda	Non-Executive Chairman	25:1
Cyrus Guzder	Independent Director	4:1
Sridar Iyengar	Independent Director	4:1
Rohit Khattar	Independent Director	4:1
Sanjeev Aga	Independent Director	4:1
Radhika Shastry	Independent Director	NA

For this purpose, sitting fees paid to the Directors have not been considered as remuneration. In respect of Non-executive Chairman and Independent Directors only remuneration paid by way of Commission during the year were considered. Further, median is calculated on the Cost to the Company (CTC) of active employees as on March 31, 2015.

2. The percentage increase in remuneration of each Director, Chief Financial Officer, Chief Executive Officer, Company Secretary or Manager, if any, in the financial year:

For Mr. Kavinder Singh and Mr. S. Krishnan, there is no increase applicable as Mr. Kavinder Singh joined the Company during the year under review and Mr. Krishnan during the last quarter of the previous financial year. The percentage increase in remuneration of Head Legal & Company Secretary was 13%. Further, in respect of Non- Executive Chairman and Independent Directors, the individual Commission amount remain unchanged as compared to previous financial year.

3. The Percentage increase in the median remuneration of employees in the financial year:

The percentage increase in the median remuneration of the employees in the financial year was around 7%. The calculation of percentage increase in Median Remuneration is done based on comparable employees. For this we have excluded employees who were not eligible for any increment.

4. The Number of permanent Employees on the rolls of the Company:

The number of on-roll employees, as mentioned in the section on 'Management Discussion and Analysis' is 3,238. Out of this, there were 2,629 permanent employees as on March 31, 2015.

5. The explanation on the relationship between average increase in remuneration and Company performance:

The Company considers following factors while recommending increase in the remuneration of its employees:

- Financial performance of the Company
- Industry Benchmarking and consideration towards cost of living adjustment/inflation
- Individual performance on the basis of Balanced Score Card approach.

The total compensation is a prudent mix of Fixed and variable pay in the form of performance pay. The proportion of variable pay to total compensation is higher at senior level and lower at middle level.

The increase in remuneration is a function of the factors outlined above. The performance of the Company has bearing on the quantum of variable pay declared for employees across senior and middle levels.

The average increase in the remuneration of the employee during the year 2014-15 was around 8%.

6. Comparison of the remuneration of the Key Managerial Personnel against the performance of the company:

For FY 2014-2015, the key managerial personnel were paid around 2.83% of the Profit After Tax (PAT).

7. Variations in the market capitalization of the company, price earnings ratio as at the closing date of the current financial year and previous financial year and percentage increase or decrease in the market quotations of the shares of the company in comparison to the rate at which the company came out with the last public offer:

The Market capitalization of the Company has increased from ₹ 2076.14 Crore as of March 31, 2014 to ₹ 2288.77 Crore as of March 31, 2015. Over the same period, the price to earnings ratio moved from 21.75 to 28.71. The Company's stock price as at March 31, 2015 has increased by 1.1% to ₹ 257.80 over the last public offering, i.e. IPP in April 2013 at the price of ₹ 255 per share.

8. Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and any exceptional circumstances for increase in the managerial remuneration:

The average percentage increase made in the salaries of total employees other than the Key Managerial Personnel during the FY2014-15 is around 8%, while the average increase

in the remuneration of the Key Managerial Personnel was 13%. For Mr. Kavinder Singh and Mr. S. Krishnan, there is no increase applicable as they joined the Company during the year under review and during the last quarter of the previous financial year respectively. This increment is in line with the factors outlined in point (5) above.

9. Comparison of the remuneration of each of the Key Managerial Personnel against the performance of the company:

The comparison of remuneration of each of the Key Managerial Personnel against the performance of the Company is as under:

Designation	% of PAT for the year ended March 31, 2015
Managing Director & Chief Executive Officer (w.e.f. November 3, 2014 to March 31, 2015)	1.00%
Chief Financial Officer & Executive Director	1.24%
Head Legal & Company Secretary	0.59%

10. The key parameters for any variable component of remuneration availed by the directors:

While no variable component of remuneration was availed by the Non-Executive Directors during the year under review, the following are the broad factors and guidelines considered for the Performance (Variable) Pay in respect of whole-time Directors:

- a. Financial outcomes and profitability of the company.
- b. Annual Performance Review based on the Company Balanced Scorecard.

11. The ratio of the remuneration of the highest paid director to that of the employees who are not directors but receive remuneration in excess of the highest paid director during the year:

Not Applicable

12. It is affirmed that the remuneration is as per the remuneration policy of the Company.

Management Discussion and Analysis

Mahindra Holidays & Resorts India Limited ('Mahindra Holidays' or 'the Company') is a leading player in the leisure hospitality industry. It has established vacation ownership in India, and is the market leader in the business. It offers holidays to its customers that are designed for the discerning and differentiated needs of families. Apart from providing quality rooms in the form of furnished apartments and cottages at resorts in unique and popular destinations, Mahindra Holidays offers its members other amenities including fun dining, holiday activities, spa and wellness facilities.

This chapter presents an overview of the markets and opportunities as well as the operational and financial performance of the Company during 2014-15. It also highlights Mahindra Holidays' strategy, and discusses important initiatives taken by the Company during the year to achieve its growth and performance objectives.

Introduction and Key Achievements

Mahindra Holidays' focus during 2014-15 was to achieve continued success in its strategic objective: ensuring that its growing member base gets the best holiday experience. This year Company faced adverse macroeconomic environment including consumers postponing their purchase decisions. Despite this, Company's strong focus on operational performance has yielded achievement of significant milestones. The key highlights are:

- **Mahindra Holidays added 409 units to its room inventory — taking total room inventory to 2,816 units. In line with its long-term strategy for expansion, most of this increase in inventory came from greenfield/ expansion projects and through an acquisition in Manali.** Currently, Mahindra Holidays offers members a choice of 45 resorts. The pace of room inventory growth and development of new destinations will continue — five greenfield projects that are in the pipeline will add over 700 units in the next few years. Key developments have been covered in greater detail in the section on 'Properties and New Projects'.
- **Mahindra Holidays added twelve thousand eight hundred members (after considering the net cancellation) to its vacation ownership business in 2014-15 —the total membership base stood at 1.83 lakh at the close of 2014-15.** This performance is creditable given the challenging macroeconomic environment and poor consumer sentiment that prevailed for most of the year, especially the first half. This required the Company to recalibrate its marketing strategy — by focusing more on better quality leads and significant efforts in brand building. These have been discussed in greater detail in the sections on 'Markets and Opportunities' and 'Business Performance'.
- **Mahindra Holidays acquired 23.32 per cent in Holiday Club Resorts Oy, Finland, a leading vacation ownership company in Europe with around 50,000 members and**

30 resorts — of which 22 are in Finland, 2 in Sweden and 6 in Spain. Mahindra Holidays also has a right to increase its ownership up to 100 percent within a period of two years. This investment allows the Company to offer member exchange opportunities and is in line with the vision to widen its international footprint — by opening up growth opportunities in Europe and other international destinations.

- **Member satisfaction continued to improve consistently during the year — both in terms of member services and the holiday experience at the resorts. These are reflected in improved Customer as Promoter (CAP) scores, higher occupancy, increase in unique member holidayed and post-holiday feedback scores.** A more exhaustive discussion on the initiatives carried out by the Company and their impact can be found in the sections on 'Member Relations' and 'Resort Operations'.
- **Information technology (IT) infrastructure continued to actively contribute to the Company's growth and performance by providing it with a competitive edge in the market.** During the year, online services for members were expanded significantly to align it with the business strategy. The Company also launched 'ProDis', an IT solution which provides real-time information on room inventory. Considerable progress was also made in the area of business analytics, analysis of lead data and customer segmentation. More on important technology-driven initiatives can be found in the section on 'Information Technology'.

Mahindra Holidays markets a high-value discretionary product. Given the fact that consumer sentiment and spending was subdued, the Company has registered creditable results. The key financial results for 2014-15 (standalone) are given below:

- Total income of the Company (including other income) grew from ₹ 799 crore in 2013-14 to ₹ 808 crore in 2014-15.
- Depreciation for the year was at ₹ 65 crore as against ₹ 38 crore last year, this increase mainly on account of change in the useful life of the asset as per schedule II of the Companies Act, 2013.
- Profit before tax (PBT) and exceptional item was at ₹127 crore in 2014-15 as compared to ₹141 crore in 2013-14. After accounting for exceptional item of ₹22 crore, PAT for the year 2014-15 was at ₹79 crore as against ₹95 crore in 2013-14.
- Diluted EPS was ₹ 8.98 in 2014-15, down from ₹ 10.75 in the previous year.

In the rest of this chapter, we will discuss in greater detail markets and opportunities, the operational and financial performance of the Company, initiatives in the areas of quality, CSR, sustainable development, and key functional areas such as human resources and information technology (IT). We shall end the chapter with a discussion on risks and concerns, and the outlook of the Company for the future.

Markets and Opportunities

Mahindra Holidays is a leading player in the leisure hospitality industry in India. Built on the vacation ownership model, the Company’s principal business is to offer vacation ownership products that provide holiday entitlements to its members over the life of the product.

2014-15 was another challenging year for the Indian economy. Even as there was some improvement in the second half of the year — with the decline in inflation and consequent easing of monetary policy — interest rates continue to be high and there has not been a major improvement in consumer sentiment. This has constrained the ability of households to commit resources on discretionary spend categories such as holidays. It was only towards the end of the year that there was some positive movement in this regard.

The addressable market for the Company’s products is urban families with a capability to incur discretionary expenditure. At a fundamental level, there has been considerable growth in the size of this market in the last 15-20 years—both in terms of people with the ability to spend and change in lifestyle and aspirations that have increased the willingness to take vacations for leisure. Long weekend holidays and extended family holidays are key emerging trends that reinforce this belief. Today, ‘Holidays’ is in the top of discretionary spend list for 2 out of 5 Indians.

The Indian travel and tourism industry is worth USD 36 billion or roughly 2 per cent of India’s GDP. As far as the vacation ownership industry in India is concerned, the market penetration levels are still very low. If one compares the Indian vacation ownership industry with the US in terms of its share of the total hospitality sector, the scope for growth in India is around 5 times of its current size. Similarly, if one were to look at the 11.5 million households who own a car as a proxy for the addressable market, roughly one in thirty car owners has a vacation ownership membership. This clearly means that there is a significant headroom for growth of the business.

Due to lower fiscal and current account deficits, falling inflation, benign commodity prices, and structural reforms to boost investments, India’s economy is poised to return to its high-growth path. RBI’s monetary policy is also likely to be supportive having moved to flexible inflation targeting. The manufacturing sector is likely to benefit from lower interest rates. Overall, these efforts are likely to boost the service sector.

Business Performance

‘Club Mahindra Holidays’ is the Company’s flagship product in the vacation ownership business, which entitles its members a week’s holiday every year for a period of 10 or 25 years depending on the membership. Mahindra Holidays has recorded good growth in its membership over the last few years despite some challenging years and believes that there is significant potential for further growth of vacation ownership business in India with economy likely to grow at a higher rate.

During 2014-15, it focused on implementing a pull-based marketing strategy to reach its target audience and generate high value leads with better conversion. This has several key elements.

- First, the Company continued with its efforts on building ‘digital’ visibility and engaging prospects. This included launch of two major initiatives: ‘ClickPic’, a contest where members upload their holiday pictures on social media and ‘Teddy Travelogues’, India’s first travel e-magazine for and by the children. It also ran a very successful Twitter campaign during the Cricket World Cup 2015. **These efforts have won the Company several awards and recognitions including ‘Best Innovation Practice in Digital and Social Media’, ‘Innovation in Brand Management’, ‘Best Innovation Practice in Marketing and Operations’, and ‘Most innovative Big Data Analytic Solutions’ by World Innovation Congress in 2015.**
- Second, the Company re-launched ‘Happy Family Referral Programme’ (HFRP), a loyalty-cum-referral programme for its members, with features that makes it more attractive for the members to engage and contribute to Company’s growth. It also streamlined processes that make it simpler for members to earn and redeem benefits offered under the programme.
- To support these initiatives, the Company also carried out an extensive advertising and brand-building campaigns. **‘Club Mahindra’ was selected as a ‘Super Brand’ for the year 2014-15 by SuperBrand Council in India. It has also been listed amongst Mumbai’s Hot 50 Brands by Paul Writer & Hindustan Times.**

As a result of these efforts, contribution of digital and referral leads to overall sales increased considerably during the year. The Company was also successful in expanding its sales network during the year. At the end of 2014-15, it was present in 124 locations. Its focus on international markets with sizeable Indian population also saw significant progress, with deepening of its presence in Dubai, Abu Dhabi, and Sharjah. Contribution of these markets increased during the year.

During 2014-15, the Company added around twelve thousand and eight hundred members, taking the total membership to around 1.83 lakh as on March 31, 2015. The Chart provides details of the growth in membership in the last 10 years.

The Company also markets a corporate product called ‘Club Mahindra Fundays’, which allows enrolled organisations to offer holiday entitlements to its employees or group vacations either as a part of their reward and recognition programme or as an employment requisite or compensation. During the

year, there was a healthy increase in the number of room nights utilised under this product. The overall performance of the product in terms of new business was also satisfactory.

As a part of its overall strategy, the Company discontinued 'Club Mahindra Travel', which provided travel related services to its vacation ownership members, employees and other corporate clients. These services are now being provided by a third-party service provider and the transition has taken place smoothly. Travel related services accounted for a very small part of the Company's business and will not have a material bearing on its performance.

Properties and New Projects

Mahindra Holidays currently has a pan-India presence through its extensive network of resorts across a cross-section of destinations including hill stations, beaches, backwaters, wildlife sanctuaries, forts and heritage places. It is also present in international destinations such as Bangkok, Innsbruck (Austria), Kuala Lumpur and Dubai.

As mentioned earlier, building inventory and adding new destinations is a key strategic objective for the Company. In line with this, it added substantial room inventory during the year. **Mahindra Holidays added 425 room units to its inventory across 8 resorts. After accounting for inventory retired, the net addition during the year was 409 units, taking the total inventory to 2,816 units— representing a 17 per cent increase in inventory over the previous year.** The Chart provides information on growth in inventory over the last 10 years.

An important part of the Company's inventory strategy is to have resorts that are either owned or under a long lease. New greenfield developments in Kanha (Madhya Pradesh) and expansion in Virajpet (Coorg, Karnataka) contributed 154 units to the increase in inventory. In addition an acquisition of a very popular premium resort in Manali (Himachal Pradesh) contributed another 60 units. The remaining inventory came through fresh inventory arrangements in Goa, Kodaikanal (Tamil Nadu), Ganpathipule (Maharashtra), Alleppey (Kerala) and leasing of additional rooms in Udaipur (Rajasthan). Further, construction of additional rooms through a greenfield development in Munnar was completed during the year and the same would be made available to the members during the first quarter of 2015-16.

As a result, by the end of 2014-15, Mahindra Holidays offered its members a choice of 45 resorts. In line with the Company's strategy, majority of the total inventory is owned by it. Besides, Mahindra Holidays entirely manages the resorts under lease arrangements and in respect of resorts through inventory arrangements, sufficient measures have been implemented to give members best holiday experience.

Increasing room inventory in line with our membership additions will continue to be central part of our growth plans. **The Company is currently undertaking 3 greenfield projects: Naldhera (Shimla), Assanora (Goa), and Ashtamudi (Kerala), which are in different stages of planning and development. Further, expansion in Kandaghat (Shimla) and a new greenfield project at Dharamshala (Himachal Pradesh) are being considered. These will be part of our inventory additions programme of around 700 units in the next few years.**

Apart from this, it is also considering resort acquisition opportunities at popular destinations, both in India and abroad. It also has land bank at 9 destinations across 6 states. Efforts are also on to expand this further. Some of our existing resorts also have additional land that can be utilised for further expansion. This will provide the flexibility to build at these destinations and add room inventory on an ongoing basis.

Resort Operations

Efficient resort operations are central to delivering a holiday experience that meets the expectations of our members. This encompasses three key areas: infrastructure and facilities, holiday activities, and food and beverage (F&B).

Mahindra Holidays has institutionalised 'post-holiday feedback' across its resorts to measure its success in delivering quality holiday experience to its customers and addressing their concerns. We are happy to report that the feedback scores have shown a positive growth during the year due to focused efforts. Also, efforts are in progress to further improve the coverage of the feedback, both in terms of processes and resorts. All the new resorts which were opened up for the members during the last year have been receiving positive feedback from the members.

As a Company marketing long duration products and services to its members, Mahindra Holidays ensures that quality of infrastructure and facilities are well maintained and upgraded regularly to meet customer expectations. Significant investments were made to upgrade around 120 rooms and common areas across multiple locations. In a major initiative, spa facilities are being expanded both in terms of their offerings and resort locations. At the end of the year, 26 resorts have such facilities. This will also contribute to greater resort revenues for the Company.

The Company has a unique distinction of having 22 RCI Gold Crown, 2 RCI Platinum Award & 2 Silver crown resorts in India, which bears testimony to the high standards of resort facilities, amenities and services that our resorts offer. We have also achieved 6 Trip Advisor awards, 8 Holiday IQ awards during the year. During the year, Club Mahindra Baiguney received the 'Best Resort Award 2014' in the state of Sikkim from the Department of Tourism, Government of Sikkim and Club Mahindra Kodaikanal received the Best Horticulture Resort by Horticulture Department of Tamilnadu.

Holiday activities continues to be an important focus area. During the year, significant effort went into developing a contemporary ambience for the 'Fun Zones' in the resorts. The coverage was also expanded with the introduction of facilities such as interactive games, mazes and slides, trampolines, archery and 3-D theatres. Besides these, there are activities built around the themes of learning, adventure, relaxation and local experiences, depending on the terrain and type of holiday the destination offers. These efforts have resulted in a continuous growth in member satisfaction and revenues from holiday activities. New Holiday Activity concept at Virajpet (like archery, electronic games, etc.), are receiving excellent feedback.

In the area of F&B, efforts are continuously made to increase the variety and make the dining experience more exciting. Through "Gourmet Express", a well-researched menu featuring the most sought-after food items faster and at a better value was introduced. This enhanced in-room dining experience in a hygienic, aesthetic and bio-degradable packaging has been received well by the members.

Mahindra Holidays' resorts in Thekkady, Ashtamudi, and Cherai are certified by National Accreditation Board for Certification Bodies ("NABCB") Branch Hygiene Code certification during the year. This certification is awarded upon meeting prescribed standards of hygiene in all activities related to F&B — from procurement of raw materials to preparation and serving it to the customers.

Member Relations

As a company that markets long-duration discretionary product, member satisfaction is the key to Mahindra Holidays' success. Responsive and effective member relations are critical to meet the Company's objectives in this regard. During 2014-15, the Company witnessed significant improvement in the overall member satisfaction levels. Deployment of technology and improvement in processes have played a defining role in this progress. Some of the key achievements are highlighted below.

During the year, the Company upgraded its website which has improved the peak load handling capacity. The percentage of online bookings increased to 52 per cent in 2014-15, from 45 per cent in the previous year. Online booking system has increased the efficiency of booking process — contributing to a superior member experience.

The Company serviced 15 per cent more members over the previous year. **Overall, there was a 7 per cent increase in the number of unique members availing a holiday over the previous year and occupancy rate remained stable at 82 per cent.**

Another measure of success is the conversion rate of holidays once a member displays intent at any of the Company's contact points. **During the year, 91 per cent of members who demanded a holiday ended up holidaying with us at least once, up from 85 per cent in the previous year.** This is significant given the wide choice of resorts and seasons that are available to the members and augurs well for the long-term satisfaction of our members.

During the year under review, the Company achieved significant success in member on-boarding process and accordingly the service level in making the first contact reached 100 percent. **Also, the Company reaches out proactively to assist new members book their first holidays. The percentage of new members, who took their first holiday during the year improved from 52 per cent to 60 per cent.**

The Company has institutionalised feedback generation mechanism to continuously improve its internal processes. During 2014-15, there has been a steady increase in the loyalty scores based on feedback received through both the Company's internal feedback generation mechanisms as well as external surveys. Overall member complaints have come down over the year. At the same time, substantial increase in referrals from members and appreciation in social media is testimony to the improvement in member satisfaction levels.

Human Resources (HR)

Mahindra Holidays is a leading players in the vacation ownership industry in India. Given the highly specialised nature of the business and the large number of locations where we operate, attracting and nurturing the right talent is at the core of the Company's strategy for success and growth. Accordingly, the HR function at Mahindra Holidays is organised into three key areas: customer acquisition, resort operations and corporate functions (including learning and development).

During the year, the Company successfully inducted people to meet the needs of the growing business both from outside as well as through talent management and capability development initiatives aimed at development of existing employees. At the same time, focus was on optimising the human resource base of the Company, keeping in mind the market dynamics and the competitive environment in which the Company operates. The key developments are discussed below.

In the area of customer acquisition, the Company has an established 'Club Mahindra One Sales Process' which requires all sales and marketing personnel to go through an intensive training and certification programme. During 2014-15, the Company strengthened it further by adding various modules to reflect the changes in the environment such as deployment of 'SellSmart' and sources of lead generation. The coverage of these training programmes is 100 per cent of eligible executives.

In the area of resort operations, the Company continues to carry out talent development programmes such as Club Mahindra Executive Trainee (CMET), certification from American Hotel and Lodging Educational Institute (AHLEI) for resort operations and skill development programmes for

specific functions such as front office and housekeeping. In the area of F&B, the executive training programme 'Sous Chef Live' continues to be a success. These programmes have been extremely successful and contributed significantly to the staffing of our new resorts in the last few years.

On the corporate and organisational development front, the Company regularly nominates executives to participate in development programmes and workshops to enhance their skills. Specific activities and programmes are undertaken to align the employees with the culture and business goals of the organisation. During the year, Mahindra Holidays had the highest employee engagement score within the Mahindra Group.

Overall, each employee received an average of 7.5 man days of training during the year. Going forward, focus will be on increasing the coverage of executive training to cover all consumer facing roles within the Company. As on March 31, 2015, there were 3,238 people on the rolls of the Company. Industrial and employee relations remained cordial throughout the year.

Quality

Mahindra Holidays has adopted the principles of Total Quality Management (TQM) under the banner of 'The Mahindra Way' (TMW) — the Mahindra Group's integrated approach to promote excellence in all spheres of its operations. Some of the key developments during the year are discussed below.

The Company has successfully institutionalised quality systems in all critical business functions. During the year, it witnessed a focussed approach to TMW with participation from all functions and sections of employees. Two processes — employee involvement & development and member relations—moved-up from Level 3 to Level 4 in their quality journey. The remaining processes stabilised at Level 3. Going forward, we are looking to integrate the Projects Department and some of the Company's support functions into the TMW framework.

During the year, participation increased significantly with all functions undertaking process improvement projects embracing principles of TQM, Kaizen and Daily Work Management (DWM). The Kaizen movement has been institutionalised by adding it to the Key Related Areas of the employees and is now tracked on a monthly basis. A reward and recognition scheme was also rolled out to encourage further participation, and the best projects are displayed for understanding and horizontal deployment by team members across different locations. The number of Kaizen projects across the Company crossed 1,000, which is a significant landmark. The DWM and plan-do-check-act (PDCA) cycle approach has helped Member Relations function to reduce complaints and improve customer satisfaction.

The skills of the Business Excellence (BE) team, which is responsible for in-house training & development of employees, was enhanced by conducting specialised program in quality tools such as 7QC Tools and Kano Model. As mentioned in our previous report, Failure Mode and Effects Analysis (FMEA) tools were further deployed for proactive identification of gaps and provide preventive actions.

The standardisation process across the Company was further enhanced by review of Standard Operating Procedures (SOPs) in resorts, which was done by a cross-functional team of resort

and functional managers. Visual SOPs continues to be a focus area, and saw implementation for critical processes at resorts. The member relations and customer acquisition processes have also identified new SOPs based on business needs. Support functions such as administration and security received an ISO 9001-2008 certification in November 2014, which has helped in streamlining the processes and create SOPs.

Audits are an integral part of process improvements. DWM and ISO audits are being conducted regularly, and with increased focus on internal audits, the frequency and coverage has increased significantly. During the year, the BE team created a centralised dashboard and increased the participation of resorts from 22 to 42. This dashboard has helped the resort managers to take preventive and corrective action based on factual data. A monthly dashboard is also published for the resort top management for their review and necessary actions.

Information Technology (IT)

Mahindra Holidays' believes that technology today plays an active role in providing a competitive edge in the market and contributes directly to meeting business goals. Over the last few years, the Company has invested significant resources in large-scale upgrading of its IT architecture and is actively benefiting from these investments in all key spheres of its operations — be it customer acquisition, resort operations or member services. **It was recognized by CIO Review magazine as 'Company of the Year – Hospitality' Companies of the Year 2014.**

The Company has a SAP based property management system and finance module for its existing resorts, including resorts launched during the year. As a result, the inventory information flows in real-time, which has significantly improved the utilisation of assets. Today, most operating locations and offices of the Company are connected to its ERP — exchanging real-time information and benefiting from an integrated IT infrastructure.

During the year, the Company implemented an in-house solution called 'ProDis' to make real time information on inventory. This features dynamic pricing based on available inventory and rates offered in the market. This has contributed to the highest ever lean period occupancy in last 3-4 years. **The Company won two prestigious awards for the successful implementation of ProDis: Innovation Award at the CIO100 Forum in 2014 and Innovation Award at Mahindra & Mahindra Group IT Connect 2015.**

The Company also made considerable progress in the area of business analytics during the year. It implemented a solution for analysis of lead data, customer segmentation analytics for better targeting; MIS and dashboards for customised reports and automated reports for key functions such as Member Relations, Marketing and Finance. **Mahindra Holidays won the award in "Best Use of Customer and Data Analytics in a Loyalty Program" at the 8th Loyalty Awards presented by AIMI.**

Taking into account the move of the Company from a 6 months to a 4 months booking window, website of the Company was optimised to yield better speed. Currently, over 67 per

cent of our members access the website for information or bookings. Another area where the Company made progress was online payments. All payments can be now made securely online, including redemption of loyalty points under the 'Happy Family Referral Programme' (HFRP). Currently, 57 per cent of all payments happen online. A series of other online features were also implemented during the year. This include 'QuickBook', which allows booking in a few clicks; implementation of booking wait lists; HFRP lead generation; and customised offers for members.

During the year, the Company achieved considerable success in strengthening its controls in areas of finance, procurement and material management at resorts. This included redefining processes, introducing checks and balances, improving access controls and carrying out security audits to measure their effectiveness. It also worked to economise on operations by rationalising the partner/vendor ecosystem, in-house development and shifting towards open source platforms.

Corporate Social Responsibility (CSR)

As a part of the Mahindra Group, your Company has been at the forefront of taking affirmative action as a responsible organisation that seeks to contribute to the socio-economic well-being and development of the communities and the ecosystem that it interacts with in carrying out its business. In the past, Mahindra Holidays has been voluntarily committing one (1) per cent of its profits to CSR activities. From 1st April 2014, it pledges at least two (2) per cent of the average net profits made during the three immediately preceding financial years towards CSR efforts and initiatives. It has also set-up implementation mechanisms mandated by the Companies Act, 2013.

Apart from working with NGOs, foundations and trusts, and contributing resources for socially relevant projects, the Company also encourages community service by its employees by involving them in the implementation of these CSR activities through its 'Employee Social Options Programme'. **During the year, employees volunteered 5309 man hours on CSR initiatives.** Some of the key CSR initiatives undertaken by the Company during 2014-15 are discussed below:

- **Education, Skill Development and Livelihood:** The Company sponsored the education of 5,009 girls through the "Nanhi Kali" project. It conducted need assessment and adopted rural schools and *anganwadis*, renovated their infrastructure and strengthened basic amenities at several of its resort locations. Other than these, educational material and amenities are regularly provided to underprivileged students and schools. At Coorg, it donated school stationery to six government schools and also provided funds to the opportunity section of Kodagu Valley School for differently abled students. Another important initiative of the Company is supporting skill development and generating livelihood opportunities through self-help groups (SHGs). During the year, it supported 8 SHGs of women across six resort locations in diverse areas such as handloom, sewing/tailoring and goat farming.

- **Environment:** Over 41,000 trees were planted across 33 locations during the year as a part of 'Mahindra Hariyali' — an initiative of Mahindra Group for tree plantation — taking the total trees planted to 2,18,525 since the beginning of the project in 2010-11. The Company responded with great resolve to the 'Swachh Bharat Abhiyaan' of the government, and almost all resort locations carried out cleanliness drives in their vicinity. In Puducherry, it worked with the municipal authorities to conduct need assessment, and the cleaning drive was followed by distribution of dustbins in the nearby village to address the problem of waste management. Awareness programmes are regularly carried out to sensitise the local communities on environmental issues and promoting green practices.
- **Health and Community Welfare:** The Company regularly carries out blood donation and medical check-up camps, awareness sessions in the areas of health, natural remedies, and HIV/AIDS to benefit the local communities in which it operates. Several such activities were carried out across most of the Company's resorts. In Gangtok, water filters were installed in a village to provide access to safe drinking water. In the area of community welfare, it engaged with several children homes and old-age homes, and provided basic amenities and infrastructural support such as water heaters, refrigerators, blankets and bedsheets. In other instances, resorts provided relief for natural calamities and creating awareness for social issues such as human rights and women empowerment.

Sustainability

Sustainable development aims at achieving economic growth and improvements in well-being while preserving the natural resources and ecosystem for future generations. As a part of the Mahindra Group, the Company recognises the importance of sustainability, and is committed to conserve the ecological integrity of its locations through responsible business practices, accountability and transparency.

Mahindra Holidays' initiatives in this sphere are carried out in line with a 'Sustainability Roadmap', which identifies the key areas of focus and parameters that are monitored to measure the progress of the Company in its sustainability journey. During the year, the Company drew a fresh three year roadmap that encompasses all key functions and departments. Some of the key areas that have been identified for implementing sustainable practices include conservation of biodiversity, environment, energy and water, sourcing and community development.

During the year, significant number of activities were carried out across resort locations in these areas. These include use of solar power; environment-friendly energy and water saving equipment; timers and motion sensors for lighting of pathways and common areas; eco-friendly bio-block sewage treatment plants and organic waste pulveriser for wet garbage disposal. Awareness drives were conducted for the employees at resorts about climate change, environment and biodiversity. Training programmes for segregation of waste were successfully implemented at several resort locations.

The Company actively participates in the Mahindra Group's journey for Corporate Sustainability Reporting. The 'Sustainability Report' of the Group is prepared in accordance with the internationally accepted framework specified by the Global Reporting Initiative (GRI). This framework sets out the principles and indicators that should be used to measure and report economic, environmental, and social performance. During 2014-15, the number of resorts that participated in sustainability reporting of the Group increased from 7 to 12.

Here are the key highlights of the financial performance of the Company as a standalone entity:

- Total standalone income, which includes both operating and other income, grew from ₹ 799 crore in 2013-14 to ₹ 808 crore in 2014-15 primarily on account of increase

in ASF income and income from resort operations compensating by reduction in non-operating income, income from TRS business and income from the sale of vacation ownership.

- Increase in repairs & maintenance, power & fuel, expenditure on corporate social responsibility and other miscellaneous items were offset on savings on account of reduction in sales & marketing expenses resulting in a marginal net decline in operating and other expenses from ₹619 crore in 2013-14 to ₹615 crore in 2014-15.
- Depreciation grew by ₹ 27.4 crore from ₹ 38 crore in 2013-14 to ₹ 65.4 crore in 2014-15. The increase is primarily on account of provisioning for change in the useful life of the assets as per Schedule II of the Companies Act, 2013.
- Profit after tax (PAT) before exceptional items remained steady at ₹ 93.5 crore in 2014-15 as compared to ₹ 94.5 crore in the previous year, despite increase in depreciation by ₹ 27.4 crore over the previous year.
- Exceptional Item represents a net debit of ₹ 21.88 crore (pre-tax), written-off consequent to adjustments relating to past periods, made to the balances carried forward under Receivables as at the year end, in the Deferred Service Tax Account, Deferred Interest Account and other accounts, aggregating to ₹ 73.74 crore (debit) and the Deferred Entitlement Fee Account amounting to ₹ 51.86 crore (credit). These adjustments are arising from the reconciliation exercise carried out by the Company of these accounts necessitated, *inter-alia*, due to the migration of the underlying data to the ERP system implemented in the previous financial years, and Management's decision to recognize the entitlement fee commencing from the year of admission of each member as against from the year of entitlement.
- PAT after exceptional items declined from ₹ 94.5 crore in 2013-14 to ₹ 79 crore in 2014-15. Diluted EPS was ₹ 8.98 in 2014-15, down from ₹ 10.75 in the previous year.
- The above numbers includes the financial information of erstwhile Bell Tower Resorts Private Limited, a wholly owned subsidiary of the Company, which got amalgamated with the Company with effect from July 31, 2014 and hence, are not comparable with the corresponding previous year.

At standalone basis, Mahindra Holidays continues to be a zero long-term debt company. The liquidity situation of the Company remained comfortable during the year.

As a consolidated entity, your Company's total income (including other income) remained unchanged at ₹ 830 crore in 2014-15 and the consolidated PAT was ₹ 81 crore as against ₹ 87 crore in 2013-14 and the Diluted EPS was ₹ 9.23 (₹ 9.90 previous year). Consolidated debt was at ₹ 124 crore as against ₹ 3 crore mainly on account of foreign currency loans raised by overseas subsidiaries of the Company at Mauritius and Luxembourg for the investment made in Holiday Club Resorts Oy, Finland.

Internal Controls

The Company has an adequate internal control system, commensurate with the size and nature of its business. The

system is supported by documented policies, guidelines and procedures to monitor business and operational performance which are aimed at ensuring business integrity and promoting operational efficiency. During the year under review, the Company engaged a reputed firm specialising in internal control implementation to carry out a study of the existing controls (manual/system) and to further strengthen controls over financial reporting and non-financial key processes.

The Company has appointed an Internal Auditor who oversees the entire internal audit function. However, given the size of its operations in terms of number of resort locations and nature of its business and services, it also uses independent audit firms to conduct periodic internal audits in line with an audit plan that is drawn at the beginning of the year. This audit plan, prepared by the Internal Auditor, is approved by the Audit Committee and the Board of Directors. The scope of the exercise includes ensuring adequacy of internal control systems, adherence to management policies and compliance with the laws and regulations of the country. Internal Auditor also report on the implementation of their recommendations.

The Company's ERP system has appropriate controls embedded in its processes and systems, to reduce the need and reliance for compensating manual controls.

Reports of the Internal Auditors are placed every quarter before the Audit Committee of the Board of Directors, which reviews the adequacy and effectiveness of the internal control systems and suggests improvements for strengthening them.

Threats, Risks and Concerns

Mahindra Holidays' risk management framework mainly consists of identification of risks, assessment of their nature, severity and potential impact, and measures to mitigate them. This framework is in place for adequate and timely reporting and monitoring. Risks are reviewed periodically and updated to reflect the business environment and change in the size and scope of the Company's operations.

Macroeconomic Risks

The macroeconomic and policy environment in India registered marginal improvement during the latter half of the year. The RBI eased the monetary policy after a broad-based decline in consumer price inflation starting September 2014. Even as these are good signs, there are still downside risks in the form of reversal in global commodity prices and poor monsoons. Also, the easing of monetary policy continues to be circumspect and interest rates are still high.

The Company recognises these risks and has initiated measures to minimise their impact. This includes focusing on pull-based strategy for customer acquisition, more focussed digital marketing in line with the current trend, and expanding the addressable market base beyond domestic boundaries. Other initiatives include renewed focus on marketing vacation ownership product through corporate channels and through referral programmes.

Operational Risks

Operational risks mainly relate to meeting customer expectations in terms of quality of service and maintaining a balance between

the room inventory of resorts and growth of customers. These assume significance given the long service duration of the key products. There could be occasions where the first choice of holiday requested by the customers may not be available, which may result in dissatisfaction. Another operational risk is in the ability to consistently attract, retain and motivate managerial talent and other skilled personnel, especially in a high growth industry with unique characteristics. Further, some of the Company's resorts are located in remote areas and natural calamities such as earthquake, flood, landslide etc. may affect the accessibility of the resort to the members and also affect the online connectivity with the resorts.

The Company has invested significant resources in systems and processes to ensure quality of service and overall experience of the customers to mitigate these risks. As noted earlier, customer satisfaction continues to be favourable. Regarding room inventory, the Company will continue to be judicious in the use of different options — fresh developments, expansions, leases and inventory arrangements — to meet the expectation of our customers and at the same time maintain a balance between the demand and supply. As far as talent management and retention is concerned, the management believes that its human resource practices enhance employee engagement and satisfaction.

Financial Risks

The Company's business involves significant investments in building resorts for its operations. Hence, it is exposed to risks in terms of timely and adequate availability of funds at competitive rates to finance its growth. Besides, the Company offers its customers schemes to finance the purchase of the vacation ownership and similar products, which exposes it to credit risks. Another financial risk that the Company is exposed to is potential non-payment or delayed payment of membership instalments/Annual Subscription Fee by members resulting in higher outstanding receivables.

Currently, Mahindra Holidays is a zero long-term debt company on standalone basis, and has a strong and stable capital structure to raise capital for further expansion, if necessary. The Company undertakes comprehensive assessment of the profile of its customers and carefully monitors its exposure to credit risk. The Company has implemented several improvements in control mechanisms across functions for better efficiency and reducing risks of potential leakages. Better monitoring systems were also put in place to aid the management in this process.

Regulatory and Legal Risks

Mahindra Holidays is exposed to regulatory and legal risks. These include cumbersome processes and risks relating to land acquisition, conversion of land for commercial usage and development of properties, environmental clearances, approvals and activities related to development of new resorts. There are also other regulatory and legal risks pertaining to tax proceedings, legal proceedings on properties, customer complaints, non-compliance of regulations including environmental regulations and those pertaining to the hospitality sector. Further, as the Company has investments and operations in different countries, it is also exposed to political and regulatory risks that emanate from its international presence.

The Company recognises that regulatory requirements can at times be challenging, and therefore will strive to understand the change in regulatory standards, so as to strengthen its decision making processes and integrate this in the business strategy of each of the Company's business functions and locations where it operates. Further, the Company has systems and controls in place to mitigate Regulatory and Legal risks by driving the business performance through the conversion of the risk, compliance processes and control mechanisms. This would minimise the instances of non-compliance and to ensure continued operational effectiveness.

Outlook

Global economic environment, especially in the US, saw positive developments during the year. In India too, the situation improved as the year progressed. The second half of 2014-15 saw a broad-based decline in inflation, which has resulted in a favourable change in the monetary policy stance of the RBI. On the fiscal policy front, there have been encouraging developments, which augur well for a more substantive turnaround of the economy in the next year or so. This will contribute to improvement in the consumer confidence, which is important for the products and services marketed by the Company.

During the year, Mahindra Holidays performed creditably in a business environment that was challenging. It recalibrated its strategy to generate 'pull' for its products and services,

and at the same time focused on adding room inventory and optimising operations. Our success is reflected in the comfortable inventory position and consistent improvements in member satisfaction levels. This provides us with an unmatched opportunity in a growing economy—as was visible in our performance towards the end of 2014-15.

The Company believes that 2015-16 will be a much better year for the Indian economy. It also believes that vacation ownership business has a significant room for growth, and that Mahindra Holidays is well placed to leverage this opportunity. Therefore, the outlook for the next year is optimistic.

Cautionary Statement

Certain statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be forward-looking statements within the meaning of applicable securities laws and regulations. Actual results could differ from those expressed or implied. Important factors that could make a difference to the Company's operations include poor macroeconomic growth and consumer confidence, inability to add resorts and increase the inventory of room, cyclical demand and pricing in the Company's principal markets, changes in tastes and preferences, government regulations, tax regimes, economic development within India and other incidental factors.

CORPORATE GOVERNANCE REPORT

Corporate Governance Philosophy

Mahindra Holidays & Resorts India Limited ('Mahindra Holidays' or 'the Company') is committed to sound corporate governance practices. This has been integral to the way the Company conducts its business since its inception. Our corporate governance framework is a reflection of our culture, our policies, our relationship with stakeholders and customers and our commitment to values. Accordingly, we always seek to ensure that our performance is driven by integrity.

The Company's corporate governance philosophy is built around the values of transparency, professionalism and accountability. Effective corporate governance is the manifestation of professional beliefs and values, which configures the organisational values, credo, and actions of its employees. Accordingly, the Company has also put in place appropriate systems and procedures for reporting, monitoring and control, which ensure a balance of accountability between the Directors and the Management.

In India, corporate governance standards for listed companies are regulated by the Securities and Exchange Board of India ("SEBI") through Clause 49 of the Listing Agreement of the Stock Exchanges. The SEBI, amended the listing agreement effective October 1, 2014, to bring in additional corporate governance norms for listed entities. These norms provide for stricter disclosure and protection of investor rights, including equitable treatment for minority and foreign shareholders. The amended norms are aligned with the provisions of the Companies Act, 2013, ("the Act") and are meant to encourage companies to "adopt best practices on corporate governance". The Company remains fully compliant with the revised norms of the Listing Agreements and the provisions of the Act as on March 31, 2015.

Board of Directors

The Company has a very balanced and diverse Board of Directors, which primarily takes care of the business needs and stakeholders interest. The composition of the Board is in conformity with Clause 49 of the Listing Agreement and also the provisions of the Act. The Chairman of the Board is a Non-Executive Director and half of the Board comprises Independent Directors. The Board reviews and approves strategy and oversees the actions and results of management to ensure that the long-term objectives of enhancing stakeholders' values are met.

The Independent Directors have the requisite qualifications and experience in general corporate management, finance, hospitality, telecom, financial services, vacation ownership, and other allied fields which enable them to contribute effectively to the Company in their capacity as Directors, while participating in its decision making process.

During the year under review, the Board appointed Mr. V.S. Parthasarathy and Ms. Radhika Shastry as Additional Directors on the Board of the Company with effect from August 27, 2014, and subsequently their appointments as Director and Independent Director were approved by the shareholders

through a postal ballot. Mr. V.S. Parthasarathy, who is Group CFO, CIO and President (Group - Finance & M&A), of Mahindra & Mahindra Ltd. (Holding Company) is a Non-Executive Director, liable to retire by rotation. Ms. Radhika Shastry was appointed as Independent Director, not liable to retire by rotation, and her appointment is for a period of 5 years from December 26, 2014. Consequent to appointment of Ms. Shastry, your Company is in compliance under the provisions of the Act with regard to appointment of one woman Director on the Board of the Company.

Mr. Uday Y. Phadke, Non-Executive Director, resigned from the services of the Company with effect from the conclusion of 18th Annual General Meeting (18th AGM) of the Company held on August 27, 2014. In line with the provisions of the Act, in the said 18th AGM, Mr. Cyrus Guzder, Mr. Rohit Khattar, Mr. Sridar Iyengar and Mr. Sanjeev Aga were appointed as Independent Directors, not liable to retire by rotation, for a period of 5 years from August 27, 2014.

During the year under review, the Board of Directors, at their meeting held on September 29, 2014, had filled up the vacancy caused by resignation of erstwhile Managing Director & CEO from the closure of business hour on March 31, 2014, by appointing Mr. Kavinder Singh as the Managing Director & CEO. Mr. Kavinder Singh joined the Company with effect from November 3, 2014. Subsequently, shareholders approved the appointment of Mr. Kavinder Singh as Managing Director & CEO for a period of 5 years from November 3, 2014, and also approved the remuneration payable to him for a period of 3 years.

During the year under review, the Board on January 22, 2015 had appointed Mr. S. Krishnan, Chief Financial Officer of the Company, as Additional Director and Whole Time Director designated as Chief Financial Officer & Executive Director for a period of 3 years from January 22, 2015, subject to approval of the shareholders.

Mr. A K Nanda, Non-Executive Chairman of the Company was on the Board of Holding Company as Non-Executive Non Independent Director till August 8, 2014. Mr. V. S. Parthasarathy, Non-Executive Director of the Company is a Key Managerial Personnel (KMP) of your Holding Company, and draws remuneration from it. Mr. Vineet Nayyar, Non-Executive Director of the Company is in the whole-time employment of an Associate company of your Holding Company, Tech Mahindra Limited, and draws remuneration from it.

Apart from the above, and apart from the reimbursement of expenses incurred in discharge of their duties and the remuneration that the Non-executive Directors, Managing Director & CEO and Chief Financial Officer & Executive Director would be entitled to under the Act, none of the Directors have any other material pecuniary relationships or transactions with the Company, its Promoters, its Directors, its Senior Management or its Holding Company, its subsidiaries and associate companies which in their judgement would affect their independence. None of the Directors of the Company are *inter se* related to each other.

All the Directors and the Senior Management have made disclosures to the Board confirming that there are no material, financial and/or commercial transactions between them and the Company which could have potential conflict of interest with the Company at large.

Composition of the Board

During the year under review, as referred earlier in this report, Mr. Uday Y. Phadke ceased to be a Director of the Company. Further, Mr. V. S. Parthasarathy, Ms, Radhika Shastry, Mr. Kavinder Singh and Mr. S. Krishnan were appointed as Directors of the Company.

As on March 31, 2015, the Board comprised of ten Directors. The names and categories of Directors, the number of Directorships and Committee positions held by them in companies at the end of the year under review, are given below. None of the Directors on the Board is a member on more than 10 Committees and Chairman of more than 5 Committees across all the companies in which they are Directors. Further, none of the Independent Directors on the Board is a Director in more than 7 listed companies. In addition, none of the Whole Time Directors of the Company and a Director who is the whole-time director in other listed company, are not independent directors in more than three listed companies.

The Company had issued the formal letter of appointment to all the Independent Directors as prescribed under the provisions of the Act and the terms and conditions of appointment has been uploaded under the Company's website.

INDEPENDENT AUDITORS' CERTIFICATE

1. We, Deloitte Haskins & Sells, Chartered Accountants (Firm's Registration No.: 008072S), as Statutory Auditors of Mahindra Holidays & Resorts India Limited ("the Company"), having its Registered Office at Mahindra Towers, No. 17/18, Patullos Road, Chennai – 600 002, have examined the compliance of conditions of corporate governance by the Company, for the year ended on 31 March 2015 as stipulated in Clause 49 of the Listing Agreement, as amended from time to time, of the Company with the stock exchanges.
2. We have been requested by the Management of the Company to provide a certificate on compliance of corporate governance under Clause 49 of the Listing Agreement, as amended from time to time.
3. The Management is responsible for the compliance of conditions of corporate governance. Our examination was limited to a review of procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of corporate governance as stipulated in the said clause. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. In our opinion and to the best of our information and according to the explanations given to us by the directors and the management, we certify that the Company has complied with the conditions of corporate governance as stipulated in Clause 49 of the above mentioned Listing Agreement, as amended from time to time.
5. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MAHINDRA HOLIDAYS & RESORTS INDIA LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **MAHINDRA HOLIDAYS & RESORTS INDIA LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting

policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the Annexure a statement on the matters specified in paragraph 3 and 4 of the Order.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit & Auditors) Rule, 2014, in our opinion and to the best of our information and according to the explanation given to us :

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2015

1 Corporate Information

The company was incorporated on September 20, 1996, and is in the business of selling vacation ownership and providing holiday facilities.

2 Significant Accounting Policies

(i) Basis for preparation of financial statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act")/Companies Act, 1956 ("the 1956 Act"), as applicable. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year. Also Refer Note No. 22.1 regarding recognition of entitlement fee.

(ii) Use of estimates:

The preparation of financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the years in which the results are known/materialise.

(iii) Inventories:

Inventories are carried at lower of cost and net realisable value. Cost is determined on First-in-First-out basis. Cost includes the purchase price, non refundable taxes and delivery handling cost. Net realisable value is estimated at the expected selling price less estimated costs of procurement and sales.

(iv) Cash and cash equivalents:

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

(v) Cash flow statements:

Cash flows are reported using the indirect method, whereby profit/(loss) before extra-ordinary items and tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from operating, investing and financing activities of the company are segregated based on the available information.

(vi) Depreciation and amortisation

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

- Leasehold land and buildings are amortised over the period of lease.
- Floating cottages grouped under building are depreciated over the useful life of 25 years.
- Furniture and Fixtures in 'Club Mahindra Holiday World' are amortised over a period of 36 months from the date of capitalisation.
- Motor vehicles provided to employees are depreciated over a period of 48 months. Other assets provided to employees are depreciated over a period of 60 months.

Intangible assets are amortised over their estimated useful life on straight line method as follows:

- Expenditure incurred towards software is amortised over a period of 36 months.
- Expenditure on product design and development and web portal is amortised over the estimated useful life of the asset i.e. 3/4 years.
- Non- compete fee is amortised over a period of 5 years.

Assets individually costing less than ₹ 5000 each are fully depreciated in the year of capitalisation.

The estimated useful life of the intangible asset and the amortisation period are reviewed at the end of the each financial year and the amortisation method is revised to reflect the changed pattern.

(vii) Expenditure during construction period

Revenue expenses incurred in connection with construction of resorts insofar as such expenses relate to the period prior to the date the resort is put to use are treated as part of project cost and capitalised.

(viii) Revenue recognition:

- The Company's business is to sell Vacation ownership and provide holiday facilities to members for a specified period each year, over a number of years, for which membership fee is collected either in full upfront, or on a deferred payment basis. Admission fee, which is non-refundable, is recognized as income on admission of a member. Entitlement fee (disclosed under Deferred income – Entitlement fee), which entitles the vacation ownership members for the vacation ownership facilities is recognized as income equally over the tenure of membership (33 years/25 years/10 years or any other tenure applicable to the respective member), commencing from the year of admission of each member. Requests for cancellation of membership are accounted for when it is accepted by the Company. In respect of instalments considered doubtful of recovery by the management, the membership is treated as cancelled and related revenues are de-recognised.
- Annual subscription fee dues from members are recognised as income over the period of subscription as per terms agreed with the members. Subscription pertaining to the period beyond the date of the Balance Sheet is grouped under Deferred Income.
- Interest on instalment sales is recognised as income on an accrual basis.
- Income from resorts includes income from room rentals, food and beverages, etc. and is recognised when services are rendered.
- Securitised assets are derecognised as the contractual rights therein are transferred to the third party. On being derecognised, the excess of consideration received over the principal amounts of receivable from members (net of reversals in respect of cancelled members) is recognised as income from Securitisation.
- Income from travel services includes commission on tickets/hotel booking, service charges from customers, etc. and is recognised when services are rendered.

(ix) Other Income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

(x) Fixed assets:

Fixed assets are carried at cost less accumulated depreciation/amortisation and accumulated impairment losses, if any. Cost comprises of purchase price and other directly attributable costs of bringing the asset to its working condition for its intended use and includes interest on moneys borrowed for construction/acquisition of fixed assets up to the period the assets are ready for use. Projects

under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

(xi) Foreign currency transactions and translations:

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction. Exchange differences arising on settlement/restatement of foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

Foreign currency monetary items of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost.

(xii) Investments:

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

(xiii) Employee benefits:

Employee benefits include provident fund, superannuation fund, employee state insurance scheme, gratuity fund and compensated absences.

(a) Short term employee benefit plans

All short term employee benefit plans such as salaries, wages, bonus, special awards and, medical benefits which fall due within 12 months of the period in which the employee renders the related services which entitles him to avail such benefits are recognized on an undiscounted basis and charged to the statement of profit and loss.

(b) Long term employee benefit plans

The Company has defined contribution and defined benefit plans. The plans are financed by the Company and in the case of some defined contribution plans employees also contribute to the plan.

Defined Contribution Plan

The Company's contribution to provident fund, superannuation fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined Benefit Plan

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

Employee Stock Option Scheme

The compensation cost of stock option granted to employees is measured by Intrinsic Value Method. The intrinsic value, which is the excess of market price of the underlying equity shares as of the date of grant over the exercise price of the option, is recognised and amortised on straight line basis over the vesting period.

(xiv) Borrowing Cost:

Borrowing cost that are attributable to the acquisition, construction or production of qualifying asset are capitalized as part of cost of

such asset till such time as the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognized as expenses in the period in which they are incurred.

(xv) Segment reporting:

The Company has a single reportable segment namely sale of Vacation Ownership and other services for the purpose of Accounting Standard 17 on Segment Reporting. Business segment is considered as the primary segment.

(xvi) Leases:

Assets leased by the Company in its capacity as a lessee, where substantially all the risks and rewards of ownership vest in the Company are classified as finance leases. Such leases are capitalised at the inception of the lease at the lower of the fair value and the present value of the minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

(xvii) Earnings per share:

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits/reverse share splits and bonus shares, as appropriate.

(xviii) Taxes on income:

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

(xix) Impairment of assets

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists the recoverable amount of such asset is estimated and impairment is recognised, if the carrying amount of these assets exceed their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present values based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting period no longer exists or may have decreased, such reversal of impairment loss is recognised in the statement of profit and loss, except in the case of re-valued asset.

(xx) Provision and contingencies:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are disclosed in the notes.

(xxi) Share issue expenses:

Share issue expenses are adjusted against the Securities Premium Account as permissible under Section 52 of the Companies Act, 2013, to the extent any balance is available for utilisation in the Securities Premium Account. Share issue expenses in excess of the balance in the Securities Premium Account is expensed in the Statement of Profit and Loss.

(xxii) Insurance claims:

Insurance claims are accounted for on the basis of claims admitted /expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

(xxiii) Service tax input credit:

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing/utilising the credits.

(xxiv) Operating cycle:

Based on the nature of services/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Out of the above 90,000 shares has been issued out of lapsed options.

Out of the above 86,500 shares has been issued out of lapsed options.

v) In accordance with the Guidance Note issued by the Institute of Chartered Accountants of India, the shares allotted to the trust including bonus shares but not exercised by the employees have been reduced from the share capital by ₹ 7,546,050 and securities premium account reduced by ₹ 145,180,792. The said shares will be added to the issued share capital as and when the trust issues the shares to the concerned persons on their exercising the option and till such shares are issued the amount received from the trust is disclosed under "other current liabilities".

vi) The Company has adopted the intrinsic value method in accounting for employee cost on account of ESOS for Grant I (ESOS 2006), Grant II (ESOS 2006), Grant III (ESOS 2006) and Grant V (ESOS 2006) and for all the other grants fair value method adopted. The intrinsic value of the shares granted under Grant I (ESOS 2006), Grant II (ESOS 2006), Grant III (ESOS 2006) and Grant V (ESOS 2006) based on the valuations obtained from an independent valuer is ₹ 16 per equity share as on 31st March, 2006, ₹ 52 per equity share as on 1st January, 2007, 31st August, 2008 and 1st Novmeber 2008, based on the Discounted Cash Flow Method. The fair value of the shares granted under Grant VI (ESOS 2006), Grant VII (ESOS 2006), Grant VIII (ESOS 2006) and Grant IX (ESOS 2006)

based on the fair value market price is ₹ 370, ₹ 323, ₹ 323 and ₹ 253 per share respectively. As the difference between the intrinsic value/fair value and the exercise price per share is ₹ Nil, no employee compensation cost has been charged.

vii) In respect of the options granted under the Grant I (ESOS 2014) of Employee Stock Option Plan, in accordance with guidelines issued by SEBI, the accounting value of the options is accounted as deferred employee compensation, which is amortised on a straight line basis over the period between the date of grant of options and the eligible dates for conversion into equity shares. Consequently, employee compensation cost include ₹ 238,374 (previous year nil) being the amortisation of deferred employee compensation.

viii) Fair Value of options based on Black Scholes option pricing model:

The fair value of options based on the valuation of the independent valuer for Grant I (ESOS 2006), Grant II (ESOS 2006), Grant III (ESOS 2006) and Grant V (ESOS 2006) as of the respective dates of grant i.e. 15th July 2006, 30th March 2007, 1st November 2007 and 1st November 2008 is ₹ 4.28, ₹ 16.36, ₹ 16.55 and ₹ 16.04 respectively.

The fair value of options based on the valuation of the independent valuer as of the respective dates of grant i.e. 21st February 2012 is ₹ 113.81 for Grant VI (ESOS 2006), ₹ 129.93 for Grant VII (ESOS 2006), 21st February

2013 is ₹ 94.43 for Grant VIII (ESOS 2006), 29th January 2014 is ₹ 83.75 for Grant IX (ESOS 2006) and 22nd January 2015 is ₹ 97.24 for Grant I (ESOS 2014).

Had the Company adopted the fair value method in respect of options granted, the total amount that would have been amortised over the vesting period is ₹ 167,679,000 and the impact on the financial statements would be:

Particulars	Year ended	
	31-March-15	31-March-14
Increase in employee compensation cost.....	6,339,644	1,026,858
Decrease in profit after tax.....	6,339,644	1,026,858

i) Property Related

(a) The Government of Kerala issued an Order dated July 3, 2007 cancelling the assignment of land underlying the Munnar resort and directed repossession of land on the grounds that it is agricultural land and cannot be used for commercial purposes. The Company has filed an appeal before the Commissioner of Land Revenue against the Order stating that the patta issued does not specify that the land should be used only for agricultural purpose and also obtained a Stay Order from the Kerala High Court against eviction from the property.

The Commissioner of Land Revenue, Trivandrum vide his Order dated November 22, 2007 dismissed the appeal filed by the Company against the Order of the Sub-Collector, District of Devikulam dated July 3, 2007 cancelling the assignment of land underlying the Munnar Resort and directing repossession of land on the grounds that it is agricultural land and cannot be used for commercial purposes. The Company filed a writ petition before the Kerala High Court against the said Order and on December 13, 2007, the Court granted an interim stay of all further proceedings.

(b) With respect to the land underlying the resort at Tungi, the Sub-Divisional Magistrate, Maval, vide order dated 6th June, 2014 suspended the boarding and lodging license of the resort. The Company has filed an appeal before the Collector, Pune, and obtained a stay against the suspension. The final order in respect of this matter is awaited. The Company also filed an appeal before the Additional Divisional Commissioner Pune, challenging the cancellation of the "Non Agricultural" status of the land and obtained a stay against the cancellation. The matter is pending hearing and disposal.

With respect to certain claims of a neighbouring property owner, the Company filed a suit in the Civil Court, Pune seeking inter-alia permanent injunction against him disturbing the possession of the Company and obtained an ad-interim stay. In another development, notwithstanding these proceedings, the neighbouring property owner obtained an order from the Mamlatdar's Court for alleged access to his property through the

resort property. The Company obtained a stay against the order aforesaid and all matters with respect to the neighbouring property owner are currently pending before the Civil Court, Pune.

- (c) Pursuant to a “public interest litigation” filed before the Gujarat High Court, the officials of the Forest and Revenue departments undertook an inspection of all resorts (including the Company’s resort) at Gir in March 2015. Consequently, the Forest Department has alleged certain irregularities and sealed some structures/rooms in April 2015. The Company has denied the alleged violations and made its representations before a Committee constituted by the Gujarat High Court and the matter is pending hearing.

None of the matters contained in (a) to (c) above affect the routine operations of the resorts.

- (ii) The Company engaged a building contractor for construction of a resort. As the construction did not proceed as per agreed timelines the Company terminated the contract. The contractor has claimed ₹ 125,614,668 as damages for termination of the Contract. The Company has made a counter claim of ₹ 200,356,002 towards liquidated damages and other losses. The matter is pending before the Arbitrator.

- (iii) The Regional Provident Fund Commissioner, Chennai had issued Summons initiating proceedings under Section 7A of the Employees Provident Fund Act for failing to remit contributions on allowances relating to employees for the period from March 2011 to Feb 2013 in respect of Indian employees and from April 2010 to Feb 2013 in respect of international employees. The PF Authorities have made a claim of ₹ 18,993,169. The Company has filed a Writ Petition No 2408/2014 before the Madras High Court and the Court has granted an Interim stay of the above proceedings.

- (iv) With respect to member complaints pending before various consumer fora and other matters: Estimated amount of claims ₹ 82,650,033 (previous year: ₹ 55,120,252).

45 (a).

i. In terms of the Scheme of Amalgamation and Arrangement, ('the Scheme'), the erstwhile Bell Tower Resorts Private Limited (a wholly owned subsidiary of the Company)(referred to as 'Transferor Company'), has been merged with the Company ('Transferee Company'), upon which the entire business, including all assets and liabilities of the Transferor Company stand transferred to and vested in the Transferee Company. The amalgamation has been accounted under the 'pooling of interest method' and the assets and liabilities transferred have been recorded at their book values as on the Appointed Date.

The Scheme filed by the Company has been approved by the Hon'ble High Court of Bombay at Goa on May 2,2014 and by the Hon'ble High Court of Madras on June 23, 2014 with the Appointed Date of April 1, 2013 and an effective date of July 31, 2014 ('the Effective Date'), being the date on which the copies of the orders of the Hon'ble High Court has been filed with the Registrar of Companies.

The current year figures are to that extent not strictly comparable to those of previous year.

ii. There was no allotment of shares to the Transferor Company's equity shareholders since the Transferor Company was a wholly owned subsidiary of the Company.

iii. Details of assets and liabilities and deficit in statement of Profit and Loss acquired on Amalgamation and treatment of the difference between the share capital of transferor company are listed below:

Particulars On the appointed date - As at April 1, 2013

Value of assets and liabilities acquired at their book values as at the Appointed Date.:	
Fixed assets	464,113,654
Other assets taken over	47,867,344
Liabilities taken over	(768,670,917)
Net Assets taken over	(256,689,919)
Deficit in Statement of profit & loss adjusted in the Surplus in Statement of Profit & loss	456,076,659
Share capital of the transferor company	A 199,386,740
Carrying value of investments in the books of the Transferee Company	B 505,452,424
Difference between A and B above adjusted in the 'Amalgamation Reserve Account' and the same transferred to 'Securities Premium Account' on the Appointed Date as per the Scheme approved.	A-B 306,065,684

(b). The loss of the transferor company for the year ended March 31, 2014 has been adjusted against the Surplus in Statement of Profit and Loss at the beginning of the year.

46. Exceptional item represents a net debit of ₹ 218,797,194 written off consequent to adjustments relating to past periods, made to the balances carried forward under Receivables as at the year end, in the Deferred Service Tax Account, Deferred Interest Account and other accounts, aggregating to ₹ 737,373,047 (debit) and the Deferred Entitlement Fee Account amounting to ₹ 518,575,853 (credit). These adjustments are arising from the reconciliation exercise carried out by the company of these accounts necessitated, inter-alia, due to the migration of underlying data to the ERP system implemented in the previous financial years, and Management's decision to recognize the entitlement fee commencing from the year of admission of each member as against from the year of entitlement.

47. On May 19 2014, Mahindra Holidays and Resorts USA Inc., wholly owned subsidiary of the company was dissolved voluntarily.

48. The figures for the previous year have been regrouped/reclassified to correspond with the current year's classification/disclosure.

INDEPENDENT AUDITOR'S REPORT

To The Members of
MAHINDRA HOTELS AND RESIDENCES INDIA LIMITED

Report on the Financial Statements:

We have audited the accompanying financial statements of **MAHINDRA HOTELS AND RESIDENCES INDIA LIMITED**, (the Company") which comprise the Balance sheet as at 31st March 2015, and the Statement of Profit and Loss account and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements:

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of the of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility:

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion:

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2015, and its loss and its cash flows for the year ended on that date.

DIRECTORS' REPORT

The Directors hereby submit their report together with the audited financial statements of the Company for the financial year ended 31st March, 2015.

PRINCIPAL ACTIVITY

The Company's principal activities are holding of investment properties and provision of time-sharing services.

There have been no significant changes in the nature of the principal activities during the financial year under review.

FINANCIAL RESULTS

	RM	INR
Net loss for the year before taxation	(99,650)	(16,75,356)
Less: Taxation	2,900	48,756
Net loss for the year after taxation	(102,550)	(17,24,112)

DIVIDENDS

No dividends were paid or proposed for the financial year under review.

RESERVES AND PROVISIONS

There were no material transfers to or from reserves or provisions during the financial year under review.

ISSUE OF SHARES AND DEBENTURES

The Company did not issue any shares and debentures during the financial year.

OPTIONS

No option has been granted during the financial year under review to take up unissued shares in the Company.

DIRECTORS

The name of the Directors of the Company who held office since the date of the last report and the date of this report are:-

Ravindera Nath Khanna

Koh Yeow York

Koh Tong Ngee

Ajay Agarwal (Appointed on 28.08.2014)

Dinesh Shivanna Shetty (Appointed on 28.08.2014)

During the year under review, Ms. Vimla Dorairaju resigned from the Directorship of the Company, w.e.f. 28th August, 2014. The Board places on record its sincere appreciation for the valuable services rendered and guidance received from her during her tenure as a Director.

DIRECTORS' INTEREST

According to the register of Directors' shareholding, none of Directors in office at the end of the financial year had interest in the ordinary shares of the Company.

DIRECTORS' BENEFITS

During and at the end of the financial year, no arrangements subsisted to which the Company is a party, with the object or objects of enabling Directors of the Company to acquire benefits by means of the acquisition of shares or debentures of the Company or any other body corporate.

No Director has, since the end of the previous financial year, received or become entitled to receive a benefit (other than a benefit in the aggregate amount of emolument received or due and receivable by Directors as shown in the financial statements, or the fixed salary of a full-time employee of the Company or a related corporation) by reason of a contract made by the Company or a related corporation with the Director or with a firm of which the Director is a member, or with a company in which the Director has a substantial financial interest.

BAD AND DOUBTFUL DEBTS

Before the income statement and the balance sheet were made out, the Directors took reasonable steps to ascertain that action has been taken in relation to the writing off of and the provision for doubtful debts, and have satisfied themselves that all known bad debts have been written off and that adequate provision has been made for doubtful debts.

At the date of this report, the Directors are not aware of any circumstances which would render the amounts written off for bad debts or the amount of the provision for doubtful debts in the financial statements of the Company inadequate to any substantial extent.

CURRENT ASSETS

Before the income statement and the balance sheet were made out, the Directors took reasonable steps to ensure that any current assets, other than debts, which were unlikely to realise in the ordinary course of business and their values as shown in the accounting records of the Company have been written down to an amount which they might be expected to realise.

At the date of this report, the Directors are not aware of any circumstances which would render the values attributed to current assets in the financial statements of the Company misleading.

VALUATION METHODS

At the date of this report, the Directors are not aware of any circumstances which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Company misleading or inappropriate.

CONTINGENT AND OTHER LIABILITIES

At the date of this report, there does not exist:-

- a) any charge on the assets of the Company which has arisen since the end of the financial year which secures the liabilities of any other person; or

- b) any contingent liability of the Company which has arisen since the end of the financial year.

No contingent or other liability has become enforceable or is likely to become enforceable within the year of twelve months after the end of the financial year which, in the opinion of the Directors, will or may affect the ability of the Company to meet its obligations when they fall due.

CHANGE OF CIRCUMSTANCES

At the date of this report, the Directors are not aware of any circumstances not otherwise dealt with in this report or the financial statements which would render any amounts stated in the financial statements misleading.

ITEMS OF AN UNUSUAL NATURE

The results of the operations of the Company for the financial year under review were not, in the opinion of the Directors, substantially affected by any item, transaction or event of a material and unusual nature.

EVENTS SUBSEQUENT TO BALANCE SHEET DATE

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction

or event of a material and unusual nature likely, in the opinion of the Directors, which would substantially affect the results of the operations of the Company for the financial year in which this report is made.

HOLDING COMPANY

The holding company is Mahindra Holidays & Resorts India Limited, a company incorporated in India, which holds the entire issued and paid up capital of the Company.

AUDITORS

The auditors, Messrs. Lloyds.Earle.Panicker, Chartered Accountants, have intimated their willingness to continue in office in accordance with Section 172(2) of the Companies Act, 1965.

Signed on behalf of the Board of Directors in accordance with a Resolution of the Directors.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HERITAGE BIRD (M) SDN. BHD.

Report on the Financial Statements

We have audited the financial statements of Heritage Bird (M) Sdn. Bhd., which comprise the balance sheet as at 31 March 2015, and the income statement, statement of changes in equity and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes, as set out on pages 789 to 795.

Directors' Responsibility for the Financial Statements

The directors of the Company are responsible for the preparation and fair presentation of these financial statements in accordance with Financial Reporting Standards and the Companies Act 1965 in Malaysia. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with approved standards on auditing in Malaysia. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements have been properly drawn up in accordance with Private Entity Reporting Standards and the Companies Act 1965 in Malaysia so as to give a true and fair view of the financial position of the Company as of 31 March 2015 and of its financial performance and cash flows for the period then ended.

Emphasis of matter

Without qualifying our opinion, we wish to draw attention to Note 14 to the financial statements. The Company has incurred losses which exceed the issued and fully paid up capital of the Company. However the financial statements have been prepared on a going concern basis, which is dependent upon the future profitable operation and additional finance sufficient to sustain operations.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of the Companies Act 1965 in Malaysia, we also report that in our opinion the accounting and other records and the registers required by the Act to be kept by the Company have been properly kept in accordance with the provisions of the Act.

Other Matters

This report is made solely to the members of the Company, as a body, in accordance with Section 174 of the Companies Act 1965 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

Notes to the Financial Statements 31 March 2015

1. PRINCIPAL ACTIVITIES

The Company's principal activities are holding of investment properties and provision of timesharing services.

2. BASIS OF PREPARATION

The financial statements have been prepared in accordance with applicable approved accounting standards in Malaysia and the provisions of the Companies Act, 1965.

3. FINANCIAL RISK MANAGEMENT POLICIES

The Company's financial risk management policy seeks to ensure that adequate financial resources are available for the development of the Company's business whilst managing its risks. The Company operates within clearly defined guidelines that are approved by the Board and the Company's policy is not to engage in speculative transactions.

The main areas of financial risks faced by the Company and the policy in respect of the major areas of treasury activity are set out as follows:-

a) Liquidity and cash flow risks

The Company ensures that there are adequate funds to meet all their obligations in a timely and cost-effective manner.

b) Foreign currency risk

The Company is exposed to foreign currency risk as a result of its normal trading activities, where the currency denomination differs from the local currency, Ringgit Malaysia (RM). The Company manages its exposure to foreign currency risk by monitoring fluctuations in foreign exchange and by timing its payment in foreign currencies accordingly.

Apart from the above, the Company does not face any material financial risks in other areas such as credit risk, interest rate risk, market risk, etc.

4. ACCOUNTING POLICIES

a) Basis of accounting

The financial statements of the Company have been prepared under the historical cost convention, unless otherwise indicated.

b) Cash and cash equivalents

Cash comprises cash at bank and in hand including bank overdraft and deposits. Cash equivalents comprises investments maturing within three months from the date of acquisition and which are readily convertible to known amount of cash which are subject to an insignificant risk of change in value

c) Income tax

Income tax on the profit or loss for the year comprises current and deferred taxes. Current tax is the expected amount of income taxes payable in respect of the taxable profit for the year. It is measured using the tax rates that have been enacted at the balance sheet date.

Deferred tax is recognized using the liability method for all temporary differences between the carrying amounts of assets and liabilities and their tax bases at the balance sheet date. Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences, unused tax losses and unused tax credits can be utilized. Deferred tax assets and liabilities are not recognized on temporary differences arising from goodwill or negative goodwill or from the initial recognition of an asset or liability in a transaction which is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the assets are realised or the liabilities are settled. The carrying amount of a deferred tax asset is reviewed at each balance sheet date and is reduced to the extent that it becomes probable that sufficient future taxable profit will be available.

Deferred tax is recognized in the income statement, except when it arises from a transaction which is recognized directly in equity. In this case the deferred tax is charged or credited directly in equity.

When the deferred tax arises from a business combination that is an acquisition, it is included in the resulting goodwill or negative goodwill.

d) Financial instruments

Financial instruments carried on the balance sheet include cash and bank balances, trade and other receivables and payables and borrowings. The accounting policies on recognition and measurement of these items are disclosed in the individual accounting policies with each item.

Financial instruments are classified as liabilities or equity in accordance with the substance of the respective contractual arrangements. Interest, dividends, gains and losses relating to a financial instrument classified as a liability are reported as expense or income. Distributions to holders of financial instruments classified as equity are charged directly to equity. Financial instruments are offset when the Company has a legally enforceable right to offset and intends to settle either on a net basis or to realize the asset and settle the liability simultaneously.

e) Provisions

Provisions are recognized when the Company has a present legal and constructive obligation as a result of past events, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate can be made of the amount of the obligation.

f) Foreign currency transactions and balances

Transactions in foreign currencies are recorded in Ringgit Malaysia at rates of exchange ruling at the time of the transaction. Foreign currency monetary assets and liabilities are translated at the exchange rate ruling at the balance sheet date.

g) Trade receivables

Trade receivables are carried at anticipated realizable value. Bad debts are written off in the period in which they are identified. An estimate is made for doubtful debts based on a review of all outstanding amounts at the period end.

h) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and less any impairment losses.

Depreciation is provided on the straight line method to write off each asset over its estimated useful life. The principal rates used are as follows:

Furniture and fittings	10%
Freehold building	2%

i) Impairment of assets

The carrying values of assets are reviewed for impairment when there is an indication that the assets might be impaired. Impairment is measured by comparing the carrying values of the assets with their recoverable amounts. The recoverable amount is the higher of an asset's net selling price and its value in use, which is measured by reference to discounted future cash flows. Recoverable amounts are estimated for individual assets, or if it is not possible, for the cash-generating unit.

An impairment loss is charged to the income statement immediately, unless the asset is carried at revalued amount. Any impairment loss of a revalued asset is treated as a revaluation decrease to the extent of previously recognized revaluation surplus for the same asset.

Subsequent increase in the recoverable amount of an asset is treated as reversal of the previous impairment loss and is recognized to the extent of the carrying amount of the asset that would have determined (net of amortization and depreciation) had no impairment loss been recognized. The reversal is recognized in the income statement immediately, unless the asset is carried at revalued amount. A reversal of an impairment loss on a revalued asset is credited directly to revaluation surplus. However, to the extent that an impairment loss on the same revalued asset was previously recognized as an expense in the income statement, a reversal of that impairment loss is recognized as income in the income statement.

j) Revenue recognition

Revenue is recognized on invoiced value of sales, less credit notes issued.

We have audited the accompanying Financial Statements of DIVINE HERITAGE HOTELS PRIVATE LIMITED Which comprise the Balance Sheet as at 31st March, 2015, and the statement of Profit & Loss for the year then ended, and the summary of significant accounting policies and other explanatory information, which we have signed under reference to this report.

Management's responsibility for the financial statements

2. The company's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the company in accordance with the accounting standards referred to in sub section (3C) of section 123 of 'the Companies Act , 2013' of India (the "Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the standards of Auditing issued by the Institute Of Chartered Accountants Of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.
4. An audit involves performing procedures to obtain audit evidence, about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

6. In our opinion, and to the best of our information and according to the explanations given to us, the accompanying financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

In the case of the Balance Sheet, of the State of Affairs of the Company as at 31st March, 2015 and;

NOTES ON ACCOUNTS FORMING PART OF ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2015

NOTE – 1

ACCOUNTING POLICIES:

A. Basis of Accounting and Preparation of Financial Statement

The financial statements of the company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 2013. All assets and liabilities have been classified as current and noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

B. Revenue Recognition

Revenue is primarily derived from hotel operations including rental of rooms and sale of food and beverages and other allied services. Revenue is recognized when the rooms are occupied and the services have been rendered. Taxes collected and deposited with taxing authorities are not recorded in revenue.

C. Preliminary Expenses:

Preliminary expenses are to be written off in five years commencing from this Financial year.

D. Fixed Assets & Depreciation

Fixed assets are capitalized at acquisition cost, including directly attributable cost of bringing the assets to its working condition for the intended use.

In the current year, depreciation in the Company is provided, on pro-rata basis and useful life of assets, in the manner prescribed in Schedule II to the Companies Act, 2013.

E. Pre-operative Expenses

Pre operative expenses up to the date of commencement of commercial operations are capitalized.

F. Taxes on income:

- i. Company's income taxes include taxes on the taxable income, adjustments attributable to earlier periods and changes in deferred taxes. Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income tax Act, 1961.
- ii. Deferred tax is recognized on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognized only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognized for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

G. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized for the period until the asset is ready for its intended use. Other borrowing costs are recognized as expense in the year in which they are incurred.

H. Inventories

Inventories have been valued at cost.

I. Foreign Currency Transactions

Transactions in foreign exchange are accounted for at the exchange rate ruling at the transaction date. Gains and losses arising out of subsequent

fluctuations are accounted for on actual payment / realization. Gains / losses if any, at the year end in respect of current assets and current liabilities are accounted for.

J. Employee benefits

i. Short term

Short term employee benefits include salaries and performance incentives. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense in the Statement of Profit and Loss during the year when the employees render the service to the Company.

ii. Long term

The Company has defined contribution and defined benefit plans. The plans are financed by the Company and in the case of some defined contribution plans by the Company along with its employees.

- Defined-contribution plans

Provident Fund

The eligible employees of the company are entitled to receive post employment benefit in respect of provident fund, in which both employees and the Company make monthly contribution at a specified percentage of the employees' eligible salary. The contributions are made of the Regional Provident Fund Commissioner. Provident Fund is classified as Defined Contribution Plans as the Company has no further obligation beyond making the contribution.

The Company's contribution to the Defined Contribution Plans are charged to the statement of profit and loss as incurred.

iii. Other Employee Long-Term Benefits Plan- Compensated Absences

The Company provides for encashment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The liability is provided based on the number of days of unutilised leave at each balance sheet date on the basis of an independent actuarial valuation. Actuarial gains and losses are recognised in the statement of profit and loss.

iv. Defined Benefits Plan - Gratuity Scheme

The Company offers its employees benefits under a defined-benefit plan in the form of a gratuity scheme (a lump sum amount). Benefits under the defined benefit plan are typically based either on years of service and the employee's compensation (immediately before retirement). The gratuity scheme covers substantially all regular employees. Commitments are actuarially determined at year-end. Actuarial valuation is based on "Projected Unit Credit" method. Gains and losses of changed actuarial assumptions are charged to the Statement of Profit and Loss.

K. Earning Per Share

Basic earning per share is computed by dividing the profit/(loss) after tax by the weighted average number of equity shares issued during the year.

L. Cash Flow Statement

The cash flow statement is prepared in accordance with "Indirect Method" as explained in accounting standard (AS)3 on "Cash Flow Statement.

Cash and bank balances and current investments that have insignificant risk of change in value which have duration up to the 3 months are included in the company's cash and cash equivalents in the cash flow statement.

M. Accounting for Provision, Contingent Liabilities and Contingent Assets

A provision is recognized when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. A contingent liability is disclosed unless the possibility of an outflow of resources embodying economic benefit is remote. A contingent asset is neither recognized nor disclosed.

N. Impairment of Assets

The carrying value of the assets (tangible or intangible) is reviewed at each balance sheet date for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. When there is an indication that an impairment loss

recognized for an asset in earlier accounting period no longer exists or may have decreased such reversal of impairment loss is recognized in the statement of profit and loss account.

O. Investments

Investments that are readily releasable and indented to be held for not more than one year from the date on which such investments were made are classified as current investments. All other investments are classified as long term investments. Long term investments are carried at cost less provision for diminution other than temporary, in the value of such investments, such diminution being determined and made for each investment individually. Current investments are carried individually, at the lower of cost or fair value. Cost of investments includes acquisition charges such as brokerage, fees and duties.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF Gables Promoters Private Limited

We have audited the accompanying Financial Statements of **Gables Promoters Private Limited which comprise of Balance Sheet** as at March 31, 2015 and the Statement of Profit and Loss, Cash flow Statement for the year ended on that date, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies(Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the preparation of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due

to fraud or error. In making those risk assessments; the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements:- As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) Except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
- (d) Except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on March 31, 2015 and taken on record by the Board of Directors, we report that none of the directors is disqualified as on March 31, 2015 from being appointed as director in terms Section 164(2) of the Act.

(f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- (i) The Company does not have any pending litigations which would impact its financial position.

The financial statements of the Company are prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b) Fixed Assets

Fixed assets are carried at cost less accumulated depreciation/amortisation and accumulated impairment losses, if any. Cost comprises of purchase price and other directly attributable costs of bringing the asset to its working condition for its intended use and includes interest on moneys borrowed for construction/acquisition of fixed assets up to the period the assets are ready for use. Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

c) Revenue Recognition:

The company had not commenced commercial operations during the year ended March 31, 2015.

d) Inventories:

The company did not have inventories during the year ended March 31, 2015.

e) Retirement Benefits:

The company has one employee on rolls during the year ended March 31, 2015.

f) Taxes on Income:

Since the company did not have any commercial operations during the year, the question of income tax/deferred tax does not arise.

g) Earnings per share:

Since the company did not have any commercial operations during the year ended March 31, 2015 the Accounting Standard ('AS') 20 on Earnings Per Share, issued by the Institute of Chartered Accountants of India would not be applicable to the company.

h) Preliminary Expenses:

Preliminary Expenses include all expenses incurred in connection with registration of the company. These will be amortized over a period of five years after commencement of the activities of the company.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF HOLIDAY ON HILLS RESORTS PRIVATE LIMITED

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of **HOLIDAY ON HILLS RESORTS PRIVATE LIMITED**, which comprise the Balance Sheet as at March 31, 2015 the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

MANAGEMENT'S RESPONSIBILITY

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give

true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2015.
- b) In the case of the Profit and Loss Account, of the Loss of the company for the year ended on that date.
- c) In the case of the cash flows for the year ended on that date.

Emphasis of Matters

We draw attention to the following matters in the Notes to the financial statements:

- a) Note No 30 in the financial statements which indicates that the Company has accumulated losses and its net worth has been fully/substantially eroded, the Company has incurred a net loss/net cash loss during the current year and, the Company's current liabilities exceeded its current assets as at the balance sheet date. However, the financial statements of the Company have been prepared on a going concern basis for the reasons stated in the said Note. Our opinion is not modified in respect of these matters.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENT

As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.

- c) The Balance Sheet, Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account and with the returns received from the branches not visited by us.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of written representations received from the directors as on 31 March, 2015, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2015, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations which would impact its financial position.
 - ii) The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii) There were no amounts required to be transferred, to the Investor Education and Protection Fund by the Company.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2015

Note 1: Significant accounting policies

(a) Basis of accounting and preparation of financial statements :

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act")/Companies Act, 1956 ("the 1956 Act"), as applicable. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

(b) Use of estimates:

The preparation of financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of financial statements and the reported income and expenses during the reporting period. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

(c) Fixed assets:

Tangible Fixed assets are carried at cost less accumulated depreciation/amortisation and accumulated impairment losses, if any. Cost comprises of purchase price and other directly attributable costs of bringing the asset to its working condition for its intended use and includes interest on moneys borrowed for construction/acquisition of fixed assets up to the period the assets are ready for use. Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Losses arising from the retirement of and gains or losses arising from the disposal of fixed assets which are carried at cost are recognised in the Statement of profit and loss.

Depreciation is provided on a pro-rata basis on straight line method and useful life of the assets, in the manner prescribed in the schedule II of the Companies Act 2013.

(d) Holiday On Hills Resorts Private Limited (The "Company") is engaged in the business of rendering hospitality services at a full service hotel. The company is an unlisted public limited company, that is a wholly owned subsidiary of Mahindra Holidays & Resorts India Limited, (the parent). The company owns one full service hotel at which it provides hospitality services to the upscale market.

(e) Impairment of assets:

The carrying value of the assets (tangible or intangible) is reviewed at each Balance Sheet date for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss.

(f) Leases:

Rentals paid under operating lease are recognised as expenses in the Statement of Profit and Loss on straight line basis over the period of lease. Rentals received on assets given on operating leases are recognised as income in the Statement of Profit and Loss on a straight-line basis over the period of the lease as per the terms of agreement.

(g) Investments:

Investment that are readily realisable and intended to be held for not more than one year from the date on which such investments were made were classified as current investments. All other investments are classified as long-term investments. Long-term investments are carried at cost less provision for diminution other than temporary, in the value of

such investments, such diminution being determined and made for each investment individually. Current investments are carried individually, at the lower of cost and fair value. Cost of investments includes acquisition charges such as brokerage, fees and duties.

(h) Inventories:

Stock of food and beverages and operating supplies are carried at lower of cost and net realisable value. Cost is determined on First-in-First-out basis. Cost includes the purchase price, non refundable taxes and delivery handling cost. Net realisable value is estimated at the expected selling price less estimated costs of procurement and sales.

(i) Revenue recognition:

Revenue is primarily derived from hotel operations including rental of rooms and sale of food and beverages and other allied services. Revenue is recognised when the rooms are occupied and the services have been rendered. Taxes collected and submitted to taxing authorities are not recorded in revenue.

Interest income is recognised on a time proportion basis by reference to the principal outstanding and at the rate applicable. Dividends are credited to the Statement of Profit and Loss when the right to receive such dividend is established.

(j) Foreign currency transactions:

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction. Foreign currency monetary assets and liabilities outstanding at the Balance Sheet date are restated at year end rates. Exchange differences arising on settlement of transactions and translation of monetary items are recognised as income or expense in the year in which they arise and charged to the Statement of Profit and Loss.

Any premium or discount arising at the inception of the forward exchange contract is recognised as income or expense over the life of the contract. Any profit or loss arising on cancellation of such a forward exchange contract is recognised as income or expense during the year in which such cancellation occurs.

(k) Borrowing costs:

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

(l) Employee benefits:

i. Short term

Short term employee benefits include salaries and performance incentives. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense in the Statement of profit and loss during the year when the employees render the service to the company.

ii. Long term

The Company has defined contribution and defined benefit plans. The plans are financed by the Company and in the case of some defined contribution plans by the Company along with its employees.

• Defined-contribution plans

The Company's contribution to provident fund and family pension fund made to the regulatory authorities and the Company has future obligation are considered as defined contribution plans and are charged as an expense in the Statement of profit and loss as they fall due based on the amount of contribution required to be made.

• Defined-benefit plans

Expenses for defined-benefit gratuity plans are calculated as at the balance sheet date by independent actuaries using the projected unit credit method in a manner that distributes expenses over the employee's working life. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees. Actuarial gains/ losses are recognised in the Statement of profit and loss in the year in which they arise.

iii. Other employee benefits

Compensated absences which accrue to employees and which can be carried to future periods but are expected to be encashed or availed in twelve months immediately following the year end are reported as expenses during the year in which the employees perform the services that the benefit covers and the liabilities are reported at the undiscounted amount of the benefits after deducting amounts already paid. Where there are restrictions on availment of encashment of such accrued benefit or where the availment or encashment is otherwise not expected to wholly occur in the next twelve months, the liability on account of the benefit is actuarially determined using the projected unit credit method.

(m) Taxes on income:

i. Company's income taxes include taxes on the taxable income, adjustments attributable to earlier periods and changes in deferred taxes.

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income tax Act, 1961.

ii. Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realise ability.

(n) Earnings per share:

Basic earnings per share is computed by dividing the profit/ (loss) after tax by the weighted average number of equity shares in issue during the year.

(o) Cash flow statements:

The cash flow statement is prepared in accordance with "Indirect Method" as explained in the Accounting Standard (AS) 3 on "Cash Flow Statements".

Cash and cash equivalents:

Cash and bank balances and current investments that have insignificant risk of change in value, which have durations up to three months, are included in the Company's cash and cash equivalents in the Cash Flow Statement.

(p) Accounting for Provisions, Contingent Liabilities and Contingent Assets:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. A contingent liability is disclosed unless the possibility of an outflow of resources embodying

economic benefits is remote. A contingent asset is neither recognised nor disclosed.

Note 22: Employees Benefits

Defined Contribution Plans

The company offers its employees benefits under defined contribution plans in the form of provident fund and family pension fund. Provident Fund and Family Pension Fund covers substantially all regular employees. Contribution are paid during the year into separate funds under certain statutory type arrangements. Both the employees and company pay predetermined contribution in provident fund and pension fund. The contributions are normally based upon certain proportion of employee's salary.

A sum of Rs. 6,70,979/- has been charged to statement of profit & loss for the period towards contribution to provident fund & pension fund.

Defined Benefit Plans

The company offers its employees benefits under defined benefit plans in the form of gratuity scheme (a lump sum amount). Benefits under defined benefit plans are typically based either on years of service and the employee's compensation (immediately before retirement). The gratuity scheme covers substantially all regular employees. Commitments are actuarially determined at the year end. Actuarial valuation is based on "Projected Unit credit" method. Gains & Losses of changed actuarial assumptions are charged to the statement of Profit & Loss.

Report of Independent Auditor

To the Shareholders of MH Boutique Hospitality Limited

I have audited the accompanying financial statements of **MH Boutique Hospitality Limited**, which comprise the statements of financial position as at 31st March, 2015, and the related statement of Income and changes in shareholders' equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Thai Financial Reporting Standards for Non-Publicly Accountable Entities, Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audit in accordance with Thai Standards on Auditing. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's

judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management as well as evaluating the overall Presentation of the financial statements.

I believe that the audit evidence I had obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of MH Boutique Hospitality Limited as at 31 March 2015, and its financial performance for the year then ended in accordance with the Thai Financial Reporting Standards for Non-Publicly Accountable Entities.

REPORT OF INDEPENDENT AUDITOR

To the Shareholders of **Infinity Hospitality Group Company Limited**

I have audited the accompanying financial statements of **Infinity Hospitality Group Company Limited**, which comprise the statements of financial position as at 31 December 2014, and the related statement of income and changes in shareholders' equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Thai Financial Reporting Standards for Non-Publicly Accountable Entities, Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audit accordance with Thai Standards on Auditing. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor

considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management as well as evaluating the overall Presentation of the financial statements.

I believe that the audit evidence I has obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Infinity Hospitality Group Company Limited as at 31 December 2014, and its financial performance for the year then ended in accordance with Thai Financial Reporting Standards for Non-Publicly Accountable Entities.

INDEPENDENT AUDITOR'S REPORT

To the Members of COMPETENT HOTELS PRIVATE LIMITED

We have audited the accompanying standalone Financial Statements of **COMPETENT HOTELS PRIVATE LIMITED ("the company")** which comprises the Balance Sheet as at 31st March, 2015, the Statement of Profit & Loss, the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation and fair presentation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the company's directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to explanations given to us, the aforesaid standalone financial statements read with the Notes annexed thereto give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditors' Report) Order, 2015 issued by the Ministry of Corporate Affairs, Government of India, in terms of Section 143(11) of the Companies Act, 2013, we enclose in the Annexure, a statement on the matters specified in paragraph 3 and 4 of the said order.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of audit.
- b) In our opinion proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit & Loss, and the Cash Flow Statement dealt with by this report are in agreement with the books of accounts.
- d) In our opinion the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) There are no pending litigations which require disclosure in the aforesaid standalone financial statements.

NOTES OF ACCOUNTS FOR THE YEAR ENDED MARCH 31, 2015

1.1 CORPORATE INFORMATION

Competent Hotels Private Limited is a private limited company incorporated on 30th May, 1986, under Companies Act, 1956. The company is engaged in business of Hospitality earns revenue from Room Rentals, Sale of food and beverages and other related guest services.

During the current reporting period, there has been a substantial change in the Shareholding pattern of the company and the management of the company. The management of the resort has been transferred to Club Mahindra from Competent Group of companies and the ownership of the company has been transferred to Mahindra Holidays and Resorts India Limited by way of sale of shares.

1.2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Preparation

The Financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India. The Company has prepared these financial statements to comply in all Material respects with the accounting standards specified under Section 133 of the Act and the relevant provisions of Companies Act, 2013. The financial statements have been prepared on accrual basis and under the Historical Cost Convention. The Accounting Policies adopted in the preparation of financial statements are consistent with those of previous year.

B. (i) Fixed Assets

Fixed Assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the Intended Use. Any Trade Discounts and Rebates are deducted in arriving at the purchase price. Gains or losses arising from de-recognition of fixed assets are measured as difference between the net disposal proceeds and the carrying amount of asset and are recognized in the statement of profit and loss when the asset is recognized.

(ii) Depreciation

In order to follow uniform accounting policy for consolidation of the financials and to be in line with parent company, the company has changed the method of charging depreciation from written down value method to straight line method during the year. Depreciation on fixed assets are now provided on straight line method taking into consideration the useful life prescribed in the schedule II of the Companies Act, 2013.

C. Revenue Recognition

Revenue is recognized to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Amount of Luxury tax, Sales tax, and Service tax collected on generating operating revenue has been shown as a reduction from the operating revenue.

D. Inventories

The Inventories are stated at cost or net realizable value whichever is lower. Cost is determined on Weighted Average Cost Method. Net Realizable value is the estimated price in the ordinary course of business, less estimated cost of completion and costs necessary to make sales.

E. Foreign Exchange Transaction

Transactions in foreign exchange, if any, would be recorded at the exchange rate prevailing on the date of transaction and in pursuant to AS-11 on "Foreign Exchange Translation" issued by ICAI.

F. Provision and Contingencies

Contingent liabilities are estimated on the basis of available information and are disclosed by way of Notes to Accounts. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

G. Impairment of Assets

At each Balance Sheet date the company assesses whether there is any indication that assets may be impaired. If any such indication exists, the company estimates the recoverable amount. If the carrying amount of assets exceeds its recoverable amount, an impairment Loss is recognized in the Accounts to the extent the carrying amount exceeds the recoverable amount.

H. Retirement Benefits

In respect of payment of gratuity to employees, the contributions are being made to approve Group Gratuity Scheme of Life Insurance Corporation of India. The premium and contribution paid during the year has been charged to revenue. The provision for Gratuity is being booked on the basis of Actuarial Valuation in excess of the Fund Value with the Life Insurance Corporation of India.

I. Taxes on Income

Provision for Income tax comprises of current tax, and deferred tax charge or release. Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961.

Tax is recognized, subject to consideration of prudence, on timing differences, being difference between taxable and accounting income/ expenditure that originate in one period and are capable of reversal in one or more subsequent period(s). Deferred Tax Assets are not recognized unless there is "Virtual Certainty" that sufficient future taxable income will be available against which such deferred tax assets will be realized.

26. During the Current Reporting period, the method of depreciation has been changed from Written Down Value Method to Straight Line Method in order to match the Accounting Policy of the company with the Accounting Policy of the Holding Company M/s Mahindra Holidays and Resorts India Ltd. The Useful life of assets has been taken as prescribed under the Companies Act, 2013. Consequently, an amount of Rs. 29,010,700 has been credited to the Statement of Profit and Loss, being the difference between the depreciation as per the Straight Line Method and Depreciation as per the Written Down Value Method. Therefore the Profits for the Current year has been overstated by Rs. 29,010,700.
27. Provision for Taxation is made on the basis of estimated taxable income computed in accordance with the relevant Income Tax Laws.
28. Outstanding Balances as at March 31, 2015 in respect of Sundry Debtors, Creditors and Loans & Advances are Subject to Confirmation and Reconciliation
29. Previous year figures are regrouped, rearranged and reclassified wherever deemed necessary in order to make them comparable with the current year figures.

The results of the are shown in the statement of comprehensive income and related notes.

DIRECTORS

The present membership of the Board is set out in this Report.

STATEMENT OF DIRECTORS RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

Company Law requires the Directors to prepare financial statements for each financial year, which presents fairly the financial position, financial performance and cash flows of the Company. In preparing those financial statements, the directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors have confirmed that they have complied with the above requirements in preparing the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements are prepared in accordance

with International Financial Reporting Standards as modified by the exemption from consolidation in the Mauritius Companies Act, 2001 for Companies holding a Category 1 Global Business Licence and in compliance with the requirements of the Mauritius Companies Act, 2001. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS

The Auditors, Grant Thornton, have indicated their willingness to continue in office until the next Annual General Meeting.

CERTIFICATE FROM THE SECRETARY UNDER SECTION 166(d) OF THE MAURITIUS COMPANIES ACT 2001

We certify, to the best of our knowledge and belief, that we have filed with the registrar of Companies all such returns as are required of MHR Holdings (Mauritius) Ltd. under the Mauritius Companies Act, 2001 for the period ended 31 March, 2015.

INDEPENDENT AUDITORS' REPORT TO THE MEMBER OF MHR HOLDINGS (MAURITIUS) LTD

Report on the Financial Statements

We have audited the accompanying financial statements of MHR Holdings (Mauritius) Ltd, the "Company", which comprise the statement of financial position as at 31 March 2015, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the period then ended, and a summary of significant accounting policies and other explanatory information.

Directors' Responsibilities for the Financial Statements

The directors are responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Category 1 Global Business Licence and in compliance with the requirements of the Mauritius Companies Act 2001, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements on pages 888 to 897 give a true and fair view of the financial position of the Company as at 31 March 2015, and of its financial performance and its cash flows for the period then ended in accordance with International Financial Reporting Standards as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Category 1 Global Business Licence and the requirements of the Mauritius Companies Act 2001.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of the Mauritius Companies Act 2001, we report as follows:

- we have no relationship with, or any interests in, the Company other than in our capacity as auditors;
- we have obtained all the information and explanations we have required; and
- in our opinion, proper accounting records have been kept by the Company as far as appears from our examination of those records.

Other Matters

This report is made solely to the member of the Company as a body in accordance with Section 205 of the Mauritius Companies Act 2001. Our audit work has been undertaken so that we might state to the Company's member those matters we are required to state to it in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's member as a body, for our audit work, for this report, or for the opinion we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD FROM 26 JUNE 2014 (DATE OF INCORPORATION) TO 31 MARCH 2015

1 GENERAL INFORMATION AND STATEMENT OF COMPLIANCE WITH INTERNATIONAL FINANCIAL REPORTING STANDARDS ("IFRS")

MHR Holdings (Mauritius) Ltd, the "Company", was incorporated in the Republic of Mauritius under the Mauritius Companies Act 2001 on 26 June 2014 as a private company with liability limited by shares and holds a Category 1 Global Business Licence issued by the Financial Services Commission. The Company's registered office is IFS Court, TwentyEight, Cybercity, Ebene, Republic of Mauritius.

The principal activity of the Company is to hold investments.

The financial statements of the Company have been prepared in accordance with International Financial Reporting Standards ("IFRS") as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Category 1 Global Business Licence.

2 APPLICATION OF NEW AND REVISED INTERNATIONAL FINANCIAL REPORTING STANDARDS

2.1 New and revised standards that are effective for the period beginning on 26 June 2014

In the current period, the following new and revised standards issued by the International Accounting Standards Board ("IASB") are mandatory for the first time for the financial period beginning on 26 June 2014:

IAS 32	Offsetting Financial Assets and Financial Liabilities (Amendments to IAS 32)
IFRS 10, 12 and IAS 27	Investment Entities (Amendments to IFRS 10, IFRS 12 and IAS 27)
IFRIC 21	Levies
IAS 36	Recoverable Amount Disclosures for Non-Financial Assets (Amendments to IAS 36)
IAS 39	Novation of Derivatives and Continuation of Hedge Accounting (Amendments to IAS 39)

The directors have assessed the impact of these revised standards and amendments and concluded that none of these have an impact on the disclosure of these financial statements.

2.2 Standards, amendments and interpretations to existing standards that are not yet effective and have not been adopted early by the Company

At the date of authorisation of these financial statements, certain new Standards, Amendments and Interpretations to existing Standards have been published by the IASB but not yet effective, and have not been adopted early by the Company.

Management anticipates that all of the relevant pronouncements will be adopted in the Company's accounting policies for the first period beginning after the effective date of the pronouncements. Information on new Standards, Amendments and Interpretations is provided below.

3 SUMMARY OF ACCOUNTING POLICIES

3.1 Overall considerations

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below.

3.2 Revenue

Interest income is recognised on the accrual basis using the effective interest method, unless collectability is in doubt.

3.3 Expenses

All expenses are accounted for in the statement of comprehensive income on the accrual basis.

3.4 Taxation

Tax expense recognised in the statement of comprehensive income comprises of deferred tax and current tax not recognised in other comprehensive income or directly in equity.

Current income tax assets and/or liabilities comprise of those obligations to, or claims from, fiscal authorities relating to the current period, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting date.

Deferred income taxes are calculated using the liability method on temporary differences between the carrying amounts of assets and liabilities and their tax bases.

3.5 Financial instruments

Recognition, initial measurement and derecognition

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instruments and are measured initially at fair value adjusted by transaction costs. Subsequent measurement of financial assets and financial liabilities are described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

Classification and subsequent measurement of financial assets

For the purpose of subsequent measurement, the Company's financial assets are classified into the category of loans and receivables upon initial recognition.

All financial assets are subject to review for impairment at least at each reporting date. Financial assets are impaired when there is any objective evidence that a financial asset or a group of financial assets is impaired.

All income and expenses relating to financial assets are recognised in the statement of comprehensive income.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial recognition, these are measured at amortised cost using the effective interest method, less provision for impairment. Discounting is omitted where the effect of discounting is immaterial. The Company's cash and cash equivalents and loans fall into this category of financial instruments.

Classification and subsequent measurement of financial liabilities

The Company's financial liabilities consist of borrowings and accruals.

Financial liabilities are measured subsequently at amortised cost using the effective interest method.

All interest-related charges are reported in the statement of comprehensive income.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

3.6 Consolidated financial statements

The financial statements are separate financial statements which contain information about MHR Holdings (Mauritius) Ltd as an individual company and do not contain consolidated financial information as the parent of a group.

The Company holds a Category 1 Global Business Licence issued by the Financial Services Commission and has taken advantage of the exemption given in Section 12 of Part 1 of the Fourteenth Schedule of the Mauritius Companies Act 2001 from the requirement to prepare consolidated financial statements as it is a wholly-owned subsidiary of a quoted company incorporated in the Republic of India, Mahindra Holidays and Resorts India Limited.

3.7 Investment in subsidiary

A subsidiary is an entity over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

Investment in subsidiary is initially shown at cost. Where an indication of impairment exists, the recoverable amount of the investment is assessed. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is charged to the statement of comprehensive income.

On disposal of an investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the statement of comprehensive income.

3.8 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank. Cash equivalents are short term, highly liquid investments maturing within 90 days from the date of acquisition that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

3.9 Equity

Stated capital represents the value of shares that have been issued.

Loss for the period includes current period results as disclosed in the statement of comprehensive income.

3.10 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be estimated reliably.

Provisions are measured at the estimated expenditure required to settle the present obligation based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. The increase in the provision due to passage of time is recognised as interest expense in the statement of comprehensive income.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole.

3.11 Related parties

A related party is a person or company where that person or company has control or joint control of the reporting company; has significant influence over the reporting company; or is a member of the key management personnel of the reporting company or of a parent of the reporting company.

3.12 Foreign currency translation

Functional and presentation currency

The financial statements are presented in Euro ("EUR"), which is the Company's functional and presentation currency.

Foreign currency transactions and balances

Foreign currency transactions are translated into the functional currency of the Company using the exchange rates prevailing at the dates of the transactions (spot exchange rate). Foreign exchange gains and losses resulting from the settlement of such transactions and from the remeasurement of monetary items denominated in foreign currency at period-end exchange rates are recognised in the statement of comprehensive income.

Non-monetary items are not retranslated at period-end and are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

3.13 Impairment of assets

At each reporting date, the Company reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered any impairment loss. When an indication of impairment loss exists, the carrying amount of the asset is assessed and written down to its recoverable amount.

3.14 Borrowings

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently carried at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in profit or loss over the year of the borrowings using the effective interest method.

Fees paid on loan facilities are recognised as transaction costs.

3.15 Set up costs

Set up costs are written off in the period in which they arise.

3.16 Comparatives

No comparatives figures are presented as it is the first financial statements since the Company's incorporation date.

4 SIGNIFICANT MANAGEMENT JUDGEMENTS IN APPLYING ACCOUNTING POLICIES AND ESTIMATION UNCERTAINTY

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

Significant management judgement

The following is the significant management judgement in applying the accounting policies of the Company that have the most significant effect on the financial statements.

Determination of functional currency

The determination of the functional currency of the Company is critical since recording of transactions and exchange differences arising therefrom are dependent on the functional currency selected. The directors have considered those factors and have determined that the functional currency of the Company is the EUR.

Estimation uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

Impairment of investments in subsidiary

In assessing impairment, management estimates the recoverable amount of each asset based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate. The directors have assessed the recoverable amount of the investments and confirmed that the carrying amounts have not suffered any impairment in value at the reporting date.

Impairment of loans to subsidiary

The Company reviews its significant loans and advances at each reporting date to assess whether an impairment loss should be recorded in the statement of comprehensive income. In particular, management judgment is required in the estimation of the amount and timing of future cash flows when determining the impairment loss. These estimates are based on assumptions about a number of factors and actual results may differ, resulting in future changes to the allowance.

5 FINANCIAL INSTRUMENT RISK**Risk management objectives and policies**

The Company is exposed to various risks in relation to its financial instruments. The main types of risks are market risk (foreign currency risk and interest rate risk), credit risk and liquidity risk.

The Company's financial assets and financial liabilities by category are summarised below.

	2015	2015
	EUR	INR
Financial assets		
<i>Loans and receivables:</i>		
Non-current		
Loans	3,711,920	251,129,948

	118,728	8,032,543
Total financial liabilities	10,968,728	742,089,293

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company to set appropriate measures and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and in the Company's activities.

The Company does not actively engage in the trading of financial assets and derivatives for speculative purposes. The most significant financial risks to which the Company is exposed to are described below.

5.1 Market risk analysis

The Company is exposed to market risk through its use of financial instruments. Market risk is comprised specifically of currency risk and interest rate risk, which result from both its operating and investing activities.

(i) Foreign currency sensitivity

The Company is not exposed to any currency risk as most of its financial assets and financial liabilities are denominated in the Euro which is the functional currency of the Company.

The currency profile of its financial assets and liabilities is as follows:

	Financial assets 2015	Financial assets 2015	Financial liabilities 2015	Financial liabilities 2015
	EUR	INR	EUR	INR
Long term exposure				
Euro (EUR)	3,711,920	251,129,948	10,850,000	734,056,750
Short term exposure				
Euro (EUR)	58,147	3,933,935	74,562	5,044,492
United States Dollar (USD)	-	-	44,166	2,988,051
	3,770,067	255,063,883	10,968,728	742,089,293

(ii) Interest rate sensitivity

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company has interest bearing financial assets and liabilities in the form of loans and borrowings.

The Company's interest bearing financial assets are in the form of loans to the subsidiary at a fixed rate of interest and therefore are not subject to market fluctuations.

The Company has interest bearing financial liabilities in the form of bank loans from HSBC Bank (Mauritius) Limited.

The Company's interest rate risk arises principally from the bank borrowings from HSBC Bank (Mauritius) Limited which are at variable interest rates. The Company Manages its Cash flow interest rate risk by using floating to fixed rate swaps. Such interest swaps have the economic effect of converting borrowings from floating rates to fixed rates.

Loans from HSBC Bank (Mauritius) Limited

The Company has taken the following loans from HSBC Bank (Mauritius) Limited.

Loan of EUR 6,850,000 (INR 463,436,750)

The bank loan of EUR 6,850,000 (INR 463,436,750) from HSBC Bank (Mauritius) Limited bears interest at Fixed EUR Interest Rate Swap ("IRS") 5 year plus a margin of 2.75% per annum on fixed basis (Note 11 (ii) to these financial statements). The all-inclusive rate of interest is fixed at 3.45%. The loan is repayable at the end of 5 years with an option to repay on any interest reset date. The interest is payable at the end of every 6 months. Since the Interest Rate is fixed, the Company is therefore not exposed to interest rate risk on this loan.

Loan of EUR 4,000,000 (INR 270,620,000)

The bank loan of EUR 4,000,000 (INR 270,620,000) from HSBC Bank (Mauritius) Limited carries interest at EURIBOR 6 months plus Margin of 1.95% on floating basis (Note 11 (ii) to these financial statements). The loan is repayable at the end of 5 years with an option to repay on any interest reset date. The interest is payable at the end of every 6 months. This is a floating rate loan and the interest risk is covered with an IRS.

Such interest rate swap has the economic effect of converting borrowings from floating rate to fixed rate and protecting the Company from potential future interest rate hike. Therefore the Company is not affected with interest rate fluctuations.

5.2 Credit risk analysis

Credit risk is the risk that a counterparty fails to discharge an obligation to the Company.

The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at the reporting date, as summarised below:

	2015	2015
	EUR	INR
ASSETS		
Non-current		
Loans	3,711,920	251,129,948
Current assets		
Cash and cash equivalents	58,147	3,933,935
	<u>3,770,067</u>	<u>255,063,883</u>

- (i) The Company has given loans to its subsidiary, which are unsecured, carry interest at 4% per annum and receivable in two years time. Since the loans are contractual, the directors consider that no credit risk is associated with these loans.
- (ii) The credit risk for the bank balance is considered negligible, since the counterparty is a reputable bank with high quality external credit ratings.
- (iii) The carrying amounts disclosed above are the Company's maximum possible credit risk exposure in relation to these instruments.
- (iv) The loans to subsidiary are secured against an Unconditional and Irrevocable Corporate Guarantee from Mahindra Holidays and Resorts India Limited, the parent company.

5.3 Liquidity risk analysis

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due.

The Company's approach to managing liquidity risk is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The following are the contractual maturities of financial liabilities, including interest payments:

	Less than 1 year	Less than 1 year	More than 1 year	More than 1 year
	EUR	INR	EUR	INR
Borrowings	74,562	5,044,492	10,850,000	734,056,750
Accruals	44,166	2,988,051	-	-
Total	<u>118,728</u>	<u>8,032,543</u>	<u>10,850,000</u>	<u>734,056,750</u>

6 FAIR VALUE MEASUREMENT**6.1 Fair value measurement of financial instruments**

The Company's financial assets and financial liabilities are measured at their carrying amounts, which approximate their fair values.

6.2 Fair value measurement of non-financial instruments

The Company's non-financial assets consist of only prepayments for which fair value measurement is not applicable since these are not measured at fair value on a recurring or non-recurring basis in the statement of financial position. At the reporting date, the Company did not have any non-financial liabilities.

7 CAPITAL MANAGEMENT POLICIES AND PROCEDURES

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns to its member.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to its member, buy back shares or issue new shares.

The Company monitors capital on the basis of the gearing ratio. This ratio is calculated as net debt divided by total capital.

At 31 March 2015, the Company was fully geared since it relies on external borrowings to finance its operations.

8 TAXATION**(i) Income tax**

Under current laws and regulations, the Company is liable to pay income tax on its net income at a rate of 15%. The Company is, however, entitled to a tax credit equivalent to the higher of actual foreign tax suffered or 80% of Mauritius tax payable in respect of its foreign source income, thus reducing its maximum effective tax rate to 3%. Capital gains from sales of units and securities are exempt from income tax in the Republic of Mauritius.

The Company has received tax residence certificates from the Mauritian authorities that it is a tax resident of the Republic of Mauritius, which is renewable on an annual basis subject to meeting certain conditions and which is eligible to obtain benefits under the double tax treaty between the Republic of Mauritius and the Republic of India.

At 31 March 2015, the Company has a tax loss of EUR 123,295 (INR 8,341,523) which will be carried forward and available for set off against future taxable profit up to the year ending 31 March 2020.

The foregoing is based on current interpretation and practice and is subject to any future changes in tax laws and in the double tax treaty between the Republic of India and the Republic of Mauritius.

(ii) Deferred tax

Deferred income tax is calculated on all temporary differences under the liability method at the rate of 3%. At 31 March 2015, no deferred tax has been recognised in respect of the tax losses carried forward as it is not probable that taxable profit will be available in the foreseeable future.

(iii) Income tax reconciliation

The income tax on the Company's loss before tax differs from the theoretical amount that would arise using the effective tax rate of the Company as follows:

	2015	2015
	EUR	INR
Loss for the period	(159,874)	(10,816,275)
Tax calculated at the rate of 3%	(4,796)	(324,473)
Non-allowable expenses	1,097	74,218
Deferred tax asset not recognised	3,699	250,256

				<u>7,182,500</u>	<u>485,932,038</u>

(iii) Pursuant to a Share Sale and Purchase Agreement dated 17 July 2014 between the Company (the "Purchaser") and D.LAW (the "Seller"), the Company purchased 12,500 shares without nominal value corresponding to 100% of the share capital of Covington S.à.r.l, a private limited company incorporated in Luxembourg, from the Seller for a total consideration of EUR 17,500 (INR 1,183,963).

(iv) Pursuant to Contribution Agreements dated 31 July 2014 and 10 November 2014 between the Company (the "Contributor") and Covington S.à.r.l (the "Receiver"), the Contributor granted EUR 3,165,000 (INR 214,128,075) and EUR 4,000,000 (INR 270,620,000) respectively to the Receiver.

(v) The directors have assessed the recoverable amount of the investments (equity and non-equity) and confirmed that the carrying amount of these investments have not suffered any impairment in value at the reporting date.

(vi) The Company has 100% shareholding in Covington S.à.r.l and is therefore considered as the Company's subsidiary since it has control over the subsidiary through its 100% voting rights. The Company holds a Category 1 Global Business Licence issued by the Financial Services Commission and has therefore taken advantage of Section 12 of Part 1 of the Fourteenth Schedule of the Mauritius Companies Act 2001 which dispenses it from presenting consolidated financial statements as it is a wholly-owned subsidiary of a company incorporated in the Republic of India.

(vii) The non-equity investment in Covington S.à.r.l represents funds invested as "capital contribution" and settlement is not likely within one year. Repayment would be agreed between the Company and its investee company.

Loan of EUR 6,850,000 (INR 463,436,750)

The Company (the "Borrower") entered into a Facility Agreement with HSBC Bank (Mauritius) Limited ("the Lender") on 31 July 2014 whereby the loan is repayable on 04 August 2019. The loan bears interest at Fixed EUR Interest Rate Swap ("IRS") 5 year plus a margin of 2.75% per annum on fixed basis. The all-inclusive rate of interest is fixed at 3.45%. The loan is repayable at the end of 5 years with an option to repay on any interest reset date. The interest is payable at the end of every 6 months and interest accrued on the loan outstanding at the reporting date amounted to USD 36,762 (INR 2,302,772).

Loan of EUR 4,000,000 (INR 270,620,000)

The Company (the "Borrower") entered into a Facility Agreement with HSBC Bank (Mauritius) Limited (the "Lender") on floating basis. The loan is repayable at the end of 5 years with an option to repay on any interest reset date. The interest is payable at the end of every 6 months and interest accrued on the loan outstanding at the reporting date amounted to USD 37,800 (INR 2,367,792). This is a floating rate loan and the interest risk is covered with an IRS.

The above loans are secured against an Unconditional and Irrevocable Corporate Guarantee from Mahindra Holidays and Resorts India Limited (the "Guarantor"). In that respect, an annual commission of 0.53% on the Corporate Guarantee (EUR 11,200,000 (INR 757,736,000)) should be paid to the Guarantor until the loans are fully repaid. At 31 March 2015, an amount of EUR 33,831 (INR 2,288,836) was charged as commission.

OPERATIONS/STATE OF THE COMPANY'S AFFAIRS

Even as the economic environment in India continued to be challenging, the situation improved somewhat as the year progressed, especially in the second half of 2014-15. According to the advance estimates released by the Central Statistical Organisation (CSO), India's GDP growth is expected to be 7.5 per cent in 2014-15, around 1 percentage point higher than the previous year. As far as the real estate industry is concerned, the overall performance was subdued — housing prices, rents and offtake of housing loans continued to be sluggish.

In this environment, the Company performed well — focusing on improving efficiencies and developing new markets, expanding its presence in newer segments in residential business and implementing plans to augment the product offering in the integrated development space. Both operational segments of your Company — residential and integrated developments — showed progress during the year. There were no changes in the nature of business during the year under review.

In the residential business, the Company made a successful foray in the affordable housing segment with two pilot projects in Chennai and Mumbai Metropolitan Region under the name

'Happiest'. The Company also launched two new projects in the luxury and holiday home segments. In addition, fresh inventory in 3 of its existing projects was also launched during the year. During 2014-15, the Company sold over 1,400 residential units across its ongoing and newly launched projects, including projects of its subsidiary companies in the residential space. The Company had entered into mutually agreed consent terms with a land-owner in respect to one of its project, where there was a dispute with the land owner and in accordance with the consent terms, the Company during the year has completed the sale of land in relation thereto.

In the large format developments, Mahindra World City, Jaipur, saw a significantly improved performance compared to the previous year, with better demand and appreciation in prices. Mahindra World City, Chennai, also signed industrial land leases in the Domestic Tariff Area, even as most of the development there is currently in residential and social infrastructure.

These enabled the Company to register a creditable performance in a challenging macroeconomic environment.

The consolidated total income of your Company increased from ₹ 75,620 lakhs in 2013-14 to ₹ 1,14,757 lakhs in 2014-15. The consolidated Profit before tax (PBT) stood at ₹ 42,102 lakhs in 2014-15 as compared to ₹ 16,094 lakhs in 2013-14, whereas the consolidated profit after tax (PAT) after minority interest was ₹ 26,620 lakhs as compared to ₹ 10,063 lakhs during 2013-14.

Total income of your Company as a standalone entity was ₹ 76,004 lakhs as compared to ₹ 42,133 lakhs in 2013-14. PBT was ₹ 33,771 lakhs as compared to ₹ 10,139 lakhs in 2013-14, whereas PAT was ₹ 23,330 lakhs as compared to ₹ 7,773 lakhs in 2013-14. Total income includes a dividend income of ₹ 727 lakhs received from its subsidiary Mahindra World City Developers Limited, ₹ 740 lakhs received from its subsidiary Mahindra World City (Jaipur) Limited and ₹ 740 lakhs received from its subsidiary Mahindra Integrated Township Limited, during the year as compared to ₹ 953 lakhs and ₹ 518 lakhs from Mahindra World City Developers Limited and Mahindra World City (Jaipur) Limited respectively in 2013 -14.

No material changes and commitments have occurred after the close of the year till the close of this Report, which affect the financial position of the Company.

* Refers to Stock Options granted to Dr. Prakash Hebalkar on 4th August, 2012.

The Company has adopted intrinsic value method on ESOS 2006 for computing the compensation cost for the options granted. The exercise price of the shares is based on the average of the daily high and low of the prices for the Company's Equity Shares quoted on the Bombay Stock Exchange Limited, during the 15 days preceding the grant of the Options. The Intrinsic value i.e. the difference between the market price of the share and the exercise price is being amortised as employee compensation cost over the vesting period.

The Company has granted ESOS 2012 at an exercise price of ₹ 10 each, which is equal to the face value of the equity share of the Company

ANNEXURE 4A TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2015:

POLICY FOR REMUNERATION OF THE DIRECTORS

Purpose

This Policy sets out the approach to Compensation of Directors, in Mahindra Lifespace Developers Limited.

Policy Statement

We have a well-defined Compensation policy for Directors, including the Chairman of the Company. The overall compensation philosophy which guides us to focus on enhancing the value, to attract, to retain and motivate Directors for achieving objectives of the Company and to become a major player in Indian Real Estate Sector, to maintain the pioneer status in the Integrated Business City format, to be the most trusted brand in the business we operate in and focus on customer centricity through transparency, quality and on-time delivery, to be a thought leader and establish industry benchmarks in Sustainable Development.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV to the Companies Act, 2013 and Clause 49 of the Listing Agreement with Stock Exchanges and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Managing Director & Chief Executive Officer (MD & CEO) and Executive Directors

Remuneration of the MD & CEO and Executive Directors reflects the overall remuneration philosophy and guiding principle of the Company. While considering the appointment and remuneration of Managing Director and Executive Directors, the NRC shall consider the industry benchmarks, merit and seniority of the person and shall ensure that the remuneration proposed to be paid is commensurate with the remuneration packages paid to similar senior level counterpart(s) in other companies. The policy aims at a balance between fixed and variable pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

The remuneration to the MD & CEO shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as per the policy of the Company from time to time and as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of appointment, the variable compensation will be determined annually by the NRC based on the performance of MD & CEO.

The term of office and remuneration of MD & CEO is subject to the approval of the Board of Directors, shareholders, and Central Government, as may be required and within the statutory limits laid down in this regard from time to time.

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay, subject to the requisite approvals, remuneration to its MD & CEO in accordance with the provisions of Schedule V to the Companies Act, 2013.

If a MD & CEO draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he/she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

Remuneration for MD & CEO is designed subject to the limits laid down under the Companies Act, 2013 to remunerate him/her fairly and responsibly. The remuneration to the MD & CEO comprises of salary, perquisites and benefits as per policy of the Company and performance based incentive apart from retirement benefits like P.F., Superannuation, Gratuity, Leave Encashment, etc. as per Rules of the Company. Salary is paid within the range approved by the Shareholders. Increments are effective annually, as recommended/approved by the NRC/Board. The MD & CEO is entitled for grant of Stock Options as per the approved Stock Options Schemes of the Company from time to time.

Directors

The MD & CEO is an executive of the Company and draws remuneration from the Company. The Non-Executive Chairman and Independent Directors receive sitting fees for attending the meeting of the Board and the Committees thereof, as fixed by the Board of Directors from time to time subject to statutory provisions. The Non-Executive Chairman and Independent Directors would be entitled to the remuneration under the Companies Act, 2013. A Non-Executive Non-Independent Director who receives remuneration from the holding company or any other group company is not paid any sitting fees or any remuneration. In addition to the above, the Directors are entitled for reimbursement of expenses incurred in discharge of their duties.

The Company may also grant Stock Options to the eligible employees and Directors (other than Independent Directors) in accordance with the ESOP Schemes of the Company from time to time and subject to the compliance of the applicable statutes and regulations.

Disclosures

Information on the total remuneration of members of the Company's Board of Directors, Managing Director and Executive Directors and KMP/senior management personnel may be

disclosed in the Board's report and the Company's annual report/website as per statutory requirements in this regard.

- The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July i.e. after the salary increment exercise.
- The variable component of the remuneration will be a function of the employee's grade.
- The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance

is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.

- An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive. Based on the findings of the survey and the business performance, the Sector Talent Council decides:
 - a) The increment that needs to be paid for different performance ratings as well as grades.
 - b) The increment for promotions and the total maximum increment.
 - c) The maximum increase in compensation cost in % and absolute.
- Compensation corrections are made in a few cases where it is outside the band or to keep it tune with the market.

ANNEXURE 7 TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2015

A. CONSERVATION OF ENERGY:

(i)	the steps taken or impact on conservation of energy;	<p>: As a part of sustainable development adequate measures have been initiated to reduce energy consumption. With respect to providing an Energy Efficient final product to its customers, the Company is developing Green Buildings.</p> <p>Green building increases the resource efficiency (energy, water, and materials), while reducing impacts on human health and the environment, through better selection of sites, design, construction, operation, maintenance, and removal i.e. the complete building life cycle.</p> <p>Steps taken for energy conservation:</p> <ol style="list-style-type: none"> 1. Energy efficient building envelopes for walls and roofs including Low E glass in selective areas; 2. Energy efficient electronic ballast & all lighting system; 3. Heat Reflective paint; 4. Artificial lighting control via daylight sensor; 5. Adoption of high efficiency light fittings; 6. Adoption of high efficiency pumps, motors; 7. Group control mechanism for lifts; 8. LED lamps for common areas & pathways; 9. Solar thermal water heaters for hot water generation in selective areas; 10. Solar street lights.
(ii)	the steps taken by the Company for utilising alternate sources of energy;	<p>: Mahindra World City projects (MWC) in Chennai and Jaipur are setting standards in efficient usage of green energy.</p> <p>The first off-grid solar power plant in the state of Tamil Nadu was set up at Mahindra World City, Chennai in FY 11-12. Installed over 800 sq. mt. and equipped with a remote monitoring system, the 75 kW rooftop solar plant is expected to generate approximately 116,000 units (kWh) of clean electrical energy annually.</p> <p>Other initiatives to reduce energy consumption at MWC include use of energy efficient LED lighting. These LED lights, come with dimmable controllers which have a significant impact in maximising overall energy efficiency of the area. At Mahindra World City Jaipur, 90W LED lights are being installed in place of 150W metal halide to achieve an equivalent required lux levels on site. Savings from using LED street lights at Mahindra World City, Jaipur are estimated at 49.6% when compared to conventional metal halide street lamp. The total carbon abated annually is -1617.4 tCO₂e from this site-wide initiative.</p> <p>During the year, an MOU has been signed between World Resources India (WRI) and Mahindra World City Chennai (MWCC) to explore options for Green Energy Procurement to fulfil the peak demand of energy for customers within the city through Renewable sources.</p>

(iii)	the capital investment on energy conservation equipments	: It is a mandate in Mahindra Lifespaces to develop all its projects as green building projects. The Company does not capture these expenses separately under environmental protection expenditures/ green investments. During the feasibility study of the project for green building rating, these expenses are considered in the project budget itself. These expenditures are mainly for 1. use of energy efficient building envelopes 2. fenestration like low e glass, 3. heat reflective paints, 4. low flow fixtures, 5. sewage treatment plants, 6. rain water harvesting system, 7. solar street lights, 8. organic waste converter, 9. energy efficient equipments such as pumps and motors, etc.

Management Discussion and Analysis

Mahindra Lifespace Developers Limited ('Mahindra Lifespaces' or 'the Company') is one of the leading real estate development companies in India. Over the years, the Company has created a reputation for itself by delivering an array of highly successful projects and establishing industry benchmarks in environment friendly and sustainable developments.

Mahindra Lifespaces, along with its subsidiary companies, is engaged in the development of residential projects and large format developments such as integrated cities and industrial clusters. This chapter presents an overview of the operational and financial performance of the Company during 2014-15 and its strategy for future growth.

INTRODUCTION AND PERFORMANCE HIGHLIGHTS

Mahindra Lifespaces is one of the few real estate companies in India with the experience of serving both retail consumers and businesses through its two segments of operations — residential development and large format integrated cities/industrial clusters. This continued to be the strategic direction in which the Company moved in 2014-15, as it looked to expand its presence in newer segments in the residential market or augment its offering in the large format development space. Here are the key highlights of the Company's performance in 2014-15:

- In the residential segment, the Company made a successful foray into the affording housing segment with two pilot projects in Chennai and Mumbai Metropolitan Region under the brand name of 'Happinest'. The Company also launched two new projects — 'Luminare' and 'The Serenes' — in the luxury and holiday home segments respectively. In addition, fresh inventory in 3 of its existing projects was also launched during the year. During 2014-15, the Company sold over 1,400 residential units across its ongoing and newly launched projects, including projects of its subsidiary companies in the residential space. In recognition of its efforts to implement innovative and sustainable practices, Mahindra Lifespace was selected as one of India's 'Top Inno-Visionary Builders' at the Construction World Architect and Builder (CWAB) Awards, 2014.
- In the large format developments, the integrated business city, Mahindra World City, Jaipur, saw a healthy appreciation in demand and value. This resulted, especially in the second half of the year, in a significantly improved performance, compared to the previous year. Mahindra World City, Chennai also signed industrial land leases in the Domestic Tariff Area, even as most of the development there is currently in residential and social infrastructure. As the macroeconomic environment improves further, the Company is gearing-up to diversify its portfolio in this segment, to create a network of industrial clusters in upcoming industrial destinations.
- Another important aspect of the Company's performance during the year was the success it achieved in its effort to strengthen the organisational capabilities and make them

scalable. Building sales and marketing channels, augmenting the customer relationship management (CRM) function, improving pace of project execution with renewed focus on quality and safety, and implementation of IT based systems were some of the focus areas. These have been discussed in greater detail in subsequent sections of the report.

All of these enabled the Company to register a creditable performance in a challenging macroeconomic environment. The highlights of Mahindra Lifespaces' financial performance during the year, as a consolidated entity, are given below:

- Consolidated income of the Company grew by 52 per cent from ₹ 756 crores in 2013-14 to ₹ 1,148 crores in 2014-15;
- Profit before depreciation, interest and taxes (PBDIT) increased by 120 per cent from ₹ 221 crores in 2013-14 to ₹ 486 crores in 2014-15. Profit before taxes (PBT) grew by 162 per cent to ₹ 421 crores in 2014-15;
- Profit after taxes (PAT) grew by 157 per cent from ₹ 110 crores in 2013-14 to ₹ 283 crores in 2014-15. After accounting for minority interest, the consolidated net profit (PAT) of the Company increased by 165 per cent from ₹ 101 crores to ₹ 266 crores during 2014-15;
- Diluted earnings per share (EPS) of the Company increased by 163 per cent to ₹ 64.70 in 2014-15 as compared to ₹ 24.64 in the previous year.

In the remainder of the report, we will present the operational and financial performance of the Company, which is followed by a discussion on risks and concerns and the outlook for the future. We begin with an overview of the macroeconomic and industry environment.

MARKETS AND OPPORTUNITIES

India's macroeconomic environment was subdued at the beginning of 2014-15. However, the situation improved somewhat as the year progressed, especially in the second half of the year. According to the advance estimates released by the Central Statistical Organisation (CSO), India's GDP growth is expected to be 7.5 per cent in 2014-15, around 1 percentage point higher than the previous year.

Perhaps more significant was the broad-based decline in retail inflation since September 2014, which resulted in reduction in the policy rates by the RBI to the tune of 50 basis points towards the end of the year. But, this did not translate into reduction in lending rates despite sluggish credit offtake. Consequently, the improvements in business and consumer confidence during the year were weak.

As far as the real estate industry is concerned, the overall performance was subdued. Housing prices, rents and offtake of housing loans continued to be sluggish during the year. However, plans announced in the Union Budget to step-up infrastructure spending, focus on affordable housing and smart cities augur well for the real estate industry. Also, the improved sentiment in financial markets and low global commodity prices augur well for the growth prospects of the economy in 2015-16.

Residential Development

During 2014-15, the demand situation in the markets where the Company operates in showed divergent trends. Both Mumbai and Delhi-NCR markets had weak offtake throughout the year, whereas the Pune metropolitan and Nagpur markets saw healthy increase in demand in the second half of the year. The demand situation continued to be stable in Bangalore. In Hyderabad and Chennai markets, the offtake was satisfactory, especially in the second half of the year. Product prices remained stable in these markets, even as the industry resorted to competitive payment plans and offers to spur demand.

As far as growth opportunities for the immediate future are concerned, the Company will continue to focus on cities such as Mumbai, Pune, Bangalore, NCR, Chennai and Hyderabad. In terms of market segments, 2014-15 has been a very important year — with launches in differentiated segments such as luxury apartments, weekend homes, premium and affordable housing. During the year, the Company acquired a land parcel in Andheri, Mumbai, for joint development. Other than this, it is evaluating opportunities in Bangalore and Pune markets to meet its growth plans.

Urban India has an estimated 19 million families either living in slums or in low income neighbourhoods on rent and this housing deficit is likely to rise to 38 million by 2030. The successful launch of two pilot projects of ‘Happinest’ — the Company’s affordable housing product — has provided the Company an opportunity to address this large, underserved market with its carefully crafted strategy and product. The government’s focus on affordable housing has further expanded the size and scope of this opportunity.

Large Format Integrated Cities & Industrial Clusters

The market for industrial land saw a revival in demand in the second half of the year. But, most of this came from businesses servicing the domestic market. In contrast, the demand for land in the Special Economic Zone (SEZ) segment continued to be sluggish. Both the integrated business cities of the Company — Mahindra World City (MWC), Chennai and Mahindra World City (MWC), Jaipur, operated through its subsidiaries — benefited from the improvement in demand in the domestic zones.

The Government’s ‘Make in India’ initiative and focus on smart cities is a favourable development for growth opportunities in this segment. Given the demand from businesses aimed at servicing the domestic market, the Company is exploring the possibility of expanding the Domestic Traffic Area (DTA) in its Jaipur project through area re-allocation. In terms of its long-term strategy, the Company is actively considering upcoming industrial destinations to diversify its portfolio and create a network of smaller industrial clusters. Currently, the Company has one such project under planning in North Chennai, where procurement of land is in progress.

OPERATIONS

Residential Development

Mahindra Lifespaces’ residential business has its presence across the value chain of real estate development that covers

identifying a suitable piece of land, conducting thorough due-diligence on its title and development potential, acquiring the land, product conceptualisation and design management, obtaining requisite statutory approvals, project management and quality assurance. The Company also undertakes the project’s branding, marketing and sales while ensuring timely delivery and upkeep of the property until its handed over to the society of home owners.

During the year, the Company achieved significant success in increasing its market share in the various micro-markets its projects are located in. This was achieved by strengthening its sales organisation and generating better brand visibility at both the Company and project level. It has developed a strong network of channel partners who market the projects both in local and international markets. It is also in the process of increasing its digital presence for generating leads and concluding transactions through e-commerce platforms.

The Company also enhanced its ‘New Product Development’ framework that has helped improve the pace of project planning. This includes work-streams on design and product definition, market demand-supply analysis, branding, marketing and pricing strategy, contracting and sourcing, site management, sales and channel partner strategy. This approach ensures that the Company is well prepared to launch the project as soon as all the required approvals and clearances have been secured.

The Company has successfully put in place systems and processes which are scalable and have significantly improved the pace of execution. These have been instrumental in achieving a higher degree of quality, safety, transparency, cost management and timely completion of its projects. These have been discussed in greater detail in the subsequent sections on Quality, IT and Safety.

As of 31st March 2015, the Company along with its subsidiaries has completed projects covering 8.92 million square feet in the residential segment. It is currently developing 5.98 million square feet (Ongoing). Besides, another 4.39 million square feet are available in the form of new phases of ongoing projects or fresh projects that are at different stages of planning and will be launched in the near future (Forthcoming). A snapshot of the Company and its subsidiaries’ project portfolio is presented below.

During 2014-15, handover of units was completed and the Company is currently carrying out facility management.

‘**Aqualily**’ is a premium project within Mahindra World City, Chennai. This project is being implemented by Mahindra Residential Developers Limited, a subsidiary of Mahindra Integrated Township Limited and of the Company. Spread across 55 acres of land, the project offers villas and apartments covering 1.57 million square feet, of which 1.39 million square has been launched in multiple phases. During 2014-15, construction was completed in Phase 2B, taking the total completed area under the project to 0.93 million square feet. The handing over of all completed phases is in progress. Construction is in progress for Phase 2C and is progressing as per schedule. 68 per cent of the total units launched in this project have been sold upto March 2015.

‘**Iris Court**’, located in Mahindra World City, Chennai, is spread over 18 acres with a total saleable area of 0.86 million square feet. This project is being implemented by Mahindra Integrated Township Limited, a subsidiary of the Company. During 2014-15, hand over of units was completed for the first phase of the project covering 0.27 million square feet. Construction activity was completed for the second phase and Phase IIIA, taking the total completed area under the project to 0.73 million square feet. The final phase (IIIB) is progressing as per schedule. 92 per cent of the total units in this project have been sold upto March 2015.

‘**Aura**’ in Gurgaon, National Capital Region, is spread over 17 acres and has a saleable area of 1.39 million square feet. During 2014-15, units were handed over to the customers of Phase I, which received Occupancy Certificate during the year. The next two phases (II & III) were completed during the year and are expected to be handed over during 2015-16. The total completed area under the project is 0.74 million square feet. Construction for the remaining two phases (IV and V) is in advanced stages and is expected to be completed during 2015-16. 96 per cent of the total units in this project have been sold upto March 2015.

‘**Bloomdale**’, in Nagpur, Maharashtra, is conceived as a gated community spanning over 25.2 acres and has a saleable area of 1.55 million square feet, offering a choice of low-rise apartments, row houses and duplex homes. It is being implemented by Mahindra Bebanco Developers Limited (MBDL), a subsidiary of the Company. During the year, the Company launched three new phases of the project (IIB1, IIB2 and IIIC1), taking the total saleable area launched to 0.86 million square feet. Construction is nearing completion for the first phase of the project (IA, IB and IC), and progressing as per schedule for the remaining phases and the club house. 80 per cent of the total units launched in this projects have been sold upto March 2015.

‘**Antheia**’ in Pimpri, Pune, is spread over 16 acres with a saleable area of 1.60 million square feet. During the year, the Company launched 3 phases (Phase II ‘A,’ ‘B,’ ‘D’) of the project, taking the total area under sale to 0.94 million square feet. Construction activity is in progress for both Phase I and II. Phase I of the project is 99 per cent sold, whereas 27 per cent of the total units launched in Phase II have been sold upto March 2015.

‘**Ashvita**’ in Kukatpally, Hyderabad, is spread over 9.70 acres with a saleable area of 1.1 million square feet. The project is being developed in the joint development format with the land owners. The final two phases (IV & V) of the project were launched during the year. All phases of the project are currently under construction, in line with the project timelines. 68 per cent of the total units, in the Company’s share under the joint development agreement, have been sold as of March 2015.

‘**L’Artista**’ in Pune is a luxury project located in the heart of the city, which offers spacious three and four bedroom flats with ultra-modern amenities and common spaces amidst green surroundings. The project, which was launched in 2013-14, has an estimated saleable area of around 0.09 million square feet of which the Company’s share is 0.07 million square feet. The construction activity is progressing as per schedule.

‘**Nova**’ in Mahindra World City, Chennai is spread over 7.26 acres with a saleable area of 0.54 million square feet. The Company launched the second and final phase, which has 363 units, towards the end of 2014-15. This project is being implemented by Mahindra Integrated Township Limited, a subsidiary of the Company. The construction work is progressing as per schedule in both the phases. 95 per cent of total units in Phase I have been sold as of March 2015.

‘**Luminare**’ in Gurgaon, is the Company’s first project in the luxury homes segment in the National Capital Region. The project is being implemented in collaboration with a developer and the land owners by Mahindra Homes Private Limited which is a 50:50 JV with SCM Real Estate (Singapore) Private Limited. Spread across 6.8 acres, with a total saleable area of 1.14 million square feet, the project will offer luxury features including private lift lobbies and wrap around balconies. The first phase of the project comprising 120 units was launched in September 2014. 30 per cent of total units launched have been sold as of March 2015.

'The Serenes' in Alibaug, Mumbai, is conceived as a weekend home project. Spread across 11.8 acres of land just 0.7 kilometres away from the beach, the project will offer 3 and 4 BHK patio and courtyard villas in a gated community with an expansive club and common amenities that include a restaurant, party hall and a golf putting green. The project will offer 49 villas with an estimated saleable area of 0.16 million square feet. The first phase of the project comprising 20 villas with a saleable area of 0.06 million square feet was launched in November 2014. 45 per cent of total units launched have been sold as of March 2015.

'**Happinest Avadi**' near Chennai is the pilot project of the Company in the affordable housing segment. Spread across 13.22 acres with an estimated saleable area of 0.73 million square feet, the project will have 1,268 1BHK and 2BHK apartments ranging from 396 square feet to 677 square feet. The first phase of the project comprising 604 units with a saleable area of 0.34 million square feet was launched in August 2014. 47 per cent of total units launched have been sold as of March 2015.

'**Happinest Boisar**' near Mumbai is the Company's second project in the affordable housing segment which was also launched in 2014-15. Spread across 14.66 acres with an estimated saleable area of 0.52 million square feet, the project will have 1RK, 1BHK and 2BHK apartments ranging from 351 square feet to 675 square feet. The first two phases of the project comprising 597 units with a saleable area of 0.33 million square feet were launched sequentially in October 2014 and March 2015. 84 per cent of total units in Phase-I and over 25 per cent of the total units in Phase II have been sold as of March 2015.

New Projects

The Company is in various stages of planning new residential developments — projects for which design development or approvals are underway:

- **Windchimes, Bangalore:** This will be the first residential development of the Company located on Bannerghata Road in Bangalore. The project has an estimated saleable area of 0.87 million square feet. The project is awaiting final approvals from the statutory bodies. The project will be implemented by a 50:50 JV company with SCM Real Estate (Singapore) Private Limited, namely Mahindra Homes Private Limited.
- **Vivante, Mumbai:** This will be a premium residential project in Andheri (East) with an estimated saleable area of 0.37 million square feet. The project is awaiting approvals.

Besides these projects, the Company has a landbank with 12.44 million square feet of development potential largely concentrated in the MWC in Chennai.

Large Format Integrated Cities & Industrial Clusters

Mahindra Lifespaces is the first company on Public Private Partnership basis to have successfully developed an integrated business city in India — 'Mahindra World City', Chennai. This

is also the first operational Special Economic Zone (SEZ) from the corporate sector. Besides this project, the Company has another project in this segment in Rajasthan — 'Mahindra World City', Jaipur.

Built on the concept of "Life, Living, Livelihood", these integrated developments seek to balance three key aspects: business and economic activity, housing and associated amenities as well as cultural and community development. Today, the Mahindra World City brand has become a successful name in the large format integrated cities segment.

Mahindra World City, Chennai

Mahindra World City, Chennai, is implemented by Mahindra World City Developers Limited (MWCDL), currently an 89:11 joint venture between Mahindra Lifespaces and the Tamil Nadu Industrial Development Corporation Limited (TIDCO). **It is the first township in India to receive Green Township Certification (Stage I Gold certification) from IGBC.**

Mahindra World City, Chennai, was launched in September 2002, and currently has three sector specific Special Economic Zones (SEZs) — IT (services and manufacturing), Apparel and Fashion Accessories, and Auto Ancillaries, and a Domestic Tariff Area (DTA) for businesses catering to the Indian market. Integrated to the business zone is a Residential and Social Infrastructure zone.

At the end of 2014-15, the project had a total area of 1,524 acres. In terms of new customers, it added two MNCs to the portfolio during the year, taking the total customers to 64 — of which 27 are in the SEZ and 37 are in the DTA. Currently, 50 companies operate out of Mahindra World City, Chennai of which one started operations in the DTA during the year. During the year, besides significant increase in indirect employment, direct employment in the business city increased from 33,000 to around 37,000. Exports also increased from ₹ 7,200 crores in 2013-14 to over ₹ 7,800 crores during 2014-15.

With greater stabilisation in the business zone, the focus is now in developing the residential and social infrastructure. Mahindra World City, Chennai, has allocated 289 acres for the development of residential and social infrastructure that will cater to the requirements of over 7,000 families. With handing over of units in some phases of Aqualily and Iris Court during the year, the city has three operational residential projects which together have around 500 families living there. Details of the current residential projects have already been provided in the previous section on Residential developments.

On the retail and social infrastructure front, considerable progress was made during the year. The MWC Club was inaugurated in March 2015. Spread over 4 acres of land with 61,000 square feet of built-up area, the MWC club offers a range of amenities to members which include tennis and squash courts, indoor games, a spa, a restaurant and a sports bar. JSP Hospitals also started the first phase of their operations during the year which includes out-patient consultation, diagnostic facilities, a pharmacy and ambulance services. SSBM Realty and Hospitality started construction of the Phase I of the hostel

for working professionals which comprises 200 rooms. During the year, MWCDL signed an agreement with SPI Cinemas to set up a Multiplex spread over an area of 2.6 acres, the development plans for which are currently underway. Also, expansion plans were finalised for Mahindra World School which has been successfully operating in the city since 2008-09. During the year, Mahindra World School received its second ISA Award from the British Council, which recognizes schools with notable global element in their curriculum.

Mahindra World City, Chennai, continued to build on its community development and engagement initiatives during the year. This included fresh editions of its flagship programmes: the marathon run in aid of 'Nanhi Kali' which had over 1,200 participants, 'Champions Trophy' an inter-company sports tournament that had 38 teams, 'Mindspace' — the open quiz competition. In addition, the Company launched 'Courtyard Performances', which features music, theatre, dance and other forms of performing arts. These were received well by the participants and residents.

Mahindra World City, Jaipur

Mahindra World City, Jaipur, is implemented by Mahindra World City (Jaipur) Limited (MWCJL), a 74:26 joint venture between Mahindra Lifespaces and Rajasthan State Industrial Development & Investment Corporation Limited (RIICO), a Government of Rajasthan enterprise. Mahindra World City, Jaipur is proposed to be developed as a Multi Product Special Economic Zone and a Domestic Tariff Area across 3,000 acres, of which 2,949 acres have already been acquired. During the year, MWC, Jaipur, received a Gold pre-certification for its IT SEZ under the IGBC SEZ rating system. It is the second SEZ in India to receive this distinction.

During 2014-15, there was an improvement in demand, especially in the DTA, which also resulted in favourable appreciation in prices. The total land leased out during the year is 58.52 acres (SEZ 16.47 acres and DTA 42.05 acres) and include companies across diverse industry segments. During the year, the company added 13 customers (5 in SEZ, 7 in DTA and 1 in both SEZ and DTA) in the IT/ITeS SEZ, Engineering & Related Industries SEZ and 'Evolve' — the multi-tenanted IT Park which is spread over approximately 25 acres within the IT SEZ. At the end of the year, the Company had 64 customers in its business zone — 23 in DTA and 41 in SEZ. 5 existing customers also increased their footprint during the year.

Seven companies started their development activities during 2014-15. These are expected to become operational in the near future. Five new companies became operational in Mahindra World City Jaipur during the year, taking the total number of operational companies to 24. These companies have created direct employment for 6,836 people and total employment to 9512 people which is a growth of 19 per cent over previous year. Exports by clients grew by over 4 per cent to reach ₹ 1,119 crores in 2014-15.

Going forward, the near term focus will continue to be sale of industrial land in the project. To achieve this, the Company has enhanced its marketing initiatives across the world and is

also exploring the expansion of its DTA through land use re-allocation. At the same time, it is also working on enabling the multi-product SEZ within MWC Jaipur based on the modified SEZ rules, to benefit from emerging opportunities. Additionally, it is also undertaking the master planning for the non-processing area which will enable development of residential and social infrastructure as the project matures.

CUSTOMER RELATIONS (CR)

Trust and Transparency are important aspects of the Company's approach to customer centricity in both its businesses. The Customer Relations (CR) function at Mahindra Lifespaces endeavours to service the customers through their entire lifecycle — right from the time of booking to property handover. During 2014-15, significant work went into developing and implementing processes that enhance customer satisfaction. Some of these were:

- Integrating the facilities management activities within its fold with a view to standardise and upgrade service levels.
- Defining interaction standards and turnaround times for all classes of customer queries bringing in better responsiveness both before and after the handover.
- Introducing and improving mode and content of communication — welcome calling, pre-handover information and liveability assessments.
- Introducing immediate customer feedback tools to draw instant inputs and improve on service delivery levels

As a result, the CR function fared well on the external customer satisfaction index. This is significant as the team effected handover of over 500 units during the year.

Going forward, as the Company gears-up for a substantial increase in the number of handovers, the focus will be on introducing more value-added services to enhance customer engagement and satisfaction. This will be aided by processes that include implementing service quality audits across waiting and handover stages to monitor performance. It is also working on a 'home buying guide' for prospective home buyers and a 'customer guide' for home owners to enable them to settle in, in their new home after the handover.

In the World City space, efforts during the year were focussed on greater dialogue and collaboration with customers and key initiatives included :

- Coalesce - Quarterly meeting of customers (heads of operations, facilities, administration of companies within Mahindra World City) to understand operational issues related to safety, transportation, taxation, etc;
- Security Connect - Quarterly meeting of customers (security heads of companies within Mahindra World City)- safety and security related issues, if any;
- One on One meetings - Senior Management meetings - feedback on product, new improvement areas, areas of collaboration, etc;

INTEGRATED MANAGEMENT SYSTEM (IMS)

Mahindra Lifespaces' has embraced an Integrated Management System covering three International Standards — ISO 9001:2008 (Quality Management System), ISO 14001:2004 (Environmental Management System) and OHSAS 18001:2007 (Occupational Health and Safety Management System) for both its business segments.

The main thrust of this approach is to build and institutionalise project execution capabilities through scalable systems and processes that aid in timely delivery, quality of product and safety during construction, with the ultimate goal of adding value to our customers.

QUALITY

The Company has always stressed on the importance of its strong quality management system, which is set up as per the requirement of the International Standard, ISO since 1999. Ever since, the Company has been exploring innovative ways to improve the quality of its products and processes, and at the same time enhance the productivity of its operations to make them more competitive towards becoming the industry benchmark.

The Company implemented 'in-process snagging' during 2014-15 which involves continuous quality checks and inspections which are followed-up with necessary corrective action at all stages of construction — from excavation to the final delivery of the product. This has already started to yield results and contribute to the Company's aim of delivering a 'Zero-Snag Product' to its customers.

During the year, the Company continued to explore innovative ways to improve specifications and implement standardisation of design and tender documents. At the same time, processes of vendor empanelment and pre-dispatch inspections were strengthened to ensure the quality of materials used at the project locations. Apart from this, the Company continued to explore innovative ways to improve the quality of product and bring down the construction cycle time. These included better waterproofing technologies, greater use of prefabricated wall panels and a move towards greater mechanisation of processes. As a part of these efforts, the Company also participated in important trade fairs and exhibitions that showcase advances in global construction technology.

In 2015-16, the Company plans to carry out significant skill up-gradation programs for its workers through certified training agencies with primary focus on improving the quality of product finish. At the same time, the focus on employing innovative technologies and meeting tighter construction timelines will continue.

SAFETY

Since 2009, the Company has an established 'Safety Policy' which underscores its commitment to take measures to prevent accidental injuries and occupational ill health of all employees and associates working at the offices and project sites. During the year, the Company implemented several institutional and process improvement to achieve its ultimate goal of "zero tolerance to accidents".

To strengthen the Environmental, Health and Safety (EHS) related practices and reduce the man days lost and accident frequency rate, a dedicated EHS resource was identified for each project. Accordingly, project EHS plans were reviewed and stringent norms were brought in to close gaps. At the same time, standard operating procedures (SOPs) were formulated for critical areas of work. The Company introduced 'Permit to Work' system for 12 critical activities and check-lists to monitor the safety practices in 68 day-to-day processes.

In another major initiative, the Company has launched "Safe Methods and Risk Reduction Techniques" (SMARRT), which implements international best practices and aims to eliminate unsafe acts and conditions by proactive and immediate reporting of such incidents. Build on a reward and recognition system, a group of trained mentors will act as SMARRT champions to inculcate a culture of identification and reporting of potentially unsafe acts at the project sites.

In 2015-16, the Company plans to implement these improvements by way of mobile applications to get real time statistics on adherence to safety practices and SOPs, implementation of check-lists and reporting under SMARRT.

SUSTAINABLE DEVELOPMENT

Mahindra Lifespaces has been at the forefront of the real estate industry in India to achieve the mission of 'Transforming urban landscapes by creating sustainable communities'. The Company has done this by making sustainability a core agenda for the Company. Details of the Company's approach towards sustainability are covered in the Sustainability Report at Pages 161 to 168 of this Annual Report.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

Mahindra Lifespaces' guiding principle for CSR is to build its relationship with stakeholders and the community at large, and contribute to their long term social good and welfare. Mahindra Lifespaces has been investing one per cent of its profit after tax every year from 2005-06 in CSR activities, even when there were no statutory requirements in this regard. The Company, in every financial year commencing from 1st April, 2014, in line with the Companies Act, 2013, pledges to spend, two per cent of the average net profits made during the three immediately preceding financial years specifically towards CSR initiatives.

The Company has formulated a CSR Policy which lays out the vision, objectives and implementation mechanisms including a Committee of Board of Directors on CSR. The Company's CSR activities have traditionally focussed on education, skill development, health, environment and promoting sustainable practices. Details of the Company's approach towards CSR are covered in the Sustainability Report at Pages 161 to 168 of this Annual Report.

HUMAN RESOURCES

Mahindra Lifespaces recognises that its people are the key to the success of the organisation and in meeting its aspirations. During the year, the Company continued its efforts to strengthen its HR policies and processes to attract and retain the best talent in the industry.

The Company has an integrated employee and performance management system to administer all HR related processes. During the year, focus was on extending coverage and use of IT and mobility solutions to bring better efficiency and transparency. The most significant development in this area was the introduction of 'MEConnect', a mobile application which offers a self-service menu to the employees — leave/travel requests and approvals, payroll information, tax related details and management of personal data.

The Company carries out two employee engagement surveys every year namely MCARES for internal benchmarking within the Group and the Great Place to Work survey for external benchmarking. Both surveys showed a significant improvement in employee engagement levels. The Great Place to Work survey score crossed the 70 mark for the first time putting the Company among the great places to work in India as per standards laid down by the Great Place to Work Institute. The Company has been assessed among the Top 5 Great Places to Work in the Real Estate and Construction Industry, basis this survey.

Catering to the learning and development needs of its employees continues to be a key focus area for the Company. It regularly carries out structured training initiatives in the key functional areas such as sales and marketing, customer service and project management to meet the requirements of its employees. To support the Company's focus on building alternate sales channels, it carried out specialised programmes for digital marketing during the year. In another initiative, people with high potential were identified and nominated for leadership programme conducted by reputed institutions.

Mahindra Lifespaces endeavours to keep its workplaces safe, transparent and friendly for people to work in. Understanding employees and giving them the confidence has been a core philosophy and the Company has enacted policies and established standards which are constantly reviewed and upgraded to ensure they are relevant and effective. The Company has a 'Diversity Council' with the objective of creating an inclusive environment to leverage the unique talents of diverse individuals in the workplace. Its gender diversity as of 31st March, 2015 was 17 per cent. It also has a policy on Sexual Harassment, which is aligned to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

As of 31st March, 2015, the Company had 332 employees and its subsidiary companies had 65 employees. Employee relations remained cordial during the year.

INFORMATION TECHNOLOGY (IT)

As Mahindra Lifespaces is gearing-up to achieve greater flexibility and scale in terms of implementing projects in different business segments and across geographies, use of sophisticated IT tools, systems and processes has become an important source of competitive advantage.

The Company has consistently invested significant resources in developing a strong IT and communication infrastructure which encompasses all key business and administrative functions as well as project sites. Mahindra Lifespaces' IT

infrastructure includes a SAP ERP for its core and peripheral business functions, primary and disaster recovery data centres, best-in-class communication and productivity tools, and access to specialised industry-specific software.

During 2014-15, the Company implemented several initiatives leveraging its IT infrastructure to improve efficiencies and optimise costs.

- Real-time monitoring tool for both statutory compliances related to taxations and internal compliances, which allows storage and easy retrieval of endorsed documents as well as payment information made across all offices and project sites. A dashboard provides the top management with the complete compliance status across all locations on a single page.
- Mobile applications were implemented for several key areas: purchase requisition and purchase order approvals; construction milestone date confirmation at project sites; 'MEConnect' for employees mentioned in the section on HR; and, leave application and approvals through SMS.
- Camera monitoring solution, where a range of stationary and mobile cameras are deployed on project sites that allow remote monitoring of the projects, and thereby, significantly increase efficiency by making experts available at short notice and bringing down travel-related costs.
- A comprehensive management reporting and analytics solution was implemented which provides MIS dashboard with a range of customised options to the management for all functions such as finance, execution, sourcing, sales, CRM, etc.
- CRM solution implementation for the affordable housing business that was launched during the year.

The Company received several awards and recognitions for these IT initiatives: On the Job Achievers Contest 2014 - National Institute of Industrial Engineering (NITIE); The ICONIC IDC Insights award 2014 - International Data Corporation; and, EDGE Award 2014 - Information Week - UB Media.

Mahindra Lifespaces registered a creditable financial performance during 2014-15, especially given the challenging environment faced by the industry.

Total income of the standalone entity increased by 103 per cent from ₹ 307 crores in 2013-14 to ₹ 624 crores in 2014-15. This includes sale of a property in respect of one of its project in Mumbai, where there was a dispute with the land owner and which was carried out under mutually agreed consent terms with the owner of land. This transaction contributed ₹ 268 crores to the total income during the year, after including ₹ 16 crores of other income. After netting out the operating and other costs amounting to ₹ 23 crores charged to the project, its contribution at the PBT level works out to ₹ 245 crores. A significant part of the proceeds from this transaction was utilised towards paying debt which has also brought down the interest cost of the standalone entity.

Total expenditure of the standalone entity increased from ₹ 320 crores in 2013-14 to ₹ 422 crores in 2014-15. Apart from being expenses on account of rise in the quantum of project execution during the year, this also reflects efforts made by the Company to strengthen its organisational capabilities as well as the sales and marketing effort. Employee expenses, which is a part of Employee and Other Expenses, increased by ₹ 14.8 crores from ₹ 30.4 crores in 2013-14 to ₹ 45.2 crores in 2014-15. This was mainly on account of the Company's staffing of its new office in Bangalore, and sites at Gurgaon, Avadi and Boisar, and strengthening its organisation in crucial functions across multiple locations, some of which have been discussed earlier in the report. Sales and marketing spend, which is a part of project and operating expenses, also increased to ₹ 13 crores during the year, up from ₹ 8 crores in the previous year.

Net profit (PAT) of the standalone entity increased from ₹ 78 crores in 2013-14 to ₹ 233.3 crores in 2014-15. Consolidated PAT grew from ₹ 110 crores in 2013-14 to ₹ 283 crores in 2014-15. After accounting for minority interest, the consolidated PAT of the Company increased by 165 per cent from ₹ 101 crores to ₹ 266 crores during 2014-15. As a result, diluted EPS during the year was ₹ 56.7 and ₹ 64.7 for the standalone and consolidated entities respectively.

As of 31st March, 2015, Mahindra Lifespaces has standalone debt equity ratio of 0.38:1 and consolidated debt equity ratio of 0.84:1. The liquidity situation of the Company during the year remained comfortable and surplus funds generated during the year have been invested in credit worthy instruments, including money market instruments, mutual funds and deposits with banks.

THREATS, RISKS AND CONCERNS

Mahindra Lifespaces has appropriate risk management systems in place for identification and assessment of risks, measures to mitigate them, and mechanisms for their proper and timely monitoring and reporting. Mahindra Lifespaces has constituted a "Risk Management Committee" consisting of two Directors and the Chief Financial Officer, for monitoring and reviewing of the risk assessment, mitigation and risk management plan from time to time. The Board periodically reviews implementation and monitoring of the risk management plan for the Company.

Economic Risks

India's macroeconomic condition improved as the year progressed. Even as the RBI has reduced the policy rates in the wake of cooling down of inflation, this has not resulted in significant reduction of interest rates for home loans. This can have a direct impact on the performance of the real estate sector and the Company. Secondly, even as there are signs of revival in the advanced economies, especially in the US, it is yet to translate into investment outlays in Indian businesses, especially those in export oriented industries.

Mahindra Lifespaces is conscious of these risks and is taking measures to mitigate them. For instance, the Company's focus on both residential and integrated developments has been a significant source of comfort during periods of poor economic performance. Besides, the Company's prudent financial management has also kept it relatively insulated from the economic downturn and the Company is well placed to raise capital at competitive rates. This is underscored by the recent "Long-Term Issuer Rating of 'IND AA'; Outlook Stable" assigned to the Company by India Ratings and Research, a Fitch Group company. Instruments with 'IND AA' rating are considered to have high degree of safety regarding timely servicing of financial obligations and carry very low credit risk.

Operational Risks

Key operational risks faced by the Company include longer gestation period for procurement of land, time taken for approvals, inability to sell the project as per plan, inability to complete and deliver projects according to the schedule

leading to additional cost of construction and maintenance, erosion of brand value, appointment and retention of quality contractors, inability to attract and retain talent, poor customer satisfaction, fraud and unethical practices, failure to comply with laws and regulations leading to fines, penalties and lengthy litigations.

The Company addresses these issues within a well-structured framework which identifies the desired controls and assigns ownership to monitor and mitigate the risks. The Company has also invested significant resources in an Enterprise Resource Planning (ERP) solution and transparent customer friendly processes, which are expected to go a long way to address some of these risks. The Company also has a Code of Conduct for all its Employees. The Company's Corporate Governance policies ensure transparency in operations, timely disclosures and adherence to regulatory compliances, leading to enhanced stakeholder value.

Policy and Regulatory Risks

The real estate industry is easily affected by changes in government policies and regulations. There are considerable procedural delays with respect to approvals related to acquisition and use of land. This problem is accentuated as this is an industry which has traditionally been quite unorganised. Unfavourable changes in the government policies and the regulatory environment can adversely impact the performance of the Company.

The Company, with its approach towards acquisition of land based on due diligence, fairness and trust, and transparent processes in developing the projects, has effectively mitigated risks with respect to land acquisition. The focus on environment friendly and sustainable practices also help in mitigating risks associated with environmental regulations and norms. Besides, the Company's plans for innovative offerings in the affordable housing and smaller integrated developments will also go a long way in mitigating some of the risks associated with execution and cost of land acquisition.

INTERNAL CONTROLS

The Company has adequate internal control systems, commensurate with the size and nature of its business. The system is supported by documented policies, guidelines and procedures to monitor business and operational performance including an ERP solution, all of which are aimed at ensuring business integrity and promoting operational efficiency.

An independent internal audit firm appointed by the Company conducts periodical audits to ensure adequacy of internal control systems, adherence to management policies and compliance with the laws and regulations of the country. Their scope of work also includes internal controls on accounting, efficiency and economy of operations. The internal auditors also report on the implementation of their recommendations.

Reports of the internal auditors are regularly reviewed at the Audit Committee meetings. The Audit Committee of the Board reviews the adequacy and effectiveness of the internal control systems and suggests improvements for strengthening them.

OUTLOOK

The world economy is witnessing increasingly divergent trends. Even as the recovery is gaining traction in the US and UK, the situation in Euro Area and Japan continue to be worrisome. China, on the other hand, appears to be going through a carefully managed slowdown.

As far as India is concerned, there were mixed signals as 2014-15 came to a close. Although the GDP numbers show a healthy increase in output, the performance of corporates continues to be lagging behind. At the same time, even as there was a consistent and broad-based decline in consumer inflation starting September 2014, the easing of monetary policy was circumspect — and came only towards the end of the year. As a result, the transmission of the decline in policy rates into lower borrowing costs is yet to fully take place.

The real estate market in India operated in this challenging macroeconomic environment during the year. Also, improvements in business and consumer confidence during the year were weak. In this situation, Mahindra Lifespaces has delivered a creditable performance. This has been possible only because of its strategy to focus on the right market segments and geographies as well as its efforts to build its sales and marketing network and improve efficiencies in project execution.

A turnaround in the investment-growth cycle is widely expected in 2015-16, and the fiscal situation continues to be relatively strong. But, there are downside risks in the form of reversal in global commodity prices and poor south-west monsoon, and negative surprises may derail the growth prospects. Plans announced in the Union Budget to step-up infrastructure spending, focus on affordable housing and smart cities augur well for the real estate industry. Mahindra Lifespaces, with its presence in both residential and industrial segments, is well positioned to leverage these opportunities. So, the outlook for 2015-16 remains cautiously optimistic.

Cautionary Statement

Certain statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be forward-looking statements within the meaning of applicable securities laws and regulations. Actual results could differ from those expressed or implied. Important factors that could make a difference to the Company's operations include labour and material availability, and prices, cyclical demand and pricing in the Company's principal markets, changes in government regulations, tax regimes, economic development within India and other incidental factors.

Corporate Governance Report

1. CORPORATE GOVERNANCE PHILOSOPHY

Mahindra Lifespaces is committed to good corporate governance and endeavours to implement the Code of Corporate Governance in its true spirit. The philosophy of the Company in relation to corporate governance is to ensure transparency in all its operations, make disclosures and enhance shareholder value without compromising in any way on compliance with the laws and regulations. The Company believes that good governance brings about sustained corporate growth and long-term benefits for all its stakeholders.

In India, corporate governance standards for listed companies are regulated by the Securities and Exchange Board of India (SEBI) through Clause 49 of the Listing Agreement of the Stock Exchanges and provisions in the Companies Act, 2013. As a Company which believes in implementing corporate governance practices in letter and in spirit, the Company has adopted practices mandated by the regulations and has established procedures and systems to remain compliant with it as on 31st March, 2015. This chapter reports the Company's compliance with these provisions.

2. BOARD OF DIRECTORS

The Company has a Non-Executive Chairman and one half of the total number of Directors comprises Independent Directors. 6. REMUNERATION PAID TO DIRECTORS

Remuneration Policy

The objective of the Remuneration Policy of the Company for Directors and Senior Management is to focus on enhancing the value, to attract, retain talent for achieving objectives of the Company and to place the Company in leading position. The Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under Section 178 of the Companies Act 2013 and principles pertaining to qualifications, positive attributes, integrity and independence of Directors, etc.

While reviewing the Company’s remuneration policies and deciding on the remuneration for Directors, the Board and the Nomination and Remuneration Committee (Committee) considers the performance of the Company, the current trends in the industry, the qualifications of the appointee(s), their experience, past performance, responsibilities shouldered by them, the statutory provisions and other relevant factors.

The Non-Executive Chairman and Independent Directors are paid sitting fees and reimbursement of expenses incurred in attending the Board and Committee meetings. The Board determines the remuneration, if any, of Non-Executive Directors, subject to requisite approvals, if any.

At the 12th Annual General Meeting of the Company held on 21st July, 2011, the shareholders had approved revision in the terms of payment of commission in a manner that commission may be distributed without any sub-limits amongst and paid to such Directors in such proportions as the Board may decide from time to time for period of five years commencing 1st April, 2010. Accordingly, the Board at its meeting held on 30th April, 2015 has approved payment of commission for the year ended on 31st March, 2015.

Performance Evaluation

Pursuant to the provisions of the Companies Act, 2013 and Clause 49 of the Listing Agreement, evaluation of every Director’s performance was done by Nomination and Remuneration Committee. The performance evaluation of Non-Independent Directors and the Board as a whole, Committees thereof, and Chairperson of the Company was carried out by the Independent Directors. Evaluation of Independent Directors was carried out by the entire Board of Directors, excluding the Director being evaluated. A structured questionnaire was prepared after circulating

the draft forms, covering various aspects of the evaluation such as adequacy of the size and composition of the Board with regard to skill, experience, independence, diversity, attendance and adequacy of time given by the Directors to discharge their duties; Corporate Governance practices etc. The Directors expressed their satisfaction with the evaluation process.

Criteria of making payments to NEDs

The Non-Executive Directors shall be entitled to receive remuneration by way of sitting fees, reimbursement of expenses for participation in the Board/Committee meetings and commission as detailed hereunder:

Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making

those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March, 2015, and its profit and cash flows for the year ended on that date.

Emphasis of matter

9. We draw attention to Note 19(#) of the financial statements and our reliance on management representation, in respect of the realisability of project advance of ₹ 10,000 lakhs where commencement of the project has been delayed and which is being settled by the parties out of court.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

10. As required by the Companies (Auditor's Report) Order, 2015, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
11. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

Notes to the Financial Statements as at and for the year ended 31st March, 2015

1) SIGNIFICANT ACCOUNTING POLICIES:

a) Basis of Preparation:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards applicable under Section 133 of the Companies Act, 2013, read with Paragraph 7 of the Companies (Accounts) Rules, 2014 (as amended) and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") as applicable. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

b) Presentation and Disclosure of Financial Statements

Assets & liabilities have been classified as current & non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of activity carried out by the company and the period between the procurement and realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 5 years for the purpose of Current-Non Current classification of assets & liabilities.

c) Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities as of the date of the financial statements and reported amounts of income and expenses during the period. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from those estimates.

d) Fixed Assets:

Fixed assets are stated at cost of acquisition or construction less accumulated depreciation. Cost includes all incidental expenses related to acquisition and installation, other pre operation expenses and interest in case of construction.

The carrying amount of cash generating units/assets is reviewed at the balance sheet date to determine whether there is any indication of impairment. If such indication exists, the recoverable amount is estimated as the net selling price or value in use, whichever is higher. Impairment loss, if any, is recognized whenever carrying amount exceeds the recoverable amount.

Depreciation on tangible fixed assets has been provided on prorata basis, on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 or except for certain assets as indicated below Lease hold improvements are amortised over the period of lease/estimated period of lease.

Plant and Machinery includes Plant and Machinery used in civil construction-others and amortised over a period of 5 years.

Vehicles used by employees are depreciated over the period of 48 months considering this period as the useful life of the vehicle for the Company.

Sales office and the sample flat/show unit cost at site is amortised over 5 years or the duration of the project (as estimated by management) whichever is lower.

e) Intangible Assets:

All Intangible Assets are initially measured at cost and amortised so as to reflect the pattern in which the assets' economic benefits are consumed.

Software expenses are treated as an intangible asset and amortised over the useful life of the asset. The maximum period for such amortization is 36 months.

f) Investments:

Investments are classified into Non Current and Current Investments.

Non current investments are carried at cost less diminution other than temporary. Provision for diminution, if any, in the value of each long-term investment is made to recognize a decline, other than of a temporary nature.

Current Investments are carried individually at lower of cost and fair value and the resultant decline, if any, is charged to revenue.

g) Inventories:

Inventories are stated at lower of cost and net realisable value. The cost of construction material is determined on the basis of weighted average method. Construction Work-in-Progress includes cost of land, premium for development rights, construction costs and allocated interest and expenses incidental to the projects undertaken by the Company.

h) Revenue Recognition:

Income from Projects

Income from real estate sales is recognised on the transfer of all significant risks and rewards of ownership to the buyers and it is not unreasonable to expect ultimate collection and no significant uncertainty exists regarding the amount of consideration. However if, at the time of transfer substantial acts are yet to be performed under the contract, revenue is recognised on proportionate basis as the acts are performed, i.e. on the percentage of completion basis. Up to 31st March 2012, revenue from real estate projects are recognized only when actual project cost incurred is atleast 25% of the total estimated project costs including land and when atleast 10% of the sales consideration is received.

In accordance with the Guidance Note on Accounting for Real Estate Transactions (Revised 2012) issued by the Institute of Chartered Accountants of India, in case of projects commencing on or after 1st April 2012 or in case of projects which have already commenced but where revenue is being recognised for the first time on or after 1st April 2012, revenues will be recognized from these real estate projects only when

- i. the actual construction and development cost incurred is at least 25% of the total construction and development cost (without considering land cost) and
- ii. when at least 10% of the sales consideration is realised and
- iii. where 25% of the total saleable area of the project is secured by contracts of agreement with buyers.

Income from long term contracting assignments is also recognised on the percentage of completion basis. As the long term contracts necessarily extend beyond one year, revision in costs and revenues estimated during the course of the contract are reflected in the accounting period in which the facts requiring the revision become known. Any expected loss on a project is recognised in the year in which costs incurred together with the balance costs to completion are likely to be in excess of the estimated revenues from project. Unbilled costs are carried as construction work-in-progress.

Determination of revenues under the percentage of completion method necessarily involves making estimates by the Company, some of which are of a technical nature, concerning, where relevant, the percentages of completion, costs to completion, the expected revenues from the project/activity and the foreseeable losses to completion.

Income from sale of land and other rights

Revenue from sale of land and other rights are considered upon transfer of all significant risks and rewards of ownership of such real estate/property as per the terms of the contract entered into with the buyers, which generally with the firmity of the sale contracts/agreements.

Income from Project Management

Project Management Fees receivable on fixed period contracts is accounted over the tenure of the contract/agreement. Where the fee is linked to the input costs, revenue is recognised as a proportion of the work completed based on progress claims submitted. Where the management fee is linked to the revenue generation from the project, revenue is recognised on the percentage of completion basis.

Income from operation of commercial complexes is recognised over the tenure of the lease/service agreement.

Interest and dividend income

Interest income is accounted on an accrual basis at contracted rates except where there is uncertainty of ultimate collection.

Dividend income is recognised when the right to receive the same is established.

i) Employee benefits:

(i) Defined contribution Plans

Company's contributions paid/payable during the year to Provident Fund and Superannuation Fund are recognised in the Statement of Profit and Loss.

(ii) Defined Benefit Plan

Company's liabilities towards gratuity and leave encashment are determined on actuarial basis using the projected unit credit method, which consider each period of service as giving rise to an additional unit of benefit and measures each unit separately to build up the final obligation. Past services are recognised on straight-line basis over the average period until the amended benefits become vested. Actuarial gain and losses are recognised immediately in the Statement of Profit and Loss Account as income or expense. Obligation is measured at the present value of estimated future cash flow using a discount rate that is determined by reference to market yields at the Balance Sheet date on government bonds where the currency and terms of the government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

(iii) In view of the past trends of leave availed, the amount of employee benefit in the form of compensated absences, being in the nature of short term benefit, is accounted for on accrual basis at an undiscounted value.

j) Borrowing Costs:

Borrowing costs that are directly attributable to long-term project management and development activities are capitalised as part of project cost. Other borrowing costs are recognised as expense in the period in which they are incurred.

Borrowing costs are capitalised as part of project cost when the activities that are necessary to prepare the asset for its intended use or sale are in progress. Borrowing costs are suspended from capitalisation on the project when development work on the project is interrupted for extended periods.

k) Provision for taxation:

Tax expense comprises both current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates and tax laws.

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognised unless, in the management judgment, there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized except in case of deferred tax asset arising from unabsorbed depreciation, brought forward tax losses and items relating to capital losses wherein deferred tax asset is only recognized when there is virtual certainty. The carrying amount of deferred tax is reviewed at each balance sheet date.

l) Segment Information:

The Company operates in two main segments; namely "Projects, Project Management and Development activities" and "Operating of commercial complexes". The segments have been identified and reported taking into account the differing risks and returns and the internal business reporting systems. Revenues and expenses have been identified to the segments based on their relationship to the business activity of the segment. Income/expenses relating to the enterprise as a whole and not allocable on a reasonable basis to business segments are reflected as unallocated corporate income/expenses.

m) Provisions and Contingent Liabilities:

Provisions are recognised in the financial statements in respect of a present obligation arising from a past event, the amount of which can be reliably estimated.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

n) Employee stock compensation costs

Measurement and disclosure of the employee share-based payment plans is done in accordance with SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Guidance Note on Accounting for Employee Share-based Payments, issued by ICAI. The company measures compensation cost relating to employee stock options using the intrinsic value method. Compensation expense is amortized over the vesting period of the option on a straight line basis.

a) The Company's investment in the equity shares of New Tirpur Area Development Corporation Limited ("NTADCL") aggregates ₹ 1,550.63 lakhs comprising ₹ 50.63 lakhs invested directly by the Company and ₹ 1,500 lakhs by its wholly owned subsidiary Mahindra Infrastructure Developers Limited ("MIDL"). Other than the investment in NTADCL, MIDL has no other operations. The net worth of NTADCL and MIDL is substantially eroded.

NTADCL was exploring the option of supplying industrial water to a textile park proposed to be set up by the state government of Karnataka which would have contributed substantially to its revenues. Consequent, to the finalization of the financial statements for the year ended 31st March, 2014 it is expected that there are likely to be delays in setting up the same including the probability of the whole project being set up is significantly lower as compared to the previous year. As a result MIDL has made provision for diminution of its investment in NTADCL of ₹ 1,500 lakhs. The Company has also made a provision for diminution of its investment in MIDL of ₹ 1,800 lakhs and ₹ 50.63 lakhs of its investment in NTADCL.

Based on projections and estimates by the Company of the expected revenues and costs to completion, provision for losses to completion and/ or write off of costs carried to inventory are made on projects where the expected revenues are lower than the estimated costs to completion. In the opinion of the management, the net realisable value of the construction work in progress will not be lower than the costs so included therein.

The Company has during the year entered into mutually agreed consent terms with a land-owner in respect of this project, commencement of which had been delayed and in accordance with the consent terms, the Company during the year has completed the sale of land in relation thereto. Accordingly, the provision for losses to project completion for ₹ 1023.00 lakhs in respect is no longer required and has been reversed during the year. Further, revenue from operations for the year ended 31st March 2015 includes ₹ 25,262.65 lakhs on sale thereof, net of the advances given and interest thereon. Operating expenses include ₹ 2,262.65 lakhs of costs incurred in relation thereto. Other income includes ₹ 1,550.15 lakhs pertaining to write back of the provision for the interest on the aforesaid advance no longer required.

Consequent to the above, construction work-in-progress of ₹ 765.87 lakhs and short term loans and advances and interest accrued on project advances included in other current assets of ₹ 4,205.26 lakhs and ₹ 2,174.98 lakhs, respectively, at 31st March 2014 have been realised during the year.

Specified land owned by the Company is given as security for debentures.(Refer Note 4).

ANNEXURE I TO THE DIRECTORS' REPORT

POLICY ON APPOINTMENT/REMOVAL OF DIRECTORS AND SENIOR MANAGEMENT PERSONNEL

I. APPOINTMENT OF DIRECTORS

- The Nomination and Remuneration Committee (NRC) of the Board of Directors (Board) of the Company reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and also independence of director when Independent Director is to be appointed:
 1. All Board appointments will be based on merit, in the context of the skills, experience, diversity, and knowledge, for the Board as a whole to be effective.
 2. Ability of the candidates to devote sufficient time and attention to his/her professional obligations as Director for informed and balanced decision making.
 3. Adherence to the applicable Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Directors.
- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman or Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act, 2013 and Rules made thereunder.

REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, Rules and Regulations thereunder or due to non-adherence to the applicable policies of the Company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons based on merit, experience and knowledge who may be appointed in senior management team.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Managing Director & CEO based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

POLICY ON THE REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

a. Policy for Remuneration of the Directors

Purpose

This Policy sets out the approach to Compensation of Directors in Mahindra Infrastructure Developers Limited.

Policy Statement

We have a well-defined Compensation policy for Directors including the Chairman of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both fixed and variable, to the Non Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Executive Directors:

The remuneration to Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually/half yearly by the NRC based on their performance.

The remuneration involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

The Company may also grant Stock Options to the Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company, if any, and subject to the compliance of the applicable statutes and regulations.

b. Policy on Remuneration of Key Managerial Personnel and Employees

This Policy shall be effective from the financial year 2014-15.

Objective

To establish guidelines for remunerating employees fairly and in keeping with Statutes.

Standards

- All employees, irrespective of contract, are to be remunerated fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.
- Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and paid annually in the month of July following the fiscal.
- The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July i.e. after the salary increment exercise.
- The variable component of the remuneration will be a function of the employee's grade.

- The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.
- An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive. Based on the findings of the survey and the business performance, the Sector Talent Council decides:
 - a) The increment that needs to be paid for different performance ratings as well as grades.
 - b) The increment for promotions and the total maximum increment.
 - c) The maximum increase in compensation cost in % and absolute.
- Compensation corrections are made in a few cases where it is outside the band or to keep it tune with the market.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF MAHINDRA INFRASTRUCTURE DEVELOPERS LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA INFRASTRUCTURE DEVELOPERS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE TO THE AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) Having regard to the nature of the Company's business/ activities/results during the year, clauses (v), (vi), (ix), (x) and (xi) of the Order are not applicable to the Company.
- (ii) In respect of its fixed assets:
- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
- (b) The Company has a program of verification of fixed assets once in every three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. As explained to us, the fixed assets were physically verified during the year by the Management and no material discrepancies were noticed on physical verification.
- (iii) In respect of its inventories:
- (a) As explained to us, the inventories were physically verified during the year by the Management. In our opinion the frequency of verification is reasonable.
- (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the Management were reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.
- (iv) The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 189 of the Companies Act, 2013.
- (v) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to the sale of goods. There are no purchases of inventory and fixed assets and sales of services during the year. During the course of our audit, we have not observed any major weakness in such internal control system.
- (vi) According to the information and explanations given to us in respect of statutory dues:
- (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Service Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.
- (b) No undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Wealth Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and any other statutory dues were in arrears as at 31st March, 2015 for a period of more than six months from the date they became payable.
- (c) According to the records of the Company, there are no dues of Income-tax, Sales Tax, Wealth Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax and Cess which have not been deposited as at 31st March, 2015 on account of any dispute.
- (d) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- (vii) The accumulated losses of the Company at the end of the financial year are not less than fifty percent of its net worth and the Company has incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.
- (viii) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2015

Note 1 Corporate Information

Mahindra Infrastructure Developers Limited ("the Company") is a public company incorporated in India on 10 May, 2001 under the provisions of the Companies Act, 1956. The Company is in the business of development of infrastructure projects and infrastructure related services.

Note 2 Significant accounting policies

a) Basis of preparation

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

b) Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

c) Fixed Assets (Tangible)

(i) All Fixed Assets are carried at cost less accumulated depreciation. Cost includes financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying assets upto the date the asset is ready for use.

When an asset is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit (including capital profit) or loss, if any, is reflected in the statement of Profit and Loss.

(ii) Depreciation on an asset (other than impaired assets) is calculated on Straight Line Method at the rate 11.31% p.a. which is based on useful life of 9 years determined on the basis of technical evaluation by the Management of the Company and is different from the useful life of 15 years indicated in part C of schedule II to the 2013 Act. (Refer note 23)

d) Impairment of assets

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

e) Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

f) Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

g) Investments

Long-term investments are valued at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of investments.

h) Inventories

Inventories are stated at cost and net realisable value, whichever is lower. Cost is arrived at on first-in first-out basis and includes overheads on absorption basis, where appropriate.

i) Revenue Recognition

Revenue on account of sale of services is recognised under the Completed Service Contract Method to the extent it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers.

Dividend income is recognised in the Statement of Profit and Loss when the right to receive payment is established.

Interest Income is accounted for on time proportion basis.

j) Income Taxes

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws. Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising on account of unabsorbed depreciation and carry forward of losses and items relating to capital losses are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future tax income will be available against which such deferred tax assets can be realised.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax against which the MAT paid will be adjusted.

k) Segment reporting

The Company has a single reportable segment namely development of infrastructure projects and infrastructure related services for the purpose of Accounting Standard 17 on Segment Reporting.

Note 25 The Capital of New Tirupur Area Development Corporation Limited (NTADCL) as on 31 March 2014 has been almost fully eroded by past losses. It was exploring the option of supplying substantial volume of industrial water to a textile park proposed to be set up by the State Government which would have contributed substantially to its topline. Information forthcoming in the last few months suggest that there are likely to be delays and the possibility of recovering the past losses of the company does not seem very promising. In view of this, the Company has provided for its entire investment of ₹ 15,00,00,000 in the equity shares of NTADCL during the year.

Note 26 The Company has only made provisions in respect of its investments in NTADCL and the assets of the project. There is no intention of disposing off these investments and assets. Also the Company can continue its current operations with its own cash resources for a period of at least one year. Hence the accounts of the Company for the year ended 31st March 2015 have been prepared on the basis of going concern.

Note 27 Previous year's figures have been regrouped/reclassified wherever necessary to correspond with the current year's classification/disclosure.

Operations/State of the company's affairs

During the year, your Company added two MNCs to the portfolio, taking the total to 64 industrial customers – of which 27 are in the SEZ and 37 are in the DTA. Currently, 50 companies operate out of Mahindra World City, Chennai of which one started operations in the DTA during the year. During the year,

employment in Mahindra World City increased from 33,000 to around 37,000. Exports also increased from Rs. 7,200 crores in 2013-14 to over Rs. 7,800 crores during 2014-15.

With greater stabilisation in the business zone, the focus is now in developing the residential and social infrastructure. Mahindra World City, Chennai, has allocated ~285 acres for the development of residential and social infrastructure that will cater to the requirements of over 6,000 families. With handing over of units in phases of Aqualily and Iris Court during the year, the city has three operational residential projects which together have ~500 families living there.

On the retail and social infrastructure front, considerable progress was made during the year. The MWC Club – a Sports and leisure Club, the 1st on GST corridor was inaugurated in March 2015. JSP Hospitals started the first phase operations during the year which includes out-patient consultation, diagnostic facilities, a pharmacy and ambulance services. SSBM Realty and Hospitality started construction of the Phase I of the hostel for working professionals which will comprise ~200 rooms. During the year, MWCDL signed an agreement with SPI Cinemas to set up a Multiplex, the development plans for which are currently underway. Also, expansion plans were finalised for Mahindra World School which has been successfully operating in the city since 2008-09.

During the year, Mahindra World School received its second ISA Award from the British Council, which recognizes schools with notable global element in their curriculum.

Your Company continued to build on its community development and engagement initiatives during the year. This included fresh editions of its flagship programmes: The MWC run in aid of 'Nanhi Kali' which had over 1,200 participants, 'MWC Champions Trophy' the inter-company sports tournament that had 38 teams, 4th edition of 'Mind Quest' – the annual MWC Quiz. In addition, the Company launched 'Courtyard Performances', - The Community Building initiative which features music, theatre, dance and other forms of performing arts. These initiatives were received well by the employees of companies, residents and other participants.

Share Capital

Authorised share capital of your company is Rs. 95 crores and Paid-up share capital of the company is Rs. 20 crores.

During the year under review, the Company redeemed 6,500,000-8.50% Cumulative preference shares amounting to Rs. 65 Crores subscribed by Mahindra Lifespace Developers Limited (MLDL) on 26th September, 2014.

ANNEXURE 3A TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2015

Policy on remuneration of Directors

Purpose

This Policy sets out the approach to Compensation of Directors, in Mahindra World city Developers Limited.

Policy Statement

We have a well-defined Compensation policy for Directors, including the Chairman of the Company. The overall compensation philosophy which guides us to focus on enhancing the value, to attract, to retain and motivate Directors for achieving objectives of the Company and to become a major player in Indian Real Estate Sector, to maintain the pioneer status in the Integrated Business City format, to be the most trusted brand in the business we operate in and focus on customer centricity through transparency, quality and on-time delivery, to be a thought leader and establish industry benchmarks in Sustainable Development.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Manager

Remuneration of the Manager reflects the overall remuneration philosophy and guiding principle of the Company. While considering the appointment and remuneration of Manager, the NRC shall consider the industry benchmarks, merit and seniority of the person and shall ensure that the remuneration proposed to be paid is commensurate with the remuneration packages paid to similar senior level counterpart(s) in other companies. The policy aims at a balance between fixed and variable pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

The remuneration to the Manager shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as per the policy of the Company from time to time and as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of appointment, the variable compensation will be determined annually by the NRC based on the performance of Manager.

The term of office and remuneration of Manager is subject to the approval of the Board of Directors, shareholders, and Central Government, as may be required and within the statutory limits laid down in this regard from time to time.

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay, subject to the requisite approvals, remuneration to its Manager in accordance with the provisions of Schedule V of the Companies Act, 2013.

If a Manager draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he/she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

Remuneration for Manager is designed subject to the limits laid down under the Companies Act, 2013 to remunerate him/her fairly and responsibly. The remuneration to the Manager comprises of salary, perquisites and benefits as per policy of the Company and performance based incentive apart from retirement benefits like P.F., Superannuation, Gratuity, Leave Encashment, etc. as per Rules of the Company. Salary is paid within the range approved by the Shareholders. Increments are effective annually, as recommended/approved by the Remuneration Committee/Board.

Directors

The Non-Executive Chairman and Independent Directors receive sitting fees for attending the meeting of the Board and the Committees thereof, as fixed by the Board of Directors from time to time subject to statutory provisions. The Non-Executive Chairman and Independent Directors would be entitled to the remuneration under the Companies Act, 2013. A Non-Executive Non-Independent Director who receives remuneration from the holding company or any other group company is not paid any sitting fees or any remuneration. In addition to the above the Directors are entitled for reimbursement of expenses incurred in discharge of their duties.

The Company may also grant Stock Options to the eligible employees and Directors (other than Independent Directors) in accordance with the ESOP Schemes of the Company from time to time and subject to the compliance of the applicable statutes and regulations.

Disclosures

Information on the total remuneration of members of the Company's Board of Directors, Manager and KMP/senior management personnel may be disclosed in the Board's report and the Company's annual report/website as per statutory requirements in this regard.

ANNEXURE 3B TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2015**Policy on Remuneration of Key Managerial Personnel and Employees**

This Policy shall be effective from the financial year 2014 – 15.

Objective

To establish guidelines for remunerating employees fairly and in keeping with Statutes.

Standards

- All employees, irrespective of contract, are to be remunerated fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.
 - Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and paid annually in the month of July following the fiscal.
 - The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July i.e. after the salary increment exercise.
 - The variable component of the remuneration will vary from 10% to 25% of the Cost-to-Company (CTC) and will be a function of the employee's grade.
- The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.
 - An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive and is around 60th percentile. Based on the findings of the survey and the business performance, the Sector Talent Council decides:
 - a) The increment that needs to be paid for different performance ratings as well as grades.
 - b) The increment for promotions and the total maximum increment.
 - c) The maximum increase in compensation cost in % and absolute.
 - Compensation corrections are made in a few cases where it is outside the band or to keep it in tune with the market.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF MAHINDRA WORLD CITY DEVELOPERS LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA WORLD CITY DEVELOPERS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the

accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the Annexure a statement on the matters specified in paragraph 3 and 4 of the Order.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit & Auditors) Rule, 2014, in our opinion and to the best of our information and according to the explanation given to us :
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer note 26.1 to the financial statements.
 - ii. The Company did not have material foreseeable losses on long term contracts and there were no derivative contracts. Refer note 29 to the financial statements.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company. Refer note 29 to the financial statements.

ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

(Referred to under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Mahindra World City Developers Limited on the accounts for the year ended 31st March 2015)

- (i) Having regard to the nature of the Company's business/ activities/result, clause (v) of the Order are not applicable to the Company in the current year.
- (ii) In respect of its fixed assets:
- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
- (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (iii) In respect of its inventory:
- (a) As explained to us, the saleable inventories were physically verified during the year by the Management at reasonable intervals.
- (b) In our opinion and according to the information and explanation given to us, the procedures of physical verification of inventories followed by the Management were reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the Register maintained under Section 189 of the Companies Act.
- (v) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchase of inventory and fixed assets and sale of inventories and services. During the course of our audit, we have not observed any continuing failure to correct major weakness in such internal control system.
- (vi) We have broadly reviewed the cost records maintained by the Company specified by the Central Government under sub-section (1) of Section 48 of the Companies Act, 2013 and are of the opinion that *prima facie* the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) According to the information and explanations given to us in respect of statutory dues:

- (a) The Company has been generally regular in depositing undisputed statutory dues including income tax, wealth tax, sales tax, service tax, value added tax, duty of customs, duty of excise, cess and other material statutory dues applicable to it with the appropriate authorities and there were no outstanding statutory dues as at the last day of the financial year for a period of more than six months from the date they became payable.
- (b) Details of dues of Income tax which have not been deposited as on March 31, 2015 on account of disputes are given below:

Statute	Nature of dues	Forum where dispute is pending	Period to which the amount relates	Amount involved (Rs. in lakhs)
Income Tax Act, 1961	Income Tax including interest	Commissioner (Appeals)	2009-10	174.91

- (c) There are no amounts required to be transferred to the Investor Education and Protection Fund by the Company during the year.
- (viii) There are no accumulated losses as at the end of the financial year and the Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.
- (ix) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues in respect of term loans.
- (x) In our opinion and according to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from bank or financial institutions.
- (xi) In our opinion and according to the information and explanations given to us, the term loans have been applied by the Company during the year for the purposes for which they were obtained.
- (xii) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2015

1 Corporate information

The Company is in the business of land development for industrial, commercial and residential use. The Company acquires land and incurs expenditure on its development and related infrastructure facilities for lease/sale. The Company also maintains the Industrial Park for which it collects operation and maintenance charges from the lessees.

2 Significant accounting policies

2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act")/Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year except for change in the accounting policy for depreciation as more fully described in Note 2.6.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

2.3 Inventories

Inventories are valued at lower of cost and net realisable value. Cost represents cost of land and all expenditure incurred in connection with, or attributable to the project, and, being a long-term project, includes interest.

2.4 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.6 Depreciation and amortisation

Depreciation is provided on straight line method from the date the assets are put to use in accordance with Schedule II to Companies Act, 2013 with effect from April 1, 2014. Accordingly estimated useful life of all tangible fixed assets has been revised and the Company has applied the transition provisions stated in Schedule II.

Intangible assets are amortised over their estimated useful life as follows:
Software expenditure incurred is amortised over three years.

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation method is revised to reflect the changed pattern.

2.7 Revenue recognition

- Land lease premium is recognised as income upon creation of leasehold rights in favour of the lessee or upon an agreement to create leasehold rights with handing over of possession.
- Property lease rentals, income from operation & maintenance charges and water charges are recognised on an accrual basis as per terms of the agreement with the lessees.

2.8 Other income

Interest income is accounted on time-proportion basis. Dividend income is accounted for, when the right to receive it is established.

2.9 Tangible fixed assets

Fixed assets, are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date.

Fixed assets acquired and put to use for project purpose are capitalised and depreciation thereon is included in the project cost till commissioning of the project.

Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.10 Intangible assets

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase/completion is recognised as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

2.11 Foreign currency transactions and translations

Foreign currency transactions are recorded at exchange rates prevailing on the date of transaction. Monetary assets/liabilities are translated at exchange rates prevailing on the date of settlement or at the year end as applicable, and gain/loss arising out of such translation is adjusted to the profit and loss account.

2.12 Government grants, subsidies and export incentives

Government grants and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants/subsidy will be received. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets are adjusted to the carrying value of the assets.

2.13 Investments

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

2.14 Employee benefits

Employee benefits include provident fund, superannuation fund, gratuity fund and compensated absences.

Defined contribution plans

The Company's contribution to provident fund and superannuation fund are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made as and when services are rendered by the employees.

Defined benefit plans

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2015

represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under:

- in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- in case of non-accumulating compensated absences, when the absences occur.

Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date less the fair value of the plan assets out of which the obligations are expected to be settled. Long Service Awards are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

2.15 Borrowing costs

Borrowing costs include interest and amortisation of ancillary costs incurred. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

2.16 Segment reporting

The company has a single reportable segment namely, lease of land and properties constructed thereon.

2.17 Earnings per share

Basic/Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

2.18 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable

income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

2.19 Impairment of assets

The carrying values of assets/cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

2.20 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

2.21 Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is no uncertainty in availing/utilising the credits.

INDEPENDENT AUDITORS' REPORT

To the Members of Mahindra Industrial Park Chennai Limited

Report on the Financial Statements

We have audited the accompanying standalone financial statements of **MAHINDRA INDUSTRIAL PARK CHENNAI LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss for the period from 22nd December, 2014 to 31st March, 2015 and the Cash Flow Statement for the period then ended and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, its loss for the period ended on that date.

Report on Other Legal and Regulatory Requirements

Since the Company was incorporated on 22nd December, 2014 and yet to commence its operations, none of the clauses of Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, is presently applicable to the Company.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit & Auditors) Rule, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not enter into long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the period.

ANNEXURE 5 TO THE DIRECTORS' REPORT

POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“**Board**” means Board of Directors of the Company.

“**Company**” means Mahindra World City (Jaipur) Limited.

“**Committee(s)**” means Committees of the Board for the time being in force.

“**Employee**” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“**HR**” means the Human Resource department of the Company.

“**Key Managerial Personnel**” (**KMP**) refers to key managerial personnel as defined under the Companies Act, 2013 and includes:

- (i) Managing Director (MD), or Chief Executive Officer (CEO); or Manager; or Whole time Director (WTD)
- (ii) Chief Financial Officer (CFO); and
- (iii) Company Secretary (CS).

“**Nomination and Remuneration Committee**” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“**Senior Management**” means personnel of the Company who are members of its Core Management Team / Executive Council excluding Board of Directors comprising of all members of management one level below the executive directors including the functional heads.

I. APPOINTMENT OF DIRECTORS

The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and also independence of director when ID is to be appointed :

1. All Board appointments will be based on merit, in the context of the skills, experience, diversity, and knowledge, for the Board as a whole to be effective.
2. Ability of the candidates to devote sufficient time and attention to his / her professional obligations as Director for informed and balanced decision making.
3. Adherence to the applicable Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Directors.

Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman or Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act, 2013 and Rules made thereunder.

REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, Rules and Regulations thereunder or due to non - adherence to the applicable policies of the Company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons based on merit, experience and knowledge who may be appointed in senior management team.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Managing Director & CEO based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed one level below the Key Managerial Personnel during a quarter shall be presented to the Board.

II. SUCCESSION PLANNING:

Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Company to ensure effective conduct of Company's business and implementation of the strategic business plans of the Company.

Board:

The successors for the Independent Directors shall be identified by the NRC atleast one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit. If the office of any whole-time key managerial personnel is vacated, the resulting vacancy shall be filled-up by the Board at a meeting of the Board within a period of six months from the date of such vacancy.

The NRC will accord due consideration for the expertise and other criteria required for the successor. Subject to the applicable statutory provisions, the Board may also

decide not to fill the vacancy caused at its discretion.

Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

In order to ensure talent readiness as per a laddered approach.

Policy Statement

The Talent Management framework of the Company has been created to address three basic issues:

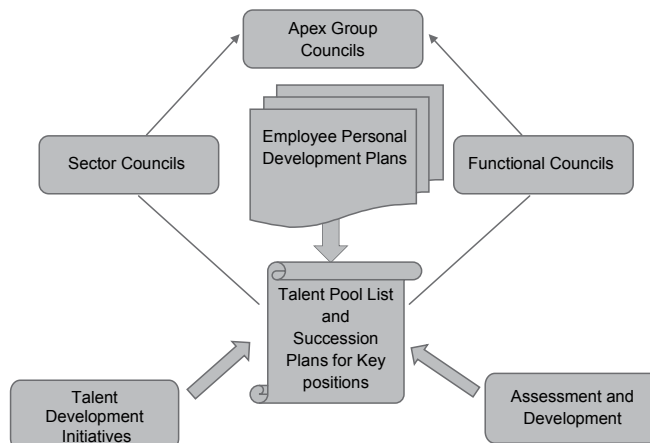

- 1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
- 2) For critical positions, what is the succession pipeline?
- 3) What are the individual development plans for individuals both in the succession pipeline as well as others?

The framework lays down an architecture and processes to address these questions using the 3E approach:

- a) Experience i.e. both long and short-term assignments. This has 70% weightage
- b) Exposure i.e. coaching and mentoring – 20% weightage
- c) Education i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and collaborative network of Talent Councils at the Mahindra Group and Real Estate Sector. These Talent Councils, which consist mainly of Senior Business Leaders supported by HR, are a mix of Real Estate Sector and Functional Councils coordinated by an Apex Talent Council of Mahindra Group. The Apex Talent Council of Mahindra Group reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Real Estate Sector / Real Estate Functional Councils meet regularly throughout the year and the Mahindra Group Apex Talent Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

ANNEXURE 6 TO THE DIRECTORS' REPORT

POLICY FOR REMUNERATION OF THE DIRECTORS

Purpose

This Policy sets out the approach to Compensation of Directors, in Mahindra World City (Jaipur) Limited.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non-Executive Directors, including

Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Directors

The Chief Operating Officer is an executive of the Company and draws remuneration from the Company. Independent Directors receive sitting fees for attending the meeting of the Board and the Committees thereof, as fixed by the Board of Directors from time to time subject to statutory provisions.

Disclosures

Information on the total remuneration of members of the Company's Board of Directors, Chief Operating Officer and KMP/senior management personnel may be disclosed in the Board's report and the Company's annual report/website as per statutory requirements in this regard.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF
MAHINDRA WORLD CITY (JAIPUR) LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **MAHINDRA WORLD CITY (JAIPUR) LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2015, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on these financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2015, its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the Annexure a statement on the matters specified in paragraph 3 and 4 of the Order.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit & Auditors) Rule, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer note 28 to the financial statements.
 - ii. The Company did not have material foreseeable losses on long term contracts and there were no derivative contracts. Refer note 38 to the financial statements.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2015

Note 1. Corporate information

The Company is engaged in the business of development of an Industrial park with a multi product Special Economic Zone (SEZ) and a Domestic Tariff Area (DTA). The Company acquires land under lease, incurs expenditure on its development and related infrastructure facilities and gives them on a long term lease for industrial, commercial and residential use. The Company also maintains the Industrial Park for which it collects operation and maintenance charges from the lessees.

Note 2. Significant accounting policies

2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act")/Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year except for change in the accounting policy for depreciation as more fully described in Note 2.6.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the period. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/materialize.

2.3 Inventories

Inventories are valued at the lower of cost and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost represents cost of land and all expenditure incurred in connection with, or attributable to the project, and, being a long-term project, includes interest.

2.4 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.6 Depreciation and amortization

Depreciation is provided on straight line method from the date the assets are put to use in accordance with Schedule II to Companies Act, 2013 with effect from April 1, 2014. Accordingly estimated useful life of all tangible fixed assets has been revised and the Company has applied the transition provisions stated in Schedule II.

Leasehold land is amortized over the period of lease i.e. 99 years

Cost of Interiors of building given on lease is amortized over the period of lease.

Assets costing less than ₹ 5,000 is depreciated fully in the year of purchase.

Intangible assets are amortized over their estimated useful life as follows:

Software expenditure incurred is amortized over three years.

The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization method is revised to reflect the changed pattern.

2.7 Revenue recognition

- Land lease premium is recognized as income upon creation of leasehold rights in favor of the lessee or upon an agreement to create leasehold rights with handing over of possession.
- Income from properties and other assets given under operating lease is recognised based on the terms of lease agreement on a straight line basis over the non cancellable lease period.
- Income from operation & maintenance charges and water charges are recognized on an accrual basis as per terms of the agreement with the lessees.

2.8 Other income

Interest income is accounted on accrual basis. Dividend income is accounted for, when the right to receive it is established.

2.9 Fixed assets (Tangible and Intangible assets)

Fixed assets, are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Subsequent expenditure relating to fixed assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Capital work-in-progress

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.10 Foreign currency transactions and translations

Foreign currency transactions are recorded at exchange rates prevailing on the date of transaction. Monetary assets/liabilities are translated at exchange rates prevailing on the date of settlement or at the year end as applicable, and gain/loss arising out of such translation is adjusted to the profit and loss account.

2.11 Investments

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

2.12 Employee benefits

Employee benefits include provident fund, superannuation fund, employee state insurance scheme, gratuity fund, compensated absences, long service awards and post-employment medical benefits.

Defined contribution plans

The Company's contribution to provident fund are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognized in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognized immediately to the extent that the benefits are already vested and otherwise is amortized on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognized in the Balance Sheet represents the present value of the defined benefit obligation as

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2015

adjusted for unrecognized past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under:

- in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- in case of non-accumulating compensated absences, when the absences occur.

Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognized as a liability at the present value of the defined benefit obligation as at the Balance Sheet date less the fair value of the plan assets out of which the obligations are expected to be settled.

2.13 Borrowing costs

Borrowing costs include interest and amortization of ancillary costs incurred. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilized for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset up to the date of capitalization of such assets are added to the cost of the assets. Capitalization of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

2.14 Segment reporting

The Company has a single reportable segment namely, lease of land and properties constructed thereon.

2.15 Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. The assets given by the Company on operating leases are capitalised in the books as fixed assets. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

2.16 Earnings per share

Basic/Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) and after reducing the dividend obligation (including Dividend Distribution Tax) on Preference Shares by the weighted average number of equity shares outstanding during the period.

2.17 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognized on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognized for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognized only if there is virtual certainty that there will be sufficient future taxable income available to realize such assets. Deferred tax assets are recognized for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realized. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

2.18 Impairment of assets

The carrying values of assets/cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognized for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, except in case of revalued assets.

2.19 Provisions and contingencies

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

2.20 Insurance claims

Insurance claims are accounted for on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

2.21 Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing/utilising the credits.

ANNEXURE 2A TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2015

POLICY FOR REMUNERATION OF THE DIRECTORS

Purpose

This Policy sets out the approach to Compensation of Directors in Mahindra Integrated Township Limited.

Policy Statement

We have a well-defined Compensation policy for Directors including the Chairman of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS:

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other

factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Executive Directors:

The remuneration to Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually/half yearly by the NRC based on their performance.

The remuneration involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

The Company may also grant Stock Options to the Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company, if any, and subject to the compliance of the applicable statutes and regulations.

ANNEXURE 2B TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2015:**Policy on Remuneration of Key Managerial Personnel and Employees**

This Policy shall be effective from the financial year 2014–15.

Objective

To establish guidelines for remunerating employees fairly and in keeping with Statutes.

Standards

All employees, irrespective of contract, are to be remunerated fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.

Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and paid annually in the month of July following the fiscal.

The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July i.e. after the salary increment exercise.

The variable component of the remuneration will be a function of the employee's grade.

The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.

An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive. Based on the findings of the survey and the business performance, the Sector Talent Council decides:

- a) The increment that needs to be paid for different performance ratings as well as grades.
- b) The increment for promotions and the total maximum increment.
- c) The maximum increase in compensation cost in % and absolute.

Compensation corrections are made in a few cases where it is outside the band or to keep it tune with the market.

ANNEXURE 3 TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2015

Whistle Blower Policy

1. The Whistle Blower Policy shall come into effect from 1st April 2014.

2. Preface

Mahindra Residential Developers Limited (MRDL) ("the Company") is committed to conducting its business in accordance with applicable laws, rules and regulations and the highest standards of business ethics, honesty, integrity and ethical conduct. Towards this end, the Company has adopted three separate Codes of Conduct viz. for Directors, for Independent Directors and for Senior Management and Employees (collectively referred to as "Codes" or "the Codes") and various Policies under the helm of Corporate Governance which inter alia include Policy on Disaster Management, Environment & Pollution, Human Resources, Insider Trading, Investor Relations, etc. (collectively referred to as "Policies") which lays down the principles and standards that should govern the actions of the Company and its Employees. Any actual or potential violation of the Code/Policies, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The role of the Employees/Directors in pointing out such violations of the Code/Policies cannot be undermined.

Further, as per the provisions of sub-section 9 of section 177 of Companies Act, 2013 ("the Act" or "Act"), the company has been mandated to establish a vigil mechanism for directors and employees of the company to report to the Management, instances of unethical behaviour, actual or suspected, fraud or violation of the Company's Code or Policies.

Accordingly, this Whistle Blower Policy ("the Policy" or "this Policy") has been formulated with a view to provide a mechanism for Directors and Employees of the Company to approach the Board.

3. Definitions

The definitions of the key terms used in this Policy are given below. [Terms not defined herein below shall have the meaning assigned to them under the Codes/Policies/Act.]

- a. "Audit Committee" means the Audit Committee constituted by the Board of Directors of the Company in accordance with Section 177 of the Companies Act, 2013 and read with Clause 49 of the Listing Agreement with the Stock Exchanges.
- b. "Codes" mean three separate Codes of Conduct viz. for Directors, for Independent Directors and for Senior Management and Employees.
- c. "Director" means a director as defined under Section 2 (34) of the Companies Act, 2013.

- d. "Employee" means every employee of the Company (whether working in India or abroad), including the Directors in the whole time employment of the Company.
- e. "Investigators" means those persons authorised, appointed, consulted or approached by the Board and the Police.
- f. "Protected Disclosure" means any communication made in good faith that discloses or demonstrates information that may evidence illegal or unethical behaviour, actual or suspected fraud or violation of the Company's Codes or Policies or any improper activity.
- g. "Subject" means a person against or in relation to whom a Protected Disclosure has been made or evidence gathered during the course of an investigation.
- h. "Whistle Blower" means a Director or Employee making a Protected Disclosure under this Policy.

4. Scope

- a. The Whistle Blower's role is that of a reporting party with reliable information. They are not required or expected to act as investigators or finders of facts nor would they determine the appropriate corrective or remedial action that may be warranted in a given case.
- b. Whistle Blowers should not act on their own in conducting any investigative activities, nor do they have a right to participate in any investigative activities other than as requested by the Board or the Investigator.
- c. Protected Disclosure will be appropriately dealt with by the Board.

5. Eligibility

All the Directors and Employees of the Company are eligible to make Protected Disclosures under the Policy. The Protected Disclosures may be in relation to matters concerning the Company.

6. Procedure

- a. All Protected Disclosures should be addressed to the Board.
- b. If a protected disclosure is received by any Executive(s) of the Company other than the Board member, the same should be forwarded to the Board of Directors for further appropriate action.
- c. Appropriate care must be taken to keep the identity of the Whistle Blower(s) confidential.

- d. Protected Disclosures should be reported in writing so as to ensure a clear understanding of the issues raised, be typed in English, Hindi or in the Regional Language of the place of employment of the Whistle Blower(s).
- e. The Protected Disclosure should be forwarded under a covering letter which shall bear the identity of the Whistle Blower(s). The Board shall detach the covering letter and forward only the Protected Disclosure to the Investigators for investigation.
- f. Protected Disclosures should be factual and not speculative or in the nature of a conclusion, and should contain as much specific information as possible to allow for proper assessment of the nature and extent of the concern.

7. Investigation

- a. All Protected Disclosures reported under this Policy would be thoroughly investigated by the Board who would investigate/oversee the investigations.
- b. The Board may at their discretion, consider involving any Investigators for the purpose of investigation.
- c. The decision to conduct an investigation taken by the Board is by itself not an accusation and is to be treated as a neutral fact-finding process. The outcome of the investigation may or may not support the conclusion of the Whistle Blower that an improper or unethical act was committed.
- d. The identity of a Subject and the Whistle Blower would be kept confidential to the extent possible given the legitimate needs of law and the investigation.
- e. Subjects would normally be informed of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.
- f. Subjects shall have a duty to co-operate with the Board or any of the Investigators during investigation to the extent that such co-operation will not compromise self-incrimination protections available under the applicable laws.
- g. Subjects have a right to consult with a person or persons of their choice, other than the Board.
- h. Subjects have a responsibility not to interfere with the investigation. Evidence shall not be withheld, destroyed or tampered with and witnesses shall not be influenced, coached, threatened or intimidated by the Subjects.
- i. Unless there are compelling reasons not to do so, Subjects would be given the opportunity to respond to material findings contained in an investigation report. No allegation of wrongdoing against a Subject shall be considered as maintainable unless there is good evidence in support of the allegation.

- j. Subjects have a right to be informed of the outcome of the investigation.
- k. The investigation shall be completed normally within 45 days of the receipt of the Protected Disclosure.

8. Protection

- a. For the purpose of providing protection to the Whistle Blower(s), the Whistle Blower(s) should disclose his/her identity in the covering letter forwarding such Protected Disclosure.
- b. The identity of the Whistle Blower(s) shall be kept confidential unless otherwise required by law, and in which case the Whistle Blower(s) would be informed accordingly.
- c. No unfair treatment would be meted out to a Whistle Blower(s) by virtue of his/her having reported a Protected Disclosure under this Policy. The Company, as a Policy, condemns any kind of discrimination, harassment, victimisation or any other unfair employment practice being adopted against Whistle Blower(s). Complete protection would, therefore, be given to Whistle Blower(s) against any unfair practice like retaliation, threat or intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion or the like including any direct or indirect use of authority to obstruct the Whistle Blower's right to continue to perform his duties/functions including making further Protected Disclosure. The Company would take steps to minimise difficulties, which the Whistle Blower(s) may experience as a result of making the Protected Disclosure.
- d. A Whistle Blower(s) may report any violation of the above Clause to the Board who shall investigate into the same and advise suitable action to the Management.
- e. Any other Employee assisting in the said investigation shall also be protected to the same extent as the Whistle Blower(s).

9. Disqualifications

- a. While it would be ensured that genuine Whistle Blower(s) are accorded complete protection from any kind of unfair treatment as herein set out, any abuse of this protection would warrant disciplinary action.
- b. Protection under this Policy would not mean protection from disciplinary action arising out of false or bogus allegations made by a Whistle Blower(s) knowing it to be false or bogus or with a mala fide intention.
- c. Whistle Blower(s), who make any Protected Disclosures, which have been subsequently found to be mala fide or malicious or Whistle Blower(s) who make 3 or more Protected Disclosures, which have been subsequently found to be frivolous, baseless

or reported otherwise than in good faith, would be disqualified from reporting further Protected Disclosures under this Policy and may be subject to disciplinary action.

10. Investigators

- a. Investigators are required to conduct a process towards fact-finding and analysis. Investigators shall derive their authority and access rights from the Board when acting within the course and scope of their investigation.
- b. Technical and other resources may be drawn upon as necessary to augment the investigation. All Investigators shall be independent and unbiased both in fact and as perceived. Investigators have a duty of fairness, objectivity, thoroughness, ethical behavior and observance of legal and professional standards.
- c. Investigations would be launched only after a preliminary review by the Board, as the case may be, which establishes that:
 - i. the alleged act constitutes an improper or unethical activity or conduct; and
 - ii. the allegation is supported by information specific enough to be investigated or in cases where the allegation is not supported by specific information, it is felt that the concerned matter is worthy of Management review.

11. Decision

If an investigation leads the Board to conclude that an illegal or unethical behaviour, actual or suspected fraud or violation of the Company's Codes or Policies or any improper activity has taken place/has been committed, the Board shall advise to the Management of the Company to take such disciplinary or corrective action as the Board may deem fit.

12. Reporting

A report with number of complaints received under this Policy and their outcome shall be placed by the Corporate Governance Cell before the Audit Committee on a regular basis.

13. Retention of documents

All Protected Disclosures in writing or documented alongwith the results of investigation relating thereto shall be retained by the Company for a minimum period of seven year.

14. Amendment

The Company reserves its right to amend or modify this Policy in whole or in part, at any time without assigning any reason whatsoever. However, no such amendment or modification would be binding on the Employees/ Directors unless the same is notified to the Employees/ Director.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF MAHINDRA INTEGRATED TOWNSHIP LIMITED

Report on the Financial Statements

We have audited the accompanying standalone financial statements of **MAHINDRA INTEGRATED TOWNSHIP LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143 (1) of the Act, we give in the Annexure a statement on the matters specified in paragraph 3 and 4 of the Order.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on March 31, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rule, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company did not have any pending litigations which would impact its financial position. Refer note 30 to the financial statements.
 - ii. The Company did not have material foreseeable losses on the long term contracts and there were no derivative contracts. Refer note 31 to the financial statements.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company. Refer note 30 to the financial statements.

ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

(Referred to under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Mahindra Integrated Township Limited on the accounts for the year ended March 31, 2015)

- (i) Having regard to the nature of the Company's business/ activities/result, clause (v) and (ix) of the Order is not applicable to the Company in the current year.
- (ii) In respect of its fixed assets:
- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
- (b) The fixed assets of the company have been verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (iii) In respect of its inventory:
- (a) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals.
- (b) In our opinion and according to the information and explanation given to us, the procedures of physical verification of inventories followed by the Management were reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the Register maintained under Section 189 of the Companies Act.
- (v) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchase of inventory, fixed assets and lease of residential properties. During the course of our audit, we have not observed any continuing failure to correct major weakness in such internal control system.
- (vi) We have broadly reviewed the cost records maintained by the Company specified by the Central Government under sub-section (1) of Section 48 of the Companies Act, 2013 and are of the opinion that *prima facie* the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us in respect of statutory dues:
- (a) The Company has been generally regular in depositing undisputed statutory dues including income tax, wealth tax, sales tax, service tax, duty of excise, duty of customs, value added tax, cess and other material statutory dues applicable to it with the appropriate authorities and there were no outstanding statutory dues as at the last day of the financial year for a period of more than six months from the date they became payable.
- (b) There are no dues of income tax, wealth tax, sales tax, service tax, duty of excise, duty of customs, value added tax and cess which have not been deposited as on March 31, 2015 on account of disputes.
- (c) There are no amounts required to be transferred to the Investor Education and Protection Fund by the Company during the year.
- (viii) There are no accumulated losses as at the end of the financial year and the Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.
- (ix) In our opinion and according to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from bank or financial institutions.
- (x) In our opinion and according to the information and explanations given to us, the term loans have been applied by the Company during the year for the purposes for which they were obtained.
- (xi) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

NOTES FORMING PART OF THE FINANCIAL STATEMENT FOR YEAR ENDED 31st MARCH, 2015

1. Corporate Information

The Company was incorporated on June 26, 1996.

The Company is a Co-developer approved under Special Economic Zone Act, 2005, engaged in development of residential infrastructure in Mahindra World city SEZ and giving it on perpetual lease. Accordingly the Company is entitled to 100% deduction of its income under the Income Tax Act, 1961 up to Assessment year 2019-20. The level of activity carried out by the Company depends on the number of projects handled and accordingly the revenue from operations may not be comparable on a year-to-year basis.

2. Significant Accounting Policies

a) Basis of accounting

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"/Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year except for change in the accounting policy for depreciation as more fully described in Note 29.

b) Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/materialize.

c) Inventories

Inventories are valued at lower of cost and net realizable value.

The cost of construction materials is determined on the basis of the weighted average method.

Construction work in progress includes cost of land, construction costs and allocated interest and expenses attributable to the projects undertaken by the company.

d) Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

e) Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

f) Revenue Recognition

Income from development of residential infrastructure is accounted on the percentage of completion method which necessarily involves technical estimates of the percentage of completion of each contract, and costs to completion of the contract, on the basis of which profits/losses are accounted. Such estimates, made by the management and certified to the auditors, have been relied upon by them, as these are of a technical nature.

The Company has adopted "The Guidance note for Accounting of Real Estate Transactions(Revised 2012)" applicable to all projects in

real estate which have commenced on or after April 1, 2012 and relating to projects where revenue is being recognized for the first time on or after April 1, 2012.

Accordingly revenues are now recognized only when all the following conditions are met:

- All critical approvals necessary for commencement of the project have been obtained.
- Expenditure incurred on construction & development cost is not less than 25% of the estimated construction and development costs excluding land cost.
- Atleast 25% of the saleable project area is secured by contracts or agreements with buyer.
- Atleast 10% of the total revenue as per the agreements of lease are realized at the reporting date in respect of each of the contracts and it is reasonable to expect that the parties to such contracts will comply with the payment terms as defined in the contracts.

In respect of projects where revenue recognition commenced prior to April 1, 2012, the following policy is adopted.

Revenues are recognized only when all the following conditions are met.

- The project costs incurred exceed 25% of the total estimated project costs including land
- At least 10% of the lease consideration is realized.
- At least plinth level is achieved for a particular phase as certified by the architect.

g) Other income

Interest & Guarantee Commission income are accounted on accrual basis.

Dividend income is accounted for when the right to receive it is established.

h) Fixed assets

Fixed assets are stated at cost less accumulated depreciation. Cost of acquisition is inclusive of purchase price, levies and any directly attributable cost of bringing the assets to its working condition for the intended use.

i) Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

j) Investments

Long term investments are carried at cost. Diminution in the value of investments, other than temporary, is provided for. Current investments are valued at lower of cost and fair value.

k) Foreign currency transactions and translations

Foreign exchange transactions are recorded at exchange rates prevailing on the date of the transactions. The exchange gain/loss arising on settlement of such transactions is adjusted to the profit and loss account.

Monetary assets and liabilities denominated in foreign currency are translated at exchange rates prevailing at the Balance sheet date and gain or loss arising out of such translation is adjusted to the Statement of Profit and Loss Account.

l) Borrowing costs

Borrowing costs include interest, amortization of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the

NOTES FORMING PART OF THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31st MARCH, 2015

loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset upto the date of capitalisation of such assets are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

m) Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post -tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits/reverse share splits and bonus shares, as appropriate.

n) Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognized on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognized for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognized only if there is virtual certainty that there will be sufficient future taxable income available to realize such assets. Deferred tax assets are recognized for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realized. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their reliability.

o) Provisions and contingencies

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

p) Service tax Input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing/utilising the credit.

ANNEXURE 3A TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2015**POLICY FOR REMUNERATION OF THE DIRECTORS****Purpose**

This Policy sets out the approach to Compensation of Directors in Mahindra Residential Developers Limited.

Policy Statement

We have a well-defined Compensation policy for Directors including the Chairman of the Company. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular annual benchmarking over the years with relevant players across the industry we operate in.

NON-EXECUTIVE INCLUDING INDEPENDENT DIRECTORS

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both Fixed and variable, to the Non Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the

compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Executive Directors

The remuneration to Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually/half yearly by the NRC based on their performance.

The remuneration involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

The Company may also grant Stock Options to the Directors (other than Independent Directors and Promoter) in accordance with the ESOP Scheme of the Company, if any, and subject to the compliance of the applicable statutes and regulations.

ANNEXURE 3B TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2015

POLICY ON REMUNERATION OF KEY MANAGERIAL PERSONNEL AND EMPLOYEES

This Policy shall be effective from the financial year 2014-15.

Objective

To establish guidelines for remunerating employees fairly and in keeping with Statutes.

Standards

All employees, irrespective of contract, are to be remunerated fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.

Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and paid annually in the month of July following the fiscal.

The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July i.e. after the salary increment exercise.

The variable component of the remuneration will be a function of the employee's grade.

The actual pay-out of variable component of the remuneration will be a function of individual performance as well as business performance. Business performance is evaluated using a

Balanced Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC and KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.

An annual compensation survey is carried out to ensure that the Company's compensation is externally competitive. Based on the findings of the survey and the business performance, the Sector Talent Council decides:

- a) The increment that needs to be paid for different performance ratings as well as grades.
- b) The increment for promotions and the total maximum increment.
- c) The maximum increase in compensation cost in % and absolute.

Compensation corrections are made in a few cases where it is outside the band or to keep it tune with the market.

ANNEXURE 4 TO THE DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2015**WHISTLE BLOWER POLICY****1. The Whistle Blower Policy shall come into effect from 1st April 2014.****2. Preface**

Mahindra Residential Developers Limited (MRDL) ("the Company") is committed to conducting its business in accordance with applicable laws, rules and regulations and the highest standards of business ethics, honesty, integrity and ethical conduct. Towards this end, the Company has adopted three separate Codes of Conduct viz. for Directors, for Independent Directors and for Senior Management and Employees (collectively referred to as "Codes" or "the Codes") and various Policies under the helm of Corporate Governance which inter alia include Policy on Disaster Management, Environment & Pollution, Human Resources, Insider Trading, Investor Relations, etc. (collectively referred to as "Policies") which lays down the principles and standards that should govern the actions of the Company and its Employees. Any actual or potential violation of the Code/Policies, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The role of the Employees/Directors in pointing out such violations of the Code/Policies cannot be undermined.

Further, as per the provisions of sub-section 9 of Section 177 of Companies Act, 2013 ("the Act" or "Act"), the company has been mandated to establish a vigil mechanism for directors and employees of the company to report to the Management, instances of unethical behaviour, actual or suspected, fraud or violation of the Company's Code or Policies.

Accordingly, this Whistle Blower Policy ("the Policy" or "this Policy") has been formulated with a view to provide a mechanism for Directors and Employees of the Company to approach the Board.

3. Definitions

The definitions of the key terms used in this Policy are given below. [Terms not defined herein below shall have the meaning assigned to them under the Codes/Policies/Act.]

- a. "Audit Committee" means the Audit Committee constituted by the Board of Directors of the Company in accordance with Section 177 of the Companies Act, 2013 and read with Clause 49 of the Listing Agreement with the Stock Exchanges.
- b. "Codes" mean three separate Codes of Conduct viz. for Directors, for Independent Directors and for Senior Management and Employees.
- c. "Director" means a director as defined under Section 2 (34) of the Companies Act, 2013.

d. "Employee" means every employee of the Company (whether working in India or abroad), including the Directors in the whole time employment of the Company.

e. "Investigators" means those persons authorised, appointed, consulted or approached by the Board and the Police.

f. "Protected Disclosure" means any communication made in good faith that discloses or demonstrates information that may evidence illegal or unethical behaviour, actual or suspected fraud or violation of the Company's Codes or Policies or any improper activity.

g. "Subject" means a person against or in relation to whom a Protected Disclosure has been made or evidence gathered during the course of an investigation.

h. "Whistle Blower" means a Director or Employee making a Protected Disclosure under this Policy.

4. Scope

- a. The Whistle Blower's role is that of a reporting party with reliable information. They are not required or expected to act as investigators or finders of facts nor would they determine the appropriate corrective or remedial action that may be warranted in a given case.
- b. Whistle Blowers should not act on their own in conducting any investigative activities, nor do they have a right to participate in any investigative activities other than as requested by the Board or the Investigator
- c. Protected Disclosure will be appropriately dealt with by the Board.

5. Eligibility

All the Directors and Employees of the Company are eligible to make Protected Disclosures under the Policy. The Protected Disclosures may be in relation to matters concerning the Company.

6. Procedure

- a. All Protected Disclosures should be addressed to the Board.
- b. If a protected disclosure is received by any Executive(s) of the Company other than the Board member, the same should be forwarded to the Board of Directors for further appropriate action.
- c. Appropriate care must be taken to keep the identity of the Whistle Blower(s) confidential.

- d. Protected Disclosures should be reported in writing so as to ensure a clear understanding of the issues raised, be typed in English, Hindi or in the Regional Language of the place of employment of the Whistle Blower(s).
- e. The Protected Disclosure should be forwarded under a covering letter which shall bear the identity of the Whistle Blower(s). The Board shall detach the covering letter and forward only the Protected Disclosure to the Investigators for investigation.
- f. Protected Disclosures should be factual and not speculative or in the nature of a conclusion, and should contain as much specific information as possible to allow for proper assessment of the nature and extent of the concern.

7. Investigation

- a. All Protected Disclosures reported under this Policy would be thoroughly investigated by the Board who would investigate/oversee the investigations.
- b. The Board may at their discretion, consider involving any Investigators for the purpose of investigation.
- c. The decision to conduct an investigation taken by the Board is by itself not an accusation and is to be treated as a neutral fact-finding process. The outcome of the investigation may or may not support the conclusion of the Whistle Blower that an improper or unethical act was committed.
- d. The identity of a Subject and the Whistle Blower would be kept confidential to the extent possible given the legitimate needs of law and the investigation.
- e. Subjects would normally be informed of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.
- f. Subjects shall have a duty to co-operate with the Board or any of the Investigators during investigation to the extent that such co-operation will not compromise self-incrimination protections available under the applicable laws.
- g. Subjects have a right to consult with a person or persons of their choice, other than the Board.
- h. Subjects have a responsibility not to interfere with the investigation. Evidence shall not be withheld, destroyed or tampered with and witnesses shall not be influenced, coached, threatened or intimidated by the Subjects.
- i. Unless there are compelling reasons not to do so, Subjects would be given the opportunity to respond to material findings contained in an investigation report. No allegation of wrongdoing against a Subject shall be considered as maintainable unless there is good evidence in support of the allegation.

- j. Subjects have a right to be informed of the outcome of the investigation.
- k. The investigation shall be completed normally within 45 days of the receipt of the Protected Disclosure.

8. Protection

- a. For the purpose of providing protection to the Whistle Blower(s), the Whistle Blower(s) should disclose his/her identity in the covering letter forwarding such Protected Disclosure.
- b. The identity of the Whistle Blower(s) shall be kept confidential unless otherwise required by law, and in which case the Whistle Blower(s) would be informed accordingly.
- c. No unfair treatment would be meted out to a Whistle Blower(s) by virtue of his/her having reported a Protected Disclosure under this Policy. The Company, as a Policy, condemns any kind of discrimination, harassment, victimisation or any other unfair employment practice being adopted against Whistle Blower(s). Complete protection would, therefore, be given to Whistle Blower(s) against any unfair practice like retaliation, threat or intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion or the like including any direct or indirect use of authority to obstruct the Whistle Blower's right to continue to perform his duties/functions including making further Protected Disclosure. The Company would take steps to minimise difficulties, which the Whistle Blower(s) may experience as a result of making the Protected Disclosure.
- d. A Whistle Blower(s) may report any violation of the above Clause to the Board who shall investigate into the same and advise suitable action to the Management.
- e. Any other Employee assisting in the said investigation shall also be protected to the same extent as the Whistle Blower(s).

9. Disqualifications

- a. While it would be ensured that genuine Whistle Blower(s) are accorded complete protection from any kind of unfair treatment as herein set out, any abuse of this protection would warrant disciplinary action.
- b. Protection under this Policy would not mean protection from disciplinary action arising out of false or bogus allegations made by a Whistle Blower(s) knowing it to be false or bogus or with a mala fide intention.
- c. Whistle Blower(s), who make any Protected Disclosures, which have been subsequently found to be mala fide or malicious or Whistle Blower(s) who make 3 or more Protected Disclosures, which have been subsequently found to be frivolous, baseless

or reported otherwise than in good faith, would be disqualified from reporting further Protected Disclosures under this Policy and may be subject to disciplinary action.

10. Investigators

- a. Investigators are required to conduct a process towards fact-finding and analysis. Investigators shall derive their authority and access rights from the Board when acting within the course and scope of their investigation.
- b. Technical and other resources may be drawn upon as necessary to augment the investigation. All Investigators shall be independent and unbiased both in fact and as perceived. Investigators have a duty of fairness, objectivity, thoroughness, ethical behavior and observance of legal and professional standards.
- c. Investigations would be launched only after a preliminary review by the Board, as the case may be, which establishes that:
 - i. the alleged act constitutes an improper or unethical activity or conduct; and
 - ii. the allegation is supported by information specific enough to be investigated or in cases where the allegation is not supported by specific information, it is felt that the concerned matter is worthy of Management review.

11. Decision

If an investigation leads the Board to conclude that an illegal or unethical behaviour, actual or suspected fraud or violation of the Company's Codes or Policies or any improper activity has taken place/has been committed, the Board shall advise to the Management of the Company to take such disciplinary or corrective action as the Board may deem fit.

12. Reporting

A report with number of complaints received under this Policy and their outcome shall be placed by the Corporate Governance Cell before the Audit Committee on a regular basis.

13. Retention of documents

All Protected Disclosures in writing or documented alongwith the results of investigation relating thereto shall be retained by the Company for a minimum period of seven year

14. Amendment

The Company reserves its right to amend or modify this Policy in whole or in part, at any time without assigning any reason whatsoever. However, no such amendment or modification would be binding on the Employees/ Directors unless the same is notified to the Employees/ Director

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF MAHINDRA RESIDENTIAL DEVELOPERS LIMITED

Report on the Financial Statements

We have audited the accompanying standalone financial statements of **MAHINDRA RESIDENTIAL DEVELOPERS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the Annexure a statement on the matters specified in paragraph 3 and 4 of the Order.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit & Auditors) Rule, 2014, in our opinion and to the best of our information and according to the explanation given to us :
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer note 21 to the financial statements.
 - ii. The Company did not have material foreseeable losses on long term contracts and there were no derivative contracts. Refer note 22 to the financial statements.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company. Refer note 22 to the financial statements.

ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

(Referred to under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Mahindra Residential Developers Limited on the accounts for the year ended 31st March, 2015).

- (i) Having regard to the nature of the Company's business/activities/result, clause (i) and (v) of the Order are not applicable to the Company in the current year.
- (ii) In respect of its inventory:
- (a) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals.
- (b) In our opinion and according to the information and explanation given to us, the procedures of physical verification of inventories followed by the Management were reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.
- (iii) In our opinion and according to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the Register maintained under Section 189 of the Companies Act.
- (iv) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchase of inventory and lease of residential properties. During the course of our audit, we have not observed any continuing failure to correct major weakness in such internal control system.
- (v) We have broadly reviewed the cost records maintained by the Company specified by the Central Government under sub-section (1) of Section 48 of the Companies Act, 2013 and are of the opinion that prima facie the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vi) According to the information and explanations given to us in respect of statutory dues:
- (a) The Company has been generally regular in depositing undisputed statutory dues including income tax, wealth tax, sales tax, service tax, value added tax, duty of customs, duty of excise, cess and other material statutory dues applicable to it with the appropriate authorities and there were no outstanding

statutory dues as at the last day of the financial year for a period of more than six months from the date they became payable.

- (b) Details of dues of Income tax which have not been deposited as on March 31, 2015 on account of disputes are given below:

Name of the statute	Nature of the dues	Forum where the dispute is pending	Period to which the amount relates	Amount involved (Rs. In lakhs)
Income Tax Act	Income Tax	Commissioner of Income Tax – Appeals	AY 2012-13	122.19

- (c) There are no amounts required to be transferred to the Investor Education and Protection Fund by the Company during the year.
- (vii) There are no accumulated losses as at the end of the financial year and the Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.
- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues in respect of term loans.
- (ix) In our opinion and according to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from bank or financial institutions.
- (x) In our opinion and according to the information and explanations given to us, the term loans have been applied by the Company during the year for the purposes for which they were obtained.
- (xi) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

NOTES FORMING PART OF THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31st MARCH, 2015

1. Corporate Information

The Company was incorporated on February 1, 2008.

The Company is a Co-developer approved under Special Economic Zone Act, 2005, engaged in development of residential infrastructure in Mahindra World city SEZ and giving it on perpetual lease. Accordingly the Company is entitled to a 100% deduction of its income under the Income Tax Act, 1961 up to Assessment year 2019-20. The level of activity carried out by the Company depends on the number of projects handled and accordingly the revenue from operations may not be comparable on a year-to-year basis.

2. Significant Accounting Policies

a) Basis of accounting:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act")/Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

b) Use of Estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/materialize.

c) Inventories:

Inventories are valued at lower of cost and net realizable value.

The cost of construction materials is determined on the basis of the weighted average method.

Construction work in progress includes cost of land, construction costs and allocated interest and expenses attributable to the projects undertaken by the Company.

d) Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

e) Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

f) Revenue Recognition:

Income from development of residential infrastructure is recognized on the percentage of completion method which necessarily involves technical estimates of the percentage of completion of each contract, and costs to completion of the contract, on the basis of which profits/losses are accounted. Such estimates, made by the management and certified to the auditors have been relied upon by them, as these are of a technical nature.

The Company has adopted "The Guidance note for Accounting of Real Estate Transactions (Revised 2012)" applicable to all projects in real estate which have commenced on or after April 1, 2012 and relating to projects where revenue is being recognized for the first time on or after April 1, 2012.

Accordingly revenues are now recognized only when all the following conditions are met:

- All critical approvals necessary for commencement of the project have been obtained
- Expenditure incurred on construction & development cost is not less than 25 % of the estimated construction and development costs excluding land cost
- At least 25% of the saleable project area is secured by contracts or agreements with buyer
- At least 10 % of the total revenue as per the agreements of lease are realised at the reporting date in respect of each of the contracts and it is reasonable to expect that the parties to such contracts will comply with the payment terms as defined in the contracts.

In respect of projects where revenue recognition commenced prior to April 1, 2012, the following policy is adopted.

Revenues are recognized only when all the following conditions are met.

- The project costs incurred exceed 25% of the total estimated project costs including land
- At least 10% of the lease consideration is realized.
- At least plinth level is achieved for a particular phase as certified by the architect.

g) Other income

Interest income is accounted on accrual basis.

h) Foreign currency transactions and translations

Foreign exchange transactions are recorded at exchange rates prevailing on the date of the transactions. The exchange gain/loss arising on settlement of such transactions is adjusted to the profit and loss account.

Monetary assets and liabilities denominated in foreign currency are translated at exchange rates prevailing at the Balance sheet date and gain or loss arising out of such translation is adjusted to the profit and loss account.

i) Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits/reverse share splits and bonus shares, as appropriate.

NOTES FORMING PART OF THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2015

j) Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and provisions of the Income Tax Act, 1961 and other applicable tax laws

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognized on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognized for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognized only if there is virtual certainty that there will be sufficient future taxable income available to realize such assets. Deferred tax assets are recognized for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realized. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their reliability.

k) Provisions and contingencies

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

l) Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing/utilising the credit.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MAHINDRA WORLD CITY (MAHARASHTRA) LIMITED

Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of **Mahindra World City (Maharashtra) Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss and Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment

of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March, 2015, and its loss and cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2015, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and Cash Flow dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);

- e. on the basis of written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015, from being appointed as a director in terms of Section 164(2) of the Act.
- f. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company does not have any pending litigations which would impact its financial position.
 - ii. the Company did not have any long-term contracts including derivate contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
